Appendix A – Terms and Conditions of Sale

Terms and Conditions of Sale (1 of 6)

1. The Vendor is MNP Ltd., in its capacity as Receiver (the "Vendor") of Baytec Mechanical Services Inc. (the "Company" or "Baytec Mechanical Services").
2. The assets being offered for sale (the "Assets") pursuant to these Terms and Conditions of Sale consist of the Vendor's interest in the Assets as described in this Information Package.
3. Offers marked "Offer – Baytec Mechanical Services Inc." addressed to MNP Ltd., 1801 Hollis Street, Suite 1400, Halifax, NS, B3J 3N4, must be received by MNP Ltd. no later than **3:00pm AST, Friday, June 14, 2024**.
4. Each offer must be accompanied by a certified cheque or bank draft, payable to "MNP Ltd. – In Trust", for an amount equal to 5% of the offered price (the "Deposit"). If an offer is accepted and approved, the certified cheque or bank draft shall be deemed a cash deposit and the balance of the purchase price shall be paid to the Vendor, at the times and on the Terms and Conditions of Sale herein set out.
5. All offers shall be submitted on the required Form of Offer which is attached to these Terms and Conditions of Sale as Appendix B of this Information Package. Offers that are not on the required Form of Offer or offers that seek to amend the Terms and Conditions of Sale, may be rejected by the Vendor.
6. Offers may be submitted for (a) individual parcels or (b) en bloc.
7. In consideration of the Vendor making available these Terms and Conditions of Sale, other information and the opportunity of inspection, each prospective purchaser agrees that their offer is irrevocable and cannot be retracted, withdrawn, varied or countermanded prior to acceptance or rejection thereof.
8. The highest or any offer shall not necessarily be accepted.
9. The Vendor, at its sole discretion, reserves the right at any time to withdraw the Information Package, terminate the Information Package, or alter, add or waive any of the Terms and Conditions of Sale as it deems necessary and/or appropriate.

Terms and Conditions of Sale (2 of 6)

10. If any offer is accepted by the Vendor, then such acceptance shall be communicated to the successful purchaser (the "Purchaser") within ten (10) business days of the date fixed for the closing of offers. Such notice may be by e-mail, facsimile or other means of recorded telecommunications or by registered mail or delivery. Notice of acceptance shall be deemed effectively given when sent by facsimile, e-mail or other means of recorded telecommunication, or on date of deposit in a post office if mailed by registered mail, as the case may be. Upon such acceptance, there shall be a valid and binding Agreement of Purchase and Sale (the "Agreement") between the Vendor and the Purchaser on the terms contained herein and the Form of Offer, and the acceptance thereof shall be sufficient evidence of such Agreement.
11. Certified cheques or bank drafts accompanying offers that are not accepted by the Vendor will be returned, without interest, to the address provided in the offer within ten (10) business days of the date fixed for the closing of offers, unless otherwise arranged with the bidder.
12. The balance of the purchase price shall be due and payable on closing, which closing shall occur within thirty (30) calendar days after acceptance of an offer by the Vendor (the "Closing Date"). The Closing Date may be extended for a further thirty (30) calendar days by the Vendor acting alone, or to such other date as may be mutually agreed between the Vendor and the Purchaser.
13. Upon closing of the sale contemplated by the Agreement, the Purchaser shall be entitled, upon receipt by the Vendor of the purchase price, only to such forms of conveyance as may be considered necessary by the Vendor to convey the Assets to the Purchaser. Any such forms of conveyance shall contain only a conveyance of the Vendor's interest in the Assets and shall not contain any warranty or covenant other than a covenant that the Vendor has done no act to encumber the Assets. All such forms shall be in form and substance acceptable to the Vendor and its counsel.
14. The Purchaser agrees to accept title to the Assets subject to work orders, license and lease conditions, municipal requirements, including building or zoning by-laws and regulations, and any easements, restrictions and/or covenants which run with the land.
15. Real Property and Municipal Taxes will be adjusted on the Closing Date. However, the Vendor assumes no responsibility or liability for and shall not be required to discharge or adjust for any taxes, assessments, rates, liens, or other liabilities which do not, by law, form a specific lien or charge upon or against the Assets in priority to the interest being conveyed by the Vendor.

Terms and Conditions of Sale (3 of 6)

16. In addition to the purchase price for the Assets being purchased, the Purchaser shall pay to the Vendor on the Closing Date all applicable federal, provincial and other taxes unless all necessary Certificates (in form and substance acceptable to the Vendor) to exempt the Purchaser therefrom are provided to the Vendor on or before the Closing Date. The Purchaser shall arrange its own insurance and there shall be no adjustment of insurance. The Purchaser shall be responsible for all costs with respect to the obtaining of all Federal, Provincial and Municipal licenses and permits necessary to carry on a business.
17. The obligation of the Vendor to sell and the Purchaser to purchase the Assets shall, at the option of the Vendor, terminate in the event that, prior to the Closing Date of the sale, the Assets are substantially destroyed by fire, flood, the elements, Government action, civil commotion or any other external cause beyond the control of the Vendor. Such option to terminate by the Vendor shall be exercised by giving notice in writing to the Purchaser that it intends to take the proceeds, if any, payable under any existing insurance policies and terminate the Agreement. In such an event, the Agreement shall automatically terminate and be deemed null, and void and the Deposit shall be returned to the Purchaser without interest, cost, compensation or deduction and neither party shall be liable to the other for any costs or damages whatsoever. If the Vendor does not exercise such option, the Purchaser shall perform the Agreement. In such event, the Purchaser shall be entitled only to an assignment of any proceeds payable under any existing insurance policies and a transfer of the Assets in full settlement of the Vendor's obligations to repair or replace the damaged Assets and in full satisfaction of the Agreement.
18. The Vendor reserves the right to cancel the sale of the Assets on or before the Closing Date for any reason including, without limitation, that to proceed would not be commercially reasonable, as determined by the Vendor in its sole discretion. If the Vendor exercises the right to cancel the sale of the Assets, the Agreement shall be automatically terminated and deemed null, and void and the Deposit shall be refunded to the Purchaser without interest, costs, compensation or deduction and neither party shall be liable to the other for any costs or damages whatsoever.
19. The Vendor shall remain in possession of the Assets until the Closing Date and completion of the Agreement. Title to the Assets shall not pass to the Purchaser, nor shall the Purchaser be entitled to the possession of the same, until the purchase price and all other payments to be made to the Vendor by the Purchaser pursuant to the Agreement have been paid in full.
20. Subject to the Terms and Conditions of Sale being complied with, the Purchaser acknowledges that the Agreement is being completed under the power of sale provisions contained within the Conveyancing Act, RSNL 1990, c C-34 and the guidelines, procedures, and timing therein.

Terms and Conditions of Sale (4 of 6)

21. In the event that the Vendor, in its sole and absolute discretion, determines that approval of the Court is required or should be sought in respect of the sale of the Assets, then the Vendor may postpone the closing of the sale of the Assets or any part thereof, upon written notice to the Purchaser that Court approval will be required. The closing will be completed within 10 business days of Court approval being granted. In the event that the Court declines to approve the sale of the Assets, such sale shall be deemed to be terminated and the Deposit and any additional funds paid to the Vendor by the Purchaser regarding such sale shall be returned to the Purchaser without interest, costs, compensation or deduction and neither party shall be liable to the other for any costs or damages whatsoever.
22. The Vendor shall not be required to furnish or produce any surveys, reports, abstracts, certificates, deeds, declarations, or other documents as evidence of title except those in its possession. It is the responsibility of the Purchaser to satisfy itself as to title and conditions at its own expense within ten (10) business days of receipt of notice of acceptance of its offer. All costs associated with the Purchaser's due diligence process are strictly for the account of the Purchaser. Without limiting the generality of such due diligence costs, they include all legal costs, surveys, inspections and insurance.
23. If, on or before closing, it is found that there are claims, liens, encumbrances, or other charges against the Assets which the Purchaser has not agreed to assume in addition to, or as part of its offer and which the Vendor is unable or not willing to discharge, the Vendor, at its own option, may rescind the Agreement to sell the Assets and the Purchaser shall be entitled to the return of the Deposit, without interest and without any other compensation of any kind or nature whatsoever for any loss, damages or other costs.
24. If the Purchaser fails to comply with these Terms and Conditions of Sale, the Deposit shall be forfeited to the Vendor on account of damages and the Assets may be resold by the Vendor in such manner and on such terms as the Vendor in its sole discretion determines, and the Purchaser shall pay to the Vendor (i) an amount equal to the amount, if any, by which the purchase price under the Agreement exceeds the net purchase price received by the Vendor pursuant to such resale, and (ii) an amount equal to all costs and expenses incurred by the Vendor in respect of, or occasioned by, the Purchaser's failure to comply with the Agreement.
25. By submitting an offer, the Purchaser acknowledges that it has inspected the Assets and that the Assets are sold on an "as is, where is" basis at the time of closing and that no representation, warranty or condition is expressed or implied as to title, description, environmental conditions, fitness for purpose, merchantability, quantity, condition, cost, or quality thereof or in respect of any other matter or thing whatsoever. Without limitation, the Assets are specifically offered as it exists on closing and with no adjustments to be allowed by the Purchaser for changes in conditions or qualities of the Assets from the date hereof to the Closing Date. The Purchaser acknowledges that the Vendor is not required to provide any inspection of the Assets and the Purchaser shall be deemed to have relied entirely on its own inspection, knowledge and investigation with respect to the Assets.

Terms and Conditions of Sale (5 of 6)

26. The deed/transfer in favour of the Purchaser and any other information made available for review is done on a confidential basis. All information made available for review as part of the Information Package is done so without any representations or warranties, expressed or implied, by the Vendor as to the accuracy or completeness of such information. Any reliance or decisions made based upon information made available by the Vendor is the responsibility of the Purchaser and no claim may be made against the Vendor, the secured creditors, or any other parties as a result thereof.
27. MNP Ltd. acts in its capacity as Receiver as aforesaid and shall have no personal or corporate liability hereunder or from any Agreement contemplated hereby, or as a result of any sale contemplated hereby.
28. In the event that some of the offers submitted are substantially on the same terms and/or amounts, the Vendor may in its sole discretion call upon those prospective purchasers to submit further offers.
29. The Terms and Conditions of Sale contained herein shall not merge on closing but shall survive such closing and remain in full force and effect and be binding on the Purchaser thereafter.
30. All notices contemplated by these Terms and Conditions of Sale may be forwarded by electronic communication.
31. The validity and interpretation of these Terms and Conditions of Sale, and of each provision and part of any Agreement defined herein, shall be governed by the laws of Newfoundland and Labrador as applicable thereto, and the Courts of the Province of Newfoundland and Labrador shall have exclusive jurisdiction with respect to any disputes arising out of these Terms and Conditions of Sale or any Agreement entered into pursuant to these Terms and Conditions of Sale.
32. The Vendor, at its own discretion, may waive any of the Terms and Conditions of Sale herein.
33. If there is any conflict between these Terms and Conditions of Sale and the advertised Information Package, the terms contained in these Terms and Conditions of Sale shall prevail.
34. The Agreement entered into pursuant to these Terms and Conditions of Sale shall enure to the benefit of, and be binding upon, the parties thereto, and their respective successors and permitted assigns. For clarity, the Purchaser may assign or nominate its rights under the Agreement upon the express permission of the Vendor provided that the Purchaser shall remain liable under the Agreement, notwithstanding any assignment thereof by the Purchaser.

Terms and Conditions of Sale (6 of 6)

35. The Vendor disclaims any obligation or liability in relation to the completeness or accuracy of any documentation or information provided to any prospective offeror or any Purchaser, whether in writing or otherwise, and whether by the Vendor, counsel to the Vendor or any other person for or on behalf of the Vendor (collectively the "Vendor Group"). Each offeror, prospective offeror and any Purchaser shall be deemed to have relied upon its or their own investigations or enquiries of persons other than the Vendor Group in relation to any offer, potential offer or the completion of the purchase of the Assets and shall not have any claim against the Vendor Group either based on any contract or principle of liability.
36. The Vendor, notwithstanding anything to the contrary herein, shall be entitled to use its discretion with respect to exercising or refraining from exercising any rights which may be vested in it under these Terms and Conditions of Sale or by any Agreement with a Purchaser or any other agreement with any party and shall incur no liability or in respect of anything which it may do or refrain from doing in the exercise of its judgement or which may seem to it to be necessary or desirable in the circumstances. Any reference herein to the exercise of discretion by the Vendor (including phrases such as "in the discretion of", "in the opinion of", "to the satisfaction of" and similar phrases) shall mean that such discretion is absolute and unfettered. Unless the Vendor has actual knowledge or actual notice to the contrary, it may rely upon any communication or document believed by it to be genuine and accurate.
