Trademark	Particulars	Goods/Services	Status
CON-TECH SYSTEMS LTD.	App No: 1,459,907 App Date: Nov 20, 2009 Reg No: TMA777,346 Reg Date: September 16, 2010	Goods: Geotechnical products, namely injection bored drill rods, ground anchors, soil nails and micro piles; parts of said injection bored drill rods, ground anchors, soil nails and micro piles being usable simultaneously for the injection of mortar and ground stabilization namely connecting sleeves, bolts, anchors and bearing plates; Services: Custom design and fabrication of geotechnical products to the specifications of others; Providing consultation and technical advice to others regarding geotechnical products	Renewal Deadline: Sept 16, 2025
CON-TECH SYSTEMS LTD. & DESIGN 	App No: 1,405,048 App Date: July 28, 2008 Reg No: TMA753,211 Reg Date: November 17, 2009	Goods: Injection bored drill rods, ground anchors, soil nails and micro piles; parts of said injection bored drill rods, ground anchors, soil nails and micro piles being usable simultaneously for the injection of mortar and ground stabilization namely connecting sleeves, bolts, anchor and bearing plates;	Renewal Deadline: Nov 17, 2024
Diamond Design 	App No: 1,460,646 App Date: Nov 26, 2009 Reg No: TMA783,708 Reg Date: November 29, 2011	Goods: Geotechnical products, namely injection bored drill rods, ground anchors, soil nails and micro piles; parts of said injection bored drill rods, ground anchors, soil nails and micro piles being usable simultaneously for the injection of mortar and ground stabilization namely connecting sleeves, bolts, anchors and bearing plates Services: Custom design and fabrication of geotechnical products to the specifications of others; Providing consultation and technical advice to others regarding geotechnical products.	Renewal Deadline: Nov 29, 2025
CTS	App No: 1,405,049 App Date: July 28, 2008 Reg No: TMA748,577 Reg Date: September 23, 2009	Goods: Injection bored drill rods, ground anchors, soil nails and micro piles; parts of said injection bored drill rods, ground anchors, soil nails and micro piles being usable simultaneously for the injection of mortar and ground stabilization namely connecting sleeves, bolts, anchor and bearing plates;	Renewal Deadline: Sept 23, 2024
IBO	App No: 1,202,899 App Date: Jan 7, 2004 Reg No: TMA639,019 Reg Date: May 3, 2005	Goods: Injection bored drill rods, ground anchors, soil nails and micro piles; parts of said injection bored drill rods, ground anchors, soil nails and micro piles being usable simultaneously for the injection of mortar and ground stabilization namely connecting sleeves, bolts, anchor and bearing plates;	Renewal Deadline: May 3, 2030
