AFFIDAVIT OF ANDREW DAVIDSON

Sworn on May 31, 2023

I, Andrew Davidson, of Calgary, Alberta, SWEAR AND SAY THAT:

1. I am a creditor in this Action in my personal capacity and, as such, have personal knowledge of the matters hereinafter deposed to, except where stated to be based on information and belief, in which case I verily believe the same to be true.

2. I am the former President, Chief Executive Officer and a director of Home Solutions Corporation, carrying on business as Simple Spaces ("**Home Solutions**" or the "**Bankrupt**"). I resigned as a director of Home Solutions and my employment with Home Solutions (which commenced on or about January 1, 2019) was terminated on May 11, 2022, at the insistence of Private Debt Partners Senior Opportunities Fund GP Inc., doing business as Private Debt Partners, and pursuant to my obligations under the Forbearance Agreement (defined below).
3. I am also a defendant and plaintiff by counterclaim in the following Actions:
 - (a) Court of King's Bench of Alberta Action No. 2201-12293 (the "**12293 Action**"), formerly Action No. 2203-10785, in which Private Debt Partners Senior Opportunities Fund GP Inc. is the plaintiff, and Private Debt Partners Senior Opportunities Fund GP Inc. and an individual named Jeffrey Deacon ("**Deacon**") are the defendants by counterclaim. 2087212 Alberta Ltd. ("**208**"), a company of which I am the sole director and shareholder, is also a defendant and plaintiff by counterclaim in the 12293 Action; and
 - (b) Court of King's Bench of Alberta Action No. 2201-10411 (the "**10411 Action**"), in which Private Debt Partners Senior Opportunities Fund GP Inc. is the plaintiff and Private Debt Partners Senior Opportunities Fund GP Inc. and Deacon are the defendants by counterclaim.
4. That being said, notwithstanding that Private Debt Partners Senior Opportunities Fund GP Inc. commenced the 12293 Action and the 10411 Action in that name, indicating that it is a corporation incorporated pursuant to the laws of the Province of Ontario, and notwithstanding that all of the dealings and agreements that Home Solutions has had with Private Debt Partners Senior Opportunities Fund GP Inc. were with "Private Debt Partners Senior Opportunities Fund GP Inc.", I have recently become aware that there is no such entity in Canada. I am advised by my legal counsel and do verily believe that the following is a screenshot of the results of a Canada-wide corporate search for "Private Debt Partners":

5. Attached hereto as **Exhibit "1"** are true copies of corporate or partnership searches for each of the above-noted entities, as well as for:
- (a) PDP Senior Opportunities GP Inc., which is listed on the Ontario partnership search for "Private Debt Partners Senior Opportunities Fund LP" as the general partner of that entity;
 - (b) PDP Senior Direct Lending GP Inc.; and
 - (c) PDP Opportunities Carried Interest GP Inc.
6. I am further advised by my legal counsel and do verily believe that there are entities with similar names registered in the United States as well, including but not limited to "Private Debt Partners GP LLC" and "Private Debt Partners, LP", each of which are registered in the State of Delaware. Attached hereto as **Exhibit "2"** are true copies of Delaware corporate searches of those entities. I have not requested that my legal counsel conduct corporate searches of Private Debt Partners Senior Opportunities Fund GP Inc. in all 50 states, considering the cost to do so.

7. I refer herein to the entity that identified itself to me, to Home Solutions, and (in the 12293 Action and the 10411 Action) to this Court as "Private Debt Partners Senior Opportunities Fund GP Inc.", which may also be known as "PDP Senior Opportunities GP Inc.", "PDP Senior Direct Lending GP Inc.", "PDP Opportunities Carried Interest GP Inc.", "Private Debt Partners GP LLC", "Private Debt Partners Inc.", "Private Debt Partners LP", "Private Debt Partners Senior Direct Lending Fund LP", or "Private Debt Partners Senior Opportunities Fund LP", as "**PDP**".

BACKGROUND

8. I make this Affidavit in support of an application for an Order pursuant to section 38 of the *Bankruptcy and Insolvency Act*, RSC 1985, c B-3 (the "**BIA**").
9. On January 12, 2022, PDP advanced to Home Solutions a loan in the amount of \$9,135,000 (the "**Loan**"). At the time of the Loan, as noted above, I was the President, CEO and a director of Home Solutions.
10. I provided a personal guarantee with respect to the Loan, dated January 11, 2022, which was limited to 15% of the obligation of Home Solutions to PDP. A copy of this guarantee is attached as **Exhibit "3"** to this Affidavit. At the same time, 208 provided a guarantee of the Loan to PDP, and pledged its shares in Home Solutions as security for that guarantee. Attached as **Exhibit "4"** is a copy of the 208 guarantee.

THE PARTIES

11. Home Solutions is a corporation incorporated pursuant to the laws of Alberta. At all material times, Home Solutions operated a Calgary-based glass and closet supply and manufacturing company, primarily servicing commercial and residential clients in Alberta's new-build industry. Attached as **Exhibit "5"** is an Alberta corporate search of Home Solutions.
12. 208 is a corporation incorporated pursuant to the laws of Alberta. From approximately January 1, 2019 to May 11, 2022, 208 owned approximately 79% of the voting shares of Home Solutions. As noted above, I am the sole director of 208 and own 75% of the voting

shares of 208. My wife, Jody Davidson, owns 25% of the voting shares of 208. Attached hereto as **Exhibit "6"** is an Alberta corporate search of 208.

13. PDP is a private lender, with its offices in Toronto Ontario. Deacon is the Managing Partner of PDP and as far as I am aware, resides in Toronto, Ontario.

PURCHASE OF HOME SOLUTIONS

14. On or about January 1, 2019, through a series of transactions, 208 and a number of minority shareholders purchased all outstanding shares of Home Solutions (the "**Share Purchase Transaction**") for approximately \$13.3 Million. The Share Purchase Transaction was financed by way of:

- (a) a \$9.6 Million term loan from The Toronto-Dominion Bank ("**TD**"). TD had been financing the Business for approximately 30 years;
- (b) a \$1.6 Million vendor-take-back mortgage granted by the previous owners; and
- (c) \$2.1 Million from the minority shareholders.

Attached hereto as **Exhibit "7"** is a copy of the Share Purchase Transaction.

15. As part of the Share Purchase Transaction, my wife and I provided unlimited guarantees to TD of Home Solutions' obligations. Attached hereto as **Exhibit "8"** are those guarantees.
16. Home Solutions subsequently experienced a number of financial challenges, limiting its growth and constraining its working capital. Despite best efforts, Home Solutions' financial performance did not improve. In November 2019, TD transferred the administration of its loans to Home Solutions to its "special loans" group, signifying that Home Solutions was in distressed circumstances and was potentially in need of restructuring or refinancing.

REFINANCING EFFORTS

17. TD advised Home Solutions that it would continue to support it by continuing to provide it with the existing operating line of credit, but declined to provide the company with any

further operating credit. Home Solutions engaged Diamond Willow Advisory ("**Diamond Willow**") in mid-May 2021, to assist in looking for alternative sources of financing.

18. Diamond Willow contacted PDP, as well as other potential lenders. PDP conducted extensive due diligence and expressed an interest in refinancing Home Solutions.
19. On January 12, 2022, PDP provided Home Solutions with the Loan, a demand term loan. Part of the proceeds of the Loan were used to pay out TD's existing term loan and TD's existing demand loan, and the remainder was used as working capital by Home Solutions. Attached as **Exhibit "9"** is the credit agreement between the parties (the "**Credit Agreement**").
20. Pursuant to the Credit Agreement, PDP agreed to keep confidential all information it received from Home Solutions. Section 11.16 states:

The Lender shall keep strictly confidential all financial statements and all other written information delivered by or on behalf of the Borrower that the Borrower has advised the Lender in writing are confidential;...

21. After closing the Loan, Home Solutions commenced reporting to PDP in accordance with the terms of the Credit Agreement, including providing information about the company's financial circumstances and performance, including its continued struggles.

BREACH OF THE CREDIT AGREEMENT

22. Beginning in March 2022, PDP began taking steps which undermined my position at Home Solutions and sought to appropriate economic benefits from Home Solutions for its own gain, including:
 - (a) meeting with Home Solutions' investors, including Tate Leavitt of Gemstone and Jeff Ady of 3M, two investors in Home Solutions, in an attempt to have me removed from the company and the shares of Home Solutions taken from me and my partners;
 - (b) discussing with 3M and Gemstone the possible injection of funds into the company, without my knowledge;

- (c) hiring restructuring consultants Kluane Group and then subsequently firing them within the week and bringing in another set of accountants;
- (d) discussing the company's financial situation with parties, including Soren Nielsen (a previous owner of Home Solutions), Gemstone and 3M, including regarding them taking over or running Home Solutions, without my presence or knowledge;
- (e) meeting with Colin Miller of Gemstone and Jonas Deacon (Deacon's cousin and, as far as I am aware, an employee of Hoover Mechanical Plumbing and Heating) and a colleague of Jonas Deacon's, to discuss removing me from Home Solutions and putting in Jonas Deacon as the new president of the company.

Based on my discussions with the above-noted parties, I believe that PDP breached its confidentiality obligations under the Credit Agreement.

- 23. PDP communicated with other investors, the previous owners, and unknown parties regarding Home Solutions to the exclusion of myself, 208, and the minority shareholders. PDP disclosed confidential information about Home Solutions and failed to communicate to me that it had taken these steps. These were breaches of the Credit Agreement.
- 24. As the financial condition of Home Solutions continued to deteriorate, PDP intimidated me and others, including with threats of law suits and personal liability. PDP demanded my resignation.

NOTICE OF INTENTION TO MAKE A PROPOSAL

- 25. In late April and early May of 2022, Home Solutions was preparing to file a Notice of Intention to Make a Proposal, pursuant to the *BIA* (the "**NOI**"). Home Solutions informed PDP of this plan, and PDP stated it would never allow the NOI to happen. PDP and Deacon made further threats and personal intimidation against me and others. Attached as **Exhibit "10"** are copies of this correspondence.

FORBEARANCE AGREEMENT

- 26. Between May 7 and May 9, 2022, PDP and Home Solutions negotiated a forbearance agreement (the "**Forbearance Agreement**") which provided, *inter alia*:

- (a) 208 would transfer its shares in Home Solutions to PDP;
- (b) the directors of Home Solutions would sign a resolution, *inter alia*, appointing Deacon as a director and then would resign their positions, leaving Deacon as the sole director (the "**Resolution**");
- (c) the Resolution would accept my resignation as a director and officer of Home Solutions, and would authorize Home Solutions to terminate my and my wife's employment with Home Solutions;
- (d) Deacon would cause Home Solutions to engage a Chief Restructuring Officer ("**CRO**") and file an NOI, in which Home Solutions would conduct a sale process for its business and assets;
- (e) PDP would source interim financing sufficient to ensure Home Solutions could complete the sale process and operate Home Solutions' business in the ordinary course during the NOI proceedings, and PDP would ensure that Home Solutions is sufficiently funded to satisfy its payroll expense obligations;
- (f) the parties would assist in maximizing the value of Home Solutions, for the benefit of its stakeholders;
- (g) PDP would submit a stalking horse bid in the NOI sale process, in which it would offer to purchase Home Solutions or its assets, and fully assume the debt owed to PDP and TD; and
- (h) PDP would forbear from enforcing the Loan, as well as the guarantees given by me and 208, for six months.

Attached hereto as **Exhibit "11"** is a copy of the Forbearance Agreement.

27. Prior to and after the execution of the Forbearance Agreement, Deacon and PDP made the following representations to me, Home Solutions, Home Solutions' other directors and other parties:

- (a) PDP had an investor who was prepared to inject \$4 million or \$5 million in capital into Home Solutions;
- (b) Mr. Deacon and PDP would ensure that there was necessary funding in place to meet Home Solutions' liquidity needs, including its payroll costs;
- (c) PDP would initiate NOI proceedings for Home Solutions by May 24, 2022 and appoint a CRO to oversee the NOI proceedings;
- (d) in the NOI proceedings, an orderly restructuring process would be followed which would include a Court-supervised sale process; and
- (e) PDP would submit a stalking horse bid in the NOI sale process, in which it would offer to fully assume the debt owed to PDP and the debt owed to TD;

(collectively, the "**Representations**").

28. Prior to and after the execution of the Forbearance Agreement, Deacon and PDP failed to tell me, Home Solutions, Home Solutions' other directors and other parties that:

- (a) PDP did not have access to the funds necessary to allow the company to continue in business and to fund the NOI process, contrary to the Representations;
- (b) PDP needed to reach agreement with one or more third parties to obtain such funds, and it had not yet done so; and
- (c) PDP would not or could not perform its obligations under the Forbearance Agreement, unless it was able to finalize such agreements with one or more third parties;

(collectively, the "**Omissions**").

29. On May 11, 2022, a board of directors meeting was held in which the Resolution was passed. The Forbearance Agreement was also executed. Mrs. Davidson and I were terminated as employees of Home Solutions pursuant to the Resolution. I and the other directors of Home Solutions subsequently resigned our positions as directors, leaving

Deacon as the sole director of Home Solutions. Attached hereto as **Exhibit "12"** is a copy of the Resolution. Attached hereto as **Exhibit "13"** is a copy of letters from Home Solutions terminating my and my wife Jody Davidson's employment. Neither my wife or I received any termination pay or severance from Home Solutions upon the termination of our employment (contractual, statutory or otherwise).

30. As noted above, the Forbearance Agreement required, *inter alia*, that a CRO be appointed, that PDP initiate NOI proceedings on or before May 31, 2022, and that PDP file a stalking horse bid that would fully assume the entire debt owed by the company to PDP, TD, and other debts.
31. Ultimately, Deacon was ill-equipped to manage Home Solutions. He refused or neglected to take the basic steps required to allow Home Solutions to remain in business. He did not engage a CRO, commence NOI proceedings, or procure the funding necessary to allow Home Solutions to cover its costs and the costs of the NOI. I am advised by certain remaining employees of Home Solutions that Deacon:
 - (a) was doing little or nothing to attempt to collect Home Solutions' accounts receivable;
 - (b) did not take any of the critical steps necessary to secure customers' confidence and keep revenue coming in;
 - (c) did nothing to communicate with suppliers, builders, and clients, including to address rumors I was no longer involved with Home Solutions which were causing concern among those stakeholder groups; and
 - (d) failed to obtain further investments to keep Home Solutions solvent.
32. Deacon and PDP failed to reach the agreements with third parties that PDP needed to be able to perform its obligations under the Forbearance Agreement. Deacon and PDP caused Home Solutions to assign itself into bankruptcy on May 19, 2022. This was only eight days after Deacon took over complete control of Home Solutions.

THE ALLEGED PERSONAL LIABILITY

33. As a result of Deacon's and PDP's conduct, I have now been exposed to potential liability under the personal guarantee and 208 has been exposed to potential liability under the 208 guarantee, which would not have otherwise existed. Had PDP performed its obligations under the Forbearance Agreement, Home Solutions would have been recapitalized and PDP's Stalking Horse purchaser entity would have assumed the debts owed to PDP and TD, with the result that Home Solutions would have remained in business for its own benefit, and the benefit of its stakeholders.
34. On May 20, 2022, PDP sent a notice to Home Solutions and me, cynically alleging that Home Solutions and I had breached the Forbearance Agreement. On the basis of these allegations, PDP purported to terminate the Forbearance Agreement. PDP took this step to attempt to excuse its and Deacon's numerous and egregious breaches, including PDP's complete failure to perform its obligations under the Forbearance Agreement. Attached hereto as **Exhibit "14"** is a copy of this correspondence.

LEGAL ACTIONS ENSUE

35. On July 14, 2022, PDP filed a Statement of Claim in the 12293 Action, naming me and 208 as defendants, seeking, *inter alia*:
 - (a) an interim and permanent *Mareva* injunction and or pre-judgment attachment order against me;
 - (b) judgment in the amount of \$9,153,000;
 - (c) punitive, aggravated and exemplary damages in the amount of \$500,000; and
 - (d) a declaration that liability arose as a result of fraudulent misrepresentation and deceit.

Attached as **Exhibit "15"** is a copy of the Statement of Claim.

36. The *ex parte Mareva* injunction / Attachment order sought by PDP was granted on July 14, 2022. Attached as **Exhibit "16"** is a copy of the *ex parte Mareva* injunction / Attachment

order. I received a copy of this order by email on July 14, 2022. I contacted Bennett Jones LLP to represent me on July 14, 2022, within an hour and a half of receiving the email.

37. On August 15, 2022, I filed an Application to have the *ex parte Mareva* injunction / Attachment order set aside. A large volume of evidence was filed in relation to that Application, on the Court of King's Bench of Alberta's file for the 12293 Action. Attached hereto as **Exhibits "17"** and **"18"** are my Affidavit filed in the 12293 Action, and that of the former controller of Home Solutions, Andrew Sheer.
38. On August 19, 2022, 208 and I filed a Statement of Defence and Counterclaim in the 12293 Action, seeking, among other things:
- (a) an order setting aside the *ex parte Mareva* injunction / Attachment order; and
 - (b) general and punitive damages against PDP and Deacon, in an amount exceeding \$1,000,000.

Attached as **Exhibit "19"** are filed copies of the Statement of Defence and Counterclaim.

39. On October 20, 2022, Justice S.D. Hillier set aside the *Mareva* Injunction / Attachment Order and awarded costs in my favour, finding that, among other things, PDP had failed to establish: (i) a strong *prima facie* case or a reasonable likelihood that PDP would prevail against me at trial; (ii) that PDP had not established irreparable harm; and (iii) that the balance of convenience favoured PDP. Justice Hillier subsequently ordered that PDP and Deacon pay 60% of my solicitor-client costs incurred in setting aside the *ex parte Mareva* / Attachment order, in an amount exceeding \$106,000. Attached as **Exhibit "20"** is a copy of Justice Hillier's Reasons for Decision at *Private Debt Senior Opportunities Fund GP Inc v Davidson*, 2022 ABKB 691. Attached as **Exhibits "21"** and **"22"** are copies of Justice Hillier's Orders filed November 24, 2022 and February 11, 2023.

TRUSTEE DECLINES TO PURSUE ACTION

40. On December 14, 2022, my legal counsel, Kelsey Meyer of Bennett Jones LLP, provided the Trustee with the Proofs of Claim as against Home Solutions of myself and my wife, Jody Davidson. Attached hereto as **Exhibit "23"** is a copy of this correspondence.

41. On December 15, 2023, Ms. Meyer provided the Trustee with various documentation related to this Action. Attached hereto as **Exhibit "24"** is a copy of this correspondence, without the enclosures thereto.
42. On December 21, 2022, Ms. Meyer wrote to the Trustee, outlining the factual circumstances described in this Affidavit and requesting that the Trustee commence litigation as against PDP and Deacon in the name of Home Solutions. Attached hereto as **Exhibit "25"** is a copy of this correspondence.
43. On January 26, 2023, Ms. Meyer again wrote to the Trustee, seeking a determination as to whether or not the Trustee would be taking proceedings as against PDP and Mr. Deacon. The Trustee replied on January 27, 2023, advising that a decision would follow later that month. Attached hereto as **Exhibit "26"** is a copy of this correspondence.
44. On January 31, 2023, the Trustee wrote to Ms. Meyer and noted that the inspector's meeting at which a potential decision would have been made had been rescheduled. The Trustee also asked Ms. Meyer whether or not there was any supporting evidence for Mrs. Davidson's proof of claim. Attached hereto as **Exhibit "27"** is a copy of this correspondence.
45. On February 1, 2023, Ms. Meyer wrote the Trustee and advised that an affidavit in support of Mrs. Davidson's proof of claim, which was for unpaid wages and vacation pay owed by Home Solutions, would be prepared. Attached hereto as **Exhibit "28"** is a copy of this correspondence.
46. On February 23, 2023, Ms. Meyer provided the Trustee with a revised proof of claim for Mrs. Davidson, as well as Mrs. Davidson's affidavit in support of that proof of claim. Attached hereto as **Exhibit "29"** is a copy of this correspondence.
47. On March 8, 2023, Ms. Meyer again contacted the Trustee to determine if the Trustee would be taking proceedings as against PDP. The Trustee informed Ms. Meyer that it would not be taking proceedings as against PDP. Attached hereto as **Exhibit "30"** is a copy of this correspondence.

TRUSTEE'S CORRESPONDENCE REGARDING CLAIMS

48. On March 20, 2023, the Trustee wrote to Ms. Meyer regarding my proof of claim and Mrs. Davidson's proof of claim. The Trustee stated that it was prepared to accept a claim of \$7,029.23 for Mrs. Davidson, that being the sum of \$3,629.23 in termination pay and \$3,400.00 in vacation pay, but that it did not have any information to support Mrs. Davidson's claim for outstanding wages. The Trustee stated that it had insufficient information to accept my proof of claim. The Trustee stated that I had resigned from Home Solutions and, as a result, was not entitled to termination pay or a bonus for 2021. The Trustee invited Mrs. Davidson and me to provide additional information in support of our respective proofs of claim, failing which, it would issue Notices of Disallowance. Attached hereto as **Exhibit "31"** is a copy of this correspondence.
49. On March 26, 2023, Ms. Meyer wrote to the Trustee, providing supporting information for my and Mrs. Davidson's proofs of claim, as well as a number of documents. Ms. Meyer clarified that the Trustee's understanding of my departure from Home Solutions was incorrect; I resigned as director of Home Solutions, but my employment, like that of Mrs. Davidson, was terminated. Ms. Meyer noted that the forbearance agreement entered into by the parties had provided for this arrangement. She also provided a description of the events leading up to my termination by way of the Resolution, as a well as a description of all of the supporting documents enclosed. Ms. Meyer also provided additional supporting information for my and Mrs. Davidson's proofs of claim, including with respect to unpaid wages and my 2021 bonus. Attached hereto as **Exhibit "32"** is a copy of this correspondence, with enclosures other than my Affidavit sworn in the 12293 Action, which is already attached hereto as **Exhibit "17"**.
50. On March 30, 2023, the Trustee wrote to Ms. Meyer, providing Home Solutions' 2021 financial statements. The Trustee again requested additional information from both me and Mrs. Davidson, in support of our proofs of claim. The Trustee stated that a number of the amounts claimed were inconsistent with Home Solutions' books and records, but did not detail how. Additionally, the Trustee stated that Home Solutions' books and records did not support that Mrs. Davidson was owed any unpaid wages and that she may not have had the

expectation that she was owed any wages, given that she continued to work for Home Solutions. Attached as **Exhibit "33"** is a copy of this correspondence.

51. Notably, the Trustee stated in its correspondence of March 30, 2023 that it was no longer in possession of a number of the Home Solutions records, which had been given to the Court-appointed Receiver of Home Solutions, Grant Thornton Limited.
52. On April 11, 2023, Ms. Meyer addressed the issues identified in the Trustee's March 30, 2023 email, and reiterated the evidence in extensive detail with respect to those issues, including:
 - (a) that my termination was pursuant to the Resolution. Pursuant to my employment agreement, I am entitled to termination pay upon such an occurrence;
 - (b) the period which I claimed unpaid wages for, and the details with respect to same;
 - (c) the amount owed for unpaid vacation pay, and the employment agreement provisions providing for same;
 - (d) my entitlement to a bonus upon termination, consistent with my employment agreement;
 - (e) Mrs. Davidson's entitlement to two months of unpaid wages and her understanding with respect to same; and
 - (f) details regarding the location of further supporting documentation in the possession or control of the Trustee.

Attached hereto as **Exhibit "34"** is a copy of this correspondence.

53. I am advised by Ms. Meyer and do believe that on April 28, 2023, she attempted to file my and my wife's Application for a declaration that we are each creditors of Home Solutions and for a declaration pursuant to section 38 of the *BIA*. However, this Court was unable to accept the Application for filing because the Trustee had not yet opened a file for the bankruptcy of Home Solutions with the Court. I am advised by Ms. Meyer and do believe

that on May 5, 2023, she requested that the Trustee file the necessary materials to open the Court's file, and that on May 26, 2023, the Trustee provided Ms. Meyer with the materials the Trustee filed with this Court to open the bankruptcy file. Attached hereto as **Exhibit "35"** is a copy of the Certificate of Appointment of MNP Ltd. as Trustee in Bankruptcy of Home Solutions, filed May 18, 2023.

54. On May 26, 2023, the Trustee also provided a response to Ms. Meyer's email of April 11, 2023, as well as a Notice of Partial Disallowance of Mrs. Davidson's proof of claim. Attached hereto as **Exhibit "36"** is a copy of the Trustee's email correspondence of May 26, 2023 as well as the Notice of Partial Disallowance of Mrs. Davidson's proof of claim attached hereto.

55. With respect to **Exhibit "36"**, I respond as follows to the Trustee's comments therein:

(a) Regarding my and Mrs. Davidson's claims for two months' unpaid wages, in or about June and September 2019, shortly after my and my wife's involvement with Home Solutions began (including as employees and, through our company, as indirect shareholders of Home Solutions), Home Solutions (at my direction as President and Chief Executive Officer) did not make payment of wages owed to me and to Mrs. Davidson, as employees of Home Solutions, for those two months, so as to ensure Home Solutions met its covenant requirements. Neither Mrs. Davidson or I waived our entitlement to those wages. While the Trustee states that these amounts were not included in "the summary of employee payables, which was provided", I did not provide any summary of employee payables to the Trustee, and do not know what summary the Trustee is referring to;

(b) Regarding my claim for unpaid vacation pay, pursuant to section 5.4 of the Executive Employment Agreement included with my Proof of Claim, I was entitled to seven (7) weeks' (i.e., 35 days) paid vacation per year during my employment with Home Solutions. Of that, I took:

(i) 14.5 vacation days in 2019;

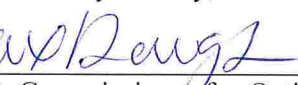

(ii) 20 vacation days in 2020;

(iii) 15 vacation days in 2021;

totaling 49.5 vacation days out of my entitlement to 105 days' vacation over that period (i.e., 55.5 vacation days, or 11.1 weeks' vacation, was not taken over that period). In 2022, I calculated that I was entitled to have taken 12.68 days' vacation up until the termination of my employment on May 11, 2022, on the basis that my entitlement to 35 days' vacation per year, divided by 12 months, equals an entitlement of 2.916 days per month. Having worked for the months of January, February, March, April, and the first 11 days of May 2022 (i.e., 0.35 of the month of May), that amounts to 4.35 months, which, multiplied by 2.916 vacation days per month, equals an entitlement of 12.68 vacation days, or 2.536 weeks, for that period of 2022, none of which I took. That amounts to a total of 13.636 weeks' vacation (i.e., 11.1 weeks for 2019-2021 and 2.536 weeks for 2022) that I was entitled to, but did not take or receive vacation pay for. On the basis of my salary amounting to \$5,288.46 per week (i.e., \$275,000 divided by 52 weeks), that amounts to \$72,113.44 in vacation pay that I am entitled to. I have only claimed \$54,071 of that amount in my Proof of Claim. While the Trustee has advised that the amount I have claimed is not consistent with Home Solutions' payroll records, I do not have access to Home Solutions' books and records in order to address that point (and further, the Trustee has advised in **Exhibit "36"** that all paper payroll records of Home Solutions have been provided to the Receiver).

56. I believe that Mrs. Davidson and I are properly creditors of Home Solutions in the amounts of \$20,836.00 and \$402,454.00, respectively. Attached hereto as **Exhibit "37"** are our completed proofs of claims. As Mrs. Davidson's proof of claim was for \$20,836, but has been partially disallowed in the amount of \$14,167, the Trustee has therefore partially allowed her claim in the amount of \$6,660. As of the date of this Affidavit, the Trustee has neither allowed nor disallowed my proof of claim.
57. I believe an Action brought on behalf of the estate of Home Solutions as against PDP and Deacon will be for the benefit of the estate of the Bankrupt and is meritorious, as demonstrated by the evidence set out in this Affidavit.

58. I make this Affidavit in support of the Application for a declaration that Mrs. Davidson and I are creditors of Home Solutions and for a declaration pursuant to section 38 of the *BIA*, and for no improper purpose. I also make this Affidavit in support of an order that Grant Thornton Limited provide my counsel with true copies of all Home Solutions books and records in its possession, that concern or relate to the proposed action. Attached hereto as **Exhibit "38"** is a copy of the proposed Statement of Claim to be filed should this Application be successful.

PERSONAL GUARANTEE

THIS GUARANTEE dated the 11 day of January, 2022, is made by **ANDREW DAVIDSON**, an individual residing in Calgary, Alberta (the "**Guarantor**") in favour of **PRIVATE DEBT PARTNERS SENIOR OPPORTUNITIES FUND GP INC., d.b.a. PRIVATE DEBT PARTNERS**, a corporation incorporated pursuant to the laws of the Province of Alberta (and together with its successors, affiliates and assigns, the "**Lender**").

RECITALS:

- A. Home Solutions Corporation (the "**Borrower**") is and may become indebted from time to time to the Lender, pursuant to a line of credit agreement dated as of the date hereof (the "**Credit Agreement**"); and
- B. The Guarantor has agreed to execute and deliver this Guarantee with respect to the indebtedness of the Borrower.

NOW THEREFORE, for consideration, the receipt and sufficiency of which are acknowledged by the Guarantor, the Guarantor agrees as follows:

ARTICLE 1 INTERPRETATION

1.1 Definitions

In this Guarantee:

"Applicable Law" means all current constitutions, treaties, laws, statutes, codes, ordinances, official plans, orders, decrees, rules, regulations, and by-laws, whether domestic, foreign or international of any Governmental Authority, and the common law, binding on, affecting, relating or applicable to any Person, property or matter referred to in the context in which such words are used;

"Business Day" means any day other than a day which is a Saturday, Sunday or other day on which commercial banks are closed in the Province of Alberta;

"Governmental Authority" means any national, multi-national, federal, provincial, state, municipal, local or other government, and any agency, authority, instrumentality, regulatory body, court, central bank or other entity exercising executive, legislative, judicial, taxing, regulatory or administrative powers or functions of or pertaining to government;

"Guarantee" means this Guarantee, including the recitals hereto, as the same may be amended or replaced from time to time;

"Obligations" means all present and future indebtedness and liabilities of the Borrower to the Lender, whether direct or indirect, absolute or contingent, matured or not, joint, several or joint and several, in any currency, arising pursuant to the Credit Agreement;

"Parties" means the Lender and the Guarantor, and "**Party**" means either of them;

"Person" means an individual, a corporation, a limited liability company, an unlimited liability company, a partnership, a limited partnership, a trust, an unincorporated organization, a joint venture, a joint stock company, and any Governmental Authority; and

"Taxes" means all taxes, duties, rates, levies, assessments, reassessments, withholdings, deductions, fees, dues and other charges, together with all penalties, interest and fines with respect thereto, payable to any Governmental Authority, but does not include any franchise taxes or any taxes imposed on or measured by the net income, receipts or capital of the Lender.

1.2 Interpretation

In this Guarantee:

- (a) Unless specified otherwise, reference to a statute includes any regulations under such statute and refers to that statute and such regulations as they may be amended or to any successor legislation.
- (b) The division into articles, sections and paragraphs and the insertion of headings are for convenience of reference only and will not affect the construction or interpretation of this Guarantee. The words "hereto", "herein", "hereof", "hereunder" and similar expressions refer to this Guarantee and not to any particular portion of it.
- (c) Words in the singular include the plural and vice versa, words in one gender include all genders, and the words "including", "include" and "includes" mean "including (or include or includes) without limitation".

ARTICLE 2 GUARANTEE

2.1 Guarantee

The Guarantor hereby unconditionally and irrevocably guarantees to the Lender, as a continuing obligation, the full and punctual payment and performance of 15% of the outstanding Obligations of the Borrower owing to the Lender when due, whether at stated maturity, by acceleration, declaration, demand or otherwise.

2.2 Indemnity

If any or all of the Obligations are not duly paid by the Borrower and are not recoverable under Section 2.1 hereof for any reason whatsoever, the Guarantor will, as a separate and distinct obligation, indemnify and save harmless the Lender from and against all losses resulting from the failure of the Borrower to pay such Obligations.

2.3 Guarantor as Primary Obligor

If any or all of the Obligations are not duly paid by the Borrower and are not recoverable under Section 2.1, or the Lender is not indemnified under Section 2.2, in each case, for any reason whatsoever, such Obligations will, as a separate and distinct obligation, be recoverable from the Guarantor as primary obligor.

2.4 Liability of Guarantor

The Guarantor's liability to make payment under this Guarantee shall arise forthwith after demand for payment has been made in writing on the Guarantor in accordance with the provisions hereof; and the Guarantor's liability shall bear interest from the date of such demand at the rate or rates set out in Section 2.5 hereof.

2.5 Interest

The rate of interest payable by the Guarantor from the date of a demand for payment under this Guarantee shall be the highest rate of interest payable by the Borrower in respect of the Obligations during the period from and after the date upon which demand for payment under this Guarantee is made. Whenever interest to be paid is to be calculated on the basis of any period of time that is less than a calendar year, the yearly rate of interest to which the rate determined pursuant to such calculation is equivalent is the rate so determined multiplied by the actual number of days in the calendar year in which the same is to be ascertained and divided by such period of time.

2.6 Costs and Expenses

The Guarantor agrees that it will forthwith reimburse the Lender on demand for all costs and expenses, including reasonable legal fees and expenses on a full indemnity basis, incurred by the Lender in connection with the preparation, execution, delivery, perfection, enforcement of and advice with respect to this Guarantee, and any such costs and expenses will bear interest from the date such costs and expenses are incurred to the date paid, at the interest rate set out in Section 2.5 above.

2.7 Taxes

The Guarantor agrees that:

- (a) all payments by the Guarantor hereunder shall be made free and clear of and without deduction for, or on account of, any Taxes. In the event that any withholding or deduction from any payment to be made by the Guarantor hereunder is required in respect of any Taxes pursuant to any Applicable Law, then the Guarantor will:
 - (i) pay directly to the relevant authority the full amount required to be so withheld or deducted;
 - (ii) promptly forward to the Lender an official receipt or other documentation satisfactory to the Lender evidencing such payment to such authority; and
 - (iii) pay to the Lender such additional amount or amounts as is necessary to ensure that the net amount actually received by the Lender will equal the full amount the Lender would have received had no such withholding or deduction been required.
- (b) if the Guarantor fails to pay any Taxes when due to the appropriate taxing authority or fails to remit to the Lender the required receipts or other required documentary evidence, the Guarantor shall indemnify the Lender for any Taxes that may become payable by the Lender as a result of any such failure.

2.8 Agreed Currency

The Guarantor hereby agrees that payments hereunder on account of the Obligations shall be made in the currency (the "**Agreed Currency**") in which each component of such Obligations is payable and if any payment is received in another currency (the "**Other Currency**"), such payment shall constitute a discharge of the liability of the Guarantor hereunder only to the extent of the amount of the Agreed Currency which the Lender is able to purchase with the amount of the Other Currency received by it on the Business Day immediately following such receipt in accordance with normal procedures and after deducting any premium and costs of exchange.

2.9 Judgment Currency

The Guarantor hereby agrees that:

- (a) if, for the purpose of obtaining judgment in any court in any jurisdiction, it becomes necessary to convert into a particular currency (the "**Judgment Currency**") any amount due in the Agreed Currency, then the conversion shall be made on the basis of the rate of exchange prevailing on the Business Day immediately preceding the day on which judgment is given. For the foregoing purposes "rate of exchange" means the rate at which the Lender, in accordance with normal banking procedures, is able on the relevant date to purchase the Agreed Currency with the Judgment Currency after deducting any premium and costs of exchange; and

- (b) the obligation of the Guarantor in respect of any sum due to the Lender hereunder shall, notwithstanding any judgment in a currency other than the Agreed Currency, be discharged only to the extent that on the Business Day following receipt by the Lender of any sum adjudged to be so due in such other currency, the Lender may, in accordance with normal banking procedures, purchase the Agreed Currency with such other currency after deducting any premiums and costs of exchange. In the event that the Agreed Currency so purchased is less than the sum originally due to the Lender in the Agreed Currency, the Guarantor, as a separate obligation and notwithstanding any such judgment, hereby indemnifies and holds harmless the Lender against such loss.

ARTICLE 3
OBLIGATIONS ABSOLUTE; DEALINGS WITH BORROWER AND OTHERS

3.1 Obligations Absolute

The liability of the Guarantor hereunder is absolute and is not affected by:

- (a) any lack of validity or enforceability of the Obligations, or the documents evidencing, or setting out the terms of, the Obligations, or of any other security or right to recourse or collateral held by the Lender;
- (b) any impossibility, impracticability, frustration of purpose, illegality, force majeure or act of government;
- (c) any limitation, postponement, prohibition, subordination or other restriction on the rights of the Lender to receive payment of the Obligations;
- (d) the bankruptcy, winding-up, liquidation, dissolution, insolvency, amalgamation, reorganization or any similar proceeding, or any other change in the name, status, function, control, constitution or ownership of, the Borrower, the Guarantor, the Lender or any other person;
- (e) the sale of the business or assets of the Borrower or any part thereof;
- (f) any lack or limitation of power, incapacity or disability on the part of the Borrower or of the directors, partners or agents thereof or any other irregularity, defect or informality on the part of the Borrower in their obligations to the Lender;
- (g) the existence of any claim, set-off or other rights which the Guarantor may have at any time against the Borrower, the Lender or any other Person, whether in connection herewith or with any unrelated transactions;
- (h) failure of the Lender to marshal any assets;
- (i) the absence, impairment or loss of any right of the Guarantor to subrogation, reimbursement or contribution, or any other right against the Borrower or any one of them, or any other Person or any security or collateral;
- (j) any other law, regulation or other circumstance that might otherwise constitute a legal or equitable defence available to, or a legal or equitable discharge of, the Guarantor or the Borrower in respect of any or all of the Obligations.

3.2 No Release

The liability of the Guarantor hereunder will not be released, discharged, limited or in any way affected by anything done or left undone, suffered or permitted by the Lender. Without limiting the generality of the foregoing and without releasing, discharging, limiting or otherwise affecting in

whole or in part the Guarantor's liability hereunder, without obtaining the consent of or giving notice to the Guarantor, the Lender may:

- (a) discontinue, reduce, increase or otherwise vary the credit of the Borrower, including the Obligations, in any manner whatsoever, including variations in fees, principal amounts and interest rates and including renewal or non-renewal of the term under the Credit Agreement;
- (b) make any change in the time, manner or place of payment under, or in any other term of, the Obligations, or the documents evidencing or setting out the terms of the Obligations, including supplementing or replacing any such agreements, or waive the failure on the part of the Borrower to pay or perform the Obligations, or to carry out any of its obligations under any such agreement;
- (c) grant time, renewals, extensions, indulgences, releases and discharges to the Borrower or any other Person;
- (d) with respect to security or collateral given by the Borrower or any other Person: (i) take or abstain from taking, enforcing or perfecting such security or collateral; (ii) subordinate or release any such security or collateral; and (iii) otherwise deal with such security or collateral in any manner it sees fit, including enforcing such security whether in compliance with Applicable Law or otherwise;
- (e) release, substitute or add any cosigner, endorser or other guarantor, of the Obligations;
- (f) accept compromises from the Borrower or any one of them;
- (g) fail to notify the Guarantor of: (i) acceptance of this Guarantee; (ii) partial payment or non-payment of all or any part of the Obligations; (iii) sale or other disposition of any property securing the Obligations, or any guarantee thereof, or any defect in any such notice of sale or other disposition;
- (h) apply all money at any time received from the Borrower or any other Person or from security upon such part of the Obligations as the Lender may see fit or change any such application in whole or in part from time to time as the Lender may see fit; and
- (i) otherwise deal with the Borrower and all other persons and security as the Lender may see fit.

3.3 No Exhaustion of Remedies

The Lender will not be bound or obligated to exhaust its recourse against the Borrower or other Persons or any security or collateral it may hold or take any other action before being entitled to demand payment from the Guarantor hereunder.

3.4 Prima Facie Evidence

Any account settled or stated in writing by or between the Lender and the Borrower will be *prima facie* evidence that the balance or amount thereof appearing due to the Lender is so due.

3.5 No Set-off

In any claim by the Lender against the Guarantor, the Guarantor may not assert any set-off or counterclaim that either the Guarantor or the Borrower may have against the Lender.

**ARTICLE 4
ASSIGNMENT, POSTPONEMENT AND SUBROGATION**

4.1 Assignment and Postponement

All debts and liabilities, present and future, of the Borrower to the Guarantor are hereby assigned to the Lender and postponed to the Obligations, and all money received by the Guarantor in respect thereof will be held in trust for the Lender and forthwith upon receipt will be paid over to the Lender, the whole without in any way lessening or limiting the liability of the Guarantor hereunder and this assignment and postponement is independent of this Guarantee and will remain in full force and effect until, in the case of the assignment, the liability of the Guarantor under this Guarantee has been discharged or terminated and, in the case of the postponement, until all Obligations are performed and paid in full.

4.2 Subrogation

The Guarantor will not be entitled to subrogation, reimbursement, contribution, indemnification or any similar claim until (i) the Guarantor performs or makes payment to the Lender of all amounts owing by the Guarantor to the Lender under this Guarantee and (ii) the Obligations are performed and paid in full, and, until such payment and performance, all money received by the Guarantor in respect of such claims, if any, will be held in trust for the Lender and forthwith upon receipt will be paid over to the Lender.

Thereafter, the Lender will, at the Guarantor's request and expense, execute and deliver to the Guarantor appropriate documents, without recourse and without representation and warranty, necessary to evidence the transfer by subrogation to the Guarantor of an interest in the Obligations and any security held therefor resulting from such performance or payment by the Guarantor.

**ARTICLE 5
GENERAL**

5.1 Assignment

Neither this Guarantee nor any of the right and obligations hereunder are assignable by the Guarantor without the prior written consent of the Lender.

5.2 Binding Effect of the Guarantee

This Guarantee will be binding upon the heirs, executors, administrators, successors and permitted assigns of the Guarantor and will enure to the benefit of the Lender and its successors and assigns.

5.3 Entire Agreement

This Guarantee constitutes the entire agreement between the Guarantor and the Lender relating to the subject matter hereof and supersedes all prior agreements, understandings, negotiations and discussions whether oral or written. There are no representations, warranties, conditions, covenants or other agreements, express or implied, collateral, statutory or otherwise, between the Parties in connection with the subject matter of this Guarantee, except as expressly set forth herein. The Lender will not be bound by any representations or promises made by the Borrower to the Guarantor and possession of this Guarantee by the Lender will be conclusive evidence against the Guarantor that the Guarantee was not delivered in escrow or pursuant to any agreement that it should not be effective until any condition precedent or subsequent has been complied with.

5.4 Amendments and Waivers

This Guarantee may only be amended by written agreement signed by each Party. Any waiver of any provision of this Guarantee will be effective only if it is in writing and signed by the Party to be bound thereby, and only in the specific instance and for the specific purpose for which it has been given. No failure on the part of any Party to exercise, and no delay in exercising, any right under this Guarantee will operate as a waiver of such right. No single or partial exercise of any such right will preclude any further or other exercise of such right.

5.5 Severability

If any provision of this Guarantee is determined to be invalid, illegal or unenforceable by an arbitrator or any court of competent jurisdiction, that provision will be severed from this Guarantee and the remaining provisions will remain in full force and effect.

5.6 Notices

Any notice, direction or other communication required or contemplated by any provision of this Agreement will be given in accordance with the Credit Agreement.

5.7 Discharge and Return of Payments

This Guarantee will not be satisfied or discharged, in whole or in part, by any intermediate payment of any part of the Obligations and will operate as a continuing guarantee until all Obligations from time to time outstanding have been satisfied and performed in full, and this Guarantee has been terminated by an express written discharge executed by the Lender. Notwithstanding the foregoing, this Guarantee shall be released after 18 months from the Closing Date (as such term is defined in the Credit Agreement), provided that, to the satisfaction of the Lender no Event of Default (as such term is defined in the Credit Agreement), has occurred or is likely to occur following such release, upon which the Lender shall provide an express written release of this Guarantee.

This Guarantee shall continue to be effective or be reinstated, as the case may be, if at any time any payment of any of the Obligations is rescinded or must otherwise be returned by the Lender upon the insolvency, bankruptcy or reorganization of the Borrower or otherwise, all as though such payments had not been made.

5.8 Information re Borrower

The Guarantor acknowledges that it possesses and will possess all information with respect to the Borrower which is and may be material to this Guarantee and that the Lender has no obligation to disclose to the Guarantor any information which it may now or hereafter possess concerning the Borrower or any one of them.

5.9 Time of Essence

Time is of the essence in this Guarantee.

5.10 Waiver by Guarantor

For the purposes of this Guarantee and to the extent permitted by Applicable Law, the Guarantor hereby waives the benefit of all provisions of any Applicable Law which, now or in the future, would in any manner restrict or limit the rights of the Lender.

5.11 Remedies

The rights and remedies of the Lender under this Guarantee are cumulative and are in addition to, and not in substitution for, any rights or remedies provided by law or by equity, and any single

or partial exercise by the Lender of any right or remedy for a default or breach of any term, covenant, condition or agreement contained in this Guarantee does not waive, alter, affect or prejudice any other right or remedy or other rights or remedies to which the Lender may be entitled for such default or breach.

5.12 Governing Law and Attornment

This Guarantee is governed by and will be construed in accordance with the laws of the Province of Alberta and the laws of Canada applicable therein.

Each Party irrevocably attorns to the non-exclusive jurisdiction of the courts of the Province of Alberta with respect to any matter arising under or relating to this Guarantee.

Subject to Section 2.02, the Pledgor hereby guarantees payment to the Pledgee of the Obligations, whether incurred or arising before, on or after the date hereof, together with any costs and expenses incurred with respect to or arising out of such Obligations or any securities therefor, or costs incurred by or awarded in favour of the Pledgee in connection with any proceedings taken against the Corporation or the Pledgor or any of them or any moneys paid by the Pledgee on account of taxes, wages, insurance, or the remuneration or costs of any liquidator, trustee, Pledgee or other person, or on any other account whatever with respect to or arising out of such Obligations (the **"Guaranteed Obligations"**).

2.02 Limited Recourse

Notwithstanding any other provision hereof, this guarantee is granted by the Pledgor to the Pledgee for the sole purpose of enabling the Pledgee to obtain security against the Pledged Collateral pursuant to the provisions hereof and, notwithstanding any other provisions hereof:

- (a) the sole recourse of the Pledgee against the Pledgor hereunder shall be with respect to the Pledged Collateral and the rights and remedies of the Pledgee hereunder are expressly limited to the realization by the Pledgee upon the Pledged Collateral or any amounts received upon the realization thereof, and the Pledgee shall not under any circumstances have any right to payment hereunder from the Pledgor.

2.03 All Advances

All moneys, advances, renewals and credits in fact borrowed or obtained from the Pledgee pursuant to the Credit Agreement shall be deemed to form part of the Guaranteed Obligations notwithstanding any incapacity, disability or lack of limitation of status or of power of the Corporation or of the directors, officers, employees or agents thereof, or that the Corporation may not be a legal entity, or any irregularity, defect or informality in the borrowing or obtaining of such moneys, advances, renewals or credits. The Pledgee shall not be concerned to see or enquire into the powers of the Corporation or its directors, officers, employees or other agents, acting or purporting to act on its behalf, and moneys advanced or credits in fact borrowed or obtained through the Pledgee in professed exercise of such powers shall be deemed to form part of the Guaranteed Obligations even though the borrowing or obtaining thereof is in excess of the powers of the Corporation or of the directors, officers, employees or other agents thereof or is otherwise irregular or defective or is informally effected, the whole whether known to the Pledgee or not, and any moneys advanced or credits used for the payment of the liabilities of the Corporation shall be deemed to form part of the Guaranteed Obligations. This guarantee shall extend to any successor corporation upon amalgamation.

2.04 Not bound to Exhaust Recourse

The Pledgee shall not be bound to exhaust its recourse against the Corporation or others or the securities (which word as used herein includes other guarantees) it may hold nor to value such securities before being entitled to exercise its remedies hereunder.

2.05 Additional Security

This guarantee shall be in addition to and without prejudice to any other securities by whomsoever given held at any time by the Pledgee and the Pledgee shall be under no obligation to marshal in favour of the

Pledgor any such securities or any of the funds or assets the Pledgee may be entitled to receive or have a claim upon, and the Pledgee may in its absolute discretion and without diminishing the liability hereunder of the Pledgor, grant extensions of time or other indulgences to the Corporation or others and give up or modify, vary, exchange, renew or abstain from perfecting or taking advantage of any securities and may discharge any party or parties and accept or make any compositions or arrangements and realize any securities, when and in such manner as the Pledgee may see fit and in no case shall the Pledgee be responsible or shall the Pledgor be released either in whole or in part for any act or omission in connection with the registration or filing of any security under any law or statute or otherwise or the realization of any security or the postponement of such realization or having sold any security at an undervalue unless due to the gross negligence or wilful misconduct of the Pledgee or its solicitors, agents or those for whom it is legally responsible.

Where the Corporation becomes bankrupt or makes an assignment for the benefit of Pledgee or if any circumstances arise necessitating the Pledgee to file its claim against the Corporation and to value its securities the Pledgee shall be entitled to place such valuation on its securities as the Pledgee may in its absolute good faith discretion see fit and the filing of such claim and such valuing of such securities shall not in any way prejudice or restrict the claim of the Pledgee against the Pledgor and in no way discharge the Pledgor from the liability hereunder to the Pledgee, either in whole or in part.

2.08 Accounts with Corporation

Any account settled or stated by or between the Pledgee and the Corporation, or, if any such account has not been so settled or stated immediately before demand for payment under this guarantee, any account stated by the Pledgee, shall, absent manifest error, be accepted by the Pledgor as conclusive evidence of the amount which at the date of the account so settled or stated is due by the Corporation to the Pledgee or remains unpaid by the Corporation to the Pledgee. Subject to any other provisions hereof limiting the liability of the Pledgor, the Pledgor shall be liable to the Pledgee for the total amount of all of the Guaranteed Obligations whether such liabilities are incurred prior to or subsequent to the notice demanding payment together with interest thereon at the same rate as is then payable by the Corporation in respect of the indebtedness herein guaranteed from the date of demand for payment or, in case of liabilities incurred or arising subsequent to such demand, from the date of the incurring or arising of such liabilities.

ARTICLE 3 - PLEDGE OF SECURITIES

3.01 Pledge of Collateral

As general and continuing collateral security for the due payment and performance of the Guaranteed Obligations, the Pledgor hereby assigns, hypothecates and pledges to and in favour of the Pledgee, and grants the Pledgee a security interest in, all of the Pledged Collateral.

3.02 Acknowledgment of Receipt

The Pledgee acknowledges receipt from the Pledgor of the share certificate representing the Current Securities, duly endorsed in blank for transfer or accompanied by a duly signed power of attorney for transfer in blank.

3.03 Future Certificates

So long as there are any Guaranteed Obligations outstanding, the Pledgor hereby agrees and undertakes to deliver to and deposit with, or cause to be delivered to and deposited with, the Pledgee all certificates (duly endorsed in blank for transfer or accompanied by a duly signed power of attorney for transfer in blank) representing any of the Pledged Securities that the Pledgor may from time to time hereafter acquire or be or become entitled to. The Pledgor hereby irrevocably authorizes and directs the Corporation to deliver to the Pledgee any such certificates representing Pledged Securities.

3.04 Reclassification, Etc.

In the event that any of the Pledged Securities are changed, classified or reclassified, subdivided or converted into a different number or class of Securities or otherwise, or if any additional Securities are subscribed for or issued to the Pledgor for any other reason, the Securities or other securities resulting from any such change, classification, reclassification, subdivision, conversion, subscription or issuance and the certificates representing the same shall be delivered by the Pledgor to and held by the Pledgee in place of or in addition to, as the case may be, the Pledged Securities. In the event of any consolidation, reorganization, merger or amalgamation of a Corporation with or into another person, or the sale of a substantial portion of the property and assets of a Corporation other than in the ordinary course of its business to another person or persons in exchange for securities in or of such other person or persons or any affiliate thereof, any and all securities issued or issuable to or received or receivable by the Pledgor upon such consolidation, reorganization, merger, amalgamation or sale shall form part of the Pledged Collateral and the provisions hereof relating to the Pledged Securities shall, *mutatis mutandi*, apply to such securities. The provisions of this section shall similarly apply to successive such changes, classifications, reclassifications, subdivisions, conversions, subscriptions, consolidations, reorganizations, mergers, amalgamations and sales.

3.05 Attachment of Security Interest

For the purposes of the Act, the parties hereby acknowledge:

- (a) their mutual intention that the security interest created by this agreement is to attach upon the execution of this agreement by the Pledgor;
- (b) that value has been given by the Pledgee to the Pledgor; and
- (c) that the Pledgor has rights in the Pledged Collateral (other than future property) as of the date hereof.

3.06 Collateral Registered in Pledgee's Name

Notwithstanding any other provision hereof, the Pledgee shall have the right, at its option at any time while the security hereby constituted is enforceable, to transfer the Collateral or any part thereof into its own name or that of its nominee so that the Pledgee or its nominee may appear of record as the sole owner thereof; provided, that, prior to the security hereby constituted becoming enforceable under this agreement, the Pledgee shall deliver promptly to the Pledgor all notices, statements or other communications received by it or its nominee as such registered owner, and upon demand and receipt of payment of necessary expenses thereof, shall give to the Pledgor or its designee a proxy or proxies to vote and take all action with respect to such property. At any time while the security hereby constituted is enforceable, the Pledgor waives all rights to be advised of or to receive any notices, statements or communications received by the Pledgee or its nominee as such record owner, and agrees that no proxy or proxies given by the Pledgee to the Pledgor or its designee as aforesaid shall thereafter be effective.

3.07 Control

The Pledgor agrees to execute such other documents and to perform such other acts, and to cause any issuer or securities intermediary to execute such other documents and to perform such other acts as may be necessary or appropriate in order to give the Pledgee "control" of such Collateral, as defined in the *Securities Transfer Act* (Alberta), which "control" shall be in such manner as the Pledgee shall designate in its sole good faith judgment and discretion.

ARTICLE 4 - DEALINGS WITH SHARES

4.01 Prior to Default

Until the security hereby constituted shall have become enforceable pursuant to Article 5 hereof, the Pledgor shall be solely entitled to:

- (a) exercise all voting and other rights in respect of the Pledged Securities; and
- (b) receive all dividends, whether in cash or stock, interest, income, revenue or other distributions made to the holders of Securities paid or made in respect of the Pledged Securities for the Pledgor's own use and benefit.

4.02 No Sales

During the term of this agreement, the Pledgor shall not transfer, sell, bargain or assign, nor enter into any agreement for the transfer, sale, bargain or assignment of, any of the Pledged Securities, nor shall the Pledgor grant, or enter into any agreement which has the effect of granting, to any person any option, right or privilege capable of becoming an agreement for the transfer, sale, bargain or assignment of any of the Pledged Securities to such person. Notwithstanding the foregoing, the Pledgor may do any of the above pursuant to an internal reorganization provided that that any entity that is transferred such Pledged Securities shall enter into a limited recourse guarantee and share pledge agreement in favour of the Lender on substantially the same terms as set out herein.

4.03 No Encumbrances

During the term of this agreement, the Pledgor shall not enter into or grant, create, assume or suffer to exist any mortgage, charge, lien, pledge, security interest or other encumbrance affecting any of the Pledged Collateral (other than any such encumbrance in favour of the Pledgee).

ARTICLE 5 - DEFAULT AND ENFORCEMENT

5.01 Events of Default

Upon the occurrence of an Event of Default, the security hereby constituted shall become immediately enforceable and the Pledgee may, in its sole discretion, do any or all of the following:

- (a) effect the registration of, and obtain from the Corporation a certificate or certificates for, any of the Pledged Securities in the name of the Pledgee or its nominee(s), and for such purpose the Pledgee is hereby irrevocably appointed the attorney of the Pledgor with full power of substitution to endorse and/or transfer any of the Pledged Securities to the Pledgee or its nominee(s);
- (b) vote any or all of the Pledged Securities (whether or not transferred into the name of the Pledgee) and exercise all other rights and powers and perform all acts of ownership in respect thereof as the Pledgor might do;
- (c) proceed to realize upon the Pledged Collateral or any of it by sale at public or private sale or otherwise realize upon any of the Pledged Collateral for such price and money or other consideration and upon such terms and conditions as it deems best, the whole without advertisement or notice to the Pledgor or other persons (except as may be required by the Act and other applicable law), and, where any such sale or realization is by way of public auction or tender, the Pledgee or any of its affiliates may, subject to applicable law, purchase the Pledged Collateral or such portion thereof free from any right or equity of redemption, and may, in paying the purchase price, apply any portion of the Obligations on account of the purchase price as may be outstanding at the time of such sale or realization;
- (d) enjoy and exercise all of the rights and remedies of a secured party under the Act; and
- (e) generally act in relation to the Pledged Collateral in such manner and on such terms as the Pledgee may deem expedient to its own interest;

provided, however, that the Pledgee shall act in a commercially reasonable manner in exercising its rights under this agreement.

5.02 Dividends, Etc.

ARTICLE 2 PURCHASE AND SALE

2.1 Agreement of Purchase and Sale

Subject to the terms and conditions of this Agreement, on the Closing Date the Seller will sell, and the Buyer will purchase, the Purchased Shares.

Nielsen Family Trust and W. Sonogo Family Trust a security interest over all of the present and after acquired property of the Buyer.
 - 2.4.3.1 The Pledge Agreement and GSA shall each be subordinate to the security of the primary lender of the Buyer, and the trustees of S. Nielsen Family Trust and the trustees of W. Sonogo Family Trust shall enter into such subordination and priority agreements as necessary to ensure the primary lender of the Buyer is in first position on all security.
 - 2.4.3.2 The Promissory Note shall bear interest at a rate of 10% per annum from the Closing Date, with interest payable on the last day of March, June, September, and December of each year until full repayment of all amounts owing under the Promissory Note. 6.2 Waiver or Termination by the Buyer

The conditions contained in Section 6.1 are inserted for the exclusive benefit of the Buyer and may be waived in whole or in part by the Buyer at any time without prejudice to any of its rights of termination in the event of non-performance of any other condition in whole or in part. If any of the conditions contained in Section 6.1 are not fulfilled or complied with by the time that is required under this Agreement, the Buyer may, at or before the Closing Time, terminate this Agreement by notice in writing after that time to the Sellers. In that event the Buyer and the Seller will be released from all obligations under this Agreement.

6.3 Conditions for the Benefit of the Sellers

The obligation of the Sellers to complete the sale of the Purchased Shares will be subject to the fulfilment of the following conditions at or before the Closing Time:

- 6.3.1 **Representations, Warranties and Covenants.** The representations and warranties of the Buyer made in this Agreement, and any other agreement or document delivered pursuant to this Agreement, will be true and accurate at the Closing Time with the same force and effect as though those representations and warranties had been made as of the Closing Time. The Buyer will have complied with all covenants and agreements agreed to be performed or caused to be performed by it under this Agreement, and any other agreement or document delivered pursuant to this Agreement, at or before the Closing Time, and for certainty, any representations and warranties made as at a date before the Closing Time will be deemed to be made as at the Closing Time. In addition, the Buyer will have delivered to the Sellers a certificate of a senior officer of the Buyer confirming the same. The receipt of that certificate and the completion of the Closing will not be deemed to constitute a waiver of any of the representations, warranties or covenants of the Buyer contained in this Agreement, or in any other agreement or document delivered pursuant to this Agreement. Those representations, warranties and covenants will continue in full force and effect as provided in Article 7, or, if Article 7 does not apply, the terms of the agreement or document in which they are made.

6.3.2 **Deliveries.** The Buyer will have delivered to the Sellers the following in form and substance satisfactory to the Seller:

- 6.3.2.1 a favourable opinion of counsel to the Buyer substantially in the form attached as Exhibit 6.3.2.1;

6.4 Waiver or Termination by the Sellers

The conditions contained in Section 6.3 are inserted for the exclusive benefit of the Sellers and may be waived in whole or in part by the Sellers at any time without prejudice to any of their rights of termination in the event of non-performance of any other condition in whole or in part. If any of the conditions contained in Section 6.3 are not fulfilled or complied with by the time as required under this Agreement, the Seller may, at or before the Closing Time, terminate this Agreement by notice in writing after that time to the Buyer. In that event the Sellers and the Buyer will be released from all obligations under this Agreement.

6.5 Conditions Precedent—No Action to Restrain

The purchase and sale of the Purchased Shares is subject to the conditions that no order of any Governmental Authority will be in force, and no action or proceeding will be pending or threatened by any Person:

- 6.5.1 to restrain or prohibit the completion of the transactions contemplated in this Agreement, including the sale and purchase of the Purchased Shares;
- 6.5.2 to restrain or prohibit the Corporation from carrying on the Business; or
- 6.5.3 which would have a Material Adverse Effect.

These conditions are true conditions precedent to the completion of the transactions contemplated by this Agreement. If they have not been fulfilled at or before the Closing Time,

this Agreement will be terminated and the Parties will be released from all obligations under this Agreement.

ARTICLE 7 SURVIVAL AND INDEMNIFICATION

7.1 Survival of Covenants and Representations and Warranties

All of the covenants and representations and warranties contained in this Agreement and in any other agreement or document delivered pursuant to this Agreement, including this Article 7, will survive the Closing for a period of 12 months following the Closing.

7.2 Mutual Indemnifications for Breaches of Warranty, etc.

Subject to the remaining provisions of this Article 7, each Party agrees (and each of the Sellers jointly and severally agrees) that if it fails to observe or perform any covenant or obligation, or breaches any representation and warranty, contained in this Agreement, or in any other agreement or document delivered pursuant to this Agreement, it will indemnify and hold harmless the other Party and each director, officer or employee of the other Party from and against the full amount of any Loss that each may suffer as a result of that failure. Each Party also agrees to indemnify and hold harmless the other Party and each director, officer or employee of the other Party from and against the full amount of any Loss that each may suffer as a result of a Third Party Claim, even if that Third Party Claim is ultimately found not to be meritorious, or is settled with no verdict on its merits being reached.

7.3 Limitation on Mutual Indemnification

The indemnification obligations of:

- 7.3.1 the Sellers pursuant to Section 7.2 are limited to an amount equal to one-half of the Purchase Price in the aggregate for the first nine months after the Closing Date and a further one-half of the Purchase Price for the following nine months after the initial nine-month period, in the case of the Seller's breach of any of its representations and warranties contained in Article 3 or in any other agreement or document delivered pursuant to this Agreement, and any of its covenants contained in Article 5, provided there will be no limit with respect to a breach of Section 3.17;
- 7.3.2 the Buyer pursuant to Section 7.2 are limited to the sum of \$1,800,000 in the aggregate, in the case of the Buyer's breach of any of its representations and warranties contained in Article 4 or in any other agreement or document delivered pursuant to this Agreement, and any of its covenants contained in Article 5; and
- 7.3.3 each of the Seller and the Buyer pursuant to Section 7.2 are not applicable to indemnify an Indemnified Party unless and until and only to the extent that the

aggregate of all of its Indemnity Claims exceeds \$25,000, in which case, the Indemnifying Party will be obligated to pay the entire amount owing in respect of those Indemnity Claims, including the first \$25,000.

For certainty, nothing in Sections 7.3.1 or 7.3.2 will apply to limit the amount of damages that can be recovered under any claim with respect to a breach of the confidentiality, non-solicitation and non-competition covenants contained in the transitional services agreements contemplated by Sections 6.1.10.2 and 6.1.10.3.

7.4 Tax Indemnity

7.4.1 The Sellers will indemnify and hold harmless the Buyer and each director, officer or employee of the Buyer from and against any Loss that each may suffer as a result of any assessment or reassessment for taxes relating to the Corporation for any taxation year ending on or before the Closing Date, to the extent that the amount of taxes payable as a result of that assessment or reassessment exceeds the amount accrued as a liability for those taxes on the Financial Statements.

7.4.2 Despite Section 7.4.1, the Sellers will have no obligation under this indemnity for any assessment or reassessment arising from:

7.4.2.1 the execution and delivery by or on behalf of the Corporation of a waiver as provided for in subsection 152(4) of the ITA or any similar law, including under provincial tax laws unless the Seller consented to that waiver, which consent is not to be unreasonably withheld;

7.4.2.2 the post-Closing amendment of any tax return filed by or on behalf of the Corporation and for any taxation year ending on or before the Closing Date unless that amendment is consented to by the Seller, which consent is not to be unreasonably withheld, or any other action taken by the Buyer or the Corporation which has the effect of shifting income, deduction, credit, or allowance from one fiscal period to another fiscal period or between or among the Corporation and another Person that results in an increase in taxes for any taxation year or taxation period of the Corporation ending after the Closing Date which commenced before the Closing Date, including a period before the Closing Date;

7.4.2.3 a post-Closing change in any tax law or a post-Closing publicly announced or disseminated change in the policy of any Governmental Authority in administering any tax law; or

7.4.2.4 a post-Closing reorganization involving the Corporation which has the effect of creating a liability for taxes with respect to a period before Closing.

7.5 Additional Seller's Indemnity

The Sellers will indemnify and hold harmless the Buyer and each director, officer or employee of the Buyer from and against any Loss that each may suffer resulting from the termination of this Agreement under the terms of Section 6.2 up to a maximum of \$200,000 in total, if that Loss arises from the non-fulfilment or non-performance of the relevant conditions as a result of a breach of covenant, or representation and warranty, of the Sellers.

7.6 Additional Buyer's Indemnity

The Buyer will indemnify and hold harmless the Sellers from and against any Loss that each may suffer resulting from the termination of this Agreement under the terms of Section 6.4 up to a maximum of \$200,000 in total, if that Loss arises from the non-fulfilment or non-performance of the relevant conditions as a result of a breach of covenant, or representation and warranty, of the Buyer. The indemnity of the Buyer under this Section 7.6 shall be accompanied by a personal indemnity from Andrew Davidson substantially in the form attached as Exhibit 7.6.

7.7 Notice of Claim

If an Indemnified Party becomes aware of a Loss or potential Loss in respect of which the Indemnifying Party has agreed to indemnify it under this Agreement, the Indemnified Party will promptly give written notice (an "**Indemnity Notice**") of its claim or potential claim for indemnification (an "**Indemnity Claim**") to the Indemnifying Party. An Indemnity Notice must specify whether the Indemnity Claim arises as the result of a claim made against an Indemnified Party by a Person who is not a Party (a "**Third Party Claim**") or as a result of a Loss that was suffered directly by an Indemnified Party, and must also specify with reasonable particularity (to the extent that the information is available):

7.7.1 the factual basis for the Indemnity Claim; and

7.7.2 the amount of the Indemnity Claim, if known.

If, through the fault of the Indemnified Party, the Indemnifying Party does not receive an Indemnity Notice of an Indemnity Claim in time to effectively contest the determination of any liability capable of being contested, the Indemnifying Party will be entitled to set off against the amount claimed by the Indemnified Party the amount of any Loss incurred by the Indemnifying Party resulting from the Indemnified Party's failure to give an Indemnity Notice on a timely basis.

7.8 Time Limits for Notice

7.8.1 Subject to the remaining provisions of this Section 7.8, no Indemnity Claim may be made under Sections 7.2 or 7.5, unless an Indemnity Notice of that Indemnity Claim is delivered to the Indemnifying Party within two years after the Closing Date.

7.8.2 No Indemnity Claim arising out of a breach by the Seller of Section 3.17, or the indemnity obligations of the Seller under Section 7.4, may be made unless an Indemnity Notice of that Indemnity Claim is delivered to the Seller within two years of the last day upon which any of the relevant Governmental Authorities is entitled to assess or reassess the Corporation with respect to any tax, having regard to any waivers given by the Corporation in respect of tax, and any entitlement of a Governmental Authority to assess or reassess in the event of fraud or misrepresentation or attributable to neglect, carelessness or wilful default.

An Indemnity Notice of an Indemnity Claim with respect to the breach of the representations and warranties of the Seller contained in Sections 3.1, 3.2, 3.3, 3.4, 3.6, 3.22 and 3.27 may be delivered to the Seller at any time.

7.8.3 An Indemnity Notice of a Third Party Claim may be delivered to the Indemnifying Party in accordance with Section 7.7 at any time that the Third Party Claim arises.

7.8.4 An Indemnity Notice of an Indemnity Claim may be delivered to the Indemnifying Party in accordance with Section 7.7 at any time with respect to a breach of any of the Indemnifying Party's covenants or representations and warranties, if that breach is attributable to wilful default, intentional misrepresentation, or fraud. If the breach is attributable to wilful default, intentional misrepresentation, or fraud, none of the monetary limits imposed by section 7.3 will apply.

7.8.5 An Indemnity Notice of an Indemnity Claim may be delivered to the Indemnifying Party in accordance with Section 7.7 at any time with respect to the confidentiality, non-solicitation and non-competition covenants contained in the transitional services agreements contemplated by Sections 6.1.10.2 and 6.1.10.3.

7.9 Exclusive Remedy

7.9.1 Subject to Section 7.9.2, the rights of indemnity in this Article 7 are the sole and exclusive remedy through which an Indemnified Party may make any claim for any loss, liability, damage, cost, expense, charge, fine, penalty or assessment including the costs and expenses of any action, suit, proceeding, demand, assessment, judgment, settlement or compromise and all interest, punitive damages, fines, penalties and professional fees and disbursements.

7.9.2 No Indemnified Party will make any claim for any form of relief not provided for in this Article 7, either in tort, contract, or equity, except that nothing in this Section 7.9 will prevent an Indemnified Party from seeking equitable remedies with respect to a breach of the confidentiality, non-solicitation and non-competition covenants contained in the transitional services agreements contemplated by Sections 6.1.10.2 and 6.1.10.3.

7.9.3 Nothing in this Section 7.9 will prevent the Sellers from beginning a proceeding in a court to enforce the Buyer's obligations under the Promissory Note, or from exercising any remedies available to it under the Pledge Agreement.

7.9.4 This Section 7.9 will remain in full force and effect in all circumstances and will not be terminated by any breach (fundamental, negligent or otherwise) by any Party of its covenants, representations or warranties in this Agreement or under any agreement or other document delivered pursuant to this Agreement, or by any termination or rescission of this Agreement.

7.10 Insurance Recoveries

Before an Indemnifying Party is required to indemnify an Indemnified Party for any Loss under an Indemnity Claim, the Indemnified Party must first make all commercially reasonable efforts to seek recovery for that Loss under any applicable insurance policies held by the Indemnified Party. The amount of any Loss under an Indemnity Claim will be net of any amounts actually recovered by the Indemnified Party under insurance policies with respect to that Loss, unless, having made all commercially reasonable efforts, the Indemnified Party has failed to recover any of those amounts within nine months after the Indemnity Claim arises.

7.11 Third Party Indemnification

To ensure that the indemnities provided by each of the Sellers and the Buyer to the other's directors, officers and employees are enforceable, it is agreed by the Parties that each of the Sellers and Buyer is acting as agent for its respective directors, officers and employees with respect to the indemnities intended to be given to those directors, officers and employees under this Article 7. Each of the Sellers and the Buyer agrees that it will hold any right to indemnification that any director, officer or employee of it is intended to have under this Article in trust for that director, officer or employee, and that funds received by the Sellers or Buyer in respect of any claims under this Article by any director, officer or employee of it will be held in trust for that director, officer or employee.

ARTICLE 8 CLOSING ARRANGEMENTS

8.1 Closing

Subject to the earlier termination of this Agreement under Sections 5.5, 6.2, 6.4 or 6.5, the Closing will take place at the Closing Time on the Closing Date by means of:

8.1.1 an electronic closing in which the closing documentation will be delivered by electronic mail exchange of signature pages in pdf or functionally equivalent electronic format, which delivery will be effective without any further physical exchange of the originals or copies of the originals, or;

8.1.2 a physical closing at the offices of Hudson Law, located at Unit 170, 12143 – 40 Street S.E., Calgary, Alberta T2Z 4E6, or at any other place that is agreed to in writing by the Parties.

8.2 Closing Arrangements

At the Closing Time:

8.2.1 the Seller will deliver to the Buyer certificates representing the Purchased Shares duly endorsed in blank for transfer or accompanied by duly executed blank stock transfer powers, and with all security, transfer and other similar taxes, if any, paid; and

8.2.2 each Party will make the deliveries required of it under Article 6,

following which the Buyer will make payment of the Purchase Price in accordance with the provisions of Section 2.4 and the transfer of the Purchased Shares into the name of the Buyer and/or its nominees will be duly and validly recorded on the books of the Corporation. All documents and instruments that are required to be tabled at the Closing Time will be delivered and held in escrow until all such deliveries have been completed, all acts have been performed, all payments have been made and all Parties have agreed that escrow is terminated.

9.3 Severability

Each Section of this Agreement is distinct and severable. If any Section of this Agreement, in whole or in part, is or becomes illegal, invalid, void, voidable or unenforceable in any jurisdiction by any court of competent jurisdiction, the illegality, invalidity or unenforceability of that Section, in whole or in part, will not affect:

- 9.3.1 the legality, validity or enforceability of the remaining Sections of this Agreement, in whole or in part; or
- 9.3.2 the legality, validity or enforceability of that Section, in whole or in part, in any other jurisdiction.

9.4 Amendment and Waiver

No amendment, discharge, modification, restatement, supplement, termination or waiver of this Agreement or any Section of this Agreement is binding unless it is in writing and executed by the Party to be bound. No waiver of, failure to exercise or delay in exercising, any Section of this Agreement constitutes a waiver of any other Section (whether or not similar) nor does any waiver constitute a continuing waiver unless otherwise expressly provided.

9.5 Further Assurances

Each Party will, at that Party's own cost and expense, execute and deliver any further agreements and documents and provide any further assurances, undertakings and information as may be reasonably required by the requesting Party to give effect to this Agreement and, without limiting the generality of this Section 9.5, will do or cause to be done all acts and things, execute and deliver or cause to be executed and delivered all agreements and documents and provide any assurances, undertakings and information as may be required at any time by all Governmental Authorities.

If the Parties cannot agree, the Arbitrator will be appointed by a judge of the Alberta Court of Queen's Bench, on the application of either Party, on notice to the other.
- 2.2 The Arbitrator will determine whether the failure to complete the transactions contemplated by the Agreement was the result of the Buyer's failure to meet its obligations under Section 6.3, and whether the Deposit should be returned to the Buyer, or forfeited and paid to the Seller as provided in Section 2.2.2.
- 2.3 The Arbitrator will issue written instructions on the payment of the Deposit by Seller's counsel in accordance with the terms of the Agreement, or to any court into which the Deposit has been paid pending resolution of a Deposit Dispute.

However, if the Parties agree on a code of procedures or on specific matters of procedure, that agreement will be binding on the Arbitrator.
- 3.8 The fees of the Arbitrator will be borne equally by the Parties.
- 3.9 The Parties intend, and will take all reasonable action as is necessary or desirable to ensure, that there be a speedy resolution to any Deposit Dispute, and the Arbitrator will conduct the arbitration of the Deposit Dispute with a view to making a determination and order as soon as possible.

- f) a default by the Corporation under the New Leases;
- g) an assignment by the Buyer for the benefit of creditors; or
- h) entry of a judgment or issuance of an order of attachment, or the commencement of any proceeding or procedure for the enforcement of a money judgment against the Buyer.

Upon the occurrence of an event of default, the entire principal amount outstanding under this Promissory Note may, by written notice from the Creditor to the Buyer, be declared due and payable in full, together with interest on the entire principal amount as provided above.

The Buyer waives presentment for payment, protest and notice of protest, notice of non-payment and notice of dishonour of this Promissory Note and diligence in collection or bringing suit.

This Promissory Note will be governed by and construed in accordance with the laws of the Province of Alberta and the laws of Canada applicable in that Province.

ARTICLE 2 PLEDGE

2.1 Grant of Security Interest

The Buyer pledges, hypothecates, assigns, charges, mortgages and delivers to the Sellers and grants to the Sellers a continuing security interest in, all of the following property (collectively, the "**Collateral**"):

- (a) the Purchased Shares;
- (b) all other shares of capital stock, all other securities, all partnership interests, all assignments of any amounts due or to become due, and all other instruments, which are now being delivered by the Buyer to the Sellers or may in future be delivered by the Buyer to the Sellers for the purpose of pledge under this Agreement;
- (c) all Dividends, Distributions, interest, and other payments and rights with respect to any of the above; and
- (d) all proceeds of any of the above.

2.2 Security for Obligations

This Agreement and the Collateral secures the payment and performance in full of all the Obligations.

2.3 Continuing Security Interest

This Agreement creates a continuing security interest in the Collateral and will:

- (a) remain in full force and effect until payment in full of all Obligations; and
- (b) be binding upon the Buyer and its successors and assigns.

Upon the payment in full of all Obligations, the security interest granted by this Agreement will terminate and all rights to the Collateral will revert to the Buyer. Upon that termination, the Sellers will, at the Buyer's sole expense, deliver to the Buyer, without any representations, warranties or recourse of any kind, all certificates and instruments representing or evidencing all Purchased Shares, together with all other Collateral held by the Sellers, and execute and deliver to the Buyer any documents the Buyer requests to evidence the termination.

2.4 Dividends

No distributions, dividends, bonuses or other shareholder compensation may be made without the prior written consent from the Buyer's primary lending institution. The Buyer acknowledges its intention to repay the Promissory Note ahead of schedule if reasonably possible and as permitted by the Buyer's primary lending institution. While any amount remains owing from the Buyer to the Seller under the Promissory Note:

- (a) the Buyer may pay dividends of up to \$50,000 in any one fiscal year without the consent of, or notice to, the Seller; and
- (b) the Buyer shall not pay dividends in excess of \$50,000 in any one fiscal year without the prior written consent of the Buyer, such consent not to be unreasonably withheld.

After a Default occurs, the Buyer will deliver to the Sellers, promptly and without any request by the Sellers, all Dividends it receives, which will be held by the Sellers as additional Collateral for use in accordance with Section 6.3.

2.5 Distribution and Proceeds

All Distributions and proceeds of Collateral received by the Buyer will be delivered to the Sellers promptly, and without any request by the Sellers, and will be held by the Sellers as Collateral for use in accordance with Section 6.3.

2.6 Trust

All Distributions and proceeds of Collateral, and all Dividends which must be delivered to the Sellers under Section 2.4, will, prior to their delivery to the Sellers, be held in trust for the Sellers, separate and apart from the Buyer's other property.

2.7 Voting Rights

- (a) The Sellers agree that unless a Default has occurred and the Sellers have given the notice referred to in Section 2.7(b), the Buyer will have the exclusive voting power with respect to any shares of capital stock (including any of the Purchased Shares) constituting Collateral, and the Sellers will promptly deliver all proxies and other documents, if any, so as to allow the Buyer to exercise that voting power. No vote will be cast, or consent, waiver, or ratification given, or action taken by the Buyer that would impair any Collateral or be inconsistent with or violate any provision of any agreement,

- instrument, contract or document made between the Buyer and the Sellers or in favour of the Sellers (including this Agreement).
- (b) The Buyer agrees that after any Default has occurred and the Sellers have notified the Buyer of the Sellers' intention to exercise its voting power under this Section 2.7(b):
- (i) the Sellers may exercise (to the exclusion of the Buyer) the voting power and all other incidental rights of ownership with respect to any Purchased Shares or other shares of capital stock constituting Collateral and the Buyer grants the Sellers an irrevocable proxy, exercisable under those circumstances, to vote the Purchased Shares and such other Collateral; and
 - (ii) the Buyer will promptly deliver to the Sellers any additional proxies and other documents requested by the Sellers to allow the Sellers to exercise that voting power.

ARTICLE 3 REPRESENTATIONS AND WARRANTIES OF THE BUYER

3.1 Warranties, etc.

With the exception of Section 3.4, each of the Buyer's representations and warranties set out in this Article will be deemed to be made to the Sellers by the Buyer at the same time that any Collateral is delivered to the Sellers after the date of this Agreement.

3.2 Ownership, No Liens, etc.

The Buyer is the legal and beneficial owner of, and has good and marketable title to (and has full right and authority to pledge and assign) the Collateral, free and clear of all liens, security interests, options, or other claims, charges or encumbrances, except for the security interests granted in favour of Buyer's primary lending institution, as disclosed to the Sellers, and the security interests in favour of the Sellers under this Agreement.

3.3 Valid Security Interest

The delivery of Collateral to the Sellers is effective to create a valid, perfected, first priority security interest in that Collateral and all proceeds of that Collateral, securing the Obligations. No filing or other action will be necessary to perfect or protect that security interest (though the Pledgor acknowledges that the Secured Party may register at any time in its sole discretion a financing statement or other notice of the security interest granted in this Agreement under the PPSA or the personal property security legislation in any jurisdiction that the Secured Party considers appropriate, acting reasonably).

3.4 Authorization, Approval, etc.

No authorization, approval (other than has been obtained and delivered to the Sellers), or other action by, and no notice to or filing with, any Governmental Authority, regulatory body or any other Person is required either:

- (a) for the pledge by the Buyer of any Collateral pursuant to this Agreement or for the execution, delivery, and performance of this Agreement by the Buyer; or
- (b) for the exercise by the Sellers of the voting or other rights provided for in this Agreement, or the remedies in respect of the Collateral pursuant to this Agreement, except as may be required in connection with a disposition of the Collateral by laws affecting the offering and sale of securities generally.

3.5 Compliance with Laws

The Buyer is in compliance with the requirements of all applicable laws, rules, regulations and orders of every Governmental Authority, the non-compliance with which could reasonably be expected to have a material adverse effect on either the business, properties, assets, operations, condition (financial or otherwise) or prospects of the Buyer or the value of the Collateral or the worth of the Collateral as collateral security.

3.6 Survival of Representations and Warranties

All representations and warranties made by the Buyer in this Agreement are material, will be considered to have been relied on by the Sellers and will survive the execution and delivery of this Agreement or any investigation made at any time by or on behalf of the Sellers and any disposition or payment of the Obligations until repayment and performance in full of the Obligations and termination of all rights of the Buyer that, if exercised, would result in the existence of Obligations.

ARTICLE 4 COVENANTS

4.1 Protect Collateral; Further Assurances, etc.

The Buyer will warrant and defend the right and title granted to the Sellers in and to the Collateral (and all right, title, and interest represented by the Collateral) against the claims and demands of any other Person. The Buyer agrees that it will, at any time and at its own expense, promptly execute and deliver all further instruments, and take all further action that may be requested by the Sellers in order to perfect and protect any security interest granted or purported to be granted by this Agreement, or to enable the Sellers to exercise and enforce its rights and remedies with respect to any Collateral.

4.2 Stock Powers, etc.

The Buyer agrees that all certificates evidencing shares of capital stock constituting Collateral will be endorsed to the Sellers, endorsed in blank for transfer, or accompanied by duly executed undated blank stock powers, or other equivalent instruments of transfer acceptable to the Sellers. The Buyer will, upon the request of the Sellers, promptly deliver to the Sellers any stock powers, instruments, and similar documents, satisfactory in form and substance to the Sellers, with respect to the Collateral as the Sellers may request and will, upon the request of the Sellers after the occurrence of any Default, promptly transfer any Purchased Shares or other shares of common stock constituting Collateral into the name of the Sellers or any nominee designated by the Sellers.

ARTICLE 5 SECURED PARTY

5.1 Sellers Appointed Attorney-in-Fact

The Buyer irrevocably appoints the Sellers the Buyer's attorney-in-fact, effective upon the occurrence of a Default, with full authority in the place of the Buyer and in the name of the Buyer or otherwise, in the Sellers' discretion, to take any action and to execute any instrument which the Sellers may deem necessary or advisable to accomplish the purposes of this Pledge Agreement, including:

- (a) to ask, demand, collect, sue for, recover, compromise, receive and give releases and receipts for moneys due and to become due under or in respect of any of the Collateral;
- (b) to receive, endorse, and collect any drafts or other instruments, documents and chattel paper, in connection with clause (a) above;
- (c) to file any claims or take any action or institute any proceedings which the Sellers may deem necessary or desirable for the collection of any of the Collateral or otherwise to enforce the rights of the Sellers with respect to any of the Collateral; and

5.2 Reasonable Care

The Sellers are required to exercise reasonable care in the custody and preservation of any of the Collateral in its possession. The Sellers will be deemed to have exercised reasonable care in the custody and preservation of any of the Collateral, if it takes such action for that purpose at the written request of the Buyer, which request cannot be made upon the occurrence of any Default, but failure of the Sellers to comply with such a request will not in itself constitute a failure to exercise reasonable care.

ARTICLE 6 REMEDIES

6.1 Certain Remedies

If any Default has occurred:

- (a) the Sellers may exercise in respect of the Collateral, in addition to other rights and remedies provided for in this Agreement or otherwise available to it, all the rights and remedies of a secured party on default under the PPSA (whether or not the PPSA applies to the affected Collateral) and also may, without notice except as specified below, sell the Collateral or any part of it in one or more parcels at public or private sale, at any of the Sellers' offices or elsewhere, upon any terms the Sellers deems commercially reasonable. The Buyer agrees that, to the extent notice of sale is required by law, at least 15 days' prior notice to the Buyer of the time and place of any public sale or the time after which any private sale is to be made will constitute reasonable notice. The Sellers will not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Sellers may adjourn and reschedule any public or private sale by announcement at the time and place originally scheduled; and
- (b) the Sellers may:
 - (i) transfer all or any part of the Collateral into the name of the Sellers or their nominee, without disclosing that such Collateral is subject to the lien and security interest under this Agreement;
 - (ii) notify any Person to make payment to the Sellers of any amount due or to become due with respect to any other obligations under the Collateral;
 - (iii) enforce collection of any of the Collateral by suit or otherwise, or surrender, release or exchange all or any part of it, or compromise or extend or renew for any period (whether or not longer than the original period) any obligations of any nature of any Party with respect to it;

- (iv) endorse any cheques, drafts, or other writings in the Buyer's name to allow collection of the Collateral;
- (v) take control of any proceeds of the Collateral; and
- (vi) execute (in the name, place and stead of the Buyer) endorsements, assignments, stock powers and other instruments of conveyance or transfer with respect to all or any of the Collateral.

6.2 Compliance with Restrictions

The Sellers are authorized, in connection with any offer or sale of Collateral, to comply with any limitation or restriction as it may be advised by counsel is necessary in order to avoid any violation of applicable law, including compliance with any procedures that may restrict the number of prospective bidders and buyers, require that prospective bidders and buyers have certain qualifications, or restrict prospective bidders and buyers to Persons who will represent and agree that they are purchasing for their own account for investment and not with a view to the distribution or resale of the Collateral. The Buyer further agrees that such compliance will not, on its own, amount to a failure to have made a sale in a commercially reasonable manner, and that the Sellers will neither be liable nor accountable to the Buyer for any discount allowed by reason of the fact that Collateral is sold in compliance with any such limitation or restriction.

6.3 Application of Proceeds

All cash proceeds received by the Sellers in respect of any sale of, collection from, or other realization upon, all or any part of the Collateral may, in the discretion of the Sellers, be held by the Sellers as additional collateral security for, or applied at any time by the Sellers against, all or any part of the Obligations in any order the Sellers select. Any surplus of those cash proceeds held by the Sellers and remaining after payment in full of all the Obligations will be paid over to the Buyer or to any entity that is lawfully entitled to receive it.

A limited two year warranty from date of substantial project completion is offered with all installations of wire closet shelving, melamine closet shelving, shower doors, glass products, mirrored closet doors and medicine cabinets. Specific details by product are as follows:

	Material Defect and Workmanship	Installation	Special Considerations	Care and Maintenance
Wire Closet Shelving	All wire shelving is guaranteed for its lifetime against manufacturing defect.	Home Solutions will replace or repair damaged, bent or loose wire shelving if not installed as per manufacturers specifications.	<ul style="list-style-type: none"> Correctly installed wire shelving can be expected to support an evenly distributed weight of 50 pounds per linear foot. The finish on ventilated wire shelving will not crack or peel under normal use. The use of wire hangers is not recommended, as they will cause black marks on the hanging rod. 	<ul style="list-style-type: none"> Wipe with a soft damp cloth. Do not overload shelves as they may pull away from the wall.
WOOD SOLUTIONS Melamine Closet Shelving	All shelving is guaranteed for its lifetime against manufacturing defect. Warranty limitations are reviewed and signed off at that time and the customer is provided with detailed warranty and product information paperwork.	Home Solutions will correct the results of any improper installation by our crews.	<ul style="list-style-type: none"> WOOD SOLUTIONS shelving is a closet organizer system designed for normal household use and is guaranteed to perform to that expectation. 	<ul style="list-style-type: none"> Wipe with a soft damp cloth. Do not overload shelves as they may pull away from the wall. Shelving can be wiped with a damp cloth. Shelving is a core wrapped in a melamine skin and is not intended to withstand extended exposure to liquids. Protect Surfaces from sharp objects.
Framed 5mm and 6mm glass shower doors	All workable parts are guaranteed against breakdown for one year after installation. Many factors determine how water proof your shower door will be -- for example, the type and location of the shower head. Door position and swing is determined on site to provide the best seal possible but due to the nature of the product it is impossible to guarantee against water escaping.	Home Solutions will repair or replace any shower door malfunction caused by improper installation within one year of installation. Shower doors are installed as per manufacturers recommended specifications.	<ul style="list-style-type: none"> Any flaws in tempered or laminated glass (scratches or chips) and any flaws or scratches on metal frame parts must be noted and reported during the initial inspection or new home walk through. Door position and door swing is determined following a site evaluation and is based on providing the best possible seal. Should a design change be made to change the swing of the shower door opposite our recommendation, the warranty will be null and void against water escaping. 	<ul style="list-style-type: none"> Wipe down the aluminum metal after each shower. Squeegee all glass after each shower use warm water and a few drops of mild soap for regular cleanings. This helps minimize the build up of calcium. Do not use abrasive cleaner on the glass or aluminum. Avoid cleaning products that claim to stop water spots. The best way to keep the calcium buildup to a minimum, is to squeegee after each use.

Custom 10mm glass shower doors	Each custom 10mm glass shower door is designed and sold as an individual product. Issues relating to design and seal are discussed with the customer at the time of purchase. Warranty limitations are reviewed and signed off at that time and the customer is provided with detailed warranty and product information paperwork. Showers are installed as per manufacturers recommendations.		<ul style="list-style-type: none"> Any flaws in tempered (scratches or chips) and any flaws or scratches on metal hardware parts must be noted and reported during the initial inspection after installation or new home walk through. Hardware is warranted for mechanical and finishing defects. Repairs or replacements to any shower door malfunction caused by improper installation will be covered for one year. 	<ul style="list-style-type: none"> Squeegee all glass after each shower; use a glass cleaner for regular cleanings. This minimizes the build up of calcium. Some soaps, shower products and cleaning agents contain abrasives. Avoid using abrasive cleaner on the glass or aluminum. Avoid cleaning products that claim to stop water spots. Use a mild soap with a clean lint-free cloth to remove soap, dirt and other shower residue. Once soil residue is removed, thoroughly rinse all cleaning solutions and other debris from the glass. Rinse and dry all cleaning solutions from shower heads, faucets, door handles, framework and any rubber or plastic sealants. There may be a "rust-like" residue that appears on the shower framework and hardware. This is not rust, as all parts are stainless steel or aluminum. Simple cleaning will resolve this issue.
Tempered Glass - 5mm, 6mm and 10mm	Tempered Glass (Safety Glass) is NOT warranted against breakage. In the event of breakage tempered glass will not shatter but will break into small, less jagged pieces. This is to help reduce the risk of personal injury and/or damage to surrounding area. Tempered glass may break without cause due to temperature changes and/or misuse.		<ul style="list-style-type: none"> Any flaws in tempered (scratches or chips) must be noted and reported during the initial inspection after installation or new home walk through. 	
Clarvista Glass	Clarvista glass is produced with a proven reliable manufacturing method that seals the glass surface so that it is more resistant to the corrosive action of moisture, humidity and the chemicals found in many household cleaners.		<ul style="list-style-type: none"> Any flaws in Clarvista glass (scratches or chips) and any flaws or scratches on metal hardware parts must be noted and reported during the initial inspection after installation or new home walk through. 	
Sand Blasted / Vinyl Film / Acid Etch Glass Surfaces	Designs are either a sandblasted or created with a stick on vinyl applied to the glass.		<ul style="list-style-type: none"> Any flaws must be noted and reported during the initial inspection after installation or new home walk through. Sandblasting is porous and may show marks from body oils and cosmetics. The vinyl film will peel if the corners and edges are picked at. 	<ul style="list-style-type: none"> Sandblasting will not wash off or distort, but does require some extra care. Do not use an oily cleaner or place greasy hands on the sandblasting. Sandblasting - DO NOT USE soap as this will be absorbed. Vinyl film may be cleaned with a mild cleaner with a lint free soft cloth. Acid Etch glass may be cleaned with a mild non-abrasive cleaner using a soft cloth. Simple Spaces Glass Cleaner may be used on all of the above.

Mirrored Closet Doors and Medicine Cabinets	All workable parts are guaranteed against breakdown for one year after installation.	Home Solutions will repair or replace any mirrored closet door or medicine cabinet malfunction caused by improper installation within one year of installation.	<ul style="list-style-type: none"> Any flaws in the mirror glass (scratches or chips) and any flaws or scratches on metal frame parts must be noted and reported during the initial inspection after installation or new home walk through. 	<ul style="list-style-type: none"> Remove any stones or debris from the closet door bottom tracks. They may cause the doors not to operate smoothly. Clean the mirror/glass with a regular glass cleaner. Wipe down the metal framework, should it get wet.
Mirrors	Mirror glass will be installed without scratches or chips – see "Special Considerations". Mirror glass is not guaranteed against damage caused by exposure of the backing to moisture and steam or cleaning chemicals. Please note that vanity mirrors installed without a back splash cannot be warranted.	Home Solutions will correct the results of any improper installation by our crews. Mirror tolerances are 1/8 inch on all sides. Our installers will adjust whenever possible for out of level conditions, but each site must be evaluated independently. Full Height Mirrors are measured as close as possible to the underside of the ceiling however it is not always possible to match the ceiling line.	<ul style="list-style-type: none"> Any flaws in the mirror glass (scratches or chips) must be noted and reported during the initial inspection after installation or new home walk through. Over Height Mirrors – if the electrical fixture or outlet is over tightened causing the mirror to crack – this is not covered under the warranty. 	<p>To Avoid Mirror Spoilage (black marks)</p> <ul style="list-style-type: none"> Spray the cleaner onto a cloth and not directly onto the mirror. Good ventilation keeps the mirror from "sweating" and creating condensing liquids, which can be damaging. We recommend operating your ventilation fan for 30 minutes after each shower. Do not allow the backing of the mirror to become wet as the silver backing may peel away. Do not use acid, alkali, abrasive or ammonia based cleaners; they will likely damage the mirror and will void the warranty.

Once soil residue is removed, thoroughly rinse all cleaning solutions and other debris from the glass. Rinse and dry all cleaning solutions from shower heads, faucets, door handles, framework and any rubber or plastic sealants. There may be a "rust-like" residue that appears on the shower framework and hardware. This is not rust, as all parts are stainless steel or aluminum. Simple cleaning will resolve this issue.

1. Definition of Transfer

The Optionor covenants and agrees that the Optionor will not Transfer Building 1 or Building 2 on or before December 31, 2023, provided that the Optionor may Transfer Building 1 and/or Building 2 on or before December 31, 2023 if, at the time of such Transfer:

Provided the Optionor has not Transferred Building 1 and/or Building 2 as permitted by Section 2 herein, the Optionor hereby grants to the Optionee an option to purchase Building 1 and/or Building 2 at the current fair market value at the time of exercise (the "**Option to Purchase**"), at any time from January 1, 2024 up to and including December 31, 2028, provided:

If any of the above valuations states the fair market value as a range, the midpoint of the range will be used for purposes of determining fair market value pursuant to the terms of this agreement.

5. Right of First Refusal

Provided the Optionor has not Transferred Building 1 and/or Building 2 as permitted by Section 2 herein, Optionor may, if it receives a bona fide written arm's length offer from a third party to purchase Building 1 and/or Building 2, accept that third party offer only if the Optionor has first made an offer to sell Building 1 and/or Building 2, as applicable, to the Optionee on the following basis:

The legality, validity, binding effect and enforceability of the Transaction Documents are subject to, and may be limited by, applicable bankruptcy, insolvency, reorganization, arrangement, winding-up, liquidation, moratorium, preference and other similar laws of general application affecting the enforcement of creditors' rights generally.
2. The enforceability of the obligations of the Sellers or 2140328 Alberta Ltd. under the Transaction Documents is subject to, and may be limited by, general equitable and legal principles, including those relating to the conduct of parties such as reasonableness and good faith in the performance of contracts, and to the powers of courts to stay proceedings before them, to stay the execution of judgments, to relieve from penalties or the consequences of default (particularly if the default is minor or non-substantive) and to grant relief against forfeiture, and to the principle that equitable remedies such as injunctive relief and specific performance are only available in the discretion of the court.
3. We express no opinion on provisions of the Transaction Documents which:
 - (a) purport to restrict the access to, or waive the benefit of, statutory, legal or equitable rights, remedies or defences;
 - (b) limit rights of set-off otherwise than in accordance with applicable law;
 - (c) purport to bind or affect, or confer a benefit upon, persons who are not parties to the Transaction Documents.
4. The enforceability of provisions of the Transaction Documents which stipulate or limit the level of damages to which a party is entitled is subject to the discretion of the court.
5. The enforceability of provisions of the Transaction Documents which require the Seller to pay or indemnify the Buyer for its costs and expenses in connection with judicial proceedings is subject to the discretion of a court to determine by whom and to what extent those costs and expenses should be paid.

6. We express no opinion on the enforceability of provisions of the Transaction Documents which:
 - (a) prohibit any party from competing with any other party in any business or undertaking;
 - (b) may be interpreted by a court as an unenforceable penalty and not as a genuine pre-estimate of damages; or
 - (c) are inconsistent with or contrary to any provision of the Share Purchase Agreement.
7. Each party to the Transaction Documents may be required to give each other party a reasonable time to satisfy any demand for payment or performance of its obligations under any of the Transaction Documents before exercising any rights or remedies under the Transaction Documents.
8. The failure to exercise a right of action under any of the Transaction Documents within generally applicable limitation periods may act as a bar to the enforcement of those rights after that time, and the enforceability of any provision of the Transaction Documents which purports to impose a specific redemption period is subject to the discretion of the court.
9. Under the *Judgment Interest Act* (Alberta), interest after judgment may be limited to less than the rate provided for under the Transaction Documents.
10. We express no opinion with respect to compliance with the *Personal Information Protection and Electronic Documents Act* (Canada).
11. We express no opinion on the enforceability of any arbitration provisions contained in the Transaction Documents in all circumstances since, under the *Arbitration Act* (Alberta), a court of competent jurisdiction in Alberta may refuse to stay judicial proceedings, in which event an arbitration proceeding may not be commenced or continued, may put a stop to an ongoing arbitration proceeding, may hear an appeal of an arbitration award on a question of law, or set aside an arbitration award or declare it invalid, in each case in its discretion and on certain prescribed grounds.

RELIANCE

This opinion is solely for the benefit of its addressees in connection with the Transaction Documents. This opinion may not be relied upon in any manner by any other person except any of the respective successors or assigns of the addressees as permitted under the Transaction Documents, and may not be disclosed, quoted, filed with a governmental agency or otherwise referred to without our prior written consent.

Yours truly,

- 7.6.6 If the Seller or any Representative of the Seller is required by any applicable law or by any Governmental Authority to disclose any Confidential Information, the Seller or that Representative will, before making the disclosure, provide the Buyer and the Corporation with prompt written notice of that requirement, so that the Buyer or the Corporation may contest the disclosure of the Confidential Information and seek an appropriate protective order or other appropriate remedy.
- 7.6.7 If, in the absence of a protective order or other appropriate remedy, the Seller or any Representative of the Seller is, in the reasonable opinion of its lawyer, required by any applicable law or by any Governmental Authority to disclose any Confidential Information or stands liable for contempt or to suffer other censure or penalty, then the Seller or that Representative may, without liability under this Agreement, disclose that portion of the Confidential Information, but only that portion, that the Seller or the Representative is legally required to disclose.

- 7.8.2 the covenants included in this Article 7 are reasonable in the circumstances and are necessary to protect the economic position of the Buyer and the Corporation;

7.10 Costs of Litigation

If any litigation relating to this Agreement ensues and a court of competent jurisdiction determines in a final, non-appealable order that this Agreement has been breached by the Seller or any of its Representatives, then the Seller will reimburse the Buyer and the Corporation for all their respective costs and expenses (including legal fees and disbursements) incurred in connection with the litigation.

No amendment, discharge, modification, restatement, supplement, termination or waiver of this Agreement or any Section of this Agreement is binding unless it is in writing and executed by the Party to be bound. Any terms used in this opinion, whether capitalized or not, which are defined in the PPSA or the STA have the meanings given to them in those Acts where the context so permits.

Other Documents Examined

For the purposes of the opinions expressed below, we have considered the questions of law, made the investigations, and examined originals or copies, certified or otherwise identified to our satisfaction, of the certificates of public officials and other certificates, documents and records, that we considered necessary or relevant, and we have relied, without independent verification or investigation, on all statements as to matters of fact contained in the certificates, documents and records we examined, including:

- (e) as to certain matters of fact relevant to the opinions expressed below, a certificate of an officer of the Buyer dated January 1, 2019 (the "**Officer's Certificate**").

ASSUMPTIONS AND RELIANCES

For the purposes of the opinions expressed below, we have assumed, without independent investigation or inquiry, that:

- (a) with respect to all documents examined by us, the signatures are genuine, the individuals signing those documents had legal capacity at the time of signing, all documents submitted to us as originals are authentic, and certified, conformed or photocopied copies, or copies transmitted electronically or by facsimile, conform to the authentic original documents;
- (b) the indices and records in all filing systems maintained in all public offices where we have searched or inquired or have caused searches or inquiries to be conducted are accurate and current, and all certificates and information issued or provided under those searches or inquiries are and remain accurate and complete;
- (c) the Buyer has rights in the Collateral, value has been given to the Buyer by the Seller and there is no agreement between the Buyer and the Seller to postpone the time for attachment of the security interests created by the Pledge Agreement and the General Security Agreement;
- (d) the description of the Collateral is complete and accurate;
- (e) the Collateral does not include "consumer goods", as defined in the PPSA;
- (f) the facts certified in the Officer's Certificate are accurate;
- (g) each Seller that is a corporation or a trust is validly constituted and existing in accordance with the laws under which it is constituted and has all necessary power and capacity to execute and deliver the Transaction Documents to which it is a party and perform its obligations under those Transaction Documents;
- (h) the execution and delivery by each Seller of the Transaction Documents to which it is a party and the performance of its obligations under those Transaction Documents have been duly authorized by all necessary corporate action, and do not breach any laws to which the Seller is subject, and each of those Transaction Documents has been duly executed and delivered by the Seller;
- (i) each of the Transaction Documents to which a Seller is a party constitutes a legal, valid and binding obligation of that Seller, enforceable against that Seller under the laws of the applicable jurisdiction governing those Transaction Documents in accordance with its terms; and

In expressing the opinion in paragraph 1, we have relied exclusively upon the Certificate of Status.

LAWS ADDRESSED

The opinions expressed in this letter are limited to the laws of Alberta and the federal laws of Canada applicable in Alberta. Without limiting the generality of the immediately preceding sentence, we express no opinion with respect to the laws of any other jurisdiction, to the extent that those laws may govern any aspect of the Transaction Documents or the transactions contemplated by them, including without limitation the validity, perfection, effect of perfection or non-perfection, or enforcement of the security interests created by the Pledge Agreement or General Security Agreement as a result of the application of the conflict of laws rules of Alberta.

OPINIONS

Based upon the foregoing, and subject to the qualifications and limitations stated in this letter, we are of the opinion that:

Corporate Opinions

1. The Buyer is a valid and subsisting corporation incorporated under the *Business Corporations Act* (Alberta).
2. The Buyer has the corporate power and capacity to own property and assets, to carry on business, and to execute and deliver, and perform its obligations to the Seller under, the Transaction Documents.
3. The Buyer has taken all necessary corporate action to authorize the execution and delivery by it of each of the Transaction Documents and the performance of its obligations under the Transaction Documents.
4. The Buyer has duly executed and delivered each of the Transaction Documents.

Regulatory Opinion

5. No authorization, consent, permit, exemption or approval of, or filing with or notice to, any governmental agency or authority, or any regulatory body, court, or tribunal having legal jurisdiction in Alberta, is required in connection with the execution and delivery by the Buyer of the Transaction Documents or the performance of its obligations under the Transaction Documents.

Validity and Enforceability Opinion

6. Each of the Transaction Documents constitutes a legal, valid and binding obligation of the Buyer, enforceable against it in accordance with its terms.

Security Interest Creation and Registration Opinions

7. The Pledge Agreement and General Security Agreement create in favour of the Seller valid security interests in any Collateral in which the Buyer now has rights to secure payment and performance of the indebtedness, liabilities and obligations under the Notes.

No Conflict Opinion

8. The execution and delivery by the Buyer of, and the consummation by it of the transactions contemplated by, the Transaction Documents do not breach or result in a default under:
 - (a) the Constatting Documents;
 - (b) any laws, statutes or regulations to which the Buyer is subject; or
 - (c) to the best of our knowledge, any contract to which the Buyer is a party.

QUALIFICATIONS AND LIMITATIONS

The opinions in this letter are subject to the following qualifications and limitations:

1. The legality, validity, binding effect and enforceability of the Transaction Documents are subject to, and may be limited by, applicable bankruptcy, insolvency, reorganization, arrangement, winding-up, liquidation, moratorium, preference and other similar laws of general application affecting the enforcement of creditors' rights generally.
2. The enforceability of the obligations of the Buyer under the Transaction Documents is subject to, and may be limited by, general equitable and legal principles, including those relating to the conduct of parties such as reasonableness and good faith in the performance of contracts, and to the powers of courts to stay proceedings before them, to stay the execution of judgments, to relieve from penalties or the consequences of default (particularly if the default is minor or non-substantive) and to grant relief against forfeiture, and to the principle that equitable remedies such as injunctive relief and specific performance are only available in the discretion of the court.
3. We express no opinion on provisions of the Transaction Documents which:
 - (a) purport to restrict the access to, or waive the benefit of, statutory, legal or equitable rights, remedies or defences;
 - (b) limit rights of set-off otherwise than in accordance with applicable law;
 - (c) purport to bind or affect, or confer a benefit upon, persons who are not parties to the Transaction Documents.

4. The enforceability of provisions of the Transaction Documents which stipulate or limit the level of damages to which a party is entitled is subject to the discretion of the court.
5. The enforceability of provisions of the Transaction Documents which require the Buyer to pay or indemnify the Seller for its costs and expenses in connection with judicial proceedings is subject to the discretion of a court to determine by whom and to what extent those costs and expenses should be paid.
6. We express no opinion on the enforceability of provisions of the Transaction Documents which:
 - (a) create an obligation to pay interest, as defined in the *Criminal Code* (Canada), in an amount or at a rate prohibited by the *Criminal Code* (Canada);
 - (b) have the effect of increasing the charge on any arrears of principal and or interest beyond the rate of interest payable on principal money not in arrears, contrary to section 8 of the *Interest Act* (Canada); which may be interpreted by a court as an unenforceable penalty and not as a genuine pre-estimate of damages;
 - (c) grant an irrevocable power of attorney in favour of any party;
 - (d) prohibit any party from competing with any other party in any business or undertaking;
 - (e) may be interpreted by a court as an unenforceable penalty and not as a genuine pre-estimate of damages; or
 - (f) are inconsistent with or contrary to any provision of the Share Purchase Agreement.
7. We express no opinion regarding the existence of, or the right, title or interest of any person to, any Collateral, or the ranking or priority of any security interest created by the Pledge Agreement or General Security Agreement.
8. Each party to the Transaction Documents may be required to give each other party a reasonable time to satisfy any demand for payment or performance of its obligations under any of the Transaction Documents before exercising any rights or remedies under the Transaction Documents.
9. The failure to exercise a right of action under any of the Transaction Documents within generally applicable limitation periods may act as a bar to the enforcement of those rights after that time, and the enforceability of any provision of the Transaction Documents which purports to impose a specific redemption period is subject to the discretion of the court.
10. Under the *Judgment Interest Act* (Alberta), interest after judgment may be limited to less than the rate provided for under the Transaction Documents.

11. The PPSA imposes certain obligations on secured creditors which cannot be varied by contract and may also affect the enforcement of certain rights and remedies contained in the Pledge Agreement to the extent that those rights and remedies are inconsistent with or contrary to the PPSA.
12. We express no opinion as to any security interest purported to be created by the Pledge Agreement or General Security Agreement in any of the circumstances described in section 4 of the PPSA, in respect of which the PPSA is stated to have no application, or against any Collateral to which the PPSA does not apply.
13. We express no opinion regarding any security interest created by the Pledge Agreement or General Security Agreement with respect to any Collateral that is transformed in such a way that it is not identifiable or traceable, or any proceeds of Collateral that are not identifiable or traceable.
14. The enforceability of the security interests created by the Pledge Agreement in accounts or chattel paper as against each account debtor ("**Account Debtor**") of the Buyer is subject to notice of the security interests and a direction to pay to the Seller being given to each Account Debtor, the terms of the contract between the Buyer and the Account Debtor and any defence or claim arising out of the contract or a closely connected contract, and any other defence or claim of the Account Debtor against the Buyer accruing before the Account Debtor has knowledge of the security interests. Further, those security interests will not be binding upon an Account Debtor to the extent that the debt or account is paid or otherwise discharged before notice of the security interests is given to the Account Debtor, together with a direction to pay the debt or account to the Seller.
15. Notwithstanding that the security interests created by the Pledge Agreement have been perfected by registration under the PPSA, the security interests:
 - (a) will be defeated by certain claimants obtaining control of investment property, or delivery but not control of a certificated security (as each term is described in the PPSA), in the circumstances described in the PPSA or in the STA;
 - (b) in instruments, chattel paper, documents of title or money will be defeated by certain claimants obtaining possession of that property in the circumstances described in the PPSA or the *Bills of Exchange Act* (Canada); and
 - (c) in goods will be defeated by certain claimants to whom the Buyer sells or leases those goods in the ordinary course of business in the circumstances described in the PPSA.
16. Under section 33(2) of the PPSA, the rights of the Buyer in any Collateral may be transferred (as defined in section 33(1) of the PPSA) consensually or by operation of law, notwithstanding a provision in the Pledge Agreement prohibiting transfer or declaring a transfer to be a default.

17. We express no opinion with respect to compliance with the *Personal Information Protection and Electronic Documents Act* (Canada).
18. We express no opinion on the enforceability of any arbitration provisions contained in the Transaction Documents in all circumstances since, under the *Arbitration Act* (Alberta), a court of competent jurisdiction in Alberta may refuse to stay judicial proceedings, in which event an arbitration proceeding may not be commenced or continued, may put a stop to an ongoing arbitration proceeding, may hear an appeal of an arbitration award on a question of law, or set aside an arbitration award or declare it invalid, in each case in its discretion and on certain prescribed grounds.

RELIANCE

This opinion is solely for the benefit of its addressees in connection with the Transaction Documents. This opinion may not be relied upon in any manner by any other person except any of the respective successors or assigns of the addressees as permitted under the Transaction Documents, and may not be disclosed, quoted, filed with a governmental agency or otherwise referred to without our prior written consent.

Yours truly,

- 4.16 any other act or omission to act or delay of any kind by the Debtor, the Creditors or any other Person, or any other circumstance, whether similar or dissimilar to the foregoing, which might, but for the provisions of this Section 4, constitute a legal or equitable discharge, limitation or reduction of the obligations of any of the Guarantors under this Guarantee, other than the payment or extinguishment in full of all of the Guaranteed Indebtedness and the termination of all credit facilities and any lending commitment; or
- 4.17 any major or minor amendments or modifications to, or any restatement, renewal, replacement or extension of the Share Purchase Agreement or the Notes.

To the extent permitted by applicable law, the foregoing provisions apply, and the foregoing waivers will be effective, even if the effect of any action, or failure to take action, by the Creditors is to destroy or diminish the subrogation rights of any of the Guarantors, the right of any of the Guarantors to proceed against the Debtor for reimbursement, the right of any of the Guarantors to recover contribution from any other guarantor or any other right or remedy.

5. Dealings with the Debtor

The Creditors may grant extensions of time or other indulgences, take and give up securities, accept compositions, grant releases and discharges and otherwise deal with the Debtor and with other Persons and securities as the Creditors see fit, and the Creditors may apply all monies received by it from the Debtor or others or from any security upon that part of the Guaranteed

Indebtedness as it may think best, without the consent of, or notice to, any of the Guarantors or any other Person and without prejudice to, or in any way limiting or lessening, the liability of any of the Guarantors under this Guarantee.

The Creditors are not bound to exhaust its recourse against the Debtor, any other guarantor or other Person or under any other security before being entitled to payment from any of the Guarantors under this Guarantee.

8. Change in Composition of the Debtor

No change in the name, objects, capital stock, constitution, ownership or control of the Debtor, and no other circumstance, including the Debtor being amalgamated with another corporation, or any amendments, supplement to or replacement of the Share Purchase Agreement or the Notes, or any circumstance affecting the Debtor or any of the Guarantors which might otherwise provide a legal or equitable defence to any of the Guarantors or a discharge of this Guarantee, will affect or in any way limit or lessen the liability of any of the Guarantors under this Guarantee.

9. Principal Debtor

Any amount of Guaranteed Indebtedness which may not be recoverable from a Guarantor by the Creditor under this Guarantee on the basis of a guarantee will be recoverable by the Creditor from that Guarantor as principal debtor of that amount, and that amount will be paid to the Creditor immediately after demand for that amount as provided in this Guarantee.

10. Continuing Guarantee

This Guarantee is a continuing, absolute, unconditional and irrevocable guarantee of all of the Guaranteed Indebtedness, will apply to all of the Guaranteed Indebtedness, and will remain in full force and effect until all of the Guaranteed Indebtedness has been paid in full. This Guarantee will not be considered as wholly or partially satisfied by the payment or liquidation at any time of any sum of money for the time being due or remaining unpaid to the Creditor.

11. No Subrogation

Until all of the Guaranteed Indebtedness, interest and expenses have been paid in full, each of the Guarantors will have no right of subrogation to, and waives to the fullest extent permitted by law:

- 11.1 the right to enforce any remedy which the Creditor now has or may have after this Guarantee takes effect against the Debtor in respect of the Guaranteed Indebtedness; and
- 11.2 the benefit of any right to participate in any security held by the Creditor for the Guaranteed Indebtedness.

12. No Contribution or Indemnity

The Guarantors will not be entitled to claim contribution or indemnity from the Debtor until the claims of the Creditor against the Debtor have been paid in full or the Creditor has waived its rights in respect of those claims.

All present and future indebtedness and liability of the Debtor to the Guarantors and each of them and all security for that present and future indebtedness and liability is assigned to the Creditor as security for the Guaranteed Indebtedness, and is postponed to the Guaranteed Indebtedness.

14. Liquidation/Insolvency

In case of liquidation, winding up or bankruptcy of the Debtor, whether voluntary or involuntary, or if the Debtor makes a bulk sale of any of its assets within the bulk transfer provisions of any applicable legislation or any arrangement with creditors, whether voluntary or involuntary, the Creditors have the right to rank for its full claims and receive all dividends or other payments in respect of its claims in priority to each of the Guarantors until its claims have been paid in full, and each of the Guarantors will continue to be liable under this Guarantee up to the amount guaranteed, less any payments made by each of the Guarantors, for any balance of the Guaranteed Indebtedness which may be owing to the Creditors. In the event of the valuation by the Creditors of their security, that valuation will not, as between the Creditors and any of the Guarantors, be considered as a purchase of its security, or as payment or satisfaction or reduction of the Guaranteed Indebtedness or any part of it.

15. Expenses

Each of the Guarantors will from time to time, upon demand by the Creditors, immediately pay to the Creditors all reasonable expenses, including legal fees on a solicitor and his own client basis, incurred by the Creditors in the enforcement of any of its rights under this Guarantee, and those amounts which are outstanding will be added to the Guaranteed Indebtedness.

17. Taxes

All payments to be made by each of the Guarantors under this Guarantee will be made without set-off or counterclaim and without deduction for any taxes, levies, duties, fees, deductions, withholdings, restrictions or conditions of any kind. If applicable laws require a deduction or withholding to be made, each of the Guarantors will pay to the Creditors an additional amount as is necessary to ensure the Creditors receives the full amount the Creditors would have received if no deduction or withholding had been made.

18. Set-Off/Right to Combine Accounts

The amount of each Guarantor's liability under this Guarantee is not to be subject to any deduction, withholding, set-off or counterclaim by any Guarantor for any reason at any time.

If any provision of this Guarantee, in whole or in part, is or becomes illegal, invalid or unenforceable by a court of competent jurisdiction, the illegality, invalidity or unenforceability of that provision will not affect the legality, validity or enforceability of the remaining provisions of this Guarantee.
- 19.4 **Amendment.** No supplement, modification, amendment, discharge or termination of this Guarantee is binding unless it is executed in writing by the Party to be bound.
- 19.5 **Waiver.** No delay on the part of the Creditors in exercising any of their options, powers or rights, or partial or single exercise of them, will constitute a waiver of them. No waiver of any of its rights under this Guarantee, and no modification or amendment of this Guarantee, will be deemed to be made by the Creditors unless it is in writing, duly signed on behalf of the Creditors, and each waiver, if any, will apply only with respect to the specific instance involved, and will in no way impair the rights of the Creditors or the liabilities of any Guarantor to the Creditors in any other respect at any other time.
- 19.6 **No Merger.** The taking of a judgment upon any of the covenants herein shall not affect, limit or terminate the obligations of the Guarantor, and shall not operate as a merger of any of the covenants herein or affect the Creditor's right to recover interest at the rate and compounded as aforesaid on any moneys owing to the Creditor, and said interest shall be payable on any judgment until paid.
- 19.7 **Further Assurances.** Each Party will execute and deliver any further agreements and documents and provide any further assurances as may be reasonably required by the other Party to give effect to this Guarantee.
- 19.8 **Assignment.**

- 19.11 **Remedies Cumulative.** The rights and remedies under this Guarantee are cumulative and are in addition to, and not in substitution for, any other rights and remedies available at law or in equity or otherwise. No single or partial exercise by a Party of any right or remedy precludes or otherwise affects the exercise of any other right or remedy to which that Party may be entitled.
- 19.12 **Joint and Several Obligations.** Unless expressly indicated in this Guarantee to the contrary, the representations, warranties and agreements of, and all obligations and covenants to be performed and observed by, the Guarantors under this Guarantee will be the joint and several representations, warranties, agreements, obligations and covenants of each of the Guarantors. Any request or authorization given to the Creditors by any of the Guarantors will be considered to be the joint and several requests or authorizations of each of the Guarantors.
- 19.13 **Acknowledgment and Waiver.** Each of the Guarantors:
- 19.13.1 acknowledges receiving a copy of this Guarantee; and
 - 19.13.2 to the extent permitted by law, waives all rights to receive from the Creditors a copy of any financing statement, financing change statement or verification statement filed or issued, as the case may be, at any time in respect of this Guarantee or any amendments to this Guarantee.

6. Survival of Representations and Warranties and Covenants

All agreements, representations, warranties and covenants made by the Grantor in this Agreement are material, will be considered to have been relied on by the Bank and will survive the execution and delivery of this Agreement or any investigation made at any time by or on behalf of the Bank and any disposition or payment of the Obligations until the indefeasible repayment and performance in full of the Obligations.

7. Performance of Covenants by The Bank

- (a) The Bank may, in its sole discretion and upon notice to the Grantor, perform any covenant of the Grantor under this Agreement that the Grantor fails to perform including any covenant the performance of which requires the payment of money, provided that the Bank will not be obligated to perform such covenant on behalf of the Grantor. The performance by the Bank of any such covenant shall not oblige the Bank to continue to perform any such covenant or other covenants nor relieve the Grantor from any default or derogate from the rights and remedies of the Bank under this Agreement. The Grantor agrees to indemnify and to reimburse the Bank for all costs and expenses incurred by the Bank in connection with the performance by it of any such covenant, and all such costs and expenses shall be payable by the Grantor to the Bank on demand, shall bear interest at the highest rate per annum applicable to any of the Obligations, calculated and compounded monthly, and shall be added to and form part of the Obligations.
- (b) In holding any Collateral, the Bank and any agent or nominee on its behalf is only bound to exercise the same degree of care as it would exercise with respect to similar property of its own or of similar value held in the same or similar location. The Bank and any agent or nominee on its behalf will be deemed to have exercised reasonable care with respect to the custody and preservation of the Collateral if it takes such action for that purpose as the Grantor reasonably requests in writing, but failure of the Bank or its nominees to comply with any such request will not of itself be deemed a failure to exercise reasonable care.

8. Securities, Investment Property

If Collateral at any time includes Securities, the Grantor authorizes the Bank to transfer all or any of such Securities into its own name or that of its nominee(s) so that the Bank or its nominee(s) may appear on record as the sole owner thereof; provided that, until default, the Bank shall deliver promptly to the Grantor all notices or other communications received by it or its nominee(s) as such registered owner and, upon demand and receipt of payment of any necessary expenses thereof, shall issue to the Grantor or its order a proxy to vote and take all action with respect to such Securities. After default, the Grantor waives all rights to receive any notices or communications received by the Bank or its nominee(s) as such registered owner and agrees that no proxy issued by the Bank to the Grantor or its order as aforesaid shall thereafter be effective.

Where any Investment Property is held in or credited to an account that has been established with a securities intermediary, the Bank may, at any time give a notice of exclusive control to any such securities intermediary with respect to such Investment Property.

The Grantor has not consented to and covenants that it will not consent to, the entering into of a Control Agreement by: (a) any issuer of any uncertificated securities included in or relating to the Collateral; or (b) any securities intermediary for any securities accounts or security entitlements included in or relating to the Collateral, other than, in either case, a Control Agreement to which the Bank is a party.

Promptly upon request from time to time by the Bank, the Grantor shall:

- (a) enter into and use reasonable commercial efforts to cause any securities intermediary for any securities accounts or securities entitlements included in or relating to the Collateral to enter into a Control Agreement with the Bank with respect to such securities accounts or securities entitlements as the Bank requires in form and substance satisfactory to the Bank; and
- (b) enter into and use reasonable commercial efforts to cause any issuer of any uncertificated securities included in or relating to the Collateral to enter into a Control Agreement with the Bank with respect to such uncertificated securities in form and substance satisfactory to the Bank.

9. Dealing with Security Interest

The Bank may grant extensions of time and other indulgences, give up any of the Security Interest, abstain from perfecting any of the Security Interest, accept compositions, grant releases and discharges and waive rights against and otherwise deal with the Grantor, Account Debtors of the Grantor, sureties and others and with any of the Collateral and any other security as the Bank may see fit without prejudice to the liability of the Grantor or the Bank's right to hold and realize any of the Security Interest. The Bank shall not be accountable to the Grantor for the value of any of the Security Interest released except for any moneys actually received by the Bank.

10. Deposits and Credit Balances

Without limiting any other rights or remedies of the Bank, the Bank may, without notice to the Grantor or any other Person, any notice being expressly waived by the Grantor, set-off and apply all or any of the amounts standing to or for the credit of the Grantor at the Bank or any of the Bank's affiliates, in any currency, against and on account of all or any part of the Obligations, all as the Bank may see fit, whether or not the Obligations or the amounts standing to or for the credit of the Grantor are due and payable. The Bank is authorized and shall be entitled to make such debits, credits, correcting entries, and other entries to the Grantor's accounts and the Bank's records relating to the Grantor as the Bank regards as desirable in order to give effect to the Bank's rights hereunder and the Grantor agrees to be bound by such entries absent manifest error. When applying a deposit or other obligation in a different currency than the Obligations to the Obligations, the Bank will convert the deposit or other obligation to the currency of the Obligations using the rate of exchange for the conversion of such currency as determined by the Bank or its agents and the Bank or its agent may earn revenue on such conversion.

11. Events of Default

Obligations not payable on demand shall, at the option of the Bank, become immediately due and payable upon the occurrence of one or more of the following events (each, an "event of default"):

- (a) the Grantor fails to pay when due, whether by acceleration or otherwise, any of the Obligations;
- (b) the Grantor fails to perform any provision of this Agreement or of any other agreement to which the Grantor and the Bank are parties;

- (d) the Grantor ceases or threatens to cease to carry on business, commits an act of bankruptcy, becomes insolvent, proceedings or other actions are taken by or against the Grantor under the *Bankruptcy and Insolvency Act* (Canada), the *Companies' Creditors Arrangement Act* (Canada) or similar legislation whether in Canada or elsewhere, or the Grantor transfers all or substantially all of its assets to another Person;
- (e) a receiver, trustee, custodian or other similar official is appointed in respect of the Grantor or any of the Grantor's property;
- (f) the institution by or against the Grantor of any formal or informal proceeding for the dissolution or liquidation or settlement of claims against or winding up of affairs of the Grantor;
- (g) an encumbrancer takes possession of any of the Collateral or any process of execution or distress is levied or enforced upon or against any of the Collateral;
- (h) any indebtedness or liability of the Grantor, other than to the Bank, becomes due and payable, or capable of being declared due and payable, before the stated maturity thereof or any such indebtedness or liability shall not be paid at the maturity thereof or upon the expiration of any stated applicable grace period thereof, or the Grantor fails to make payment when due under any guarantee given by the Grantor;
- (i) if the Grantor is an individual, the Grantor dies or is found by a court to be incapable of managing his or her affairs;
- (j) an execution or any other process of any court shall become enforceable against the Grantor;
- (k) if the Grantor is a partnership, the death of a partner; or
- (l) any other event which causes the Bank, in good faith, to deem itself insecure;

and the Bank shall not be required to make any further advances or other extension of credit that constitutes an Obligation.

12. Remedies

- (a) Upon the occurrence of an event of default that has not been cured or waived, the Bank, in addition to any right or remedy otherwise provided herein or by law, will have the rights and remedies set out below, which may be enforced successively or concurrently:
- (i) to take such steps as the Bank considers desirable to maintain, preserve or protect the Collateral or its value;
 - (ii) to take possession of the Collateral and require the Grantor to assemble the Collateral and deliver or make the Collateral available to the Bank at such place as may be specified by the Bank, and the Bank will not be or be deemed to be a mortgagee in possession by virtue of any such actions;
 - (iii) to exercise and enforce all rights and remedies of the Grantor with respect to the Collateral, including collecting and realizing upon all Accounts and Book Debts;
 - (iv) to carry on or concur in carrying on all or any part of the business of the Grantor;
 - (v) for the maintenance, preservation or protection of the Collateral or for carrying on any of the business of the Grantor, to borrow money on the security of the Collateral, which security will rank in priority to the Security Interest, or on an unsecured basis;
 - (vi) to the exclusion of all others, including the Grantor, to enter upon, occupy and use all or any of the premises, buildings and plants owned or occupied by the Grantor and use all or any of the Collateral of the Grantor for such time as the Bank requires to facilitate the preservation and realization of the Collateral, free of charge, and the Bank will not be liable to the Grantor for any neglect in so doing or in respect of any rent, charges, depreciation or damages in connection with such actions;
 - (vii) to sell, lease, license or otherwise dispose of or concur in selling, leasing, licensing or otherwise disposing of the Collateral upon such terms and conditions as the Bank may determine;
 - (viii) to dispose of any of the Collateral in the condition in which it was at the date possession of it was taken, or after any commercially reasonable repair, processing or preparation thereof for disposition;
 - (ix) if any part of the Collateral is perishable or will decline speedily in value, to sell or otherwise dispose of same without giving any notice of such disposition;
 - (x) to make any arrangement or compromise which the Bank shall think expedient in the interests of the Bank, including compromising any Accounts and Book Debts, and giving time for payment thereof with or without security;
 - (xi) to appoint a consultant or monitor, at the Grantor's expense, to evaluate the Grantor's business and the value of the Collateral, and to review the options available to the Bank; and
 - (xii) to appoint or reappoint by instrument in writing any person or persons, whether an officer or officers or employee or employees of the Bank or not, to be a receiver or receivers or a receiver and manager of the Collateral and remove or replace any person or persons so appointed or apply to any court for the appointment of a receiver or receiver and manager (each hereinafter called a "Receiver").
- (b) Any Receiver so appointed shall be deemed to be the agent of the Grantor and not the Bank, and the Grantor and not the Bank, shall be solely responsible for the Receiver's acts or defaults and for the Receiver's remuneration and expenses. The Bank shall not be in any way responsible for any misconduct, negligence or failure to act on the part of any such Receiver, its servants, agents or employees.
- (c) The Grantor agrees to pay all costs, charges and expenses incurred by the Bank or any Receiver appointed by the Bank, whether directly or for services rendered (including reasonable legal and auditors' costs and expenses and Receiver remuneration), in operating the Grantor's accounts, in preparing or enforcing this Agreement, taking and maintaining custody of, preserving, repairing, processing, preparing for disposition and disposing of Collateral and in enforcing or collecting the Obligations, and all such costs, charges and expenses, together with any amounts owing as a result of any borrowing by the Bank or any Receiver appointed by the Bank, as permitted hereby, shall be a first charge on the Collateral and shall be secured hereby.

- (d) The Bank will give the Grantor such notice, if any, of the date, time and place of any public sale or of the date after which any private disposition of Collateral is to be made as may be required by the PPSA.
- (e) Upon default and receiving written demand from the Bank, the Grantor agrees to take such further action as may be necessary to evidence and effect an assignment or licensing of intellectual property to whomever the Bank directs, including to the Bank. The Grantor appoints any officer or employee of the Bank to be its attorney in accordance with applicable legislation with full power of substitution, to do on the Grantor's behalf anything that is required to assign, license or transfer, and to record any assignment, license or transfer of the Collateral. This power of attorney, which is coupled with an interest, is irrevocable until the release or discharge of the Security Interest.
- (f) The Grantor authorizes the Bank to file such financing statements, financing change statements and other documents and do such acts, matters and things (including completing and adding schedules hereto identifying any Collateral or identifying the locations at which the Collateral is located and correcting any clerical errors or deficiencies in this Agreement) as the Bank may deem appropriate to perfect on an ongoing basis and continue the Security Interest, to protect and preserve Collateral and to realize upon the Security Interest. The Grantor hereby irrevocably constitutes and appoints the Bank and any of its officers or employees from time to time as the true and lawful attorney of the Grantor, with full power of substitution, to do any of the foregoing in the name of the Grantor whenever and wherever it may be deemed necessary or expedient. This power of attorney, which is coupled with an interest, is irrevocable until the release or discharge of the Security Interest.

If the disposition of the Collateral fails to satisfy the Obligations secured by this Agreement including the expenses incurred by the Bank in connection with the preservation and realization of the Collateral as described above, the Grantor shall be liable to pay any deficiency to the Bank forthwith on demand.

13. Environmental License and Indemnity

The Grantor hereby grants to the Bank and its officers, employees and agents an irrevocable and non-exclusive license, subject to the rights of tenants, to enter any Real Property to conduct investigations, inspections, audits, testing and monitoring with respect to any contaminants or hazardous substances and to remove and analyze samples of any contaminants or hazardous substances at the cost and expense of the Grantor (which cost and expense will form part of the Obligations and will be payable immediately on demand and secured hereby). The Grantor hereby indemnifies and will indemnify the Bank and agrees to hold the Bank harmless against and from all losses, fines, penalties, costs, damages and expenses which the Bank may sustain, incur or be held to be or for which it may become liable, at any time whatsoever for or by reason of or arising from the past, present or future presence of or, clean-up, removal or disposal of any contaminants or hazardous substances from, on, under or adjacent to any Real Property owned by the Grantor or which may become owned or occupied by the Bank or as a result of the Bank's compliance with environmental laws or environmental orders relating thereto, including any clean-up, decommissioning, restoration or remediation of any Real Property owned or occupied by the Grantor or other affected or adjacent lands or property. This indemnification will survive the satisfaction, release or extinguishment of the Obligations created hereby.

This Guarantee is made as of _____, 2018

Whereas the undersigned (each hereinafter referred to as the "Guarantor") has agreed to provide The Toronto-Dominion Bank (hereinafter referred to as the "Bank") with a guarantee of the Obligations (as hereinafter defined) of

2133892 ALBERTA LTD.

(the "Customer");

And whereas the Guarantor has agreed that if the guarantee herein is not enforceable, the Guarantor will indemnify the Bank or be liable as primary obligor.

NOW THEREFORE, in consideration of the Bank dealing with the Customer now or in the future and/or for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Guarantor agrees with the Bank as follows:

1. Obligations Guaranteed

The Guarantor unconditionally and irrevocably guarantees payment of all debts and liabilities, present or future, direct or indirect, absolute or contingent, matured or not, wheresoever and howsoever incurred of the Customer to the Bank, whether arising from dealings between the Bank and the Customer or from other dealings or proceedings by which the Bank may be or become in any manner whatsoever a creditor of the Customer, in any currency, whether incurred by the Customer alone or jointly with another or others and whether as an indemnitor or surety, including interest thereon and all amounts owed by the Customer for fees, costs and expenses (collectively referred to as the "Obligations").

2. Extent of Guarantor's Liability

In no event shall the amount recoverable by the Bank from the Guarantor under this Guarantee exceed ** NINE MILLION THREE HUNDRED THOUSAND--00/100** dollars in lawful money of Canada (Cdn. \$9,300,000), plus the costs and expenses of the Bank in enforcing this Guarantee and interest as provided in Section 7.

3. Indemnity/Primary Obligation

If (i) any Obligations are not duly paid by the Customer and are not recoverable under Section 1 for any reason, the Guarantor will, as a separate and distinct obligation, indemnify and save harmless the Bank from and against all losses resulting from the failure of the Customer to pay such Obligations, and (ii) any Obligations are not duly paid by the Customer and are not recoverable under Section 1 or the Bank is not indemnified under clause (i) above of this Section 3, for any reason, such Obligations will, as a separate and distinct obligation, be paid by and recoverable from the Guarantor as primary obligor.

The liabilities of the Guarantor under Section 1 and each of clauses (i) and (ii) of this Section 3 are separate and distinct from each other, but the provisions of this Agreement shall apply to each of such liabilities unless the context otherwise requires.

4. Nature of Guarantor's Liability

The liability of the Guarantor under this Guarantee is continuing, absolute and unconditional and will not be affected by any act, omission, event or circumstance that might constitute a legal or equitable defence (any and all such legal and equitable defences are hereby expressly waived by the Guarantor) to or a

discharge, limitation or reduction of the liability of the Guarantor hereunder, other than as a result of the indefeasible payment in full of the Obligations, including:

- (a) the unenforceability of any of the Obligations for any reason, including as a result of the act of any governmental authority;
- (b) any irregularity, fraud, illegality, defect or lack of authority or formality in incurring the Obligations, notwithstanding any inquiry that may or may not have been made by the Bank;
- (c) failure of the Bank to comply with or perform any agreements relating to the Obligations;
- (d) any discontinuance, renewal, extension, increase or reduction in the amount, or any other variance of any loans or credits now or hereafter made available to the Customer by the Bank or guaranteed by the Customer to the Bank or any other change to any of the terms for conditions of any of the Obligations (including, without limitation, respecting rates of interest, fees or charges, maturity dates), or any waiver by the Bank respecting any of the Obligations;
- (e) the taking of or the failure by the Bank to take a guarantee from any other person;
- (f) any release, compromise, settlement or any other dealing with any person, including any other Guarantor;
- (g) the reorganization of the Customer or its business (whether by amalgamation, merger, transfer, sale or otherwise); and in the case of an amalgamation or merger, the liability of the Guarantor shall apply to the Obligations of the resulting or continuing entity and the term "Customer" shall include such resulting or continuing entity;

- (i) any change in control or ownership of the Customer, or if the Customer is a general or limited partnership, any change in the membership of that partnership or other entity;

substitution, in whole or in part, of any security, or the failure to perfect or maintain perfection or enforce any security; or

- (p) any failure or delay by the Bank in exercising any right or remedy respecting the Obligations or under any security or guarantee.

5. Continuing Guarantee

The obligations of the Guarantor hereunder will constitute and be continuing obligations and will apply to and secure any ultimate balance due or remaining due to the Bank and will not be considered as wholly or partially satisfied by the payment or liquidation at any time of any sum of money for the time being due or remaining unpaid to the Bank. This Guarantee will continue to be effective even if at any time any payment of any of the Obligations is rendered unenforceable or is rescinded or must otherwise be returned by the Bank as a result of the occurrence of any action or event, including the insolvency, bankruptcy or reorganization of the Customer or the Guarantor, all as though such payment had not been made.

6. Demand for Payment

The Guarantor shall make payment to the Bank under this Guarantee immediately upon receipt of a written demand for payment from the Bank. If any Obligation is not paid by the Customer when due, the Bank may treat all Obligations as due and payable by the Customer and may demand immediate payment under this Guarantee of all or some of the Obligations whether such other Obligations would otherwise be due and payable by the Customer at such time or whether or not any demands, steps or proceedings have been made or taken by the Bank against the Customer or any other person respecting all or any of the Obligations. If any stay of or moratorium on proceedings by the Bank against the Customer is imposed in respect of any Obligation, the Bank may nevertheless demand immediate payment of such Obligation from the Guarantor as if such Obligation was due and payable by the Customer.

7. Interest

If the Guarantor does not make immediate payment in full of the Obligations when demand for payment has been made by the Bank, the Guarantor shall pay interest on any unpaid amount to the Bank at the highest rate of interest per annum that is charged on any Obligations for which payment has been demanded hereunder and which remain unpaid.

8. State of Account

The records of the Bank in respect of the Obligations will be prima facie evidence of the balance of the amount of the Obligations that are due and payable by the Customer to the Bank.

9. Application of Moneys Received

The Bank may, without notice and demand of any kind and at any time, apply any money received from the Guarantor, the Customer or any other person (including arising from any security that the Bank may from time to time hold) or any balance in any account of the Guarantor held at the Bank or any of the Bank's affiliates, to such part of the Obligations, whether due or to become due, as the Bank in its sole and absolute discretion considers appropriate, or may, in its sole and absolute discretion, refrain from applying any such money. The Bank may also revoke and alter any such application in whole or in part. If any amount that is to be applied is in a currency other than the currency of the Obligation to which such

amount is to be applied, then the amount that is applied shall be converted from one currency to another using the rate of exchange for the conversion of such currency as determined by the Bank or its agents and the Bank or its agent may earn revenue on such conversion.

10. No Set-off or Counterclaim

The Guarantor will make all payments required to be made under this Guarantee without claiming or asserting any right of setoff or counterclaim that the Guarantor has or may have against the Customer or the Bank, all of which rights the Guarantor waives.

11. Exhausting Recourse

The Bank is not required to take any proceedings, exhaust its recourse against the Customer or any other Guarantor or person or under any security the Bank may from time to time hold, or take any other action, before being entitled to demand payment from the Guarantor under this Guarantee, and the Guarantor waives all benefits of discussion and division.

12. No Representations

There are no representations, warranties, terms, conditions, undertakings or collateral agreements, express, implied or statutory, between the parties except as expressly set forth herein. The Bank will not be bound by any representations or promises made by Customer to the Guarantor and possession of this Guarantee by the Bank will be conclusive evidence against the Guarantor that this Guarantee was not delivered in escrow or pursuant to any agreement that it should not be effective until any condition precedent or subsequent has been complied with, and this Guarantee will be binding on each Guarantor who has signed this Guarantee notwithstanding the non-execution thereof by any proposed guarantor.

13. Postponement and Assignment

The Guarantor hereby postpones payment of all present and future debts and liabilities of the Customer to the Guarantor, and as security for payment of the Obligations, the Guarantor hereby assigns such debts and liabilities to the Bank and agrees that all moneys received from the Customer by or on behalf of the Guarantor shall be held in trust for the Bank and forthwith upon receipt paid over to the Bank, all without prejudice to and without in any way limiting or lessening the liability of the Guarantor to the Bank under this Guarantee. This assignment and postponement is independent of the guarantee, indemnity and primary obligor obligations contained in this Guarantee and will remain in full force and effect until, in the case of the assignment, the liability of the Guarantor under this Guarantee has been discharged or terminated and, in the case of the postponement, until all Obligations are performed and indefeasibly paid in full.

14. Subrogation

The Guarantor will not be entitled to be subrogated to the rights of the Bank against the Customer, to be indemnified by the Customer or to claim contribution from any other Guarantor until the Guarantor makes indefeasible payment to the Bank of all amounts owing by the Guarantor to the Bank under this Guarantee and the Obligations are indefeasibly paid in full.

15. Bankruptcy of Customer

Upon the bankruptcy or winding up or other distribution of assets of the Customer or of any surety or Guarantor for the Obligations, the Bank's rights shall not be affected by the Bank's failure to prove its

claim and the Bank may prove such claim if and in any manner as it deems appropriate in its sole discretion. The Bank may value as it sees fit or refrain from valuing any security held by the Bank without in any way releasing, reducing or otherwise affecting the liability of the Guarantor to the Bank, and until all the Obligations of the Customer to the Bank have been indefeasibly paid in full, the Bank shall have the right to include in its claim the amount of all sums paid by the Guarantor to the Bank under this Guarantee and to prove and rank for and receive dividends in respect of such claim, any and all right to prove and rank for such sums paid by the Guarantor and to receive the full amount of all dividends in respect thereto being hereby assigned and transferred to the Bank.

16. Costs and Expenses

The Guarantor agrees to pay all costs and expenses, including legal fees, of enforcing this Guarantee including the charges and expenses of the Bank's in-house lawyers. The Guarantor will pay all legal fees on a solicitor and own client basis.

17. Other Guarantees and Security

The liability of the Guarantor under any other guarantee or guarantees given to the Bank in connection with the Obligations shall not be affected by this Guarantee, nor shall this Guarantee affect or be affected by the endorsement by the Guarantor of any note or notes of the Customer, the intention being that the liability of the Guarantor under such other guarantee or guarantees and this Guarantee, and under such other note or notes and this Guarantee, shall be cumulative. Nor shall the Bank be required to marshal in favour of the Guarantor other guarantees granted by other persons or any security, money or other property that the Bank may be entitled to receive or may have a claim upon.

18. Amendment and Waivers

No amendment to this Guarantee will be valid or binding unless set forth in writing and duly executed by the Guarantor and the Bank. - (q) **Location of Assets in Other Jurisdictions.** Except for property in transit in the ordinary course of business, the Borrower will not acquire any Material assets outside of Alberta or move any property from one jurisdiction to another jurisdiction where the movement of such property would cause the Encumbrance granted pursuant to the Security over such property to cease to be perfected under Applicable Law, and the Borrower shall not suffer or permit in any other manner any of its Property to not be subject to the Encumbrance granted pursuant to the Security or to be or become located in a jurisdiction as a result of which the Encumbrance granted pursuant to the Security over such property is not perfected, unless (i) the Borrower has first given the Lender not less than thirty (30) days' prior written notice thereof; and (ii) the Borrower has first executed and delivered to the Lender all Security and all financing or registration statements in form and substance satisfactory to the Lender which the Lender or its counsel from time to time deem necessary or advisable to ensure that Encumbrances granted pursuant to the Security at all times constitute a perfected second priority Encumbrance (subject only to Permitted Encumbrances) over such property notwithstanding the movement or location of such property as aforesaid together with such supporting certificates, resolutions, opinions and other documents as the Lender may deem necessary or desirable in connection with such security and registrations, acting reasonably.
- (r) **Subordinated Debt.** The Borrower shall not make any repayments whether by way of principal, interest or otherwise, in respect of any Subordinated Debt, other than repayments made in accordance with the provisions of the applicable Subordination Agreement with the Lender.
- (s) **Hedging Agreements.** The Borrower shall not enter into or otherwise become a party to or obligated under any swap, hedging transaction, arrangements or agreements which are for the purposes of managing, mitigating or eliminating exposure of the Borrower to fluctuations in credit exposure, equity, interest rates, currency exchanges rates or commodity prices, other than under and in connection with the Operating Lender Debt Documents.

9.2 Acceleration; Additional Interest

Upon the occurrence of an insolvency event in respect of any Credit Party, the Obligations shall become immediately due and payable, without the necessity of any demand upon or notice to the Borrower by the Lender. Upon the occurrence and during the continuation of any Event of Default other than an insolvency event, the Lender may by written notice to the Borrower (a "**Demand Notice**") declare the Obligations (including the Prepayment Premium and Exit Premium) to be immediately due and payable. From and after the date of the occurrence of an Event of Default and for so long as such Event of Default continues, both before and after the Acceleration Date, the Outstanding Advance shall bear interest at 18% per annum (the "**Default Rate**") in order to compensate the Lender for the additional risk.

Upon demand or the delivery of a Demand Notice (or the deemed delivery of a Demand Notice), the Security shall become immediately enforceable and the Lender may take such action or proceedings

as the Lender in its sole discretion deems expedient to enforce the same, all without any additional notice, presentment, demand, protest or other formality, all of which are hereby expressly waived by the Borrower.

9.3 Saving

The Lender shall not be under any obligation to any Credit Party or any other Person to realize any collateral or enforce the Security or any part thereof or to allow any collateral to be sold, dealt with or otherwise disposed of. The Lender shall not be responsible or liable to any Credit Party or any other Person for any loss or damage upon the realization or enforcement of, the failure to realize or enforce any collateral or any part thereof or the failure to allow any collateral to be sold, dealt with or otherwise disposed of or for any act or omission on their respective parts or on the part of any director, officer, agent, servant or adviser in connection with any of the foregoing, except that the Lender will be responsible or liable for any loss or damage arising from the willful misconduct or gross negligence of the Lender in enforcing the Security.

9.4 Perform Obligations

If any Credit Party has failed to perform any of its covenants or agreements in the Credit Documents, the Lender, may, but shall be under no obligation to perform any such covenants or agreements in any manner deemed fit by the Lender without thereby waiving any rights to enforce the Credit Documents. The reasonable expenses (including any reasonable legal costs) paid by the Lender in respect of the foregoing shall be added to and become part of the Obligations and shall be secured by the Security.

9.5 Third Parties

No Person dealing with the Lender or any agent of the Lender shall be concerned to inquire whether the Security has become enforceable, or whether the powers which the Lender is purporting to exercise have been exercisable, or whether any Obligations remain outstanding upon the security thereof, or as to the necessity or expediency of the stipulations and conditions subject to which any sale shall be made, or otherwise as to the propriety or regularity of any sale or other disposition or any other dealing with the collateral charged by such Security or any part thereof.

9.6 Remedies Cumulative

The rights and remedies of the Lender under the Credit Documents are cumulative and are in addition to and not in substitution for any rights or remedies provided by law. Any single or partial exercise by the Lender of any right or remedy for a default or breach of any term, covenant, condition or agreement herein contained shall not be deemed to be a waiver of or to alter, affect, or prejudice any other right or remedy or other rights or remedies to which the Lender may be lawfully entitled for the same default or breach. Any waiver by the Lender of the strict observance, performance or compliance with any term, covenant, condition or agreement herein contained, and any indulgence granted by the Lender shall be deemed not to be a waiver of any subsequent default.

9.7 Set-Off or Compensation

After the occurrence and during the continuance of an Event of Default or the delivery of an Demand Notice (or deemed delivery of a Demand Notice), in addition to and not in limitation of any rights now or hereafter granted under Applicable Laws, the Lender may at any time and from time to time

without notice to any Credit Party or any other Person, any notice being expressly waived by the Borrower for and on behalf of itself and the other Credit Parties, set-off, combine accounts and compensate and apply any and all deposits, general or special, time or demand, provisional or final, matured or unmatured, in any currency, and any other indebtedness at any time owing by the Lender to or for the credit of or the account of any Credit Party, against and on account of the Obligations notwithstanding that any of them are contingent or unmatured.

ARTICLE 10 **SUCCESSORS AND ASSIGNS**

10.1 Successors and Assigns

- (a) The Credit Documents shall be binding upon and enure to the benefit of the Lender and the Credit Parties and Persons party thereto and their respective heirs, executors, administrators, successors and assigns (including any successor resulting from the amalgamation of the Borrower or another Credit Party with one or more Persons or resulting from the winding-up of one or more Persons into the Borrower), except that, other than as provided herein, no Credit Party or any other Person party to a Credit Document shall assign any rights or obligations with respect to this Agreement or any of the other Credit Documents without the prior written consent of the Lender.

The collective rights and obligations of the Lender under this Agreement are assignable in whole or in part and the Lender shall be entitled to assign in whole or in part its individual rights and obligations hereunder or to permit other financial institutions or other persons to participate in the Credit or any of them, all in accordance with the provisions of Section 10.2 and the other terms of this Agreement. The Borrower hereby consents to the disclosure of any information and opinions relating to it to any potential future lender provided that the potential future lender agrees in writing to keep the information confidential and to return such information if it does not become a Lender.

Each assignment shall be of a uniform, and not a varying, percentage of all rights and obligations of the assignor(s) under or in respect of the Credit Facility.

- (b) A participation by the Lender of its interest (or a part thereof) hereunder or a payment by a participant to the Lender as a result of the participation will not constitute a payment hereunder to the Lender or an Advance to the Borrower.

10.2 Assignments

The Borrower shall not assign any rights or obligations with respect to this Agreement or any of the other Credit Documents without the prior written consent of the Lender in its sole discretion. The collective rights and obligations of the Lender under this Agreement and the Security are assignable, including by way of participation, in whole or in part to any Person that is resident in Canada, provided that in the case of a partial assignment the Credit Facility shall continue to be administered by the Lender. Upon the occurrence of an Event of Default, the Lender may assign, in whole or in part, the collective rights and obligations of the Lender under this Agreement and the Security to any Person, without restriction.

ARTICLE 11
MISCELLANEOUS PROVISIONS

11.1 Headings and Table of Contents

The headings of the Articles and Sections and the Table of Contents are inserted for convenience of reference only and shall not affect the construction or interpretation of this Agreement.

11.2 Capitalized Terms

All capitalized terms used in any of the Credit Documents (other than this Agreement) which are defined in this Agreement shall have the meaning defined herein unless otherwise defined in the other document.

11.3 Severability

Any provision of this Agreement which is or becomes prohibited or unenforceable in any relevant jurisdiction shall not invalidate or impair the remaining provisions hereof which shall be deemed severable from such prohibited or unenforceable provision and any such prohibition or unenforceability in any such jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction. Should this Agreement fail to provide for any relevant matter, the validity, legality or enforceability of this Agreement shall not hereby be affected.

11.4 Number and Gender

Unless the context otherwise requires, words importing the singular number shall include the plural and vice versa, words importing any gender include all genders and references to agreements and other contractual instruments shall be deemed to include all present or future amendments, supplements, restatements or replacements thereof or thereto.

11.5 Amendment, Supplement or Waiver

No amendment, supplement or waiver of any provision of the Credit Documents, nor any consent to any departure by the Borrower, any other Credit Party or any other Person thereto therefrom, shall in any event be effective unless it is in writing, makes express reference to the provision affected thereby and is signed by the Lender, the Borrower and if applicable, the appropriate Credit Party or Person and then such waiver or consent shall be effective only in the specific instance and for the specific purpose for which given. No waiver or act or omission of the Lender shall extend to or be taken in any manner whatsoever to affect any subsequent breach by the Borrower, any other Credit Party or any other Person party thereto of any provision of the Credit Documents or the rights resulting therefrom.

11.6 Governing Law

Each of the Credit Documents shall be conclusively deemed to be a contract made under, and shall for all purposes be governed by and construed in accordance with, the laws of the Province of Alberta and the laws of Canada applicable in Alberta. Each party to this Agreement hereby irrevocably and unconditionally attorns to the non-exclusive jurisdiction of the courts of Alberta and all courts competent to hear appeals therefrom.

11.7 Paramountcy

In the event of any conflict between the terms of this Agreement and the terms of any other Credit Document, the provisions of this Agreement shall govern to the extent necessary to remove the conflict. Provided however, a conflict shall not be deemed to occur if one Credit Document provides for a matter and another Credit Document does not.

11.8 Currency

All payments made hereunder shall be made in the currency in respect of which the obligation requiring such payment arose. Unless the context otherwise requires, all amounts expressed in this Agreement in terms of money shall refer to Canadian Dollars.

11.9 Expenses and Indemnity

All statements, reports, certificates, opinions, appraisals and other documents or information required to be furnished to the Lender by any Credit Party under this Agreement shall be supplied without cost to the Lender. The Borrower shall pay on demand all reasonable out of pocket costs and expenses of the Lender (including, without limitation, long distance telephone and courier charges and the reasonable fees and expenses of counsel for the Lender), incurred in connection with (i) the preparation, execution, delivery, administration, periodic review, modification or amendment of the Credit Documents; (ii) any enforcement of the Credit Documents; (iii) obtaining advice as to its rights and responsibilities in connection with the Credit Facility and the Credit Documents; (iv) reviewing, inspecting and appraising the collateral that is the subject of the Security in connection with the enforcement of its rights under the Security; and (v) other matters relating to the Credit Facility. Such costs and expenses shall be payable whether or not an Advance is made under this Agreement.

The Borrower shall indemnify the Lender against any liability, obligation, loss or expense which it may sustain or incur as a consequence of (i) any representation or warranty made by a Credit Party which was incorrect at the time it was made or deemed to have been made, (ii) the failure of the Borrower to complete any Advance or make any payment after notice therefore has been given under this Agreement, and (iii) any other default by any Credit Party or any other Person party thereto under any Credit Document. A certificate of the Lender as to the amount of any such loss or expense shall be, prima facie, evidence as to the amount thereof.

In addition, the Borrower shall indemnify the Lender and its directors, officers, employees, advisers, agents, and representatives (the "**Indemnified Parties**") from and against any and all actions, proceedings, claims, losses, costs, damages, liabilities, expenses and obligations of any kind that may be incurred by or asserted against any of them as a result of or in connection with the making of any Advance hereunder and the Lender taking, holding and enforcing the Security, other than arising from the gross negligence or wilful misconduct of the Lender or any other Indemnified Party. Whenever any such claim shall arise, the Indemnified Party shall promptly notify the Borrower of the claim and, when known, the facts constituting the basis for such claim, and if known, the amount or an estimate of the amount of the claim. The failure of an Indemnified Party to give notice of a claim promptly shall not adversely affect the Indemnified Party's rights to indemnity hereunder unless such failure adversely effects the Borrower's position in respect of such claim.

The Agreements in this Section shall survive the termination of this Agreement and repayment of the Obligations.

11.10 Manner of Payment and Taxes

All payments to be made by the Credit Parties pursuant to the Credit Documents are to be made without set-off, compensation or counterclaim, free and clear of and without deduction for or on account of any Tax, including but not limited to withholding taxes, except for Taxes on the overall net income of the Lender (such taxes applicable to the overall net income of the Lender are herein referred to as "**Excluded Taxes**"). If any Tax, other than Excluded Taxes, is deducted or withheld from any payments under the Credit Documents the Credit Parties shall promptly remit to the Lender in the currency in which such payment was made, the equivalent of the amount of Tax so deducted or withheld together with the relevant receipt addressed to the Lender. If a Credit Party is prevented by operation of law or otherwise from paying, causing to be paid or remitting such Tax, the interest or other amount payable under the Credit Documents will be increased to such rates as are necessary to yield and remit to the Lender the principal sum advanced or made available together with interest at the rates specified in the Credit Documents after provision for payment of such Tax. If following the making of any payment by a Credit Party under this Section 11.10, the Lender is granted a credit against or refund in respect of any Tax payable by it in respect of such Taxes to which such payment by such Credit Party relates that the Lender would not have received had such Credit Party not made the payment, the Lender shall (subject to the Credit Party having paid the relevant amount) to the extent that it is satisfied that it can do so without prejudice to the retention of the amount of such credit or refund, reimburse such Credit Party such amount as the Lender shall certify to be the proportion of such credit or refund as will leave the Lender, after such reimbursement in no worse or better position than it would have been in if the relevant Taxes had not been imposed, or the relevant Taxes had not been deducted or withheld in respect of the payment by the Credit Party as aforesaid. The Lender shall, at the Borrower's request and cost, file such documentation and do such commercially reasonable things as may be necessary to obtain such credit or refund, but the Lender shall not be obligated to disclose any information to the Borrower or any other Person concerning its income or taxes that is not otherwise publicly available.

If a Credit Party makes any payment under this Section for the account of the Lender, the Lender shall take reasonable steps to minimize the net amount payable by such Credit Party under this Section, but the Lender shall not be obliged to disclose any information to any Credit Party concerning its income or Taxes that is not otherwise publicly available.

11.11 Increased Costs

If the introduction of or any change in or in the interpretation of, or any change in its application to a Credit Party or the Lender of, any law or any regulation or guideline from any central bank or other Governmental Authority (whether or not having the force of law), including but not limited to any reserve or special deposit requirement or any Taxes or exemption from any tax or any capital requirement (each of the foregoing events shall be referred to as a "**Change in Law**"), has, due to the compliance by the Lender therewith, the effect, directly or indirectly, of (i) increasing the cost to the Lender of performing its obligations hereunder; (ii) reducing any amount received or receivable by the Lender hereunder or its effective return hereunder or on its capital; or (iii) causing the Lender to make any payment or to forego any return based on any amount received or receivable by the Lender hereunder, then upon demand from time to time the Borrower shall pay such amount as shall compensate the Lender for any such cost, reduction, payment or foregone return that is not fully offset by an increase in the applicable interest rate or rates or fees hereunder (collectively, the "**Additional Compensation**"). Any certificate of the Lender in respect of the foregoing will be *prima facie*, evidence of the Additional Compensation owing by the Borrower to the Lender. The Lender shall use reasonable commercial efforts to minimize any and all increased costs contemplated by this Section 11.11.

11.12 Illegality

If the Lender determines, in good faith, that (a) the introduction of or any change in any Applicable Laws or in the interpretation or application thereof by any court or by any judicial or governmental authority charged with the interpretation or administration thereof that has occurred after the date hereof, or (b) compliance by the Lender with any request or directive from any central bank or other fiscal, monetary or other authority (whether or not having the force of law) issued after the date hereof, has made it unlawful for the Lender to make, maintain or fund all or any portion of the Credit or to perform its obligations in respect of the Credit hereunder or any relevant portions thereof as contemplated hereby, the Lender may, by notice in writing to the Borrower, declare that its obligations hereunder in respect of the Credit so affected shall be terminated forthwith, whereupon such obligations shall be so terminated and the Borrower shall provide irrevocable written notice to the Lender requiring the Lender to sell and assign to a bank or other financial institution chosen by the Borrower, all (but not less than all) of the Lender's rights and obligations hereunder in the same manner described in Section 10.2 upon receipt by the Lender from such bank or financial institution of all amounts owing to the Lender under the Credit Documents, including all unpaid interest accrued thereon to the date of payment and all other amounts, if any, payable for the account of the Lender hereunder in respect of any Advances made by it and in respect of all losses, costs and expenses suffered or incurred by the Lender hereunder as a result of the Lender complying with this Section 11.12.

11.13 Accounting Terms; Changes in Generally Accepted Accounting Procedures

Each accounting term used in this Agreement has the meaning assigned to it under GAAP unless otherwise defined herein and reference to any balance sheet item or income statement item means such item as computed from the applicable statement prepared in accordance with GAAP in existence as at the date of this Agreement. All financial statements required to be delivered hereunder shall be made and prepared in accordance with GAAP consistently applied throughout the periods involved.

11.14 Interest on Miscellaneous Amounts

If the Borrower fails to pay when due any amount in respect of costs or expenses or any other amount required to be paid by it hereunder (other than principal or interest on the Advance), it shall pay interest on such unpaid amount from the time such amount is due until paid at the rate equal to the highest rate of interest then applicable under the Credit Facility.

Any Obligation, including interest, shall, if not paid when due, bear interest and the rate per annum equivalent to the highest rate applicable to the principal amount of the Obligations, and all such interest shall be compounded monthly until paid.

11.15 Address for Notice

Any notice, demand or other communication (a "**Notice**") to be given under the Credit Documents shall, except as otherwise specifically provided, be in writing addressed to the party for whom it is intended and, may be delivered by courier, facsimile with transmission confirmed by a transmission report or sent by e-mail. Every Notice shall be deemed to have been duly given, served or received on the date on which it is delivered (or, if such date is not a Business Day, the next following Business Day) or on the date of transmission or e-mail, if transmission or e-mail is completed prior to 3:00 p.m. (Calgary, Alberta time) on a Business Day (or the next Business Day if the transmission or e-mail is completed after 3:00 p.m. (Calgary, Alberta time) on a Business Day or on a day that is not a Business Day). The addresses

of the parties hereto for the purposes hereof shall be the addresses specified beside their respective signatures to this Agreement, or such other mailing, facsimile or e-mail addresses as each party from to time may notify the other as aforesaid.

11.16 Confidentiality

The Lender shall keep strictly confidential all financial statements and all other written information delivered by or on behalf of the Borrower that the Borrower has advised the Lender in writing are confidential; provided however, the Lender may in its sole discretion deliver copies of any such confidential information, and disclose any other information disclosed to the Lender, by or on behalf of the Borrower in connection with or pursuant to the Credit Documents to:

- (a) each of the Lender's Affiliates and the Lender's and its Affiliates directors, officers, employees, agents and professional consultants, who in the reasonable opinion of the Lender have a need to know such information in order to assist the Lender in fulfilling its obligations hereunder (provided that the Lender remains responsible for any breach of confidential information by such person and the confidential nature of such information is communicated to such person by the Lender);
- (b) any regulatory authority having jurisdiction over the Lender upon its request or otherwise as required by Applicable Law; or
- (c) any other Person who in the reasonable opinion of the Lender has a need to know such information (i) in connection with any assignment or proposed assignment by the Lender of any of its interests under the Credit Documents, (ii) in compliance with any Applicable Laws, applicable to the Lender, (iii) in response to any subpoena or other legal process, or (iv) in connection with any litigation to which the Lender is a party in any way relating to a Credit Party, the Credit Documents and the transactions contemplated therein, but only to the extent such disclosure is necessary or desirable to the initiation or defence of such litigation and the confidential nature of such information is communicated to such person by the Lender.

Each Credit Party further consents to the Lender or the Lender's Affiliates making inquiries, including the collection of corporate and business information about the Credit Parties from such Personas, financial institutions, credit bureaus, personal information agents or other entities as it deems necessary in order to evaluate and/or administer any relationship or potential relationship with the Credit Parties. Each Credit Party further acknowledges that the Lender is not an agent of the Operating Lender, and the Operating Lender is not an agent of the Lender. Any discussions, representations or other communications by Lender with the Credit Parties are not in any manner binding on the Operating Lender and vice-versa.

11.17 Time of the Essence

Time shall be of the essence in this Agreement.

11.18 Further Assurances

The Borrower shall, at the request of the Lender do all such further acts and execute and deliver all such further documents as may, in the reasonable opinion of the Lender, be necessary or desirable in order to fully perform and carry out the purpose and intent of the Credit Documents.

11.19 Term of Agreement

Except as otherwise provided herein, this Agreement shall remain in full force and effect until the payment and performance in full of all of the Obligations and the termination of this Agreement.

11.20 Payments on Business Day

Whenever any payment or performance under the Credit Documents would otherwise be due on a day other than a Business Day, such payment shall be made on the following Business Day, provided that interest and fees (as applicable) shall continue to accrue and be payable until the applicable payment or performance has been completed.

11.21 Interest Act Equivalent

In this Agreement, each rate of interest which is calculated with reference to a period (the "deemed interest period") that is less than the actual number of days in the calendar year of calculation is, for the purposes of the *Interest Act* (Canada), equivalent to a rate based on a calendar year calculated by multiplying such rate of interest by the actual number of days in the calendar year of calculation and dividing by the number of days in the deemed interest period.

11.22 Non-Merger

The Borrower covenants and agrees with the Lender that, in the case of any judicial or other proceeding to enforce the rights and remedies of the Lender under the Credit Documents (or any part thereof), judgment may be rendered against the Borrower in favour of the Lender, for any amount owing by it under the Credit Documents (or for which the Borrower may be liable thereunder after the application to the payment thereof of the proceeds of any sale of any of the Property of the Borrower).

11.23 Anti-Money Laundering Legislation

The Borrower acknowledges that, pursuant to the Anti-Corruption Laws and other applicable anti-money laundering, anti-terrorist financing, Sanctions and "know your client" Applicable Laws (collectively, including any guidelines or orders thereunder, the "**AML Legislation**"), the Lender may be required to obtain, verify and record information regarding the Borrower and its Subsidiaries (or any of them), their respective directors and signing officers and the transactions contemplated herein. The Borrower shall promptly: (i) provide all such information, including supporting documentation and other evidence, as may be reasonably requested by the Lender, or any prospective assignee of the Lender, in order to comply with any AML Legislation, whether now or hereafter in existence; and (ii) notify the Lender of such information of any changes thereto. The Borrower acknowledges and agrees that the Credit Facility is for the use by the Borrower and will be used by the Borrower, only for the purposes set out herein.

Andrew, you and you alone have pushed this to the brink. I am really hoping you see the light and do what is best for you, your family and your directors. You are introducing an incredible amount of liability to everyone. Your actions have removed a lot of the decision making from my control. I would really consider doing what is best for you and your family and the company... it will end up as the same result no matter what... just a matter of how much damage is done getting there. I'm always open to talk.

Are you able to come to the call tonight? I want to discuss the way to get this done.

Fri, May 6, 6:45 PM

I need you to push the call to 8:30 please

FORBEARANCE AGREEMENT

This Forbearance Agreement (this “**Agreement**”), dated as of the 10th day of May, 2022 (the “**Effective Date**”), is made by and among:

HOME SOLUTIONS CORPORATION (the “**Borrower**”)

- and -

ANDREW DAVIDSON (“**Mr. Davidson**”) and **2087212 ALBERTA LTD.** (“**2087**” and together with Mr. Davidson, collectively, the “**Guarantors**”, and together with the Borrower, the “**Obligors**”)

- and -

PRIVATE DEBT PARTNERS SENIOR OPPORTUNITIES FUND GP INC. (the “**Lender**”)

RECITALS:

- A. The Borrower operates a specialty trade contractor business in Calgary, Alberta (the “**Business**”).
- B. The Borrower is funded by, and indebted to, *inter alia*: The Toronto-Dominion Bank (“**TD**”) pursuant to a Demand Operating Facility Agreement, dated March 7, 2022, as subsequently amended pursuant to: (i) Demand Operating Facility Agreement Amendment, dated March 14, 2022; and, (ii) Demand Operating Facility Agreement Amendment, dated April 6, 2022 (collectively, the “**TD Loan Agreement**”). As at May 5, 2022, the indebtedness under the TD Loan Agreement was approximately \$2,030,028.13 (the “**TD Debt**”).
- C. The TD Debt is secured by various loan and security agreements, including, without limitation, a General Security Agreement dated July 24, 2001, granted by the Borrower to and in favour of TD.
- D. On April 29, 2022, TD issued a default letter as against the Borrower. On May 6, 2022, counsel for TD issued a demand for repayment and a Notice of Intention to Enforce Security under Section 244 of the *Bankruptcy and Insolvency Act*, R.S.C. 1985 c.B-3, as amended (the “**BIA**”).
- E. The Borrower is further funded by, and indebted to, the Lender, pursuant to a Credit Agreement dated as of January 11, 2022 (the “**PDP Loan Agreement**”). As at May 5, 2022, the indebtedness under the PDP Loan Agreement was approximately \$9,224,815.23 (the “**PDP Debt**” or the “**Obligations**”).
- F. The PDP Debt is secured by various loan and security agreements, including, without limitation, a General Security Agreement, dated January 11, 2022, as granted by the Borrower to and in favour of the Lender (collectively the “**PDP Loan Security**”).

G. The PDP Debt was guaranteed by the Guarantors pursuant to: (i) a personal guarantee dated January 11, 2022, granted by Mr. Davidson to the Lender; and (ii) a limited recourse guarantee and share pledge agreement dated January 11, 2022, granted by 2087 to the Lender; (collectively, the “**Guarantees**”).

H. The obligations stemming from the Guarantees are secured by: (i) a General Security Agreement dated January 11, 2022, granted by Mr. Davidson in favour of the Lender (the “**Davidson Security**”); and (ii) a Share Pledge Agreement dated January 11, 2022 granted by 2087 in favour of the Lender (the “**2087 Share Pledge**” and together with the Davidson Security, the “**Guarantee Security**” and together with the PDP Loan Security, the “**PDP Security**”).

I. On May 5, 2022, counsel for the Lender issued a default letter as against the Borrower, along with demands for repayment and a Notice of Intention to Enforce Security under Section 244 of the BIA as against each of the Obligors (collectively, the “**PDP Demand Letters**”).

J. The Business has experienced significant liquidity issues. The Borrower has failed to generate sufficient revenue to meet its payroll obligations in the months of March and April, 2022. The Borrower anticipates that it will fail to meet its payroll obligations coming due on May 11, 2022 (the “**Payroll Expense**”).

K. On May 6, 2022, the Borrower informed the Lender that it intended to file a Notice of Intention to Make a Proposal under Part III Division I of the BIA (the “**NOI Proceedings**”).

L. The Borrower wishes to utilize the NOI Proceedings to conduct a sales process (the “**Sale Process**”) with the goal of preserving and maximizing the value of its Business for the benefit of its stakeholders. The Guarantors wish to assist the Borrower in such efforts. The Obligors have requested that the Lender forbear from exercising its rights and remedies under the PDP Loan Agreement, the Guarantees and the PDP Security.

M. The Lender is willing to forbear from exercising such rights and remedies for the Forbearance Period (as defined herein), provided that the Obligors comply with the terms and conditions of this Agreement.

NOW THEREFORE in consideration of the mutual covenants, terms and conditions set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

ARTICLE I

Obligor Acknowledgments

The Obligors irrevocably and unconditionally acknowledge, covenant, represent, confirm and agree that:

Section 1.01 Recitals. Each of the foregoing recitals is true and accurate in all respects.

Section 1.02 Defaults. The Borrower is in default under the PDP Loan Agreement by virtue of the defaults described in the PDP Demand Letters (collectively, the “**Existing Defaults**”).

Section 1.03 Loan Documents. The PDP Loan Agreement, the Guarantees, the PDP Security, and all other agreements, instruments and other documents executed in connection with or relating to the PDP Debt (the “**Loan Documents**”) are in full force and effect, constitute legal, valid, binding and enforceable obligations against the Obligors in accordance with their terms, and each Obligor is hereby estopped from asserting or causing to be asserted on its behalf, any rights of defense, dispute, counterclaim, set-off, deduction or other rights, claims, demands, challenges, objections or appeals of any kind whatsoever existing as of the date of this Agreement, whether in respect of the obligations of the Obligors thereunder or the enforceability of same. The terms of the Loan Documents remain unchanged, except as modified herein.

Section 1.04 PDP Debt. The PDP Debt, as of close of business on May 5, 2022 was equal to \$9,224,815.23. The PDP Debt is due and owing and is not subject to any set-off, deduction, claim, counterclaim or defence of any kind, nature, character or description whatsoever. The PDP Debt is subject to certain fees and expenses which continue to accrue, including interest, costs, fees and expenses incurred by the Lender in connection with the Loan Documents and the PDP Debt.

Section 1.05 Collateral. The Lender has valid, enforceable and perfected security interests in the collateral described in the Loan Documents (the “**Collateral**”), as to which there are no set-offs, deductions, claims, counterclaims or defences of any kind or character whatsoever.

Section 1.06 No Lending Obligation. The Lender has no obligation to make loans or otherwise extend credit to the Obligors under the Loan Documents.

Section 1.07 Right to Accelerate Obligations. As a result of the Existing Defaults, the Lender has the right to accelerate the maturity and demand immediate payment of the PDP Debt.

Section 1.08 Default Notice. To the extent required by the Loan Agreements or the Guarantees, the Obligors have received timely and proper notice of the Existing Defaults and the opportunity to cure (if any), in accordance with the Loan Documents, or applicable law, and hereby waive any rights to receive further notice thereof. All applicable cure periods relating to the Existing Defaults have lapsed or are hereby explicitly waived.

Section 1.09 No Waiver of Defaults. Neither this Agreement, nor any actions taken in accordance with this Agreement or the Loan Documents, shall be construed as a waiver of or consent to the Existing Defaults or any other existing or future defaults under the Loan Documents, as to which the Lender’s rights shall remain reserved.

Section 1.10 Preservation of Rights and Remedies. Upon expiration of the Forbearance Period (as defined in Section 3.01), all of the Lender’s rights and remedies under the Loan Documents, and at law and in equity, shall be available without restriction or modification, as if the forbearance had not occurred, and the obligations of the Obligors under the Loan Documents shall continue to exist, as amended herein.

Section 1.11 Execution and Authorization. This Agreement has been duly executed and delivered by a duly authorized officer on behalf of each Obligor, and constitutes a legal, valid and binding obligation of the Obligors enforceable in accordance with its terms.

Section 1.12 Lender Conduct. The Lender has fully and timely performed all of its obligations and duties in compliance with the Loan Documents and applicable law and has acted in a commercially reasonable manner, in good faith and appropriately under the circumstances. The Borrower and the Guarantors hereby agree that, upon the execution of this Agreement, they shall each absolutely and

irrevocably release the Releasees (as defined herein), of and from any and all claims which they may have in respect of their default against the Releasees up to and including the Effective Date including, without limitation, any actions taken by the Lender in dealing with the Obligers.

Section 1.13 Purpose of Forbearance. The purpose of this Agreement is to provide the Guarantors an opportunity to assist with the Borrower's efforts to maximize value for the benefit of the Borrower's stakeholders, free from any action the Lender might otherwise initiate during the Forbearance Period.

Section 1.14 Request to Forbear. The Borrower and the Guarantors have requested the Lender's forbearance as provided herein, which shall enure to their direct and substantial benefit.

ARTICLE II Tolling Provisions

Section 2.01 Tolling. As of the date hereof and continuing until the Termination Date (defined herein) and thereafter until the termination of the tolling arrangements hereof in the manner provided for at Section 2.02 and whether or not demand for payment has previously been delivered by the Lender in respect of the Obligations, the Lender, the Borrower and the Guarantors hereby agree to toll and suspend the running of the applicable statutes of limitations, laches or other doctrines related to the passage of time in relation to the Obligations, the PDP Security, and the Guarantees and any entitlements arising from the Obligations, the PDP Security and the Guarantees and any other related matters, and each of the parties confirm that this Agreement is intended to be an agreement to suspend or extend the basic limitation period, provided by the applicable limitations legislation as well as the ultimate limitation period provided by the applicable limitations legislation, and any contractual time limitation on the commencement of proceedings, any claims or defences based upon such applicable statute of limitations, contractual limitations, or any time related doctrine including waiver, estoppel or laches.

Section 2.02 Termination of Tolling. The tolling provisions of this Agreement will terminate upon any party providing the others with 45 days written notice of an intention to terminate the tolling provisions hereof, and upon the expiry of such 45 day notice, and any time provided for under the statutes of limitations, laches, or any other doctrine related to the passage of time in relation to the Obligations, the PDP Security, and the Guarantees or any entitlements arising from the Obligations, the PDP Security, and the Guarantees and any other related matters, will recommence running as of the effective date of such notice, and, for greater certainty, the time during which the limitation period is suspended pursuant to the tolling provisions of this Agreement shall not be included in the computation of any limitation period.

ARTICLE III Lender Forbearance

Section 3.01 Forbearance Period. Subject to compliance by the Obligers with the terms and conditions of this Agreement, the Lender hereby agrees to forbear from exercising its rights and remedies against the Obligers under the Loan Documents with respect to the Existing Defaults during the period (the "**Forbearance Period**") commencing on the Effective Date and ending on the earliest to occur of: (i) November 30, 2022; (ii) the date upon which the Obligations are repaid, in full; and (iii) the date upon which any Forbearance Default (as defined in herein) occurs, subject to the Cure Period (as defined herein). The Lender's forbearance, as provided herein, shall immediately and automatically cease without notice or further action on the earliest to occur of (i), (ii) or (iii) (the "**Termination Date**"). On and from

the Termination Date, the Lender may, in its sole discretion, exercise any and all remedies available to it under the Loan Documents by reason of the occurrence of any default or event of default thereunder or the continuation of any Existing Default.

Section 3.02 Extension of Forbearance Period. In the sole discretion of the Lender and without obligation, after the Termination Date, the Lender may renew or extend the Forbearance Period or grant additional forbearance periods.

Section 3.03 Scope of Forbearance. During the Forbearance Period, the Lender will not, unless explicitly agreed upon herein, initiate enforcement or collection proceedings under the Loan Documents. For certainty, the Share Transfer (as defined herein) shall not constitute enforcement proceedings.

ARTICLE IV Representations and Warranties

Each of the Obligors represents and warrants as to itself that all representations and warranties relating to it contained in the Loan Documents are true and correct as of the Effective Date, except to the extent that such representations and warranties expressly relate to an earlier date, in which case such representations and warranties shall have been true and correct in all material respects as of such earlier date. The Obligors further represent and warrant to the Lender as follows, and acknowledge that the Lender is relying on the accuracy of such representations and warranties:

Section 4.01 Authorization. The execution, delivery and performance of this Agreement are within its corporate power and authority and have been duly authorized by all necessary corporate action.

Section 4.02 Enforceability. This Agreement constitutes a valid and legally binding Agreement enforceable against the Obligors in accordance with its terms, subject to the effects of bankruptcy, insolvency, fraudulent conveyance and similar laws affecting creditors' rights generally and to general principles of equity.

Section 4.03 No Violation. The execution, delivery and performance of this Agreement do not and will not: (i) violate any law, regulation or court order to which the Obligors are subject; (ii) conflict with the Obligors' constating documents; or (iii) result in the creation or imposition of any lien, security interest or encumbrance on any property of the Obligors, whether now owned or hereafter acquired, other than security interests in favour of the Lender.

Section 4.04 Accuracy of Information. All information provided by the Obligors, or any of their respective agents, is true, correct, and complete in all material respects, as of the date provided and does not contain any untrue statements of material fact or omit to state a material fact necessary to make the statements made, in light of the circumstances under which such statements were made, not misleading.

Section 4.05 Advice of Counsel. The Obligors have freely and voluntarily entered into this Agreement with the advice of legal counsel of their choosing, or have knowingly waived the right to do so.

ARTICLE V Obligors' Covenants

To induce the Lender to forbear from the exercise of its rights and remedies as set forth above, the Borrower and the Guarantors (where applicable) hereby covenant and agree as follows:

Section 5.01 Cooperation with Sale Process. The Obligors shall cooperate with the Lender, and assist in all respects, in order to conduct the Sale Process. The Obligors shall provide the Lender with any and all information necessary to operate the Business including, without limiting the generality of the foregoing, operational information, customer and supplier contact information, passwords and login information, accounting and financial information and information related to the manufacture and supply of inventory.

Section 5.02 Transfer of Shares. 2087 shall execute and deliver any and all documentation necessary to effect the transfer to the Lender (or its nominee) of all of the shares subject to the 2087 Share Pledge (the "**Share Transfer**"). The Obligors explicitly covenant and agree to take all such steps and execute and deliver all such documents as are necessary to effect the Share Transfer on or before May 11, 2022 (the "**Share Transfer Condition**").

Section 5.03 Corporate Governance. Mr. Davidson shall initiate a board of directors meeting for 10:00 a.m. on May 11, 2022, for the purpose of passing a resolution that:

Section 5.06 Other Financial Information and Reporting. The Guarantors shall be available to discuss, and shall promptly provide to the Lender, such other financial information and reporting as the Lender may reasonably request.

Section 5.07 Payments to Shareholders, Related Parties. The Borrower shall not, without the prior written consent of the Lender, incur any capital expenditures, or make any payments, whether directly or

indirectly, to any of shareholder or any other persons, whether by way of dividends, capital dividends, redemption or retraction of shares or bonuses, except such payments made in the ordinary course of business on account of salary, which payments shall be consistent with the ordinary practices of the Borrower. There shall be no repayment of any amounts owing by the Borrower to any “related person” as such term is defined under the BIA, without the prior written consent of the Lender.

Section 5.08 No Additional Debt, No Further Security. Except in accordance with the terms and conditions of this Agreement, or with the prior written consent of the Lender, the Obligors shall not increase existing debt obligations or incur new debt obligations, and shall not grant security interests, mortgages, hypothecs, liens, charges, pledges or other encumbrances whatsoever to any person, firm, corporation or other legal entity.

The Borrower hereby authorizes and directs any entity having information in respect of the Priority Payables to release such information to the Lender or its agents to assist the Lender in evaluating the existence and extent of any indebtedness owing by the Borrower to such entity and the Borrower shall, at the request of the Lender, execute and deliver such authorizations and consents as the Bank may require in respect of same.

Section 5.11 Notice of Forbearance Default. The Obligors shall give to the Lender prompt notice of any Forbearance Default or any event which, with notice or lapse of time or both, would constitute a Forbearance Default.

Section 5.12 Further Assurances. Promptly upon the request of the Lender, the Obligors shall take any and all actions, of any kind or nature whatsoever, and execute and deliver additional documents that relate to this Agreement and the transactions contemplated herein.

Section 5.13 Third Party Release. The Borrower shall seek the court’s approval in obtaining a third party release for the benefit of the Borrower’s former and current officers and directors, which release shall be consistent with recently granted third party releases in insolvency proceedings (the “**Third Party Release**”). For certainty, the Borrower shall seek a release that includes language that is the same or similar to the language noted on **Schedule “A”** to this Agreement.

 - (ii) a complete assumption of the TD Debt; and
 - (iii) an assumption of other debts, to be determined by the Lender in its sole discretion.
- (b) be conducted for a period of time that is consistent with usual and customary practices as it relates to the sale of a business in an insolvency proceeding and as the Proposal Trustee agrees.

Section 6.02 DIP Funding. The Lender shall source interim financing sufficient to ensure that the Borrower can complete the Sale Process and operate the Business in the ordinary course during the NOI Proceedings (the “**DIP Funding**”).

Section 6.03 D&O Charge. The Lender shall, or shall cause the chief restructuring officer to, seek the court's approval in the NOI Proceedings to grant a charge for the benefit of the Borrower's directors and officers, in accordance with standard practices for proceedings like the NOI Proceedings.

Section 6.04 Payroll Expense. The Lender shall ensure that the Borrower is sufficiently funded to satisfy its obligations in connection with the Payroll Expense (including its obligations to pay the wages and other customary payroll amounts due to Mr. Davidson and his wife Jodie Davidson as part of the Payroll Expense), whether through the DIP Funding or otherwise.

Section 6.05 Third Party Release. The Lender will support the Borrower's efforts to obtain the Third Party Release.

Section 6.06 Maximize Recovery. The Lender will take all reasonable steps to maximize the recovery of value as it relates to the Borrower and the Business.

ARTICLE VII Reaffirmation of Guarantees

Section 7.01 Reaffirmation of Guarantee. Each Guarantor hereby ratifies and reaffirms: (i) the validity, legality and enforceability of their Guarantee; (ii) that its reaffirmation of the Guarantee is a

material inducement to the Lender to enter into this Agreement; and (iii) that their obligations under their Guarantee shall remain in full force and effect until all the Obligations have been paid in full.

ARTICLE VIII

Release of Claims and Waiver of Defences

Section 8.01 Release of Claims and Waiver of Defences. In further consideration of the Lender's execution of this Agreement, the Obligors, on behalf of themselves and their successors, assigns, parents, subsidiaries, affiliates, officers, directors, employees, and agents, hereby forever, fully, unconditionally and irrevocably waive and release the Lender and its successors, assigns, parents, subsidiaries, affiliates, officers, directors, employees, and agents (collectively, the "**Releasees**") from any and all claims, liabilities, obligations, debts, causes of action (whether at law, in equity or otherwise), defences, counterclaims, set-offs, of any kind, whether known or unknown, whether liquidated or unliquidated, matured or unmatured, fixed or contingent, directly or indirectly arising out of, connected with, resulting from or related to any act or omission by the Lender or any other Releasee with respect to the Loan Documents and any Collateral, other than the Lender's or any Releasee's wilful acts or omissions, on or before the date of this Agreement (collectively, the "**Claims**"). The Obligors further agree that they shall not commence, institute or prosecute any lawsuit, action or other proceeding, whether judicial, administrative or otherwise, to collect or enforce any Claim.

ARTICLE IX

Forbearance Defaults

Section 9.01 Forbearance Defaults. The occurrence of one or more of the following shall constitute a "**Forbearance Default**" under this Agreement, unless such default is existing at the time of the execution of this Agreement and the Lender is aware of such default:

- (a) The Obligors, or any of them, fail to abide by or observe any term, condition, covenant or other provision contained in this Agreement or any document related to or executed in connection with this Agreement.
- (b) A default or event of default occurs under any Loan Document or any document related to or executed in connection with this Agreement or any of the Loan Documents (other than the Existing Defaults).

- (e) Any representation or warranty of any Obligor made herein shall be false, misleading or incorrect in any material respect when made.
- (f) Any Obligor takes any action, or any event or condition occurs or exists, which the Lender reasonably believes in good faith is inconsistent in any material respect with any

provision of this Agreement, or impairs, or is likely to impair, the prospect of payment or performance by the Obligors of their obligations under this Agreement or any of the Loan Documents.

Section 9.02 Waiver. The Lender may waive, in writing, any Forbearance Default, in its sole and absolute discretion, but no such waiver shall constitute a waiver of any other Forbearance Default.

Section 9.03 Cure Period. Upon the occurrence of a Forbearance Default, the Obligors shall be entitled to a five (5) day cure period (the “**Cure Period**”). If a Forbearance Default is not cured within the Cure Period, the Lender shall be entitled to all of its rights and remedies under this Agreement, the Loan Documents, at law or otherwise.

ARTICLE X Remedies

Section 10.01 Remedies. Upon the occurrence of a Forbearance Default and the expiry of the Cure Period:

- (a) The Forbearance Period shall immediately and automatically cease, without notice to, or action by, any party, and the Lender shall have no further obligation to forbear and shall be entitled to enforce all of its rights and remedies against the Obligors.
- (b) The Obligors shall consent to the immediate enforcement of the PDP Security.
- (c) The Lender shall be entitled to exercise any or all of its rights and remedies under the Loan Documents, this Agreement, or any stipulations or other documents executed in connection with or related to this Agreement or any of the Loan Documents, or applicable law, including, without limitation, the appointment of a receiver, receiver manager, interim receiver, trustee, custodian, conservator, or other similar official for it or for all or any part of its assets, including the Project.
- (d) The Obligors shall cooperate with the Lender’s repossession of all personal property Collateral, which the Obligors shall immediately surrender to the Lender upon the Lender’s request, at the time and place designated by the Lender.
- (e) The Obligors shall cooperate with the Lender in initiating such proceedings, or filings for the benefit of creditors, as the Lender deems necessary or desirable to satisfy the outstanding Obligations.
- (f) The Lender may set off or apply to the payment of any or all of the Obligations, any deposit balances, any or all of the Collateral or proceeds thereof, or other money which the Lender now or hereafter owes to the Obligors.

This Agreement and the Loan Documents constitute the sole and entire agreement of the parties to this Agreement with respect to the subject matter contained herein and therein and supersede all prior and contemporaneous understandings, agreements, representations and warranties, both written and oral, with respect to such subject matter.

Section 11.03 Amendments. The terms of this Agreement may only be waived, amended, modified or supplemented by an agreement in writing signed by all the parties hereto.

Section 11.04 Severability. If any term or provision of this Agreement is invalid, illegal or unenforceable in any jurisdiction, such invalidity, illegality or unenforceability will not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction.

Section 11.05 Full Force and Effect. The Loan Documents shall remain unchanged, in full force and effect, and continue to govern and control the relationship between the parties hereto, except to the extent they are inconsistent with, superseded or expressly modified herein. To the extent of any inconsistency, amendment or superseding provision, this Agreement shall govern and control.

Section 11.06 Successors and Assigns. This Agreement is binding upon and shall enure to the benefit of the parties hereto and their respective heirs, successors and assigns; provided that the Obligors may not assign any rights or delegate any obligations arising herein without the prior written consent of the Lender, and any prohibited assignment shall be absolutely void. Section 11.08 Submission to Jurisdiction. Any action or proceeding arising out of this Agreement, the other Loan Documents or the transactions contemplated hereby or thereby will be instituted in the courts of the Province of Alberta, and each party irrevocably submits to the exclusive jurisdiction of such courts in any such action or proceeding. The parties irrevocably and unconditionally waive any objection to the venue of any action or proceeding in such courts and irrevocably waive and agree not to plead or claim in any such court that any such action or proceeding brought in any such court has been brought in an inconvenient forum.

Section 11.09 No Waiver. No failure to exercise and no delay in exercising, on the part of the Lender, any right, remedy, power or privilege hereunder or under the Loan Documents shall operate as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege. Further, the Lender's acceptance of payment on account of the Obligations or other performance by the Obligors after the occurrence of Forbearance Default shall not be construed as a waiver of such Forbearance Default, any other Forbearance Default, or any of the Lender's rights or remedies.

Section 11.10 Cumulative Rights. The rights and remedies under this Agreement are cumulative and are in addition to, and not in substitution for, any other rights and remedies available by law, in equity or otherwise.

Section 11.11 Headings. The Section headings in this Agreement are for reference only and shall not affect the interpretation of this Agreement.

Section 11.12 Joint Transition. The parties hereby jointly and severally covenant and agree that from the Effective Date, they shall work together to establish fair and balanced transition messaging to the Borrower's employees and other stakeholders, as the case may be.

Section 11.13 Counterparts; Electronic Execution. Re: Forbearance Agreement dated May 10, 2022 (“Forbearance Agreement”) among Private Debt Partners Senior Opportunities Fund GP Inc. (“PDP”), Home Solutions Corporation (the “Company”), Andrew Davidson (“Mr. Davidson”) and 2087212 Alberta Ltd. (“208” and together with the Company and Mr. Davidson, the “Obligors”)

As you know, we are counsel to PDP. We are writing to you in your capacity as counsel to the Obligors. Capitalized terms used in this letter and not otherwise defined have the meanings set out in the Forbearance Agreement.

The purpose of this letter is to advise that the Obligors are in breach of the Forbearance Agreement by virtue of failing to provide material information, and providing false and misleading information, contrary to Sections 4.04 and 9.01(e) of the Forbearance Agreement (the “**Forbearance Defaults**”). The Forbearance Defaults include, without limitation, the following:

1. The Company’s financial statements, which were approved by Mr. Davidson, are materially overstated and misrepresent the Company’s financial situation. The Company’s accounts receivable have been mischaracterized and largely consist of work in process that cannot be collected. The Company’s chief financial officer is unwilling to certify the Company’s financial statements.
2. The Company’s borrowing base has been exaggerated, and constitutes a material overstatement of the Company’s inventory.
3. The Company failed to disclose that:
 - (a) it collected supplier deposits without being properly bonded;
 - (b) its IT service provider has not been paid since December, 2021, and is planning to shut down services, which are essential to the Business;
 - (c) insurance has not been paid and may have lapsed; and
 - (d) a lawsuit was settled just prior to the execution of the Forbearance Agreement, which appears to carry CRA liability.

PDP negotiated the Forbearance Agreement in good faith for the purpose of preserving and maximizing the value of the Company for the benefit of its creditors and other stakeholders. PDP relied on the information provided by the Obligors to develop a stalking horse strategy, prepare cash flow forecasts, solicit debtor-in-possession financing, and prepare for the NOI Proceedings. However, as a result of the Forbearance Defaults, potential stalking horse purchasers have been unwilling to engage with the Company. The cash flow forecasts are inaccurate, and interim lenders are unwilling to fund the NOI Proceedings.

It is impossible to secure a Stalking Horse Bid, implement a Sales Process and complete the NOI Proceedings because the financial and operational condition of the Company is materially worse than the reporting that PDP received and relied on.

In light of the foregoing, and in order to avoid directors liability, it is necessary to file the company into bankruptcy. Please accept this letter as notice that the Forbearance Agreement is hereby terminated and the Company will be consenting to an assignment in bankruptcy.

Yours truly,

MILLER THOMSON LLP

NOTICE TO DEFENDANT(S)

You are being sued. You are a defendant.

Go to the end of this document to see what you can do and when you must do it.

Note: State below only facts and not evidence (Rule 13.6)

Statement of facts relied on:

The Parties

1. The Plaintiff Private Debt Partners Senior Opportunities Inc. carrying on business as Private Debt Partners ("PDP") is a body corporate duly incorporated pursuant to the laws of the Province of Ontario.
2. The Defendant 2087212 Alberta Ltd. ("208") is a body corporate duly incorporated pursuant to the laws of the Province of Alberta and is the holding company for the Defendant Davidson and beneficial owner of Class C Common shares in Home Solutions.
3. The Defendant Andrew Davidson is currently a resident of the City of Calgary, and at all material times was the President and Chief Executive Offer and directing mind and will of Home Solutions.

Home Solutions Credit Facilities

4. On November 10, 2021, the Plaintiff PDP delivered a commitment letter to Home Solutions, (the "Commitment Letter") which included the requirement and conditions, *inter alia*, for the provisions of the review of Home Solutions 2021 financial statements, an updated 13-week cash flow model, and the implementation of a satisfactory operating facility with The Toronto Dominion Bank ("TD") or another operating facility provider.

5. On the application of Home Solutions, PDP agreed to extend to Home Solutions a non-revolving credit facility in the principal amount of \$9,135,000.00 (the "Credit Facility") pursuant to a Credit Agreement dated January 11, 2022 (the "Credit Agreement").

6. The Credit Agreement contained the following terms:

Section 2.2: the majority of the Credit Facility would be used to repay the TD term loan and demand loan, to pay down the TD line of credit. \$889,000 would be allocated towards working capital.

Section 4.5(a): Davidson was to provide a personal limited guarantee in respect of 15% of the Credit Facility, to be released 18 months after Closing provided there was no default.

Section 5.1(a): the representations and warranties set forth in the Credit Facility shall be true and correct.

Section 5.1(b): no default or event of default shall have occurred and be continuing on Closing.

Section 5.1(e)(vi): as of Closing there would be confirmation of a \$1.2million equity injection by shareholders, 3M and Gemstone.

Section 8.4(d): the Company's availability under TD's operating line would not be less than \$500,000 at any time.

7. The Credit Facility was primarily used to replace the Defendant Home Solutions' terms loan with the Toronto Dominion Bank ("TD").

8. The Credit Facility was payable on demand.

9. To secure due payment and discharge of all present and future indebtedness and liabilities of Home Solutions to the Plaintiff PDP, Home Solutions granted or caused to be granted a General Security Agreement in favour of PDP dated January 11, 2022. PDP was first in priority on all non-working capital assets, whereas TD sat first in priority on all working capital assets.

The Guarantee by the Defendant Davidson

10. To further secure the due payment and discharge of all present and future indebtedness and liability of Home Solutions to the Plaintiff PDP, the Defendants Davidson and 208 provided the following guarantee:

- (a) A Limited-Recourse Guarantee and Share Pledge Agreement dated January 11, 2022 was granted by 208 in favour of the Plaintiff PDP with respect to the indebtedness and obligations of Homes Solutions to the Plaintiff PDP, plus interest thereon, and all costs

and expenses, including reasonable legal fees and expenses on a full indemnity basis, and the sole recourse is against the pledged collateral.

- (b) A Personal Guarantee dated January 11, 2022 was granted by the Defendant Davidson in favour of the Plaintiff PDP with respect to 15% of the outstanding obligations of Home Solutions to the Plaintiff PDP, plus interest thereon, and all costs and expenses, including reasonable legal fees and expenses on a full indemnity basis.

(the “Guarantees”).

Security of Home Solutions

11. To secure the due payment and discharge of all present and future indebtedness and liability of Home Solutions to the Plaintiff PDP, Home Solutions granted or caused to be granted, among other things, a General Security Agreement dated January 11, 2022 in favour of the Plaintiff PDP granting a security interest in all of its present and after-acquired property, real and personal, wherever situated (the “Home Solutions Security”).

Contractual Representations

12. Pursuant to the express and implied terms of the Credit Facility and the Credit Agreement, Home Solutions and the Defendant Davidson and in order to induce the Plaintiff PDP to extend funding to Home Solutions, the Defendant Davidson made a series of representations with respect to Home Solutions’ financial position, which included the following, *inter alia*:

- (a) **Financial Statements:** the Defendant Davidson caused Home Solutions to prepare internal, non-audited financial statements which showed a positive trend in revenues, especially in Q4 of 2021 (the period immediately prior to funding). These trends were based on information which the Defendant Davidson knew to be inaccurate;

- (b) **Projection Documents:** the Defendant Davidson caused Home Solutions to prepare internal projection documents, including a 13-week cash flow statement, which purported to show that several hundreds of thousands of dollars in accounts receivable were expected in January and February 2022, and the Defendant Davidson knew that these accounts receivable would never materialize but he included them, or caused them to be included, for the sole purpose of inducing the Plaintiff PDP to lend the funds as set out in paragraph 6 above.

- (c) **Inventory Overstatements:** the Defendant Davidson represented that Home Solutions’ inventory was valued at \$1.8 million at the time of advance of the funds as set out in paragraph 6 above when in reality, the actual inventory was valued at close to \$150,000.00.

(collectively the “Fraudulent Misrepresentations”)

Allegations of Deceit and Fraudulent Misrepresentation

13. Through the period from November 2021 to at least January 2022, the Defendant Davidson fraudulently misrepresented and created falsified and inaccurate documents and information with respect to Home Solutions and its financial state and viability. This falsified information included, *inter alia*:

- (a) overstatement of accounts receivable;
- (b) overstated inventory values;

- (c) falsified and inaccurate financial statements; and
- (d) such further and other particulars that may be proven at or before the trial of this action.

(collectively, the “Falsified Information”)

14. To the best of the Plaintiff PDP’s knowledge, the Falsified Information was created prior to the advancement of the Credit Facility and prior to the execution of the Security Agreement, between November 2021 and January 2022.

15. The Defendant Davidson directed or procured by fraudulent means, and provided the Falsified Information to the Plaintiff PDP, with the intent that it would be relied on by the Plaintiff PDP to extend the Credit Facility to Home Solutions.

16. The Defendant Davidson provided the Falsified Information to the Plaintiff PDP representing to the Plaintiff PDP that the Falsified Information was true and accurate when the Defendant Davidson knew that False Information was in fact false and fabricated (the “Fraudulent Misrepresentation and Deceit”).

17. Further, the Falsified Information was provided by the Home Solutions at the direction of the Defendant Davidson the Plaintiff PDP, and with the intention that the Falsified Information would be used and relied on by the Plaintiff PDP to extend the Credit Facility to the Home Solutions.

18. The Plaintiff PDP relied on the Falsified Information provided by Home Solutions at the direction of the Defendant Davidson, and was induced to extend the Credit Facility to Home Solutions which was then used by Home Solutions and drawn down on the Credit Facility to the detriment of the Plaintiff PDP.

19. As a result of the Fraudulent Misrepresentation and Deceit, as aforementioned, the Plaintiff PDP did rely on the Falsified Information and was induced to extend the Credit Facility to Home Solutions and has suffered damages as a result.

Assets of the Defendant Davidson

20. The Defendant Davidson is the owner as joint tenant of a residence in Calgary, Alberta with a municipal address of 25 Walden Park, and a legal description of:

Plan 1312932

Block 11

Lot 6

Excepting thereout all mines and minerals

(the “Calgary Property”).

21. The Calgary Property has been sold and there is a concern that the Defendant Davidson is disposing of this property and the net proceeds will not be available should the Plaintiff PDP be successful in its claim.

22. The Defendant Davidson is also the joint owner of a cabin located at 90 Kelly Court in Marion, Montana, USA (the “Montana Property”).

23. The Montana Property has been listed for sale and there is a further concern that the Defendant Davidson is disposing of this property and the net proceeds will not be available should the Plaintiff PDP be successful in its claim.

24. Accordingly, the Plaintiff PDP claims that is entitled to injunctive relief to attach to and preserve the net proceeds of sale pending the outcome of this claim. The injunctive relief is required to protect the interests of the Plaintiff PDP.

25. The actions of the Defendant Davidson as set out above are egregious, and reprehensible and as such give rise to punitive and aggravated damages.

26. The Plaintiff PDP pleads the provisions of the *Personal Property Security Act*, RSA 2000, c P-7, the *Judicature Act*, RSA 2000, c J-2, the *Civil Enforcement Act*, RSA 2000, c C-15 and the *Judgment Interest Act*, RSA 2000, c. J-1, as amended.

30. Punitive, aggravated and exemplary damages in the amount of \$500,000.00 or such other amount as the Court may order.

31. A Declaration that the Defendants' liability arose as a result of Fraudulent Misrepresentation and Deceit.

32. Alternatively, pre-judgment and post-judgment interest pursuant to the provisions of the *Judgment Interest Act*.

33. Waiver of the requirement that the parties engage in a dispute resolution process as contemplated by Rule 4.16 of the Alberta *Rules of Court*.

34. Such further and other relief as this Honourable Court deems just.

AFFIDAVIT OF ANDREW DAVIDSON

Sworn on August 12, 2022.

I, Andrew Davidson, of Calgary, Alberta, SWEAR AND SAY THAT:

1. I am a Defendant in this Action in my personal capacity, and am also the sole director and a shareholder of the Defendant, 2087212 Alberta Ltd. ("**208**"), and as such, have personal

knowledge of the matters hereinafter deposed to except where stated to be based on information and belief, in which case I verily believe the same to be true.

INTRODUCTION

2. I make this Affidavit in support of an application to set aside and discharge the Mareva Injunction / Attachment Order granted in this Action on July 14, 2022 (the "**Mareva Order**").
3. This Action relates to a loan advanced by the Plaintiff, Private Debt Partners Senior Opportunities Fund GP Inc., doing business as Private Debt Partners ("**PDP**"), to Home Solutions Corporation, carrying on business as Simple Spaces ("**Home Solutions**" or the "**Company**"), on January 12, 2022 in the amount of \$9,135,000 (the "**Loan**"). Throughout all dealings between Home Solutions and PDP up until May 11, 2022, I was the President, Chief Executive Officer, and a director of Home Solutions. I resigned from those positions on May 11, 2022, at the insistence of PDP, as is described in further detail below.
4. I provided a personal guarantee of the Loan, dated January 11, 2022 which was limited to 15% of the obligation of Home Solutions to PDP, a copy of which is attached as Exhibit "I" to the Affidavit of Jeffrey Deacon ("**Deacon**") sworn July 14, 2022 (the "**Deacon Affidavit**"). At the same time, 208 provided a guarantee of the Loan to PDP, and pledged its shares in the Company as security for that guarantee.
5. In the Deacon Affidavit, Deacon alleges that that I defrauded PDP and that PDP extended the Loan to Home Solutions on the basis of fraudulent misrepresentations made by me, about Home Solutions' assets, business and finances. I reject those allegations in the strongest possible terms. I explain in detail below the financial circumstances in which Home Solutions found itself and my and others' exhaustive reporting of those circumstances to PDP and Deacon. In all my communications with Deacon and PDP, I honestly and accurately described the facts as I knew or understood them at the time. As I explain below, this included a number of communications (even before PDP decided to advance the Loan) explaining the financial challenges facing the Company, and a number of long-standing problems with Home Solutions' financial records and reporting processes.

In fact, as I will further explain below, PDP had very extensive access to Home Solutions' business records and financial reports, both for an extended period of time before PDP finally advanced the Loan, and afterwards.

6. I believe, including based on privileged legal advice from my counsel Bennett Jones LLP (which I am not waiving) that the Defendants have strong defences to the claims being advanced by PDP in this Action, and also that the Defendants have a strong counterclaim against PDP and Deacon personally. I discuss some of the facts giving rise to these defences and counterclaims below.
7. I have no intention whatsoever of dissipating my assets, transferring them inappropriately, or moving them out of Alberta. As Deacon well knows, and as I explain below in detail, my and my wife's only sources of income were from our employment at Home Solutions (me as President and CEO, and my wife Jody as Marketing Manager). PDP forced me out of Home Solutions in May 2022, including my and Jody's termination as employees, after which we had no income at all. I am 42 years old and we must support our four children, who are aged 17, 15, 12 and 9. My wife and I needed to sell our two jointly-owned real estate properties to be able to pay the living expenses of our family.
8. In the Deacon Affidavit, Deacon has not disclosed to the Court many relevant facts that were known to him at the time, but instead chose to present only a very limited and misleading part of the total picture, on the basis of which he made completely unfounded allegations that I acted dishonestly. I believe that if Deacon had disclosed all the relevant facts to this Honourable Court, the Court would not have granted the *ex parte* Mareva injunction against me on July 14, 2022.

THE PARTIES

9. Home Solutions is a Calgary-based glass and closet supply and manufacturing company that primarily serviced commercial and residential clients in the new-build industry, in Calgary and Edmonton (the "**Business**"). At the time I was forced to resign, Home Solutions had approximately 90 employees (85 working in Calgary and 5 working in Edmonton).

10. Paragraphs 8 through 19 of the Deacon Affidavit demonstrate that Deacon and PDP have extensive knowledge of the history and financial situation of Home Solutions. While Deacon's statements in those paragraphs are mostly accurate, I make the following clarifications and corrections to those statements:

- (a) I purchased Home Solutions through my wholly-owned company, 2133892 Alberta Ltd. ("**213**") pursuant to a Share Purchase Agreement dated September 6, 2018, which closed on or about January 1, 2019. The purchase price was approximately \$13.3 Million, and the sources of the funding for the purchase price were:
 - (i) \$9.6 Million by way of a term loan from The Toronto-Dominion Bank ("**TD**");
 - (ii) \$1.6 Million by way of a vendor-take-back ("**VTB**") mortgage granted by Home Solutions' previous owners, Soren Neilson and Wendy McAllister, through their entities "S. Neilson Family Trust" and "Sonego Family Trust" (the "**Previous Owners**"); and
 - (iii) \$2.1 Million from 11 investors, each of whom acquired between 1% and 3% of the shares of Home Solutions. Contrary to Deacon's evidence, only six of these investors (as well as myself) became directors of Home Solutions.

- (b) Paragraph 18 of the Deacon Affidavit is not accurate; TD placed Home Solutions into its "special loans" group in November 2019. The reasons for this were that:
 - (i) Home Solutions' previous accountant had not been accurate in his reporting, as he had used historical averages for his reporting throughout the year, and then only reconciled the reporting once annually, at year-end; and
 - (ii) In September, 2019, Home Solutions' computer system was hacked, causing Home Solutions to lose significant volumes of data, which in turn caused our quarterly reporting to be inaccurate. I was aware that the system had previously been hacked prior to my purchase of the Company. Given the

amount of data we lost in the September 2019 hack, we decided to install a brand new system, instead of rebuilding the existing system. (Deacon and PDP were aware of this hack because we told them about it during their diligence. Attached as **Exhibit "1"** to this Affidavit is a true copy of an email dated September 21, 2021 from Aaron Swanson at Diamond Willow to Deacon, me and Alyssa Sebben (a senior analyst at PDP) which attaches, among other things, an ongoing PDP due diligence list with questions from PDP and comments and answers from the Company, dated September 2021 (the "**Due Diligence Document**"). This Due Diligence Document was created by the parties and updated numerous times during PDP's due diligence process conducted from July 2021 to January 2022. On pages 9 and 10 of the Due Diligence Document, the system hack was disclosed to PDP and discussed by the parties).

RECURRING DIFFICULTIES IN THE BUSINESS AFTER I PURCHASED IT

11. As is discussed in greater detail below, one of the recurring problems that hurt Home Solutions' financial performance throughout this period was its inventory recording system and financial reporting. When I purchased the Company, there was no proper and effective system by which the Company could track its inventory. This decreased the Company's efficiency and effectiveness when ordering product, bidding on jobs, completing work efficiently and invoicing for work promptly.
12. After I took over, we worked very hard to try to fix this problem and improve the Company's systems. In March 2020, we began planning to implement a new accounting and inventory control software package called "Business Central". However, due to the intensity of activity in the market (home construction started booming significantly in 2020) and the COVID-19 pandemic, our staffing levels were extremely stretched, and we were not able to implement this new system until approximately March 2021. When the new system "went live" in March 2021, we did a full inventory count and inputted the current inventory count into the new system (an inventory count is a very time-consuming and intensive process for a Company with inventory levels similar to Home Solutions. A

full and thorough count takes approximately 2.5 days of full-time work by 4-6 employees). However, within a few months of implementing the new system, we began to observe unexplained discrepancies between the system and the physical inventory levels.

13. When our new Controller, Andrew Sheer, was hired in September 2021, we planned to conduct a new inventory count to try to solve the problem, once and for all. However, the majority of Mr. Sheer's time was consumed with the refinancing process (described below) after he was hired and, with the serious other challenges faced by the Business in late 2021 and early 2022, we never had the opportunity to complete another full inventory count and solve this problem. We implemented a few tweaks to the inventory system by January 2022, which were helpful, but the problem was never fully solved.
14. Another problem that existed when I purchased the Company was substandard processes and systems for estimating job costs. This limited our ability to determine accurate margins on a per-job basis. We were able to obtain accurate margin information on an annual basis, but not on a job by job basis. As a result, we could not shift our efforts if we saw costs increasing. This problem was mostly rectified when we went online with the new accounting system in March, 2021, after which were able to get more accurate information.
15. When I purchased the Company, virtually all of the legacy staff who had worked under the Previous Owners remained in place. The entire accounting group had all been with the Company for more than 10 years. The VP of Finance had been in place for over 20 years. After the computer hack in September 2019, we replaced the VP Finance. In addition to attempting to implement the financial and inventory reporting system, as described above, we were also forced to immediately convert all of the Company's existing paper records systems to digital after March 2020, to allow the Business to keep operating while minimizing the risk of COVID transmission. This was a change that would normally have required 6 months to a year to fully implement in "normal" times; we were forced to do it in a matter of days. It became clear that some of the legacy accounting and management teams were incapable of handling the combined challenges posed by the pandemic and the need to implement brand new systems at the Company (for example, rather than fully embracing the implementation of the new system, a number of the legacy accounting staff

preferred to use "workarounds" which prevented the new system from operating to its full capability). We replaced these team members as and when we could.

16. All of these challenges and the changes to address them were incredibly intensive and took time to implement, especially during the pandemic. I am proud of what the new management team accomplished during the pandemic, but we needed more time to see the full benefit of the changes we implemented.

REFINANCING EFFORTS

17. In the spring of 2021, the Company was growing rapidly and had a large volume of new orders for work coming in. Our accounts receivable balance had grown to approximately \$3 million, which was a very good sign that Home Solutions could compete effectively in the market, win more jobs and continue to grow. However, the Company did not have a sufficiently large operating facility to give it access to the necessary working capital to operate these larger volumes of work sustainably (without a large enough working capital balance, the Company's ability to purchase the necessary product and add the necessary staff to complete all the new orders it was receiving was constrained. In turn, that slowed down the Company's ability to complete jobs, issue invoices and collect revenue from customers). It was therefore clear by early 2021 that Home Solutions needed to obtain additional financing because it was starting to experience liquidity challenges.
18. TD had been a lender to the Business for 30 years, and TD believed in the new management team and remained supportive of the Business. TD advised us that if we refinanced, it would continue to support the Company by providing the existing operating line, but would not increase that facility. We had to look elsewhere for additional funding.
19. I was referred to Diamond Willow Advisory ("**Diamond Willow**") in mid-May, 2021. Home Solutions then engaged Diamond Willow to assist it in looking for alternative sources of financing. Diamond Willow approached a number of potential financiers, including PDP.
20. PDP was interested in the opportunity, and conducted very extensive due diligence on the Company. Starting in July, 2021, Diamond Willow and a number of representatives of the

Company provided voluminous data and information to PDP about the Company, and answered all of PDP's questions, to assist in this diligence review. The Company provided financial statements, reports, and all the other information requested by PDP. I was advised by representatives of PDP that their internal investment committee reviewed and considered the transaction at least twice. I know that they had an internal senior analyst, Alyssa Sabban, who was heavily involved in reviewing and analyzing the data we provided. This process continued for half a year, from July until January 2021, at which time PDP finally advanced the Loan to the Company.

21. Attached hereto as **Exhibit "2"** is a true copy of email correspondence from me to Deacon, also copied to Home Solutions' Controller, Andrew Sheer, and Aaron Swanson and Grant Daunheimer of Diamond Willow, dated November 16, 2021 and attaching the Commitment Letter from PDP to Home Solutions, which I signed on behalf of Home Solutions.
22. As explained above, we had been working to fix some of the financial reporting systems issues with the Company since late 2019. We had fixed the margin reporting/estimating problem by March, 2021, with the new accounting system. We had rolled out the new inventory reporting system by March 2021, but it was clear that the accounting staff were not using it properly (instead using "workarounds"), so that the inventory reporting remained relatively unreliable. We were very candid with PDP about these ongoing issues, as explained in more detail below.

SPECIFIC RESPONSES TO DEACON'S ALLEGATIONS OF FRAUD

23. In response to paragraph 22 of the Deacon Affidavit, I deny that I made any false representations, or misrepresentations, with respect to Home Solutions' financial position, or otherwise. Deacon attributes many of the **Company's** financial documents and reports, to **me** (for example, statements like the one in paragraph 22(a) that I "caused" the Company to prepare financial statements, etc.). This demonstrates a misunderstanding of how corporations operate, at least corporations like Home Solutions. I am not an accountant. As President and CEO of the Company, I did not personally prepare documents such as financial statements, projections and inventory reports. Documents like that were prepared

at first instance by the Company's accounting team, under the supervision of our Controller (and prior to that, under the supervision of our VP Finance). The accounting team prepared such reports based on the numbers and data in the Company's computer system, and other manual inputs. Then, the Controller and I would jointly review these documents and discuss them, to make sure we were satisfied that they were as accurate as possible, based on the information available to us. As President and CEO, it was my job to keep tabs on the many different aspects of the Business by communicating with my direct reports, and key customers, suppliers and others. However, I did not have a perfect knowledge of every aspect of the Business, and I was relying on the data produced by the Company's computer system, as were the accounting staff and the Controller (while treating it skeptically when appropriate, and warning other users of the data like PDP and Deacon, when I thought the data was potentially inaccurate). At the completion of this review process, documents would be issued **on behalf of the Company**, by one or more employees of the Company (including me, from time to time).

24. Thus, contrary to Deacon's numerous allegations, I did not author the Company's financial documents, I did not "cause" the Company to create them, I did not "concoct" them, and I never altered them, or intervened to cause other people to alter them. All of the information that Home Solutions provided to PDP (including all information that I personally sent) was current and accurate at the time, to the best of my knowledge and understanding. As is set out in Exhibits "J", "L" and "O" to the Deacon Affidavit, I expressly brought to PDP's attention the issues and challenges that Home Solutions was facing. In response to Deacon's specific allegations that I defrauded PDP, I state as follows:

(a) **Financial Statements:** In response to the assertion in paragraph 22(a) of the Deacon Affidavit that I "caused" Home Solutions to prepare internal, non-audited financial statements which showed a positive trend in revenues, and the assertion that "these trends were clearly based on information which [I] knew to be inaccurate":

- (i) as noted above, the Company's financial statements were not authored by me. They were created by the Company's accounting team, under the supervision of our Controller, based on the Company's records;
- (ii) to my knowledge, as a private company, Home Solutions has never prepared audited financial statements, either before or after I purchased the Business. TD had never required audited financial statements as a condition of its loan facilities. Similarly, PDP never requested or required audited financial statements from Home Solutions;
- (iii) before PDP decided to make the Loan, Home Solutions provided PDP with its review engagement financial statements for all the years for which they were available;
- (iv) before PDP decided to make the Loan, I personally made PDP and Deacon aware of the ongoing challenges that Home Solutions was facing with respect to its financial records and reporting. The Due Diligence Document included with the email attached hereto at **Exhibit "1"** provided comprehensive and detailed responses to questions from PDP. On pages 4 and 8 thereof, Home Solutions pointed out the following issues and concerns with its own accounting system:
 - (A) inaccurate inventory accounting by a junior accountant, including bad entries on the unit of measurement for certain products, to be rectified; and
 - (B) a mistake by an accountant regarding a \$811,000 prepaid expense balance, to be rectified;
- (v) in numerous other conversations and communications, I had advised Deacon and other representatives of PDP that Home Solutions had problems with its financial records and reporting, that would take significant time to rectify;

- (vi) the Q4 2021 financial statements referred to in paragraph 22(a) of the Deacon Affidavit were provided by Home Solutions to PDP on November 19, 2021. Attached as **Exhibit "3"** to this Affidavit is a true copy of the email sending these financial statements to PDP. I completely reject the allegation that I "caused" the Company to prepare these statements and that they were based on information I knew to be inaccurate. These statements were prepared by the Company's accounting team in the same manner as for all financial statements prepared by Home Solutions (described above), based on the best information available to the accounting team at the time. I approved them in the customary manner (described above), and believed that they were true and accurate, based on the best information available to Home Solutions at the time. In no way did I "cause" these statements to be prepared in a certain manner, or to show any particular trend; and
- (vii) Exhibit "O" to the Deacon Affidavit is an email from me to Deacon dated March 23, 2022 wherein I provided him with Home Solutions' internal, unaudited financial statements for January and February 2022 (also prepared by the Company's accounting team in the customary manner described above). I pointed out to Deacon some of my concerns with inaccurate reporting, including that "... I still feel there is an overall inaccuracy in the data", that a number of the entries seemed too high or too low; and that "... the financials are hard to read and get accurate data from". My disclosure to PDP and Deacon that Home Solutions' financial records and reporting was inaccurate and needed to be improved was consistent and regular. I never concealed these particular challenges, or any data regarding Home Solutions' financial challenges, from PDP or Deacon;
- (b) **Projection Documents:** In response to the assertion in paragraph 22(b) of the Deacon Affidavit that I "caused" Home Solutions to prepare internal projection documents purporting to show that "several hundreds of thousands of dollars in accounts receivable were expected to be collected in January and February 2022" and that I "knew that these receivables would never materialize but [I] included

them, or caused them to be included, for the sole purpose of inducing PDP to lend under false pretences", I state that:

- (i) I completely reject the statement that I "caused" the Company to prepare these projections and that they were based on information I knew to be inaccurate. These projections were actually prepared by Jane Gauthier and Ryan Mercier, who were **PDP's** independent consultants (their involvement is described below), based on the information from the Company's records and computer system, which we made fully available to them. I believed they were true and accurate, based on the best information available to me at the time. In no way did I "cause" these projections to be prepared in a certain manner, or to show any particular trend. The very point of them was that they were independent, and created by third parties hired by PDP;
- (ii) these were forward-looking projections, and therefore by their very nature they were estimates;
- (iii) Home Solutions had a large backlog of orders, which it had started completing in late 2021, with the working capital funds to allow this work to be done provided by two of its shareholders, 3M and Gemstone. This completed work is what lead to the large accounts receivable collections that were expected in January and February, 2021. I believe that this expectation was reasonable at the time it was made;
- (iv) that the Business had cash flow issues was clear; this was one of the reasons why Home Solutions needed a new financing partner;
- (v) the length of time that it took for PDP to close on the Loan compounded the Company's liquidity problems – despite receiving term sheets from PDP in July, September and November 2021, PDP was unable or unwilling to close the transaction and provide the funding until early January, 2022, which further slowed down Home Solutions' ability to purchase product to complete the jobs that builders had sent purchase orders for. This, in turn,

caused deviations from the cash flow forecasts Home Solutions had prepared;

- (vi) during this time, the home building industry as a whole was faced with significant supply chain disruptions, which caused builders to significantly extend their own building schedules. Attached hereto as **Exhibit "4"** is a true copy of an email chain, including an email from Deacon to Diamond Willow dated September 28, 2021, wherein Deacon acknowledged his awareness of the supply chain issues and raised questions regarding how those would impact home builders' timelines, Home Solutions' top line and margins, and cash flow. I believe that this is the primary reason why the large collections that we expected in January and February 2022 came in slower than we reasonably expected. Essentially, builders were delaying paying their bills because supply chain disruptions were delaying their own receipt of revenue from home purchasers;
- (vii) also, during this time, one of Home Solutions' senior accountants resigned, resulting in a delay in our accounting group getting invoices sent out, causing further delay in collecting payment. Once this was acknowledged, Home Solutions' management spent significant time on evenings and weekends, and hired two additional staff members, to get caught up and to help support the invoicing function; and
- (viii) as such, the assertion that Home Solutions, or I, presented internal projections that I knew "would never materialize" is incorrect. Home Solutions' projection documents were created from the best information that Home Solutions had at that time and were, as stated, projections, in a rapidly changing market and environment. I believe the projections were reasonable when they were made;

- (c) **Allegations of Inventory Overstatements:** In response to the assertion in paragraph 22(c) of the Deacon Affidavit that I represented that Home Solutions' inventory was valued at over \$2 Million:

- (i) as set out in the Due Diligence Document included in **Exhibit "1"** hereto, I and other representatives of Home Solutions expressly pointed out to PDP, Diamond Willow and TD that there were issues with the Company's inventory calculations, and that the reasons and solutions for those issues were unclear. No information was ever withheld from PDP in that regard, and PDP and its advisors spent months conducting due diligence with full and complete access to all of Home Solutions' inventory and records. As described above, Home Solutions definitely had an existing problem in accurately identifying its inventory levels, but PDP and Deacon were well aware of that and I never withheld or misrepresented information about the Company's inventory; and
- (ii) because Home Solutions continued to have cashflow issues throughout the first quarter of 2022, impairing its ability to order new inventory, the Company heavily drew down on the inventory it did have, with the full knowledge of PDP. As such, it is not surprising to me, nor should it have surprised PDP, that the inventory amount (and therefore its value) was significantly reduced by the time Deacon assigned Home Solutions into bankruptcy; and
- (d) **Allegation of Hidden Default of Credit Agreement as of Closing:** In paragraph 22(d) of the Deacon Affidavit, Deacon asserts that I signed a Notice of Borrowing on January 12, 2022, certifying that Home Solutions was in compliance with the terms of the Credit Agreement, when I knew that to be false. That allegation is not true, for the following reasons:
 - (i) on January 10, 2022, just prior to the Loan being funded on January 12, 2022, TD provided Home Solutions with a payout statement for the loans from TD. That payout statement showed that the Loan from PDP would be used to: fully repay the TD term loan (in the amount of \$6,536,020.64); fully repay the TD demand loan (in the amount of \$1,520,299.31); and provide working capital of \$1,078,680.05 (this latter amount would be

deposited at TD and would reduce our operating line balance by that amount). Attached as **Exhibit "5"** to this Affidavit is a true copy of that TD payout statement;

- (ii) I expected, based on our operating line balance and the anticipated accounts receivable collections being reported to me by the Accounting Team, that Home Solutions would be fully onside its covenants after closing (including having more than the minimum amount of availability on its operating line);
- (iii) based on this information, I believed that Home Solutions was fully in compliance with all obligations to PDP, and that there was no default under the Credit Agreement, when I signed the Notice of Borrowing that is attached as Exhibit "G" to the Deacon Affidavit;
- (iv) thereafter, based on reporting to me from the Accounting Team, I believed that Home Solutions' accounts receivable collections were sufficient to keep the Company within its covenants, as projected. I based my understanding of Home Solutions' compliance with the covenants under the Credit Agreement off the current 13-week cashflow forecast, which was the best information we had at that the time. We had no reason to assume our collections would not have been close to the projections. As mentioned above, we had completed a large volume of work in late 2021 with the working capital injection from 3M and Gemstone, and that created a significant "bulge" of accounts receivable that we expected to result in significantly increased cash collections in early 2021; and
- (v) Home Solutions' accounts receivable had been growing and recovering significantly from the reduction in the fall of 2021. After the fact, it turned out that those collections came in much slower than projected, for the reasons explained above and below in this Affidavit.

HOME SOLUTIONS' FINANCIAL SITUATION POST-FUNDING

25. The assertion in the Deacon Affidavit at paragraph 30 that PDP began to learn soon after closing of the Loan transaction that Home Solutions was experiencing challenges collecting on its accounts receivable is not correct. PDP was well aware, and it had been extensively discussed with PDP, including by way of the email correspondence included at Exhibits "J" and "L" to the Deacon Affidavit, that Home Solutions had been experiencing challenges collecting its accounts receivable from the time Home Solutions began engaging with PDP, in 2021. It is true that accounts receivable collections in January and February 2022 were lower than projected, but that does not mean that the projections were fraudulent. They were not. As noted above, Home Solutions was operating in a very dynamic situation in early 2022 and its operations and financial results were impacted negatively by COVID-19 (including a large wave of staff absences as a result of Delta variant infections in late 2021 and early 2022) and supply chain delays, among other things.
26. In my telephone conversation with Deacon on February 16, 2022, which he references in paragraph 30 of the Deacon Affidavit, I expressly told him that Home Solutions' cashflow issue was continuing, and that we were not seeing collections of accounts receivable come in at the pace we had projected. At that point, I was unclear as to what the cause of this was, and I candidly told him that. I also told him that while it was clear that accounts receivable were not being collected as quickly as hoped, Home Solutions' accounts receivable balance was growing, and thus moving in the right direction. This was a timing issue.
27. On March 10, 2022, I again spoke with Deacon by phone (he references this conversation at paragraph 31 of the Deacon Affidavit). I indeed told him that Home Solutions was suffering a liquidity crisis. Generally, Home Solutions' collections come in on the 15th and 30th of each month, or shortly before or after those dates. Based on the status of our accounts receivable in mid-February, about which I had advised Deacon during our February 16th call, I had expected that we would start seeing more significant collections by the end of February, 2022 (given the growing accounts receivable balance). Those increased collections did not materialize, and very few collections came in after February

- 16th. As such, on March 10, 2022, I initiated the call with Deacon to advise him of the liquidity issue. I do not recall saying to Deacon that we were having issues matching invoices to outstanding purchase orders. The management team was working on getting invoices issued more quickly (including working significant hours on evenings and weekends), as we had a significant backlog volume of invoicing to do, due to the resignations of our previous senior accountant and the invoicing administrator, and another employee on our accounting team had dropped to part time.
28. When we made efforts to fill the vacant accounting roles, we learned how much the previous employees had been modifying the inventory system in order to issue invoices, which had significantly impacted the inventory counts. As is reflected in the Due Diligence Document included in **Exhibit "1"** hereto, at all times, PDP was made aware that Home Solutions was having issues with its inventory counts and this would take a significant amount of time to rectify.
29. At no time did I misrepresent Home Solutions' financial situation to PDP. The financial figures I provided to Deacon on March 11, 2022 (referenced in paragraph 32 and 33 of the Deacon Affidavit) were accurate, to the best of my knowledge and based on the information available to Home Solutions at the time. As I have stated previously, Home Solutions was operating in a very challenging and dynamic situation. The reason that its financial results were disappointing was not because it had lied to PDP. The Company did not lie to Deacon or PDP, and I did not lie to Deacon or PDP. Deacon seems to assume, without any evidence of any dishonesty, that dishonesty can be the only possible explanation for poor financial performance.
30. At all times, we (me, and, as far as I am aware, the rest of the management and accounting teams) made every attempt to be open and transparent with everything we understood to be going on in the Business. Home Solutions also gave PDP access to any and all of its systems to permit PDP to access information. I do not recall a single occasion on which PDP asked for some information or data and Home Solutions did not provide it.
31. At paragraph 34 and at other places in the Deacon Affidavit, Deacon suggests that I fraudulently represented Home Solutions' accounts receivable (based at least in part on his

belief that some accounts receivable were not "real" or "collectible"). That is not true. I never made any such misrepresentations. Further, it remains my firm belief that Home Solutions' accounts receivable were collectible, at least until Deacon bankrupted the Company. The Home Solutions team reviewed the Company's accounts receivable listing and reporting with the independent accountants retained by PDP in early March 2022, Jane Gauthier and Ryan Mercier (the "**Accountants**"); to my knowledge, the Accountants vetted each and every one of Home Solutions' accounts receivable. Attached hereto as **Exhibit "6"** is a true copy of an email dated March 27, 2022 confirming that even by that point, only about a week after the Accountants had been working with us, they had verified over \$1 Million in accounts receivable and they were working through the process of verifying more.

32. Deacon's assertion at paragraph 35 of the Deacon Affidavit that invoices were not being paid because Home Solutions had not actually completed the work is incorrect, and demonstrates a fundamental misunderstanding of the Business and the industry. Some jobs were partially complete; for example, the glass may have been done but not the shelving. In the majority of the cases, we only invoiced for the portion of the job that was actually done. Thus, to continue with the example presented above, we would have invoiced for the completed glass work, but not invoiced for the uncompleted shelving work. Accordingly, Home Solutions would have an account receivable for the glass work, but not yet for the shelving work. The fact that the shelving work was not yet completed would not alter the fact that Home Solutions would hold a valid and collectible account receivable for the glass work. We had thousands of transactions every month, so there may have been a small minority of instances where a job was not complete but had already been invoiced for and, *vice versa*, a job was done but had not yet been invoiced for. But the process I have described above in this paragraph was, by far, the norm.
33. As described above, I believe the primary reason why the Company experienced a significant slowing down in the collection of its accounts receivable in early 2022 was slow-paying by builders, because their receipt of their own sales proceeds was in turn being slowed down by supply chain issues. It was clear from my discussions with other suppliers in the building industry in Alberta that many suppliers were having the exact same trouble

collecting accounts receivable owed by builders; that issue was not unique to Home Solutions.

34. With respect to paragraph 36 of the Deacon Affidavit, I acknowledge that the invoice for \$120,000 owed to Diamond Willow was missed in our listing of accounts payable, but that mistake was rectified thereafter. We had a new Controller at the time who was seeking to learn Home Solutions' systems while working on a new financing deal; the mistake was not intentional and it was corrected once we were made aware of it.

PDP'S EFFORTS TO REMOVE ME FROM HOME SOLUTIONS

35. Deacon confronted me at Home Solutions' office on March 15, 2022 (this is the meeting in which he told me to sell my and my wife's two real estate properties, as described below), after which I am advised by two of Home Solutions' investors, Tate Leavitt of Gemstone and Jeff Ady of 3M, that immediately after meeting with me, he met with them to discuss the situation and to come up with a plan to have me removed from the Company and the shares of Home Solutions taken from me and my partners. I am advised by Mr. Leavitt and do verily believe that after mid-March 2022, Deacon discussed with 3M and Gemstone a possible injection of funds into the Company; however, despite my advice to Deacon that he and I needed to work together to find a solution, Deacon ignored me and did not review or discuss the details of his proposals to 3M and Gemstone with me.
36. Mr. Leavitt kept me updated, and told me that PDP, 3M, and Mr. Neilson (the principal of one of the Previous Owners) all wanted me removed from the Company. In or about early March, 2022, I sent a text message to Mr. Leavitt offering to reduce my ownership interest in Home Solutions to 5%, to assist in getting a deal done to allow others to inject the much-needed liquidity into the Company. In a subsequent call with Mr. Leavitt and James Fairbanks (one of the other shareholders of Home Solutions), in an effort to protect Home Solutions' investors and staff, I offered to be removed from the Company completely if that was what facilitate an equity injection, and allow the Company to move forward. I did not receive any response to that proposal, nor did Deacon respond to the offer I made to him in a telephone conversation, to reduce my ownership interest in Home Solutions to zero.

Deacon ignored my comments and tried to change the subject when I attempted to discuss with him how to structure a deal to save the Company.

37. At all times after I purchased Home Solutions, I worked honestly, in good faith and to the best of my abilities to make the Business successful, for the benefit of all its stakeholders. My offers to reduce or eliminate my shareholding, and to cease personally running the Company, were all made with this desire. I did all this despite the fact that, by May 5, 2022, Home Solutions owed me \$70,833.33 in unpaid wages and another \$10,000 in unpaid compensation.
38. Prior to Deacon (on behalf of PDP) hiring the Accountants in mid-March 2022 as consultants to PDP (as described in paragraph 40 to the Deacon Affidavit), Deacon advised me that he had been referred, by his cousin, to a woman in Calgary named Kate who he said would be an expert at cleaning up the Company's accounts receivable; he asked me to call her. I did so and she quickly informed me that she could take on the project. However, I was then informed that Deacon was also hiring restructuring consultants called the Kluane Group. Deacon told me to sign Kluane Group's engagement letter; I did so as I wanted to show all involved that the Company had nothing to hide and that I was willing to work with anyone to get things back on track. Within a week of hiring Kluane Group, Deacon fired them, and hired the Accountants. Deacon and PDP cycled very quickly through these different groups of consultants and did not appear to have a well-thought out plan, serious intent and commitment, or the necessary experience, to assist in trying to restructure Home Solutions.
39. After Deacon fired the Kluane Group, Charles Bougie of the Kluane Group came to see me and told me that I needed to be careful, as he believed that Deacon was acting very erratically and was likely going to make decisions that were not going to be in my or the Company's best interests. Among other things, Mr. Bougie advised me that, in his first on-site meeting with Deacon:
 - (a) Deacon advised Mr. Bougie that PDP was "going to crush" me as it had a personal guarantee from me;

- (b) Mr. Bougie had advised Deacon that the urgently pending issue was liquidity, that Home Solutions was losing approximately \$450,000 a month, and that an immediate working capital injection of \$1 million was required to stabilize the Business; and
 - (c) Deacon seemed unhappy with this advice and curtly told Mr. Bougie that Kluane Group's services were no longer required.
40. Since I had signed the Kluane Group's engagement letter on behalf of the Company, I chose to keep the Kluane Group engaged. The Kluane Group is very experienced in providing advice on financial restructurings, and proved to be a good independent advisor to the Company. They reviewed the Company's data and assisted by building out cashflow projections.
41. We granted the Accountants complete access to the Company's records and systems (Mr. Mercier was actually given a login access to our accounting software and had full and unfettered access to our system). Deacon was also having discussions with Colin Miller, who was an accountant at Gemstone. We were providing Mr. Miller with any requested financial records from the Company at the time of these discussions. I am advised by Jeff Ady of Gemstone that he, Deacon and Miller had many discussions about the Company's financial situation and prospects during this time.
42. In response to paragraph 41 of the Deacon Affidavit, I note that the email attached thereto as Exhibit "L" is a good example of the consistent advice that I was giving to PDP, prior to it advancing the Loan, about the problems with Home Solutions' financial reporting systems. That email and in Exhibits "J" and "L" of the Deacon Affidavit are good examples of my candid disclosure to PDP as far back as September, 2022 that there were significant issues with inventory reporting, collections and invoicing. As we were aware of those issues, we had begun making changes in Home Solutions' accounting group. We hired an additional account receivable clerk in June, 2021, as we had thought at that time that part of our collections issues was due to internal staffing issues. We also hired Andrew Sheer as the new Controller for the Company in the last week of August, 2021.

43. In specific response to paragraph 42 of the Deacon Affidavit, I did not provide inaccurate or misleading information. I emailed to Deacon the Company's financial statements for January and February, 2021. As with all other Company financial statements, I did not author these documents. They were created by the Company's accounting team and reviewed by Mr. Sheer and me, following the customary process described earlier in this Affidavit. The March 31, 2022 estimate of \$520,000 in accounts receivable collections for that week was not something that I created. That estimate was based on the Company's records, its accounts receivable balance and its historical data on the timing and amount of receivables collections. At the time I sent the email, I believed the projection to be accurate, based on the Company's records and all the information available to me. Notably, that projection was also based on the cashflow projection that PDP's independent Accountants had created.
44. As with accounts payable, the timing of receipt of accounts receivable can fluctuate from week to week and is dependent upon parties paying invoices on time. The projected collections estimate on March 31, 2022 was the Company's best educated assessment on what accounts receivable would have come in during that period. Notably, we also budgeted for roughly \$973,000 in payments to staff, vendors and others during that week, but the actual amount was lower, being only \$898,000. A significant amount of time was spent by our accounting team, me and Kluane in providing the large amounts of data that the Accountants requested, and ultimately, the actual cashflow proved to be quite close to what we had projected. By working with the Accountants to assist them in creating their projections, I was not lying to or attempting to mislead PDP or the Accountants; deviations from projections are simply the reality of running a distressed business during a worldwide pandemic with the largest supply chain disruptions and labor market shortages in living history.
45. Paragraph 43 of the Deacon Affidavit demonstrates Deacon's fundamental lack of understanding of the challenges of collecting accounts receivable in any business, as he suggests that bringing in a specialist to process "several invoices" should have somehow caused collections to materialize. Further, the person that PDP brought in (Laura Tustian) was not brought in to do invoicing for Home Solutions; rather, she was brought in to verify

that the invoicing done to date was accurate and that each invoice could be matched to a builder's purchase order. Ms. Tustian worked on that project at first, then after she completed that, we had her enter cash receipts into the accounting system, so as to ensure that collections that came in were entered and tracked as paid. Attached hereto as **Exhibits "7"** and **"8"** are email chains including emails from Ms. Tustian attaching invoices for her services, which reflect, in her own words, the services she actually provided (and that she wasn't doing invoicing and collections directly; rather, she was supporting the existing accounting team on the verification side of the project, as evidenced by her billable hours). It is unclear from paragraph 43 of the Deacon Affidavit what information Deacon is saying I provided that was inaccurate and appeared to be manipulated, but I deny that I manipulated any information, and all information I provided was accurate based on the information available to me (all of which was also available to PDP and its consultants, including the Accountants).

ASSERTION THAT I CAUSED HOME SOLUTIONS TO RESTATE ITS FINANCIALS

46. There are two sets of paragraphs numbered 42 and 43 in the Deacon Affidavit. In response to the second paragraph 42 in the Deacon Affidavit, by March 23, 2022, I had been clear with PDP that Home Solutions' accounting system was in a worse state than we had previously understood. Further, Home Solutions had lost some of the backlog of work that it had been hired to do, because it could not get enough staff or product to complete the jobs (a knock-effect of our severely constrained working capital/liquidity situation). My email at Exhibit "O" to the Deacon Affidavit demonstrates how I was being forthright and honest in presenting data to PDP as soon as it became available to me. The email also clearly demonstrates that I was still seeing issues with the accuracy of the data from Home Solutions' accounting system. The market was changing rapidly, and Home Solutions' accounts receivable collections were lower than projected, which limited our ability to purchase the product we needed, therefore limiting the number of jobs that Home Solutions could complete for builders. In addition to that, unanticipated staffing constraints that we faced in December 2021 and January 2022 due to the onset of the Omicron variant of COVID-19 limited what we could actually execute on. Finally, the figures provided in my email attached as Exhibit "O" to the Deacon Affidavit are based on actual results in January

and February 2022; obviously, Home Solutions could not have provided those figures to PDP prior to closing of the Loan deal on January 13, 2022. As is customary, accruals were restated as circumstances changed.

47. In response to paragraph 45 of the Deacon Affidavit regarding my email on March 23, 2022 attached as Exhibit "O" to the Deacon Affidavit (which the Deacon Affidavit refers to as the "**Restatement**"), the Restatement was not a fraudulent misrepresentation; it was the most accurate set of financial statements that Home Solutions could produce based on the information available to it. Also, I note that this was in no way a true "restatement" of Home Solution's financial statements. Deacon has chosen that very dramatic title for the document, but it was nothing more than our regular month-end reporting package to TD, including the Borrowing Base Certificate (or "**BBC**") calculation. That the results reported in it were disappointing was due to facts that PDP was well aware of: Home Solutions had accounting system issues that impacted its ability to work efficiently, and the market and the environment in the industry had changed dramatically from when we had originally provided data and information to PDP. I sent the data to TD, as Home Solutions was required to do as part of its regular reporting obligations, and I explained to TD the same things that I had explained to PDP, and also that Home Solutions was working with the Accountants to fix the accounting system and to create a new set of financials for the Company to work from. Attached hereto as **Exhibit "9"** is a true copy of an email from Ms. Gauthier dated April 26, 2022 forwarding a draft 90-day plan. I understood from this email that the Accountants were going to be working with us to help fix our accounting system and other processes, based on their advice and recommendations.
48. In response to paragraph 45 of the Deacon Affidavit, I deny the assertion that the Restatement showed that I had "massively overstated the Company's revenues and total inventory." As I have stated numerous times, the information that I and others at Home Solutions presented to Deacon and PDP was accurate at the time it was presented, to the best of my knowledge. The Restatement, which was authored not by me but by the Company's accounting team with Mr. Sheer's and my review, simply shows that the business situation had drastically and negatively changed since the fall of 2021, when we had provided then-current data to PDP. Jobs were not cancelled by Home Solutions; they

were cancelled by the builders because Home Solutions could not get the jobs completed (for the reasons stated above: we were having difficulty collecting receivables from builders, this created a liquidity issue in that it limited the products we could buy and work we could produce, and staffing issues, also experienced by all other trades in the home building industry, limited our ability to execute the backlog of work that had built up, and further, that we were having issues with our accounting system).

49. In response to paragraph 46 of the Deacon Affidavit, it is obviously the case that at the time that PDP was conducting due diligence and at the time of closing of the Loan transaction, Home Solutions did not know that a significant number of jobs were going to be cancelled in the months that followed. However, regardless of the jobs cancelled, as of March 21, 2022 we still had \$2.4 million of jobs that were either complete and needed to be invoiced, or were in the queue of work to complete. Home Solutions generally only writes up jobs one to two weeks in advance of the work being done, so new jobs and more work would continue to be added to the queue every day. This is reflected in Home Solutions' outstanding orders report as at March 21, 2022 at **Exhibit "10"** and in the screenshot of the outstanding orders report attached hereto at **Exhibit "11"**. This document shows that, at that time, the Company had approximately \$2.47 million of work in the queue.
50. Deacon's assertion at paragraph 47 of the Deacon Affidavit that he believes I "purposely waited for the funding to come in from PDP before reversing the numbers in Homes Solutions' system" is completely untrue. I faithfully provided to PDP and Deacon the best available financial data from the Company, when it was available. I believe that this statement further demonstrates Deacon's lack of understanding of conducting a distressed business in the context of supply chain disruptions, staffing shortages and disruptions, and in the context of the accounting system issues that I and others at Home Solutions had repeatedly, clearly and directly brought to PDP's, and Deacon's, attention throughout PDP's involvement in conducting due diligence prior to making the Loan.
51. In response to paragraphs 48 and 49 of the Deacon Affidavit, I believed at the time, and remain of the view today, that the accounts receivable that Home Solutions and the

Accountants were reporting, were (prior to Deacon assigning the Company into bankruptcy) solid and collectible. They simply required work, additional working capital, and patience to collect, as well as knowledge of the Business and industry. At around this time, Deacon and Jean-Christophe Greck of PDP were turning up the heat with threats and intimidation, including demanding that the other directors of Home Solutions and I should sign over control of the Company and give up our shares in the Company; my staff and I had little opportunity to pursue collections of accounts receivable during this time, as I was fully engaged in the process of losing my Company.

52. In response to paragraph 52 of the Deacon Affidavit, one of the investors in Home Solutions had called the May 4th meeting of the board of directors with Mr. Leavitt and Mr. Ady, seeking an opportunity to better understand a proposal that 3M and Gemstone had presented to Home Solutions a few days earlier (proposing that the other shareholders and I would relinquish all our equity in the Company). Mr. Leavitt and Mr. Ady invited Deacon to attend the meeting, which some of Home Solutions' directors and investors were uncomfortable with, but which I agreed to.
53. In response to paragraph 53 of the Deacon Affidavit, I do not know what Deacon is referring to or insinuating when he says I advised at the meeting that I had "cash available to [me] that TD did not have control over" (as that is not the case, nor did I state that at the meeting). Since everyone at the meeting was asked to contribute money, I did say at the meeting that I could sell my home and contribute some of the proceeds to the Business, if that would get the proposed deal with 3M and Gemstone done. That was the only statement I made in that meeting that had anything to do with cash available to me.

HOME SOLUTIONS' ATTEMPTS TO RESTRUCTURE AND PDP'S DEMAND AND FORBEARANCE AGREEMENT

54. In response to paragraphs 54 and 55 of the Deacon Affidavit, Deacon has chosen to provide only a very small part of the relevant facts about these events. By the last week of April 2022, the directors of Home Solutions had decided to file a Notice of Intention to Make a Proposal pursuant to the *Bankruptcy and Insolvency Act* ("**NOI**"), based on advice from our advisors. The directors of the Company felt that this would be the most orderly way

to restructure the Company and likely give it the best chance to continue carrying on business and paying the staff. The Company held discussions with Vanessa Allen of Meyers, Norris and Penny ("MNP") in preparation for hiring MNP to act as the Company's Proposal Trustee. The Company also held discussions with Kluane and the Company's legal counsel in preparation for filing an NOI.

55. Up until this point, Deacon had consistently ignored my meeting and discussion requests, including regarding how to get a deal done with 3M and Gemstone. However, on May 3, 2022, Mr. Fairbanks and I met with Deacon and Mr. Greck of PDP and told them that Home Solutions was going to file an NOI. Deacon got very angry, cursing and becoming very red in the face, and said "you have made some very rich people in Toronto very unhappy" and "you can take the easy way or the hard way". I asked what that meant and what was the "hard way", to which he responded that the hard way was for the Company to file an NOI, and the easy way was to sign off over control of the Company to PDP. He also said that if Home Solutions filed an NOI, he would sue me, my family, and all of the investors in Home Solutions. Deacon, and Mr. Greck both told me that PDP would never let me take the Company into an NOI filing, and if I tried, they would make a credit bid to take control of the Company. I told Deacon I would review it with my board of directors and get back to him.
56. After the board meeting on May 4, 2022, Gemstone and 3M backed away from their proposal and said they were no longer interested. Deacon also told me that PDP's CEO, who was apparently going to inject money into the Company, alongside Gemstone and 3M, was also uninterested in that particular deal.
57. On May 4, 2022, I sent to Deacon a written NOI restructuring proposal, for PDP's consideration. Attached as **Exhibit "12"** to this Affidavit is a true copy of that proposal. I also met with representatives of TD on May 4, and again on May 5. In contrast to PDP, TD was very receptive of Home Solutions' plan to file an NOI.
58. One of the very urgent timing issues that was driving the need for a structured restructuring step such as an NOI filing, was that the Company had to be in a position to fund its payroll on Friday, May 13, to ensure that all employees were paid and would be available to help

Home Solutions through an orderly restructuring process. The amount required was approximately \$180,000. Because of the uncertainty of accounts receivable collections, I believed that Home Solutions needed to obtain outside funding to cover this payroll cost.

59. As set out in paragraph 54 of the Deacon Affidavit, on May 5, 2022, PDP issued a demand for repayment and a Notice of Intention to Enforce Security to Home Solutions, me, and my company, 208. I immediately advised TD of this and TD told me that, because PDP had issued its demand, TD would have to do the same.
60. In response to paragraph 57 of the Deacon Affidavit, Deacon's evidence that I did not advise PDP of TD's demand for payment and Notice of Intention to Enforce Security until May 11, 2022 is incorrect. I notified PDP that the demand letter was coming from TD the day before I actually received it. On May 5, 2022, Ovais Khan of TD advised me in a phone call that TD would be issuing a demand under its loan facilities. That same day, I sent a text message to Deacon advising him that the TD demand letter was coming. Attached hereto as **Exhibit "13"** is a true copy of the text message between me and Deacon dated May 5, 2022. In that text message, I advised Deacon that I had sent him the TD demand letter by email. Attached hereto as **Exhibit "14"** is a true copy of the email I sent to Deacon dated May 5, 2022 and that I referred to in my text message; however, I now recognize that what I sent to Deacon in that email was TD's default letter dated April 29, 2022, not a TD demand letter.
61. On May 6, 2022, Deacon communicated to me that PDP wanted me to hand over control of the Company to PDP, and to resign all my positions with the Company. Deacon told me that if the other directors and I "got out of the way", that PDP would fund and run the NOI process. Attached hereto as **Exhibit "15"** is a true copy of text messages between me and Deacon on May 6, 2022 wherein Deacon again was trying to intimidate me, my family, and the other directors of Home Solutions.
62. On May 6, the Company's legal counsel requested a hearing before the presiding Commercial Duty judge, at 2:00 p.m. on the afternoon of Tuesday, May 10. The purpose of this hearing was to seek an interim financing charge, so that a third party funder could lend the necessary funds to allow Home Solutions to meet its payroll costs on May 13. The

Company and Kluane were communicating with a third party who confirmed it was possibly interested in providing the required funding. I am advised by the Company's legal counsel that they advised PDP's legal counsel of their request for this Court application on the afternoon of May 6 and that, subsequently on that afternoon, the Court confirmed that the hearing could proceed.

63. I had another call with TD on May 6. TD advised me that it would continue to allow Home Solutions to access the operating line during an NOI proceeding but that the availability under the operating line would be capped at the amount outstanding as of the filing date. TD was not willing to provide any additional loans to fund the payroll costs, but was willing to work with Home Solutions to allow a third party to provide that funding. Throughout the day on May 6, I was working with Kluane to provide all the necessary information to this third party funder, so it would be in a position to provide the Company with an interim financing term sheet.
64. On the evening of May 6, 2022, Deacon asked me to call a meeting with the investors in Home Solutions. He asked me to bring them together to raise some of the money he needed to fund the NOI. I was shocked that Deacon was now asking me to help him raise money so I could be removed from the Company and the investors could lose their investments. By that point, I was so mentally exhausted that I responded that I would call the meeting, and accordingly I brought the group together. In that meeting Deacon said that he needed to raise roughly \$180,000 from the group, and that once that happened, it would immediately "unlock" a further \$750,000 dollars in interim financing so that the Company could get through the NOI process and do a deal with 3M and Gemstone. Deacon also said that if anyone at the meeting didn't contribute, then they stood a higher chance of being sued by PDP. In my view, Deacon was again trying to bully and intimidate me and the investors. He told the investors that their contributions would be paid back with 0% interest, and no other benefit, other than that they might not get personally sued by PDP. The majority of the investors were not interested in accepting these very unfavourable terms from PDP.

65. Home Solutions, PDP and our respective counsel held negotiations over the weekend, on Saturday, May 7 and Sunday, May 8. By the morning of Monday, May 9, the parties had reached consensus on the main points of an agreement, to be formally memorialized in formal forbearance agreement. The main points were:
- (a) 208 would transfer its shares representing a 79% interest in Home Solutions, to PDP;
 - (b) the directors of Home Solutions, including me, would appoint Deacon as a director and then resign all their positions with Home Solutions (leaving Deacon as the sole director);
 - (c) Deacon would cause Home Solutions to engage a Chief Restructuring Officer ("CRO") and file an NOI, in which Home Solutions would conduct a sale process for its Business and assets;
 - (d) the parties would all assist in maximizing the value of Home Solutions, for the benefits of its stakeholders;
 - (e) PDP would submit a stalking horse bid in the sale process, in which it would offer to assume the debt owed to PDP and the debt owed to TD; and
 - (f) PDP would forbear from enforcing its loan, security and guarantees for six months.
66. On May 9, 2022, Home Solutions received a confidential term sheet for \$1 million interim financing from the third party with whom Kluane and the Company had been in discussions.
67. The form of Forbearance Agreement was settled by PDP's and Home Solutions' counsel on May 10, 2022. This is the form of agreement that was executed by the parties, and is attached as Exhibit "U" to the Deacon Affidavit. The directors of Home Solutions and I had discussions about the Forbearance Agreement and obtained advice from legal counsel (which I am not waiving). The directors (including me) determined that having the Company enter into the Forbearance Agreement, and approving the resolution required by

section 5.03 of the Forbearance Agreement, were in the best interests of the Company, for a number of reasons, including:

- (a) Home Solutions was uncertain that it would have sufficient funds to cover the staff payroll that was due on May 13. The confidential term sheet provided by the third party on May 9 would not have provided this funding in time, whereas Deacon and PDP had represented to me and others that they would make sure the necessary funding was in place, and that they had an investor who was ready to invest \$4 million or \$5 million into the Company;
 - (b) PDP had agreed that it would initiate NOI proceedings for Home Solutions by May 24, 2022 and appoint a CRO. This gave me and the other directors confidence that an orderly restructuring process would be followed which included a Court-supervised sale process (which would ensure that fair market value for the assets or Business would be realized, for the benefit of all the stakeholders); and
 - (c) PDP had agreed that it would submit a stalking horse bid in the NOI sale process, in which it would assume all the debt owed by the Company to PDP and TD, and possibly other debts as well. This would ensure that there was a viable "floor bid" in place that would allow the sale process and NOI to be run efficiently and quickly.
68. PDP's promises made in and around the time that the Forbearance Agreement was executed and the covenants given by PDP in the Forbearance Agreement were very important to me personally. Even though I was being forced to give up all my ownership interest in Home Solutions, PDP advised that it had an investor who was prepared to inject \$4 million or \$5 million in capital into the Company. I knew that with that kind of capital, the Business would be able to get out of the vicious cycle that had been forced upon it by slow-paying builders. I was reluctantly willing to give up control of the Business and to give up all my future potential upside, to ensure that the Company got the capital it needed to allow it to succeed. With proper capitalization and patience, I believed the Business would succeed, for the benefit of all its stakeholders. Also, the fact that a well-capitalized stalking horse purchaser would be assuming the entire PDP and TD debts, meant that my personal guarantees would not be called upon. These factors were very important reasons why I

agreed to sign the Forbearance Agreement, hand over my shares to PDP and resign. If I had known at the time that PDP would subsequently not follow through on any of these commitments, I would not have taken those steps.

69. On May 11, 2002, I convened a meeting of the directors of the Company, at which we passed the resolution required by the Forbearance Agreement, including appointing Deacon as a director of the Company. Deacon was invited to attend that meeting as an observer, and he did, along with legal counsel to PDP. After the meeting on that same day:
- (a) I signed the Forbearance Agreement personally, and on behalf of the Company and 208;
 - (b) thereafter, I resigned all my positions with the Company;
 - (c) all the other directors, besides Deacon, resigned all their positions with the Company.

Attached hereto as **Exhibit "16"** is a true copy of emails from the Company's legal counsel to PDP's legal counsel, advising of the outcome of the meeting and providing the documents signed by me and the other directors.

DEACON'S FAILURE TO COMPETENTLY MANAGE HOME SOLUTIONS AND PDP'S FAILURE TO PERFORM ITS OBLIGATIONS UNDER THE FORBEARANCE AGREEMENT

Introduction and Overview

70. In paragraphs 54 – 92 of the Deacon Affidavit, Deacon provides a narrative, attempting to explain why in the space of only 8 days after the other directors and I had turned over control of the Company to him and PDP, he put the Company into bankruptcy. That narrative is highly selective, inaccurate and misleading. Deacon chose not to place all the material facts, of which he is well aware, before the Court.
71. Deacon suggests that after he took control of the Company, he "discovered" facts about the Business that surprised him, as a result of which PDP decided not to perform its covenants

under the Forbearance Agreement. The truth is that the Company had been faithfully reporting its financial situation to PDP and PDP's various consultants all along, both before and after the Loan was advanced. Nothing could have surprised PDP, if it had actually been listening to and reading what the Company had been telling it for months. What appears to have really happened is that PDP and Deacon had not been honest when they said they had an investor prepared to put \$4 million or \$5 million into the Company, and when PDP had agreed to (unconditionally) perform its significant covenants in the Forbearance Agreement. It appears from Deacon's evidence that PDP was actually not in a position to deliver on either of those sets of representations and promises, unless it reached subsequent agreements with 3M, Gemstone and/or the Previous Owners. None of this was disclosed to me, the Company or the other directors. Then, when PDP failed to reach those subsequent agreements, it completely reneged on its obligations under the Forbearance Agreement.

72. It also became obvious shortly after May 11, 2022 that Deacon was completely ill-equipped and ill-prepared to manage a construction supply business like Home Solutions, which was facing existential challenges and difficulties as a result of all the circumstances I have described in this Affidavit. After May 11, I received reports from a number of staff members, which I believe, advising me that Deacon was doing little or nothing to attempt to collect Home Solutions' accounts receivable; after he had me removed from the Company, he did not take any of the critical steps necessary to secure customers' confidence and keep revenue coming in. I offered to continue to help him with this, but this offer was ignored.
73. Indeed, this was very common in my communications with Deacon; he would ask a question, I would respond, and he would ignore it. Attached hereto as **Exhibits "17"** to **"20"** are true copies of text messages between me and Deacon dated on or about May 11 and 12, 2022, and email correspondence between me and Deacon on May 11, 2022, wherein I repeatedly advised Deacon to start contacting builders and clients and to discuss the accounts receivable with John DeAvilla, and offered to come in to help. Deacon rejected my offers to help, ignored my advice, and, I am advised by a number of the Company's managers and do believe, he did nothing to communicate with suppliers,

builders and clients, including to address rumours that I was no longer involved with Home Solutions. Deacon's lack of preparedness, incompetence and unwillingness to engage with Home Solutions' customers and stakeholders caused immediate damage to Home Solutions' ability to collect accounts receivable and to complete and obtain new work.

74. I will address below each of Deacon's (inaccurate, incomplete and misleading) accusations in paragraphs 58 – 92 of the Deacon Affidavit, by category.

Chief Restructuring Officer

75. In paragraph 59 of the Deacon Affidavit, Deacon has stated that PDP "intended to bring in a Chief Restructuring Officer". That is not correct. PDP had contractually covenanted to do so, in the Forbearance Agreement. He then suggests in the same paragraph that PDP did not even have time to bring in a CRO. That is not correct.
76. I am advised by members of Home Solutions' management team (Jason Selk, Makenzie Romanovitch, James Fairbanks, Jody Munshaw and Coy Beaton) of the following facts, which I believe to be true:
- (a) after Deacon took over on May 11, he repeatedly told staff that a CRO was coming in, along with a new executive team to run the Company;
 - (b) Deacon advised staff that a certain individual was going to start on Thursday, May 12, 2022, but that person did not show up;
 - (c) Deacon then advised management that a second person was coming in from Fairmont, BC; that person did in fact attend at the Business, but only for a single day, then he left and didn't come back;
 - (d) on Friday, May 13, 2022, one of the two principals of the Previous Owners, Wendy McAllister, and some of her old management team showed up at the Company's office unannounced, and started walking through the office asking questions of staff. This was incredibly disruptive and disorienting to management and staff, as by this point, Deacon still had not informed the staff that I was gone (despite my urgings that he do so), and that he was managing the Company. Some of the

managers sought out Deacon and confronted him about this. He admitted it was a mistake that he hadn't told them about my departure, but that Mr. Neilson and Ms. McAllister were going to be coming back to run the Company;

- (e) some of the Home Solutions staff asked a member of the old management team that had showed up at the office if they should stay or look for work; that manager told them to find a new job. To my knowledge, some staff (Becky Balligeron, an order entry clerk, and possibly others) quit within a couple days of that;
- (f) Ms. McAllister returned to the Business on Saturday May 14, 2022, purportedly to do an equipment assessment, but at that point, she told the managers present that she wasn't going to return after that day; and
- (g) the principal of the other Previous Owner, Mr. Neilson, had told a number of builders who were clients of Home Solutions that the Company was going under, or words to similar effect.

This course of events demonstrates the completely incompetent and indeed shambolic manner in which Deacon managed Home Solutions after May 11, 2022. His conduct caused real and substantial damages to the Company and its stakeholders, including me and 208. Further, I do not know when Deacon began discussions with Mr. Neilson and Ms. McAllister. But in retrospect, once I learned that Mr. Neilson had told a number of our builder clients that the Company was going under, I suspected that this had occurred before May, 2022 and I believe that his communications were a further reason why the Company had experienced such difficulty collecting accounts receivable in the previous months.

Undisclosed Conditionality of PDP's Covenants

77. From Deacon's statements in paragraphs 58, 61 and 72 of the Deacon Affidavit, it is apparent that PDP did **not** have immediate access to \$4 million to \$5 million of capital to invest in Home Solutions, and its numerous representations to the contrary had been false. It is also apparent that, despite the covenants it gave in the Forbearance Agreement, to commence NOI proceedings and to submit a stalking horse bid in the NOI sale process,

PDP did not have the wherewithal to do those things on its own, and it actually required agreement with and participation from 3M, Gemstone and the Previous Owners, to fulfil those covenants. When it was unable to secure those agreements, it was not able to perform its covenants owed to me, 208 and Home Solutions.

78. Deacon and PDP never disclosed to me, or to any of the directors (to my knowledge) that its representations about having access to capital and its commitments to commence NOI proceedings and to submit a stalking horse bid in the NOI sale process, were in any way conditional on the agreement of other parties. In the Forbearance Agreement, those obligations of PDP were not conditional on those events occurring.

Alleged Overstatement of Assets and Accounts Receivable

79. In paragraphs 60, 62 – 64 and 66 – 71 of the Deacon Affidavit, Deacon attempts to argue that he discovered a number of new facts about the Company's assets, which he relies on to reach the conclusion that I defrauded him and PDP. The state of the Company's assets could not have surprised Deacon, because he had been receiving constant disclosure about them for months, including from his own consultants (including the Accountants).
80. Deacon had been made acutely aware how tight Home Solutions' cash situation was, including through his almost daily meetings with the Accountants and me during the months of March and April, 2022. One of the promises Deacon made to the investors in Home Solutions at the meeting on May 6, 2022 was that if they helped fund the next payroll, then he would release the interim financing required to take the Business through the NOI and a sales process.
81. As set out at Exhibit "19" hereto, attached above, I made it very clear to Deacon that he needed to work on collecting the accounts receivable as a priority, once he was in charge. However, after I had left the Company, Home Solutions' managers informed me, and I do verily believe, that he did virtually nothing to work on collections.
82. I do not understand Deacon's suggestion in paragraph 66 of the Deacon Affidavit that invoices were "in fact" works-in-progress. The Accountants appointed by him had vetted the accounts receivable.

83. In response to his statements in paragraphs 66 to 68 of the Deacon Affidavit, Deacon's understanding of how a business like Home Solutions has to work with builders to collect invoices, is obviously incomplete or deficient. Home Solutions certainly had jobs where the glass may have been done, but not the shelving, or *vice versa*, but in those cases, the completed portions of the job could have been invoiced and collected. In my view, Deacon simply did not know enough about the Business, how to deal with customers, and how to respond to their comments or concerns about incomplete work, to obtain payment. It is a common tactic of builders to delay payments by claiming that work was "not done". However, with proper diligence, detailed work, perseverance and a carefully-calibrated communication strategy with builders, invoices can still be collected in the face of such tactics. What is required, which Deacon obviously did not know how to do, or chose not to do, is to: check with Home Solutions' coordinating staff on the status of the job; get a list from the builder of outstanding jobs; and do the proper detailed diligence on the builder's comments about "jobs not being done". Attached hereto as **Exhibit "21"** is an example, over an email chain, of the type of detailed work that needs to be done to vet a job's stage of completion, subject to which we would then agree with the builder on what still needed to be done and what was due for payment. Deacon apparently just chose not put in the requisite effort, or did not know how to. I believe he thought a simple call to the customer would take care of the collections. If it was that easy, the Company would have done it long before then.
84. In specific response to paragraph 68 of the Deacon Affidavit, our customer ITC may have had 36 showers that still needed to be installed, but that doesn't mean that ITC was not required to pay us for the other units completed, or that those invoices could not be collected if the necessary detailed work was done. While I no longer have access to Home Solutions' computer system to determine whether ITC had a deposit, as asserted (they may have), I do have access to three different statements of accounts receivable ("**AR Statement**") owed by ITC:
- (a) attached hereto as **Exhibit "22"** is an AR Statement dated May 2, 2022 when I was still with the Company, at which point ITC owed Home Solutions \$89,361, as stated by Deacon;

- (b) attached hereto as **Exhibit "23"** is an AR Statement dated May 10, 2022, at which point ITC owed Home Solutions \$69,314, meaning they'd paid \$20,047 of the amount owed; and
 - (c) attached hereto as **Exhibit "24"** is an AR Statement dated June 14, 2022, at which point ITC owed Home Solutions \$44,942, meaning they'd paid an additional \$24,372 of the amount owed, thus demonstrating that I did not make any misrepresentation or false statements when I said that ITC's account was payable. The entire amount of the contract is not payable all at once, but rather, the work completed on the project is payable as it is invoiced, in accordance with the contract with the builder. This is a rudimentary, basic principle of invoicing on construction projects; it is surprising that Deacon does not understand that.
85. It is also common, and, as I am advised by my solicitors, required by builders' lien legislation that a builder retains a holdback (10% of the job). So, it is typical for a builder like ITC to have ongoing outstanding accounts for many months until the job is fully complete. Again, it is surprising that Deacon does not understand this.
86. With respect to paragraphs 69 to 71 of the Deacon Affidavit, and Deacon's second-hand statement about Ms. McAllister's comment on the value of the Company's inventory, I note that cut glass can be repurposed; but also, having dealt with Ms. McAllister in buying the Business from her and Mr. Neilson, it would not surprise me if the comments she allegedly made about the value of the inventory were part of a negotiating tactic to try to reduce the price that she was willing to pay for the Business (assuming that Deacon's evidence that she and Mr. Neilson had expressed an interest in purchasing Home Solutions back from me is accurate). Notably, contrary to Ms. McAllister's alleged comment that the inventory was only worth \$150,000 (based on a 2-hour walkthrough of the Home Solutions buildings), MNP, the Trustee in Bankruptcy that was ultimately appointed over Home Solutions in late May 2022, did an actual inventory count, with two to four people spending approximately a week to complete the count, and they advised that the estimated value of the inventory was \$500,000. The Trustee advised me of that sometime between May 25 and June 3, which is the week in which the Trustee was conducting the inventory count.

87. In response to paragraphs 73 to 75 of the Deacon Affidavit, Mr. Sheer's handwritten comment on the BBC calculation that "Inventory is overstated. Inventory count needs to be finalized to determine adjustment" is completely consistent with what I had been repeatedly telling PDP and Deacon throughout our involvement with them: that the inventory total reflected in the Company's records was incorrect, that inventory amounts appeared to be too high or too low, that there were issues with the inventory and accounting systems, and that the cause of these issues needed to be determined and addressed. I had told Mr. Sheet to add that note to the BBC, to ensure that TD was not misled by the inaccurate numbers being reported from the Company's accounting system. Throughout my dealings with Deacon, PDP, TD, Mr. Ady, Mr. Leavitt, and Colin Miller of Gemstone, I had repeatedly made them all aware of this. Mr. Sheer and I specifically discussed that he should note on the document that the inventory was overstated, considering that I would no longer be at the Company, as a record of what we'd already advised them. Attached hereto as **Exhibit "25"** is a true copy of an email to me from Mr. Sheer, attaching the compliance certificate certified by me per my instructions (which is a reference to our discussion about, and including Mr. Sheer's note on the certificate about, the inventory being overstated).
88. So, contrary to Deacon's accusation that this email is somehow evidence of me telling the Company's sales team that there was sufficient inventory when there was not, this email shows that Mr. Sheer and I were going out of our way to make sure the Company's reporting to its lenders was scrupulously accurate, including by reminding them that the figures being reported by the Company's inventory system were not reliable.
89. Exhibit "17", attached above, are text messages between me and Deacon wherein I pointed out that the Company was "hand to mouth" and in need of inventory. Attached hereto as **Exhibit "26"** is an email from Mr. Ady to me, copied to Mr. Leavitt, dated April 30, 2022, attaching a document setting out the framework that was used for discussions with PDP and Home Solutions' investors, which notes that the Company needed to purchase inventory of around \$500,000 to reduce the stop-start issues the Company had been having, due to slow collections and insufficient liquidity. In addition to these messages, and as is

set out in this Affidavit, Deacon had been in numerous meetings discussing inventory and the liquidity shortfall.

90. In response to paragraph 76 of the Deacon Affidavit, the reason for the difference between the shortfall in Mr. Sheer's BBC calculation and the BBC calculation that I certified is that Mr. Sheer's was incomplete, as is reflected by the fact that no value was indicated in the "inventory" or the "accounts payable" cells, despite the fact that we knew there were inventory and accounts payable at that time.

Alleged "Hidden Operational Issues"

91. In paragraphs 65 and 80 – 86 of the Deacon Affidavit, Deacon raises a number of discrete topics, which he presents as things that he learned to his surprise after May 11, 2022, and of which he was not previously aware. He and PDP had been aware of most of those issues and, by and large, these issues were not as material as Deacon suggests.
92. In specific response to paragraph 65, I am not aware of any non-compliance with Alberta laws regarding the taking of customer deposits, but attached hereto as **Exhibit "27"** is the regular corporate surety bond that Home Solutions carried. Home Solutions also carried a larger bond, the records for which would be included in Home Solutions' books and records, to which I do not currently have access.
93. In response to paragraphs 80 and 81 of the Deacon Affidavit, as is reflected in the Exhibits to the Deacon Affidavit itself,¹ Home Solutions' listings of accounts payable had been sent to PDP and Deacon on a number of occasions, including in monthly reporting packages. Nothing was kept hidden; PDP and its advisors and the Accountants had been given access to all of Home Solutions' information regarding accounts payable, and so PDP was made well aware that the Company was behind on payments to many of our vendors, well before PDP advanced the Loan. Attached hereto as **Exhibit "28"** is a true copy of an email from me to Deacon and others (including the Accountants) attaching Home Solutions' financial information, including listings of accounts payable, for January and February 2022. It shows that the amount owed for Home Solutions' IT systems (to Longview IT) was roughly

¹ In particular, Exhibits "D", "J", and "O".

\$69,000 in January, and roughly \$54,000 in February (reflecting that a partial payment of \$15,000 had been made in between).

94. In response to paragraph 82 of the Deacon Affidavit, while I was with the Company, no insurance premium payment was ever missed or delayed, to my knowledge. I assume that if the insurance lapsed due to non-payment, this is because Deacon as sole director neglected to ensure that the payment was made. If PDP truly had the funding available to it that it had represented, there would have been ample funds to pay the insurance premium, and I assume that Deacon would have authorized this payment to be made.
95. In response to paragraph 83 of the Deacon Affidavit, as is set out above in this Affidavit, Home Solutions had constrained working capital, and it used this precious cash to make the critical payments necessary to ensure a continued flow to it of goods and services. Since collections were not as fast as expected; we were unable to clear up all of the accounts payable. Further, Home Solutions incurred further payables to vendors during PDP's delays in closing the deal for the Loan (from July 2021, to September 2021, to January 2022), thereby increasing Home Solutions' payables during that time.
96. Deacon's statement at paragraph 84 of the Deacon Affidavit is completely disingenuous. PDP, and Deacon himself, had been provided with unfettered access to Home Solutions' books, records and accounts, management, staff, and any and all other information they requested, both for months before and after PDP advanced the Loan and took over control of the Company. PDP had the assistance and advice of Diamond Willow and of PDP's professional advisors, including the Kluane Group and the Accountants, throughout its dealings with Home Solutions. There is no basis whatsoever for Deacon's entirely unsupported statement that PDP was not aware of "how dire Home Solutions' financial position was at the time of the Forbearance Agreement".
97. In response to paragraph 85 of the Deacon Affidavit, the electrical work to be performed to the furnace had not been discovered while I was at Home Solutions; at no time was I ever made aware of it prior to my departure. I first became aware of this issue when I read the Deacon Affidavit. Had I been made aware of this issue, I would have had the issue

immediately addressed. Health and safety of my staff is of paramount importance to me; I would never knowingly put their health or safety at risk.

98. In response to paragraph 86 of the Deacon Affidavit, the Company settled a lawsuit with a former employee of Home Solutions on or about April 26, 2022 because it was the best possible deal for the Company; I am not aware of (and it remains my understanding) that the settlement does not create any potential liability to CRA. I knew at that time that it was possible that Home Solutions might be filing an NOI, but I did not enter into the settlement with the intention that the settlement funds would not be paid due to the NOI. At that time, I still thought it possible that we might restructure the Business, outside of formal court proceedings.

SUMMARY OF MY RESPONSES TO DEACON'S REPEATED ASSERTIONS OF FRAUD

99. Deacon's assertion at paragraph 87 of the Deacon Affidavit that "PDP had been led to believe it was lending to a company with an upward trend in revenues and millions of dollars' worth of legitimate collections" is incredible, and suggests that Deacon and PDP did not review or listen to any of the information and advice that had been provided to PDP by me, Home Solutions personnel, Diamond Willow, and PDP's own teams of advisors, regarding the Company's financial situation. Indeed, the Deacon Affidavit itself is replete with evidence from me, Home Solutions personnel, advisors, and others, of the concerns about Home Solutions' liquidity, cash flow, inventory counts, accounting system, staffing issues, supply chain issues, accounts receivable, collections, and accounts payable.
100. In response to Deacon's comment at paragraph 88 of the Deacon Affidavit that "there were not enough collections to keep operations going", in fact, Home Solutions did have the necessary accounts receivable to keep operations going, but Deacon did not have the required knowledge or experience to collect them, nor did he make any serious effort to do so. Upon 3M and Gemstone declining to provide further funding, rather than pursuing other options for financing, collecting accounts, or any other strategies for continuing operations, he, as the sole director of Home Solutions, chose to walk away from PDP's unconditional obligations, including funding the NOI process.

101. The entire Deacon Affidavit demonstrates a fundamental misunderstanding of the industry in which Home Solutions operated, the macroeconomic factors at play in late 2021 and early 2022, and in my view shows that Deacon simply did not review, or did not understand, the voluminous information about the Business that the Company and others provided to PDP for many months before PDP funded the Loan, and continually afterwards. Home Solutions was caught in a vicious "stop / start" cycle, as a result of its constrained working capital. The Company had to wait until it collected sufficient receivables, to then be able to purchase product to complete more work, thereby generating more receivables. Without a sufficient cushion of working capital that would have allowed it to "get ahead" of this problem by buying more product, the Company was indeed living "hand to mouth", as I had warned Deacon.
102. In the Fall of 2021, the \$1.2 million injected by Gemstone and 3M was an attempt to free Home Solutions from this stop / start cycle. The working capital cushion that these funds provided indeed allowed Home Solutions to create a "bulge": it purchased more inventory, took on more work and completed more jobs. This resulted in a corresponding "bulge" of completed work that would normally have flowed smoothly through the system, resulting in a large volume of accounts receivable that the Company would have collected in a timely way, thus replenishing the working capital cushion.
103. However, this did not occur, for a number of reasons:
 - (a) unanticipated staff absences in late 2021 and early 2022 due to Covid infections, and some staff departures, delayed the issuance of invoices, working against the plan of having the working capital bulge run smoothly through the system. While there was a large volume of completed work ready to be invoiced, the Company did not get those invoices issued as quickly as planned. Management spent countless hours on evenings and weekends to assist with the physical work of issuing invoices;
 - (b) our inventory and accounting system needed a number of steps to be taken before an invoice could be issued. The ongoing problems with the system, including how the accounting staff were using the system, significantly slowed down these steps,

and in turn limited the number of invoices the Company was able to issue every day. We tried to speed up invoicing time by implementing piecemeal fixes and by hiring extra staff to process invoices, but invoicing speed remained a problem;

- (c) global supply chain disruptions began to seriously impact the construction industry in Alberta, in late 2021 and early 2022. This resulted in builders slow-paying their invoices to Home Solutions (and also to many other suppliers with whom I was in communication). The dilemma was this: if a builder had originally planned to complete a new home build and close a sale to its homeowner within six months, but it could then not obtain all the products it needed to finish that home for 11 months (these are reasonably accurate time estimates of what was happening in the market), the builder's carrying cost for the unfinished home increased substantially. To protect its own cashflow, one of the builder's options was to slow down payment of the amounts it owed to suppliers who had supplied their goods or labor to assist in the completion of the home. The builders were effectively reducing their carrying costs by having their suppliers like Home Solutions involuntarily finance the builders' payables; and
- (d) as a result of these factors, the "bulge" of completed work and invoices that we had built in late 2021 did not result in the increased collections in the first quarter of 2022 that we had reasonably projected. This confused us when we first started experiencing the unusually slow collections in January and February 2022.

- 104. Deacon and PDP were kept fully aware of the challenges the Company was facing, on an ongoing basis.
- 105. Prior to it being sent to counsel for PDP, I reviewed the letter from the Company's counsel, Chris Simard of Bennett Jones LLP, to counsel for PDP dated May 30, 2022, attached as Exhibit "AA" to the Deacon Affidavit. I adopt the statements included in that letter as part of my evidence.

Allegations of Fraud

106. In response to paragraph 64 of the Deacon Affidavit, and as already explained in detail in this Affidavit, at no time did I lie to PDP or anyone else with respect to the collectability of the Company's accounts receivables and the expected payments, nor with respect to any of the financial results or data of the Company. To the contrary, all of the information that Home Solutions provided to PDP (including information that I personally provided) was current and accurate, to the best of my knowledge and understanding. Frankly, I find it hard to believe that Deacon could possibly believe his own statements that I have misstated and fraudulently misrepresented the Company's accounts receivable, when the Accountants PDP hired spent over a month in Home Solutions' books and accounting systems. At no time did the Accountants, or the Kluane Group advise me (or anyone else, as far as I am aware) of any concerns or suggestions that any of the Company's accounts receivable were fabricated or uncollectible.

THE MAREVA ORDER

107. I respectfully request that the Mareva Order be set aside and discharged, with costs.
108. I believe PDP's serious allegations of dishonesty against me are completely malicious. I believe that PDP is attempting to set me up as a scapegoat to divert blame for its own very serious failings respecting one of the very first loans made from its fund. In the Deacon Affidavit, Deacon has made accusations against me in a publicly-filed affidavit which are defamatory in nature, and which Deacon knows or ought to know are categorically false.
109. I also believe that PDP sought the Mareva Order because it wants to unjustifiably deprive me of the funds necessary to fully defend this Action and advance a counterclaim against PDP and Deacon.
110. My legal counsel obtained from the Court a copy of the Clerk's notes from the hearing at which the Mareva Order was granted, and also a transcript of that hearing. Attached as **Exhibits "29"** and **"30"**, respectively, to this Affidavit, are true copies of those notes and that transcript.

Deacon's Allegations that I am Dissipating My Assets

111. In paragraphs 7, 93, 94 and 95 of the Deacon Affidavit, Deacon has (correctly) stated that my wife and I have taken steps to sell our jointly-owned primary family residence in Calgary and our cabin in Montana, but has also suggested (incorrectly) that this amounts to the "dissipation" of my assets and that I have already dissipated assets, that I have attempted or will attempt to put assets "out of reach" or that I have "hidden" assets through other people or other entities.
112. Deacon's suggestions are not only completely speculative, they are also completely false. His evidence is also selective and misleading, because he and I had discussions about the sale of my jointly-owned real estate assets (which were initiated by him) many months ago, which he has chosen not to disclose to the Court.
113. Both real estate properties mentioned in the Deacon Affidavit (our jointly-owned family home in Calgary (the "**Family Home**") and our jointly-owned cabin in Montana (the "**Montana Cabin**")) have been jointly-owned by my wife Jody and me from the time we initially purchased them (both in 2014). I never once considered or attempted to "creditor-proof" the Family Home or the Montana Cabin at any time, such as by putting them only in Jody's name, or selling them to a friend or family member while our family continued to use them.
114. My wife Jody and I had discussed and considered selling both the Family Home and the Montana Cabin at different times in 2021. In 2021, the real estate market in Calgary and the vacation property market in Montana were both quite strong. We thought that we could generate some savings by selling the Family Home and the Montana Cabin, and then save money by terminating the expensive mortgage payments on both properties, and moving our family into lower-cost housing in Calgary. I knew that I might not be able to count on dependable income from Home Solutions, because of the many challenges the Business was facing, which I have described above.
115. A chronological summary of the process leading to the sale of the properties is as follows:

- (a) I had a series of communications with a real estate agent, Brady Layton, in October and November 2021 regarding a possible listing of the Family Home, and made arrangements with him to do a walk-through at that time. Attached hereto as **Exhibit "31"** is a screenshot of text messages between me and Mr. Layton, on October 29 and November 2, 2021, arranging a time for him to conduct a walk-through of our home for the purpose of listing it. Jody and I decided not to proceed with a listing of the Family Home in late 2021, because I was devoting all my time to my work at Home Solutions, and trying to turn around the Business. I felt that also having to deal with the sale of the Family Home, and moving to a new home, would add too much stress to an already stressful situation;
- (b) similarly, for the Montana Cabin, my wife and I had been contemplating this for well over a year, as the property was too expensive for us to afford any longer. Attached hereto as **Exhibit "32"** is a true copy of a screenshot of text messages between me and a Montana realtor, Dave Stone, on October 19, 2021, about listing the Montana Cabin for sale. We even had aerial photos of the vacation property done in early November, 2021, in furtherance of our plans to sell. Again, we put these plans on hold in late 2021, because of the all-consuming nature of work at Home Solutions, and not wanting to add to my already-high stress levels;
- (c) As part of the diligence required by PDP, they asked me for a personal net worth statement, which I provided prior to PDP deciding to fund the Loan. In that personal net worth statement, I candidly disclosed both jointly-owned properties to PDP. Attached as **Exhibit "33"** to this Affidavit is a true copy of the personal net worth statement I provided to PDP. There was no attempt to "hide" anything;
- (d) when Deacon visited me at Home Solutions' office in Calgary on or about March 15, 2022, he told me to sell my house and cabin (as noted above, he knew about both these properties because I had disclosed them in my personal net worth statement to PDP). I assumed that this suggestion from Deacon was motivated by his wanting me to have more available cash to contribute to Home Solutions, to help turn it around. At that time, given the many challenges at Home Solutions,

which were occupying all my waking hours, I didn't have the time or ability to deal with listing the properties for sale, nor did I think that I could deal with the added stress of two sales processes. I note that Deacon did not disclose this conversation to the Court in the Deacon Affidavit. Instead, his Affidavit mistakenly creates the impression that our sale of the Family Home and the Montana Cabin was a surprise to him;

- (e) Jody and I decided to sell the Family Home in late April 2022, due to our concern that the Home Solutions Business might not be successfully turned around and we might therefore lose our sources of income. Attached hereto as **Exhibit "34"** is a screenshot of text messages between me and our realtor dated April 28, 2022, advising him that we were ready to move ahead with selling the Family Home; and
- (f) as described above, Jody and I were terminated as employees of Home Solutions on May 12, 2022. After that, we had no source of income to support our family.

116. Jody and I have now sold the Family Home and the Montana Cabin. The sales and their results are summarized below.

117. With respect to the Family Home:

- (a) we listed the property for sale on or about May 6, 2022;
- (b) the negotiations with prospective purchasers were conducted exclusively through our real estate agent;
- (c) the property was conditionally sold on May 17, 2022 and the closing occurred on July 14, 2022;
- (d) the purchasers were arm's length third parties, not known to me or Jody; and
- (e) the net proceeds of the sale (after payment of all fees, costs, expenses and mortgage loans) were deposited into our joint bank account, which is at a bank located in Calgary, and we have conducted no out of the ordinary course transactions from that joint account since the deposit of the sale proceeds. We have no intention to

make any out of the ordinary course transactions. We need to utilize those funds to support the living expenses of our family, and now I need funds to defend this Action and advance my counterclaim.

118. With respect to the Montana Cabin:

- (a) we listed the property for sale on May 27, 2022;
- (b) the negotiations with prospective purchasers were conducted exclusively through our real estate agent;
- (c) the property was conditionally sold on June 7 and the closing occurred on June 30, 2022;
- (d) the purchasers were arm's length third parties, not known to me or Jody;
- (e) the net proceeds of the sale (after payment of all fees, costs, expenses and mortgage loans) were deposited into joint bank account, which is at a bank located in Montana, and we have conducted no out of the ordinary course transactions from that joint account since the deposit of the sale proceeds. We have no intention to make any out of the ordinary course transactions. We need to utilize those funds to support the living expenses of our family, and now I need funds to defend this Action and advance my counterclaim.

119. I completely reject Deacon's evidence that my wife and I sold the Family Home and the Montana Cabin in an attempt to put my assets out of reach, or that I am dissipating my assets; those assertions are completely untrue. We sold the properties because we couldn't afford them anymore and need funds to support our family (as a direct result of PDP and Deacon forcing me out of Home Solutions and then unnecessarily bankrupting the Company).

Deacon's Unfounded Assertion that I am Preparing to Flee Alberta

120. In paragraphs 96 - 99 of the Deacon Affidavit, Deacon has speculated, based on statements by third parties, that I am looking to leave Alberta, relocate to the USA and start a "new venture" in Oregon. This is entirely speculative.
121. The failure of Home Solutions (which, as explained above, was contributed to by PDP's and Deacon's actions) has left me and Jody with no sources of income. I have a young family that I need to support. I have been actively looking at a number of possible employment and business opportunities in Alberta, other provinces in Canada, and also a number of locations in the USA. I certainly have no immediate plans to move anywhere out of Alberta, but I need to find a way to support my family, and at this point, all options are on the table for me. My children are enrolled in school in Calgary for the school year starting in September 2022.
122. Had Deacon exercised prudent and proper business judgment in carrying on the business and operations of Home Solutions after he took it over as its sole director, filed an NOI for the Company and submitted the stalking horse bid promised by PDP, the Business could have turned around, and PDP would have had no recourse to the personal guarantee that I had given for 15% of the Loan. Deacon's and PDP's breaches have caused this situation.

PDP's Undertaking To Pay Damages

123. The Deacon Affidavit includes, at paragraph 100, a statement by Deacon that PDP undertakes to abide by any Order concerning damages that the Court may make if it ultimately appears that the granting of the Mareva Order has caused damage to me, for which PDP ought to compensate me. I reserve all rights to claim damages as against PDP, and Deacon personally, as the Deacon Affidavit and the Mareva Order have caused and may cause me significant damages, including but not limited to my ability to find further employment or business or work opportunities, ability to pay my and my family's ongoing living expenses, ability to defend this spurious and malicious litigation against me, and reputational damage. PDP's allegations of fraud against me have publicly defamed me,

and have the potential to cause serious and significant damage to my reputation and my ability to carry on business and find work opportunities.

124. I am also very concerned that PDP does not have any assets in Alberta with which to satisfy any Order concerning damages (or costs) in my favour. It became obvious during my dealings with PDP and Deacon that they have little if any business or management expertise or experience (as is reflected by Deacon's conduct upon taking over the Company, and assigning it into bankruptcy within 10 days of doing so). The Loan was one of PDP's first investments in or loans to a company.
125. Further, PDP is an Ontario corporation, with all its employees and its only office located in that province. To my knowledge, PDP has no business operations or assets of any kind in Alberta.

Disclosure of My Assets

126. Now shown to me and marked as **Exhibit "35"** to this Affidavit is a true copy of a statement that I have completed, disclosing all my assets. I confirm that the information in that statement is true. Pursuant to the Consent Order granted in this Action on August 3, 2022, my legal counsel Bennett Jones LLP is holding this statement.

Damages Caused by PDP and Bank of Nova Scotia by their Contempt of the Mareva Order

127. On or about Thursday, July 21, 2022, my wife and I learned that our joint credit card issued by the Bank of Nova Scotia ("**Scotiabank**") had ceased working, without warning or explanation. I immediately contacted Scotiabank to find out what had happened. After talking to a number of representatives of Scotiabank, I was advised on Tuesday July 26, 2022, by the branch manager of the Gates of Walden Scotiabank branch in Calgary that the card was frozen because Scotiabank had received a Court Order requiring them to freeze our accounts.
128. On Wednesday, July 27, 2022, my legal counsel sent a letter to counsel for the Plaintiff, advising of this issue and making certain demands. A true copy of that letter is attached as **Exhibit "36"** to this Affidavit.

129. On Thursday, July 28, 2022, counsel for the Plaintiff sent my legal counsel an email, to which was attached all the letters sent by Plaintiff's counsel, serving the Mareva Order and the Statement of Claim in this Action on a number of banks and financial institutions. That email and the attachments thereto is attached as **Exhibit "37"** to this Affidavit.
130. On Friday, July 29, 2022, my legal counsel sent a letter to a number of representatives of Scotiabank, copying counsel for the Plaintiff, demanding that Scotiabank restore access to our credit card. A true copy of that letter is attached as **Exhibit "38"** to this Affidavit.
131. Subsequently on Friday, July 29, 2022, Nadine Cummings, a senior law clerk with Scotiabank, emailed my legal counsel, confirming that access to our credit card was restored. A true copy of that email is attached as **Exhibit "39"** to this Affidavit.

RESPONSES TO THE NEW ALLEGATIONS IN DEACON'S SUPPLEMENTARY AFFIDAVIT

132. I am advised by my legal counsel and believe that on August 9, 2022, PDP's legal counsel served a "Supplementary" Affidavit of Deacon, sworn that same day (the "**Deacon Supplementary Affidavit**"). I have reviewed the Deacon Supplementary Affidavit and provide the following replies.

Allegations Regarding my "New Business"

133. As noted above, my wife Jody and I have been left with no sources of income as a result of PDP pushing us out of Home Solutions, and Deacon bankrupting it. Among other things I am considering as a means to support my family in the future, I am exploring the possibility of opening a new business venture in Las Vegas, Nevada, where I feel that there is an opportunity to successfully start a business offering services and products similar to Home Solutions. My entire career has been spent in the homebuilding industry, so it is what I know. I am in confidential discussions with potential investors, and the document attached as Exhibit "B" to the Deacon Supplementary Affidavit is a version of a document that was created to present to potential investors.

134. I have not been conducting these activities in secret. In fact, as evidenced by the fact that Jeff Ady of Gemstone forwarded a copy of this document to Deacon, I am actively speaking to a number of parties to solicit interest from potential investors.
135. As stated above, I have not made any final decisions about what my next business venture or job will be. This opportunity in Las Vegas may come to fruition if I secure the necessary investment and the circumstances warrant it, or it may not. Regardless of whether it does or not, I am not "fleeing" Alberta. I am trying to figure out how to support my family in the future. One of the reasons that I am looking at opportunities in provinces other than Alberta, and also in the United States, is that I fear that PDP's conduct with respect to Home Solutions might have damaged my personal goodwill in the industry in Calgary.

Allegations Regarding the "Withholding" of my Laptop

136. In paragraphs 12 – 16 of the Deacon Supplementary Affidavit, Deacon alleges that I have withheld my laptop from MNP, the bankruptcy trustee of Home Solutions.
137. As my personal laptop (which I personally purchased) was unable to run the Company's cabinet design software, I traded my personal laptop for the Company to use, in exchange for a new laptop from the Company which I could use, including to run the cabinet design software.
138. When I was terminated by Home Solutions, I kept possession of the laptop I had been using, as I needed to stay in touch with various Home Solutions stakeholders, and be available to assist with the anticipated NOI process (as I had agreed to do, in the Forbearance Agreement). As admitted in the Deacon Affidavit, Deacon contacted me after May 11, 2022, with questions about the Company.
139. I agree that I did have discussions with Vanessa Allen about delivering the laptop to MNP. This was not a top priority for me when we corresponded in early June, and with everything else going on in my life after the collapse of the Company, I simply never had the time to do this, before our family left for our vacation in California on July 10, 2022.

140. My physical retention of the laptop was not intended to deny any party access to Home Solutions' business records, nor is it having that effect. As far as I know, all of the work emails and data on my laptop were also stored on Home Solutions' data server. It appears that PDP has done exactly that by working with the Company's IT provider.
141. I have no objection to delivering my laptop to MNP after I return to Calgary, but now that I know that PDP is actively trolling through computer records for my private, personal communications, I would only do so after removing and preserving my personal, non-Home Solutions data and communications, and also preserving my work-related data and communications. The commencement of this action by PDP means that I need to have access to all my records, to be able to defend myself.

Allegations Regarding Element Building Group Inc.

142. In paragraphs 17 – 25 of the Deacon Supplementary Affidavit, Deacon makes a number of allegations about Element Building Group Inc. ("**Element**").
143. I do own a majority 95% interest in Element. This was never a secret. As noted by Deacon, I was publicly listed as a director and shareholder of Element, at Alberta Corporate Registry. My interest in Element was disclosed to PDP – in the Personal Net Worth statement that I provided to PDP (Exhibit "F" to the Deacon Supplementary Affidavit), I listed a net value of \$40,000 with respect to "Other Companies (Owned or Invested In)". That \$40,000 figure was my estimate of the value of my shareholding of Element. PDP never asked me what company or companies I was referring to in that Personal Net Worth statement. Had PDP asked, I certainly would have disclosed the name of the company, as it was a matter of public record and I had no reason to hide it. However, PDP never asked.
144. At no time was Element a competitor to Home Solutions. Home Solutions is a specialized supplier of custom glass and closet products, while Element is a general contracting company that did renovations in Calgary. Deacon's statement in paragraph 19 that the two companies provide the same services demonstrates how little he understands about Home Solutions' business. Element never manufactured glass or closets, but actually used Home

Solutions as a sub-trade to supply those items. Home Solutions never had the capability to, and never intended to, operate as a general contractor.

145. I actively ran Element prior to my purchase of Home Solutions but after I purchased Home Solutions, Element was largely inactive, was not pursuing new jobs or opportunities, and was mostly wrapping up outstanding projects and taking care of any service or warranty needs arising out of its previous projects. This included a job at 43 Suncastle Bay (as addressed at Appendix "C" of Exhibit "D" of the Deacon Supplementary Affidavit), from which revenue in the amount of approximately \$128,000 was received between April 1, 2019 and March 31, 2020 – that job was still wrapping up in 2018, and into 2019.
146. While Element was not actively seeking work after I purchased Home Solutions, the company's website and email accounts were still active and occasionally potential customers contacted me. One example of this occurring is the August, 2019 email chain that is Appendix "D" to Exhibit "D" to the Deacon Supplementary Report. That potential customer reached out to me through Element, but his needs seemed to line up with what Home Solutions did, so I brought him in to see the Home Solutions showroom and the service that Home Solutions could offer him directly. However, he needed more than just adding a shower door or closet; he needed a general contractor. Home Solutions could not do this work, and because Element was no longer actively seeking work, neither company took on the work. I told him that he needed to find a general contractor and that Home Solutions could then provide its services as part of the larger renovation conducted by the general contractor.
147. One problem in the retail part of the industry (*i.e.* working for homeowners, as opposed to builders) is that the majority of customers who want a new shower also required the full general contracting support that surrounds a new shower install (for example, new floors, painted walls, countertops, baseboards etc.) and this was simply not a service that Home Solutions provided. However, the fact that Element worked for homeowners presented a potential opportunity for Element to help increase Home Solutions' revenues. Therefore, while Element had stopped taking on new work after I bought Home Solutions, the Home Solutions management team and I had entertained the idea of combining the two

businesses. One aspect of the idea was that we would be able to promote to customers of Element, the Home Solutions back-painted glass idea that I had been working on. The back-painted glass idea was that we could use glass walls instead of tile in a shower, and that we would therefore be able to do a shower renovation without tearing out the walls. This method would eliminate the need for a full demolition, would allow us to do a bathroom remodel three to five days quicker than traditional methods, eliminated grout lines, and made the shower easier to clean. The idea required back-painted glass. We looked at doing this manually, or with a machine. We began testing this, and how we could do the back-painting ourselves. The plan was that Element would handle the general contracting, and Home Solutions would benefit by selling and installing the back-painted glass, shower doors and possibly closets.

148. The Home Solutions management team and I saw the potential of this collaboration, we decided to hire a full-time employee at Home Solutions, to build out the processes on our concept of a high-volume low-cost bathroom renovation that Element and Home Solutions would complete collaboratively. We began exploring this idea in early to mid-2021, and in that regard:
 - (a) Home Solutions employed Jonathan Coles, from May 2021 until February 2022, and he worked on marketing plans, processes and other systems to aid in this potential collaboration. He had an Element title but Home Solutions paid his wages and he worked exclusively on advancing this potential collaboration between the two companies. Ultimately, due to the Business being overwhelmed with the volumes of its regular work, and me and my management team being overwhelmed with our day-to-day functions as the Company's challenges increased, we decided to let this person go, and his last day was February 23, 2022; and
 - (b) Coy Beaton was hired by Home Solutions in the summer of 2021, but his compensation structure included potential commissions on sales for Element. This was also in connection with the potential collaboration between the companies, and he would have been the person who marketed the joint initiative, had we decided

to proceed with it. Coy Beaton never made any sales on behalf of Element, as we decided not to go forward with the collaboration.

149. We ultimately planned a pilot project at my father's (Jack Davidson) residence to try out the back-painted glass walls and what we would need to do to make this type of joint project a success. That job was started in late 2021, but was never completed due to my time being taken in too many different directions, with the refinancing and the other business challenges we were facing. Ultimately, because the work was never completed, the \$2,651.25 Home Solutions invoice for this pilot project was written off in early 2022. My father did not receive a benefit from this work; in fact, the opposite – because the work was never completed, my father now has to incur additional costs to finish the job.
150. James Fairbanks worked for Element prior to my purchase of Home Solutions. He joined Home Solutions in or about May 2022. Home Solutions never paid him while he worked for Element, but only paid him once he was a Home Solutions employee, for the work he did for Home Solutions.
151. No Home Solutions funds or resources were used to pay for goods or services that benefitted Element.

Alleged "Evasion" of Service

152. The allegation that I somehow evaded service is frankly ludicrous. I had no advance notice that PDP was suing me and I did not even know that PDP was trying to serve me personally with documents related to this action. My family and I have been on vacation in California since July 10, 2022. As noted above, we are returning to Calgary at the end of August, prior to the start of the school year for our children.
153. At approximately 2:30 p.m. (Mountain time) on July 14, 2022, PDP's legal counsel sent me the Mareva Order and the Statement of Claim in this action, via two emails. I promptly forwarded these emails to Chris Simard at Bennett Jones (within an hour and a half of receiving them on July 14). I am advised by Mr. Simard that:

- (a) on the afternoon of Monday, July 25, 2022, Mr. Simard phoned Michael Kirk at Miller Thomson LLP (counsel to PDP in this action) and advised Mr. Kirk that he was in the process of being retained by me, and that he expected to receive instructions to accept service of any documents on my behalf;
- (b) after Monday July 25, Mr. Simard and Mr. Kirk spoke every day that week, during which Mr. Simard confirmed his retainer and that he could accept service of any court documents on my behalf; and
- (c) on August 2, 2022, Mr. Kirk served Mr. Simard by email with filed copies of the Statement of Claim and Mareva Order in this action, and Mr. Simard accepted service on my behalf and on behalf of 208 (which retained Bennett Jones subsequent to me doing so personally). Attached as **Exhibit "40"** to this Affidavit is a true copy of Mr. Kirk's August 2, 2022 service letter.

154. I never "evaded" service or had any intention to evade service. On the contrary, as soon as I became aware of this action, I immediately contacted legal counsel, who then took the necessary steps to allow PDP to serve all documents efficiently and effectively.

155. I have no idea how Ms. Saliba, the process server whose Affidavit is Exhibit "G" to the Deacon Supplementary Affidavit, could honestly form an opinion that I was evading service. She attended at my parents' home in Calgary, where I do not live, at a time when they were away on vacation.

Alleged "Further Dissipation" of my Assets and Seeking to "Flee the Jurisdiction"

156. I have fully explained above the reasons for, and the circumstances of, my and my wife's sale of the Montana Cabin.

157. In response to Deacon's speculation that my Montana realtor referred me to an accountant with cross-border experience means that I intend to "flee" the jurisdiction, that is ridiculous. I asked my Montana realtor for this referral so that I could get advice as to my wife's and my obligations with respect to U.S. taxes, arising from the sale of the Montana Cabin.

158. I am disturbed that PDP appears to be conducting searches of my personal, private, non-business communications. Those communications have nothing to do with Home Solutions business, even though they may be stored on a Home Solutions server.

New Allegations Regarding the Company's Inventory

159. In response to paragraphs 34 and 35 of the Deacon Supplementary Affidavit, it is correct that the Company's accounting team considered implementing a simplified inventory accounting system in early 2022. This is because it was clear to us that the existing system was mis-reporting the Company's inventory levels, as I have discussed extensively above. The "Business Central" application that we had implemented by March 2021 was not accurately reporting the Company's inventory, as discussed above.
160. As a result, the accounting team considered implemented a more simple and straightforward manual inventory tracking spreadsheet, under the control of a single employee, Scott Nalder. We ultimately never implemented this new system, given the demands on the Business. Instead, from late 2021 we had reverted to using the inventory reporting system that had been historically used by the Company: estimating inventory as 30% of sales figures, until a full physical inventory count could be conducted to establish an accurate baseline for inventory levels. Throughout the relevant time period, the Company's inventory levels as reported in its system remained unreliable. That is why, as noted above, we warned various parties about the accuracy of the Company's reported inventory.

TRANSFER OF ACTION TO JUDICIAL CENTRE OF CALGARY

161. I live in Calgary, Alberta. 208's registered office is in Calgary, Alberta. None of the parties to this litigation are located in Edmonton, Alberta. All the events described in the Deacon Affidavit took place in Calgary. Home Solutions operated its business out of a head office in Calgary, and almost all of its employees were located in Calgary (as noted above, approximately 85 were based in Calgary, and only 5 were based in Edmonton). Home Solutions is now represented by a bankruptcy trustee and a receiver who are both based in

Calgary. PDP is represented by a law firm with an office in Calgary, and PDP's Calgary counsel has been actively taking steps on its behalf throughout 2022.

162. Substantially all of the witnesses who will be required to give evidence when this matter proceeds to trial are located in Calgary.
163. It is neither reasonable nor convenient for this litigation to proceed in the Judicial Centre of Edmonton; I request that this litigation be transferred to the Judicial Centre of Calgary.

RELIEF SOUGHT

164. As set out herein, it is my view that PDP's conduct in bringing this litigation and obtaining the Mareva Order against me is spurious and malicious, and is an effort to find a scapegoat for PDP's and Deacon's own failures. I respectfully request that the Mareva Order be set aside and discharged.
165. In the alternative, if for any reason the Court decides to extend the Mareva Order beyond its expiry, I request an Order confirming that I may use my interest in the proceeds of sale of the jointly-owned Family Home and Montana Cabin for ordinary living expenses, and for the costs of defending this Action.
166. I anticipate that my family's living expenses will be approximately \$8,860 per month. I am advised by my legal counsel that the estimated cost of applying to set aside the Mareva Order could be between \$80,000 and \$150,000.
167. The time and expense of applying to set aside and discharge the Mareva Order, and oppose any application by PDP to extend the Mareva Order has been significant and extremely disruptive. Even if PDP does not apply to extend the Mareva Order, the allegations PDP and Deacon have made against me are so egregious and potentially damaging to my reputation – particularly considering the allegations of fraud and fraudulent misrepresentation - that it has necessitated a fulsome and extremely detailed response. I seek solicitor-client, full-indemnity costs of this application to set aside and discharge the Mareva Order, and of responding to the Mareva Order and any application to extend it, against PDP and Deacon personally, and payable forthwith.

Jeff and Alyssa, we (Home Solutions and DWA) managed to get through a significant amount of the questions you passed along last week.

Please find the updated document attached.

A few things to note:

- Highlighted portions still need some work
- The discussion today and site visit next week should help round out more of the discussion around things like equipment maintenance, business strategy, capital spending, etc.
- We have attached corresponding files that should support some of the answers

Overall this feels like a decent starting point and should set the stage for a more in depth discussion today. Thanks and talk to you in an hour.

FINANCIAL

- Statements/Documents:
 - Are draft FY21 accountant prepared statements available? Please provide once they become available.
 - [These are anticipated shortly, there was a slight delay but will pass them along once they are available](#)
 - TTM FY22 internal statements (FYTD 2022 with prior year FYTD 2021 period)
 - [Details in File: Fiscal 2022 YTD \(as of July\)](#)
 - Updated pipeline report, including contract, revenue, and margin information
 - [Details in file: Sales Orders as of Sept 20, 2021](#)
 - [Notes: sales order dates will fluctuate based on requested install dates by the builders. This is also not all the future jobs as we only currently enter the upgrade appointments and orders are written up at most about 1-2 weeks in advance of installation date.](#)
 - [At the bottom of the spreadsheet relates to the multi family contracts we know we have been awarded.](#)
 - [There are a few developers that won't award the project until a few weeks prior to the start so we are often in the dark until the last minute. We are working on improving that sightline](#)
 - [Average gross margin is between 73-76% after recovery is taken into account](#)

Income Statement

- Understanding that revenues can be lumpy depending on number and size of contracts each year, can you provide some specific details on the revenue fluctuations:
 - Revenue: What caused the revenue decrease in FY16 (\$22MM to ~\$15MM)? Assuming this is a delayed effect from oil price crash in late 2014/2015
 - [Partially related to the oil price crash and the timing of multifamily construction.](#)
 - [There were many projects on the go in the Calgary market at this time and given the timing of when those projects were wrapped up the result was an over built market that the city needed to absorb in order to be in a better position.](#)
 - Revenue: What caused the revenue decrease in FY17 (\$15.8MM to \$12.9MM)?

- While we don't have the specifics as they relate to Home Solutions, overall, the market was still soft on the back of weakness in the oil market.
- Given the prolonged effect, builders were electing to not build spec homes at the time. Back then, Home Solutions also was almost exclusively dependent on the builder market. Although a long process, we are starting to see success behind our efforts to diversify our sales mix through a combination of commercial, multifamily and renovation orientated products.
- Revenue: What caused the revenue increase in FY18 (\$12.9MM to \$15.3MM)?
 - Given relative market weakness in the prior 3 years, there was a significant amount of pent-up demand for new homes and the overall homebuilding market. We started to see the growing building permit numbers during this period as the economy stabilised. The first half of 2018 saw roughly a 50% increase in housing starts in the city versus the same time period in 2016.
- What caused in the increase in commercial work in 2020 and 2021?
 - This wasn't an increase in commercial work per se, the change was directly related to a change in how we classified the sales. Although Home Solutions did hire a commercial salesman with the focus to grow our commercial sales.
 - Home Solutions had to back off on this in the fall of 2020 due to the booming COVID housing market in Calgary and Edmonton.
- Gross Margin: What causes fluctuations in gross margin? Do certain types of jobs or products carry higher/lower margin? Does job size impact margin? Please elaborate on these dynamics.
 - The fluctuation is mainly due to the historical accounting system and accounting practices. You will see a more consistent set of monthly numbers going forward.
 - Having said that, there is a significant margin difference in builder vs retail. Retail is our highest margin and depending on the size of the builder (larger builders receive better discounts) the margins are higher or lower. It is worth noting that any of the clients that come to us for upgrade appointments get the higher side of the markups.
- Bad Debts: Can you provide context on the \$27.5K and \$58K of bad debt expense in FY18 and FY19, respectively? Which customers, what happened?
 - We don't have the specific details as those were before Andrew owned Home Solutions but there are always some contracts that don't pay out.
 - We have added a full time Accounts Receivable role recently and have instructed them to follow a much stricter set of guidelines regarding collections and timing of when an account is put on hold.
- Did Simple Spaces benefit from any government wage subsidy in FY20 and/or FY21 due to COVID? If so, how much? (didn't notice any in the FY20 FS, but perhaps they received in FY21)
 - No Government subsidies were received as Home Solutions did not meet the decrease in revenue requirements that typically allowed a company to receive such benefits.
- Opex: FY21: what caused the significant reduction in repair and maintenance expense?
 - Home Solutions management started looking for lower cost alternatives to some of the maintenance that was performed in the past. In conjunction, the company also reduced the number of trips out for technicians due to the restrictions during COVID as some companies wouldn't send technicians unless it was absolutely necessary.
 - Maintenance of the equipment is up to date and as a result of better maintenance management, Home Solutions anticipate they will stay in the range in fiscal 2022 as was seen in fiscal 2021.
- Adjustments: the adjustment "management team restructure" – does this amount reflect the severance costs? Or is this something else?
 - The amount reflected relates to all severance costs

- Adjustments: for FY19, would it be possible to obtain the actual salaries and bonuses paid to the previous management in this year? We understand the model currently uses FY18 as a proxy (and adjusted for 8 months due to the mid-year sale).
 - Grant speaking with Alyssa on September 20, 2021
- Adjustments: can you explain “vehicle normalization” – one time purchase of a work vehicle?
 - Under the purchase agreement, the sellers’ vehicles were to be contractually kept until 2021. This has now ended and all associated vehicles are no longer Home Solutions responsibility

Balance Sheet/Other

- Working Capital
 - Accounts Receivable:
 - AR days outstanding increased in FY18 – is there any explanation available? If not, generally, would this likely be attributed to a delayed project?
 - This was before my time but generally from what I have been told AR could fluctuate up and down if it got too far the owner would step in and get AR cleaned up. We are trying to get this into a more consistent process instead of waiting for it to get out of control.
 - Are holdbacks included in the AR balances? Are most 90+ day balances attributed to holdbacks? Are typical holdback terms always 10% of the project value, or can they vary?
 - Yes, holdbacks are in the AR amounts and some of the 90 day plus are attributed to holdbacks but not all.
 - The homebuilder industry is notorious for dragging out payments but with certain supply chain constraints and our Home Solutions purchasing power, Home Solutions is in a better position to pressure builders to clean up their amounts owing.
 - 10% is the set amount as that is the legislated number companies and home owners can hold back until the job is substantially complete
 - You’ve mentioned that builders tend to delay payments: what is driving this dynamic? Is it just the builder exerting power or do they delay payments based on cash flow issues? (understand you may not have line of sight to this)
 - Mostly exerting power, this is something we are working on changing to the extent Home Solutions can.
 - Inventory:
 - What is the typical inventory breakdown between glass, wood, other products?
 - Typically the inventory sits at 60% glass and 40% shelving (wood products, wiring, etc.)
 - Can you provide details on the ordering and manufacturing timelines?
 - Traditionally on the bigger dollar items like glass and wood, Home Solutions would order no more than 1-2 weeks worth of product.
 - Wire can be stretched out a bit with Home Solutions holding 2-4 weeks of product.
 - Hardware can fluctuate wildly as it is largely driven on trends on what is selling.
 - If Home Solutions was in a better cash flow position over the last couple years the company could have bought some hardware items in bulk to help drive costs down.
 - What is the timeline for the new inventory management system?

- The basic system is set up and running (bugs to work out and people to train better) but the bar-coding system will depend on the refinancing and the time to research the right software to use for the company. Andrew anticipates it will be fully operational in roughly 6 months.
- Inventory run up in FY21: you previously said that the higher inv balance is due to both higher volumes of work and due to inaccurate inventory accounting by a junior accountant. Can you verify the potential accounting error?
 - The February 2021 inventory number is fairly accurate as at that time we were working on 2 large projects in BC and the builders sales were very strong.
 - The increase seen in April has not been fully flushed out yet but the obvious issues we have seen are related to bad entries on the unit of measurement for certain products. This will be rectified in the next few weeks and properly reflected in the 2021 accountant statements.
- Accounts Payable:
 - What are your typical AP terms with key suppliers?
 - Typically, 30 days.
 - Again, with the cash constraints Home Solutions has had in the last year and a half they have not been able to leverage their size as much as they would have liked.
 - The plan is to improve and build out relationships first, then push for more favourable payment terms. It has been important to be a good payer right now given some issues we have seen with the supply chain on certain products
- Prepaid Expense: In a previous email, we asked about the \$811K prepaid expense balance in FY21 and you mentioned it was a sales accrual: was there a reason this was accrued to a prepaid expense and not AR?
 - This was a mistake by the accountant, we have confirmed the accrual is accurate just entered into the incorrect spot. That is set to be rectified
- Capex: we understand we have asked about this quite a bit, but our Investment Committee has urged us to fully understand capex needs. We can address this during the plant tour as well.
 - Can you explain the capex forecasts: are the \$172/100K projected annual amounts for purely maintenance capex? What maintenance needs to be done or what replacements need to be made?
 - This will be easier to explain on the plant tour, but our current equipment accomplishes what we need it to
 - To be expanded upon on the due diligence call with PDP and subsequent site visit
 - Are there any machines Simple Spaces currently does not have that could be purchased to improve efficiency or build out their product offerings?
 - Yes, there is equipment that would really enhance our product offering, and significantly increase revenue:
 - Shelving
 - Wire shelving welding line and powder coating line (could drop our costs of wire by 25-40%) (\$700,000 for welding line, \$400,000 for power coating line). These would qualify as “Dream purchases”
 - Thermofoil machine to wrap our own doors and drawer fronts this will reduce our time to wait for product and decrease our costs on those items (\$100,000)
 - Glass

- A back painting line for glass, opens up a new market for large format wall panels in showers and other applications (\$300,000)
 - A 2nd digital templating device (\$25,000)
- Can you provide details about the two \$800K VTBs? Terms, interest, security, etc.?
 - Two \$800,000 VTB's, 10% annual interest paid quarterly, principal repaid \$500k in months 24, 36, 48, and \$100k in month 49.
 - Security includes a share pledge and GSA with subordination expected to a senior lender.
 - See pages 43-73 of the Share Purchase Agreement for details.
- FY19 cash flow: We will need to build out the FY19 cash flow statement. We will require:
 - Opening balance sheet from the acquisition in 2019
 - April 2018 internal income statement and balance sheet
- FY21 cash flow: We were unable to fully reconcile the cash flow statement for this year – off by about \$414K. Assuming this is due to adjustments that may need to be made on the internals?
- Can you provide a breakdown and names of third party (21%) investors?
 - Details in file: Home Solutions Ownership Breakdown

OPERATIONAL

Company and Operations

- Jobs/Contracts:
 - Are all jobs governed by contracts? What are typical terms?
 - Only the multi-family jobs are governed by contracts
 - Details in file: Multi-Family Simple Spaces Example - Signed
 - Can you provide a sample contract?
 - Details in file: Contract Documents – Home Solutions
 - Are all contracts won through a bidding process? (if not, how else? direct request?)
 - Mostly the multi-family are won through a bidding process, but some are purely relationship based/direct request
 - Do you have details on Simple Spaces historical bid-win rate?
 - We do not have a breakdown at this point but a rough estimate would put it in the 40-50% range for multi-family projects that fall under contract
 - How far in advance does Simple Spaces get contracts? This was discussed on the phone a bit, but can you provide approximate timelines for most work and estimate what % of work is “last minute”?
 - The average amount of heads up from builders tends to be 45 days prior to the job start.
 - Given supply chain issues, this is something that we are working on improving through communication and education with our clients. The more heads up they can give us improves the outcome and better positions us to pass along saving to our clients as an incentive to provide us more lead time on projects.
 - How many contracts does Simple Spaces complete each year (on average, or range)?
 - Roughly 7,000 showers were installed
 - About 450,000 feet of wire
 - About 330,000 sqft of mirror
 - Roughly 20-30 multifamily projects in any given year and those vary in size from \$20,000 - \$300,000

- What is the average range of contract values?
 - Only speaking to multi family given it is the contracted work. The range sits in the \$20,000 – \$300,000 dollars
 - For an install per unit, it averages around \$1,300 dollars but that is across all product types with wire install bringing that average significantly down.

- Do you have any data or spreadsheet available with all contracts, revenue, and margin by contract?
 - Details in file: Top customers by Sales Totals
 - The spreadsheet breaks out revenue per builder/project or client.
 - We unfortunately do not have a margin per client breakdown at this time. This is expected to change with the new system

- Pricing:
 - Can you provide details on your pricing and estimation processes? What factors are considered when pricing a job?
 - Generally, we price things out in 3 ways
 - Commercial
 - This relates to the medium to large builder. These clients are priced generally based on how quick they pay their account and how easy they are to deal with
 - We also include things such as how often their sites are not ready for us when we come to install or measure
 - Multi-family
 - These are priced out similar to the commercial jobs but also take into account site access and storage ease.
 - We also consider past track records with functioning elevators or skips.
 - Retail
 - This is priced at the highest level we can get away with and we also have a strategy to not be beat on any retail job by Regal glass and YVC glass.

 - Further details about the company's ability to pass along price increases to builders: can you provide an example of when raw materials prices increased and the builder accepted a higher price?
 - When we get a price increase, we will pass that along to our retail and small builder clients almost immediately.
 - We did hold off on an increase this January as we were concerned the market wouldn't accept it due to COVID but by March 15th we implemented a 15% price increase and have had others since then
 - For the large builders we generally need to give them 30 to 60 days notice then it is for PO's released at that date. The time lag is roughly 3-5 months depending on how fast they pay.
 - In a normal market we can get 1-3 percent a year without much issue. Some builders are understanding and will take increases immediately others will hold the line, which drives a more nuanced conversation.

 - What are your key materials inputs? How have prices fluctuated?
 - Key inputs are 1) glass, 2) wood and, 3) wire.

- Prices have seen upward pressure this year with each of these inputs increasing 10-20% year to date
- Manufacturing
 - Can you provide a capacity % estimate at the current revenue levels?
 - **Glass** - we are at roughly 40-50% capacity in the 15 million of revenue range. We can run a second shift if needed (staffing and material storage would need to be sorted out)
 - **Wood** - we are roughly 35% of capacity. We would add a second shift and more staff to ramp that up, but storage would need to be addressed
 - **Wire cutting** - not hard to ramp up but storage would need to be addressed. Since we don't make our own it is a low-cost step to add a cutting station.
 - Can you provide details on the manufacturing flow? Can you also provide details on quality assurance processes?
 - **Best to review this on the plan tour it will make more sense**
- Employees:
 - Can you provide a organizational chart?
 - **Details in file: Home Solutions – Organisational Chart**
 - Who is responsible for the financial management of the company? What responsibilities does John Banfield have? Elena Alain? How involved is Andrew?
 - **New accounting person is Andrew Sheer – his resume is in the works**
 - Can you provide resumes for Andrew & Elena?
 - **Can provide Andrew's, not sure Elana's is all that relevant given her role**
 - Are employees unionized?
 - **No**
 - How many subcontractors does Simple Spaces typically use? Are contractors used to fill temporary labour gaps?
 - **Not many sub contractors, most are employees. In the current market the subcontractors are extremely busy with their own work so not many opportunities to use them to fill gaps.**
 - Do you have any information regarding employee tenure available? Specifically for manager positions? An average tenure figure?
 - **Given management turnover from the old management team, tenure is short. Working on specifics.**
- Showroom: Can you provide some high-level details on the showroom? How long has this been open? Which customers typically visit the showroom (builders or individuals looking for renos)?
 - **Simple Spaces has had a showroom for many years, the current one has been around for roughly 6 years. We are constantly updating displays and products**
 - **Currently the following builders send their clients for selections (not exact list but close)**
 - Cardel
 - Morrison
 - Baywest
 - Crystal creek
 - Mckee homes
 - Jansen homes
 - New west
 - Westcreek

- A bunch of small renovators
- Retail clients (this is a big area of growth)
- Warranty: Can you provide details on warranty terms and any historical warranty trends?
 - We offer a 1 year warranty but the manufacturer in some cases like wire will offer a lifetime warranty on their finishes.
 - Details in file: Warranty and Care information
- Product information: Revenue and margin by product (showers, shelving, etc.)
 - Can you provide the COGS by type information for FY20? Seems to be missing from the Model (Monthly Info tab)
 - Unfortunately, this is not possible right now and is one of the main reasons we are shifting to a new system.
 - The old financials were an educated guess on the product split. The new system will be able to report this
- Can you provide details on the Edmonton office (closed in FY21)?
 - Where do the employees listed under “Edmonton” now work? Are they still with the company?
 - Edmonton office is not “closed” but is amalgamated with the Calgary office for reporting purposes.
 - Home Solutions currently has both installation individuals and a sales manager in the Edmonton office as they are continuing to seek expansion opportunities in the market
- Strategy: Brief overview of growth strategies, plans, etc.
 - This is to be discussed in more detail with the visit, but here is the near-term focus:
 - **Retail expansion in Calgary and Edmonton** – There market is characteristic of higher revenue and more payment upfront, (75% prior to job starting) which is a nice compliment to some of the longer payment timelines associated with builders and multi-family projects
 - **Small US expansion** – particular opportunities exist in both Montana and Idaho. Very underserved area of the US and no one with the manufacturing and installation ability. There are higher prices being charged in those markets, possible market for an acquisition that will allow Home Solutions to add the staffing and labour side of install right away.
 - **Multifamily projects outside of Alberta** – this will help further diversify but not require permanent offices and staffing in the early days
 - **Online sales** - significant opportunity exists for closets and glass products to have a component of online sales, of which we are currently doing none.
- Transition:
 - You have provided many details on the changes made with respect to staffing, accounting systems. Have there been any other changes implemented (to manufacturing process, sales process, etc.) since the acquisition that you would like to highlight?
 - THIS WAS NOT TOUCHED ON YET

Customer and Suppliers

- A list of the top 10 clients and the percentage of sales they represent (historical, each year for 3 years)
 - What is the relationship tenure for key customers?
 - Details in file: Top Customers by Sales Total (need to add more years)
 - Given the Calgary homebuilder market and Home Solutions’ positioning in the market, the company deals with all of the top home builders and has since company inception.

- Can you indicate the % of revenue by type of home: low rise single family, low rise multi family, high rise multi family?
 - The new system will be able to break this out a bit better, rough estimate would peg the breakdown as 40% multi-family and 60% is single family

- Has Simple Spaces completed any commercial work? Details?
 - Yes. The company has done interior partition walls for a handful of jobs per year. It is not a meaningful contributor of revenue at this stage but it is an area we planed on pushing sales into
- Can you confirm the % of renovation work completed?
 - Please clarify your question. Do you mean renovators we work for or our own renovations?
- A list of top 10 suppliers, what you source from each supplier, and the percentage of COGS they represent (historical, each year for 3 years)
 - Details in file: Top Vendors by Purchase Totals (need more history here)
- Can you provide details on supplier dynamics and relationships?
 - The dynamics are generally ok but they have been strained in the last year with our delayed payments due to cashflow issues.
 - Thankfully, they recognize our size and market positioning. We are confident we will be able to repair those quickly and look for alternative options as well now having lived through the supply chain issues we have seen.
- Does the company take advantage of any quantity discounts, etc?
 - With the financial reset Home Solutions will be able to apply more time towards this. There is much more the company can do to drive certain prices down but it largely untapped at this stage.

Historical Challenges

- Post-Close Working Capital Sweep
 - Could you provide a copy of the original Purchase and Sale agreement?
 - Details in the file: Home Solutions Corporation – Share Purchase Agreement
 - Can you provide details – did they just take the cash out of the accounts? How much?
 - The original owners sped up the accounts receivable to the tune \$1.2-\$1.4 million dollars.
 - This was kept fairly hidden until the original accountant was removed.
 - The board of directors and Andrew Davidson were originally lead to believe this was about \$600,000 dollars so we settled with a payback of roughly \$285,000 dollars since we felt the legal costs and the possible reputational damage the previous owners could cause would be more costly. Then since they were the landlord we were concerned they could cause us more damage by locking us out of the facility.
 - Was there no working capital peg negotiated?
 - The deal stated that the business was to be within 1% plus or minus of the August 2019 financials.
 - Who was the Advisor you worked with on the purchase?
 - No
- Data Breach:
 - Can you confirm if this happened in 2019 or 2020? CIM mentions 2019, but there is a chart on page 11 which indicates 2020.

- The data breach occurred in September 2019. The costs of the breach and the repair rolled in throughout 2019 and into 2020 calendar years but the breach occurred in fiscal 2020.
- What exactly happened here? Invoices were lost when the system was breached, and then there was no other record to know who hadn't paid? Then no customer paid because lack of invoices?
 - Loss of data, that we believe was recovered through paper processes but not for certain. Then the transition to a new accountant caused loss of continuity and how things were being done. So instead of spending significant time finding out what was being done TD advised we move on.
- ☐ Terminations
 - Can you provide the severance amounts paid to each terminated employee?
 - Richard Thivierge \$18,000
 - Tanya Hayes roughly \$70,000
 - Darcy craig roughly \$38,000
 - Gavin spate (still in legal proceedings)
 - Are there any further terminations expected?
 - Not for management, anything else will be regular course of business

ESG FACTORS

- ☐ Describe any employee health and safety standards, training, and processes
 - We are COR certified
- ☐ Does Simple Spaces have any policies relating to ESG (environmental, social, governance) factors?
 - We are COR certified, but do not have specific policies around social issues, other than treating people fair and providing a safe place to work
- ☐ Does Simple Spaces have any written supply chain standards?
 - Not at this point
- ☐ Does Simple Spaces have any standards relating to manufacturing waste/disposal/other?
 - All of our products that can be recycled are recycled.
 - This would include all of our clear glass, as well as the wire and metal products
 - Mirror can not be recycled at this point
- ☐ Can you provide details on the Board? (members, frequency of meetings, etc.)
 - Generally, we meet once a quarter, given the financial pressures we have been meeting as needed, so roughly every 2-3 weeks.
 - The board provides good support and advice but they look to me for the direction of the company and insights into our side of the market.
 - There are 6 members of the board
 - Mark Fairbanks
 - Jack Davidson
 - Richard Steel
 - Jeff Dawes
 - Justin Palmer
 - Kendal James

PROFESSIONAL EXPERIENCE

Cardel Homes

VP sales and marketing

Oct 2013- April 2018

- This is my current role within the organization and thus far has been a great learning opportunity. We have been able to test and implement various marketing tools and strategies to increase our show home traffic. As a whole our quality of prospect has increased.
- Within this role I also took the renovation department back over and had tasked the team with a lofty goal of doubling our revenue to 5 million. This goal was attained but the ownership decided to no longer pursue renovations.
- In addition to the sales team both the design center manager and staff and the marketing and charity team report to me.
- I head up our product development team, this team is responsible for the new housing types that we bring to market and they are also responsible for new products that make their way into our homes.
- In this role I also manage our show home committee. This group is responsible to ensure that our model choice and interior design are the best product for that market we are entering. They also ensure timely production of those models.
- Given our current focus on expanding our land development business I am also involved with our president and consultants on bringing these communities to market. I am heavily involved with the community design and housing types that we are planning on building into our new areas.
- I also focus a portion of my time maintaining current developer relationships.

VP product development and acquisition

Oct 2012- Oct 2013

- This opportunity developed out of a strategy meeting, over my career I made sure that I was always prepared or at least willing to take on roles that would expand my knowledge of the industry. So as this came up I knew it was a critical step in my overall education and training so I took it on.
- At this point the executive group felt it was critical for us to start acquiring our own land and developing it as we do in Denver and Ottawa. We saw the shift happening towards a builder developer type city and decided to move aggressively after that structure.
- In the short time I was in this role Cardel acquired Shawnee slopes the premier inner-city project
- I was also able to assemble roughly 130 acres of land in the east Silverado area.
- We have also partnered in one other development and have 2 others in due diligence.
- I also gained some critical experience in dealing with the City of Calgary and its officials.
- This proved to be a busy year but extremely rewarding.

VP business development

2010- 2012

- The business development role also developed out of an executive strategy meeting where the team felt that we needed to look at some alternative business opportunities that were still in our wheel house.
- In this role I started our inner city division; we peaked at roughly 30 sales a year with this division prior to the market shift and our hiatus from that product.
- I also started our renovation department in this role as a test project and we have now moved forward with this department as a fully funded and supported group with sales in excess of 5 million in the 2014 year.
- I gained a lot of knowledge in this position, I learnt a lot about starting new businesses and the critical need to properly fund a new venture at the right time. And about having the right people in the right roles.
- This department also taught me the importance of knowing when to cut your losses and to not take it personally. It's better to recognize your failures and to learn from them than to have your failures define you.

VP operations

2009- 2010

- Given my success managing designs and warranty I was asked to take over the VP of operations role. This entailed oversight with the following departments, designs, warranty, estimating and drafting.
- With this broad range of experience I was able to keep our in office time frames to 60 days or less.
- The added volume again taught me the importance of developing a strong management team, for the company to truly succeed we needed a team of managers that could rise above the average expectations.

VP designs and warranty

2008- 2009

- At this point we were just coming down from the housing boom and the warranty department was in need of some rework. Since I had some detailed experience working directly with the customer and with the warranty team I was asked to take over that department as well. At that point I was made a vice president and joined the executive team overseeing the Calgary single-family operations.
- This was my first experience managing more than one department, and I grew greatly in this role, I really had to understand the need to balance my time with both groups and to ensure that I did enough follow up without micromanaging.
- With this experience I learnt the critical skill of consistent follow up and reporting

Design center manager

2005- 2008

- This opportunity arose as the design center was on the edge of being shut down. The department was not producing returns and appeared to be more trouble than it was worth. So I was asked to come back to the department as the manager to give it one more attempt.
- Managed a team upwards of 12 designers and 4 coordinators.
- I took the department from 2 million in sales to 24 million.
- Customer satisfaction improved to 90% being fully satisfied.
- I was able to reduce our number of days in the design process from over 2 months to 40 days (any quicker and we saw a significant drop in satisfaction)
- Was able to implement systems for improved communication between departments.

Warranty manager

2004- 2005

- Significantly Reduced the number of outstanding warranty items
- Reduced the number of days it took to address each item.
- Was able to come in under budget while maintaining good customer service.
- Implemented a more hands on warranty team process where the technicians would take care of the simple items and back charge the trades for the time or supplies used.
- Was able to understand quality expectations right from the end user, this has enabled me to make better decisions on new products and how those products should perform

Designer

2003- 2004

- After working as a coordinator I was provided a chance to take on clients of my own and manage them through the interior selections for their new home.
- This role allowed me to really understand what the clients' expectations were and how to properly work within those and also to reset them if needed.
- I was also able to learn the intricacies of working in a department that is essentially the hub of the company, all departments either flow into or out of the interior design department.

Design center coordinator

2000-2003

- This was a new role that I pioneered for the company. The intent was to preview clients through the center to better educate them why our specification was better. 80 percent of the clients I met with ended up purchasing a home through Cardel.

- I also supported the interior design team by coordinating their schedules, booking clients, maintaining the center and helping out with client selections.

Volunteer Missionary

Dec 1998- Dec 2000

- I spent 2 years in South Africa as a volunteer missionary spending time in the townships and working on varied charities. This experience allowed me to learn a lot about people and how to adapt myself to working with the highly educated and wealthy to the poor and illiterate.

Cardel Homes

June 1997- Dec 1998

Assistant to the president

- At age 17 I was hired to be the personal assistant to the president, the role progressed from purely personal support to responsibilities within the day to day business.

Review

Looking back over the years and the varied experience I trust you will see someone who has had a goal and a plan to reach that goal. My different roles were based on my overall plan to one day oversee an organizations entire operations. So as the different oppportunities came up it was an easy decision for me to make. I love the industry I work in and I am passionate about business.

These conditions are true conditions precedent to the completion of the transactions contemplated by this Agreement. If they have not been fulfilled at or before the Closing Time,

this Agreement will be terminated and the Parties will be released from all obligations under this Agreement.

ARTICLE 7 SURVIVAL AND INDEMNIFICATION

7.1 Survival of Covenants and Representations and Warranties

All of the covenants and representations and warranties contained in this Agreement and in any other agreement or document delivered pursuant to this Agreement, including this Article 7, will survive the Closing for a period of 12 months following the Closing.

7.2 Mutual Indemnifications for Breaches of Warranty, etc.

Subject to the remaining provisions of this Article 7, each Party agrees (and each of the Sellers jointly and severally agrees) that if it fails to observe or perform any covenant or obligation, or breaches any representation and warranty, contained in this Agreement, or in any other agreement or document delivered pursuant to this Agreement, it will indemnify and hold harmless the other Party and each director, officer or employee of the other Party from and against the full amount of any Loss that each may suffer as a result of that failure. Each Party also agrees to indemnify and hold harmless the other Party and each director, officer or employee of the other Party from and against the full amount of any Loss that each may suffer as a result of a Third Party Claim, even if that Third Party Claim is ultimately found not to be meritorious, or is settled with no verdict on its merits being reached.

7.3 Limitation on Mutual Indemnification

The indemnification obligations of:

- 7.3.1 the Sellers pursuant to Section 7.2 are limited to an amount equal to one-half of the Purchase Price in the aggregate for the first nine months after the Closing Date and a further one-half of the Purchase Price for the following nine months after the initial nine-month period, in the case of the Seller's breach of any of its representations and warranties contained in Article 3 or in any other agreement or document delivered pursuant to this Agreement, and any of its covenants contained in Article 5, provided there will be no limit with respect to a breach of Section 3.17;
- 7.3.2 the Buyer pursuant to Section 7.2 are limited to the sum of \$1,800,000 in the aggregate, in the case of the Buyer's breach of any of its representations and warranties contained in Article 4 or in any other agreement or document delivered pursuant to this Agreement, and any of its covenants contained in Article 5; and
- 7.3.3 each of the Seller and the Buyer pursuant to Section 7.2 are not applicable to indemnify an Indemnified Party unless and until and only to the extent that the

aggregate of all of its Indemnity Claims exceeds \$25,000, in which case, the Indemnifying Party will be obligated to pay the entire amount owing in respect of those Indemnity Claims, including the first \$25,000.

For certainty, nothing in Sections 7.3.1 or 7.3.2 will apply to limit the amount of damages that can be recovered under any claim with respect to a breach of the confidentiality, non-solicitation and non-competition covenants contained in the transitional services agreements contemplated by Sections 6.1.10.2 and 6.1.10.3.

7.4 Tax Indemnity

7.4.1 The Sellers will indemnify and hold harmless the Buyer and each director, officer or employee of the Buyer from and against any Loss that each may suffer as a result of any assessment or reassessment for taxes relating to the Corporation for any taxation year ending on or before the Closing Date, to the extent that the amount of taxes payable as a result of that assessment or reassessment exceeds the amount accrued as a liability for those taxes on the Financial Statements.

7.4.2 Despite Section 7.4.1, the Sellers will have no obligation under this indemnity for any assessment or reassessment arising from:

7.4.2.1 the execution and delivery by or on behalf of the Corporation of a waiver as provided for in subsection 152(4) of the ITA or any similar law, including under provincial tax laws unless the Seller consented to that waiver, which consent is not to be unreasonably withheld;

7.4.2.2 the post-Closing amendment of any tax return filed by or on behalf of the Corporation and for any taxation year ending on or before the Closing Date unless that amendment is consented to by the Seller, which consent is not to be unreasonably withheld, or any other action taken by the Buyer or the Corporation which has the effect of shifting income, deduction, credit, or allowance from one fiscal period to another fiscal period or between or among the Corporation and another Person that results in an increase in taxes for any taxation year or taxation period of the Corporation ending after the Closing Date which commenced before the Closing Date, including a period before the Closing Date;

7.4.2.3 a post-Closing change in any tax law or a post-Closing publicly announced or disseminated change in the policy of any Governmental Authority in administering any tax law; or

7.4.2.4 a post-Closing reorganization involving the Corporation which has the effect of creating a liability for taxes with respect to a period before Closing.

7.5 Additional Seller's Indemnity

The Sellers will indemnify and hold harmless the Buyer and each director, officer or employee of the Buyer from and against any Loss that each may suffer resulting from the termination of this Agreement under the terms of Section 6.2 up to a maximum of \$200,000 in total, if that Loss arises from the non-fulfilment or non-performance of the relevant conditions as a result of a breach of covenant, or representation and warranty, of the Sellers.

7.6 Additional Buyer's Indemnity

The Buyer will indemnify and hold harmless the Sellers from and against any Loss that each may suffer resulting from the termination of this Agreement under the terms of Section 6.4 up to a maximum of \$200,000 in total, if that Loss arises from the non-fulfilment or non-performance of the relevant conditions as a result of a breach of covenant, or representation and warranty, of the Buyer. The indemnity of the Buyer under this Section 7.6 shall be accompanied by a personal indemnity from Andrew Davidson substantially in the form attached as Exhibit 7.6.

7.7 Notice of Claim

If an Indemnified Party becomes aware of a Loss or potential Loss in respect of which the Indemnifying Party has agreed to indemnify it under this Agreement, the Indemnified Party will promptly give written notice (an "**Indemnity Notice**") of its claim or potential claim for indemnification (an "**Indemnity Claim**") to the Indemnifying Party. An Indemnity Notice must specify whether the Indemnity Claim arises as the result of a claim made against an Indemnified Party by a Person who is not a Party (a "**Third Party Claim**") or as a result of a Loss that was suffered directly by an Indemnified Party, and must also specify with reasonable particularity (to the extent that the information is available):

7.7.1 the factual basis for the Indemnity Claim; and

7.7.2 the amount of the Indemnity Claim, if known.

If, through the fault of the Indemnified Party, the Indemnifying Party does not receive an Indemnity Notice of an Indemnity Claim in time to effectively contest the determination of any liability capable of being contested, the Indemnifying Party will be entitled to set off against the amount claimed by the Indemnified Party the amount of any Loss incurred by the Indemnifying Party resulting from the Indemnified Party's failure to give an Indemnity Notice on a timely basis.

7.8 Time Limits for Notice

7.8.1 Subject to the remaining provisions of this Section 7.8, no Indemnity Claim may be made under Sections 7.2 or 7.5, unless an Indemnity Notice of that Indemnity Claim is delivered to the Indemnifying Party within two years after the Closing Date.

7.8.2 No Indemnity Claim arising out of a breach by the Seller of Section 3.17, or the indemnity obligations of the Seller under Section 7.4, may be made unless an Indemnity Notice of that Indemnity Claim is delivered to the Seller within two years of the last day upon which any of the relevant Governmental Authorities is entitled to assess or reassess the Corporation with respect to any tax, having regard to any waivers given by the Corporation in respect of tax, and any entitlement of a Governmental Authority to assess or reassess in the event of fraud or misrepresentation or attributable to neglect, carelessness or wilful default.

An Indemnity Notice of an Indemnity Claim with respect to the breach of the representations and warranties of the Seller contained in Sections 3.1, 3.2, 3.3, 3.4, 3.6, 3.22 and 3.27 may be delivered to the Seller at any time.

7.8.3 An Indemnity Notice of a Third Party Claim may be delivered to the Indemnifying Party in accordance with Section 7.7 at any time that the Third Party Claim arises.

7.8.4 An Indemnity Notice of an Indemnity Claim may be delivered to the Indemnifying Party in accordance with Section 7.7 at any time with respect to a breach of any of the Indemnifying Party's covenants or representations and warranties, if that breach is attributable to wilful default, intentional misrepresentation, or fraud. If the breach is attributable to wilful default, intentional misrepresentation, or fraud, none of the monetary limits imposed by section 7.3 will apply.

7.8.5 An Indemnity Notice of an Indemnity Claim may be delivered to the Indemnifying Party in accordance with Section 7.7 at any time with respect to the confidentiality, non-solicitation and non-competition covenants contained in the transitional services agreements contemplated by Sections 6.1.10.2 and 6.1.10.3.

7.9 Exclusive Remedy

7.9.1 Subject to Section 7.9.2, the rights of indemnity in this Article 7 are the sole and exclusive remedy through which an Indemnified Party may make any claim for any loss, liability, damage, cost, expense, charge, fine, penalty or assessment including the costs and expenses of any action, suit, proceeding, demand, assessment, judgment, settlement or compromise and all interest, punitive damages, fines, penalties and professional fees and disbursements,.

7.9.2 No Indemnified Party will make any claim for any form of relief not provided for in this Article 7, either in tort, contract, or equity, except that nothing in this Section 7.9 will prevent an Indemnified Party from seeking equitable remedies with respect to a breach of the confidentiality, non-solicitation and non-competition covenants contained in the transitional services agreements contemplated by Sections 6.1.10.2 and 6.1.10.3.

7.9.3 Nothing in this Section 7.9 will prevent the Sellers from beginning a proceeding in a court to enforce the Buyer's obligations under the Promissory Note, or from exercising any remedies available to it under the Pledge Agreement.

7.9.4 This Section 7.9 will remain in full force and effect in all circumstances and will not be terminated by any breach (fundamental, negligent or otherwise) by any Party of its covenants, representations or warranties in this Agreement or under any agreement or other document delivered pursuant to this Agreement, or by any termination or rescission of this Agreement.

7.10 Insurance Recoveries

Before an Indemnifying Party is required to indemnify an Indemnified Party for any Loss under an Indemnity Claim, the Indemnified Party must first make all commercially reasonable efforts to seek recovery for that Loss under any applicable insurance policies held by the Indemnified Party. The amount of any Loss under an Indemnity Claim will be net of any amounts actually recovered by the Indemnified Party under insurance policies with respect to that Loss, unless, having made all commercially reasonable efforts, the Indemnified Party has failed to recover any of those amounts within nine months after the Indemnity Claim arises.

7.11 Third Party Indemnification

To ensure that the indemnities provided by each of the Sellers and the Buyer to the other's directors, officers and employees are enforceable, it is agreed by the Parties that each of the Sellers and Buyer is acting as agent for its respective directors, officers and employees with respect to the indemnities intended to be given to those directors, officers and employees under this Article 7. Each of the Sellers and the Buyer agrees that it will hold any right to indemnification that any director, officer or employee of it is intended to have under this Article in trust for that director, officer or employee, and that funds received by the Sellers or Buyer in respect of any claims under this Article by any director, officer or employee of it will be held in trust for that director, officer or employee.

following which the Buyer will make payment of the Purchase Price in accordance with the provisions of Section 2.4 and the transfer of the Purchased Shares into the name of the Buyer and/or its nominees will be duly and validly recorded on the books of the Corporation. All documents and instruments that are required to be tabled at the Closing Time will be delivered and held in escrow until all such deliveries have been completed, all acts have been performed, all payments have been made and all Parties have agreed that escrow is terminated.

2. **Deposit Dispute**

- 2.1 Any Deposit Dispute which, under Section 2.2.3 is to be determined according to the terms of this Exhibit, will be arbitrated by any individual to whom the parties can agree. If the Parties cannot agree, the Arbitrator will be appointed by a judge of the Alberta Court of Queen's Bench, on the application of either Party, on notice to the other.
- 2.2 The Arbitrator will determine whether the failure to complete the transactions contemplated by the Agreement was the result of the Buyer's failure to meet its obligations under Section 6.3, and whether the Deposit should be returned to the Buyer, or forfeited and paid to the Seller as provided in Section 2.2.2.
- 2.3 The Arbitrator will issue written instructions on the payment of the Deposit by Seller's counsel in accordance with the terms of the Agreement, or to any court into which the Deposit has been paid pending resolution of a Deposit Dispute.

3. **General**

- 3.4 The law of the Province of Alberta will apply to the substance of all Deposit Disputes.

- 3.5 The arbitration will take place in the City of Calgary unless otherwise agreed in writing by the Parties.
- 3.6 The language to be used in the arbitration will be English.
- 3.7 The Arbitrator, after giving the Parties an opportunity to be heard, will determine the procedures for the arbitration of the Deposit Dispute, provided that those procedures will include an opportunity for written submissions and responses to written submissions by or on behalf of all Parties, and may also include an opportunity for exchange of oral argument and any other procedures as the Arbitrator considers appropriate. However, if the Parties agree on a code of procedures or on specific matters of procedure, that agreement will be binding on the Arbitrator.
- 3.8 The fees of the Arbitrator will be borne equally by the Parties.
- 3.9 The Parties intend, and will take all reasonable action as is necessary or desirable to ensure, that there be a speedy resolution to any Deposit Dispute, and the Arbitrator will conduct the arbitration of the Deposit Dispute with a view to making a determination and order as soon as possible.

The Buyer is the legal and beneficial owner of, and has good and marketable title to (and has full right and authority to pledge and assign) the Collateral, free and clear of all liens, security interests, options, or other claims, charges or encumbrances, except for the security interests granted in favour of Buyer's primary lending institution, as disclosed to the Sellers, and the security interests in favour of the Sellers under this Agreement.

3.3 Valid Security Interest

The delivery of Collateral to the Sellers is effective to create a valid, perfected, first priority security interest in that Collateral and all proceeds of that Collateral, securing the Obligations. No filing or other action will be necessary to perfect or protect that security interest (though the Pledgor acknowledges that the Secured Party may register at any time in its sole discretion a financing statement or other notice of the security interest granted in this Agreement under the PPSA or the personal property security legislation in any jurisdiction that the Secured Party considers appropriate, acting reasonably).

3.4 Authorization, Approval, etc.

No authorization, approval (other than has been obtained and delivered to the Sellers), or other action by, and no notice to or filing with, any Governmental Authority, regulatory body or any other Person is required either:

- (a) for the pledge by the Buyer of any Collateral pursuant to this Agreement or for the execution, delivery, and performance of this Agreement by the Buyer; or
- (b) for the exercise by the Sellers of the voting or other rights provided for in this Agreement, or the remedies in respect of the Collateral pursuant to this Agreement, except as may be required in connection with a disposition of the Collateral by laws affecting the offering and sale of securities generally.

3.5 Compliance with Laws

The Buyer is in compliance with the requirements of all applicable laws, rules, regulations and orders of every Governmental Authority, the non-compliance with which could reasonably be expected to have a material adverse effect on either the business, properties, assets, operations, condition (financial or otherwise) or prospects of the Buyer or the value of the Collateral or the worth of the Collateral as collateral security.

3.6 Survival of Representations and Warranties

All representations and warranties made by the Buyer in this Agreement are material, will be considered to have been relied on by the Sellers and will survive the execution and delivery of this Agreement or any investigation made at any time by or on behalf of the Sellers and any disposition or payment of the Obligations until repayment and performance in full of the Obligations and termination of all rights of the Buyer that, if exercised, would result in the existence of Obligations.

ARTICLE 4 COVENANTS

4.1 Protect Collateral; Further Assurances, etc.

The Buyer will warrant and defend the right and title granted to the Sellers in and to the Collateral (and all right, title, and interest represented by the Collateral) against the claims and demands of any other Person. The Buyer agrees that it will, at any time and at its own expense, promptly execute and deliver all further instruments, and take all further action that may be requested by the Sellers in order to perfect and protect any security interest granted or purported to be granted by this Agreement, or to enable the Sellers to exercise and enforce its rights and remedies with respect to any Collateral.

4.2 Stock Powers, etc.

The Buyer agrees that all certificates evidencing shares of capital stock constituting Collateral will be endorsed to the Sellers, endorsed in blank for transfer, or accompanied by duly executed undated blank stock powers, or other equivalent instruments of transfer acceptable to the Sellers. The Buyer will, upon the request of the Sellers, promptly deliver to the Sellers any stock powers, instruments, and similar documents, satisfactory in form and substance to the Sellers, with respect to the Collateral as the Sellers may request and will, upon the request of the Sellers after the occurrence of any Default, promptly transfer any Purchased Shares or other shares of common stock constituting Collateral into the name of the Sellers or any nominee designated by the Sellers.

4.3 Continuous Pledge

Subject to Sections 2.3 and 2.4, the Buyer will, at all times, keep pledged to the Sellers all shares of capital stock constituting Collateral, all Dividends and Distributions with respect to that Collateral, and all other Collateral and other securities, proceeds, and rights from time to time received by or distributable to the Buyer in respect of any Collateral.

ARTICLE 5 SECURED PARTY

5.1 Sellers Appointed Attorney-in-Fact

The Buyer irrevocably appoints the Sellers the Buyer's attorney-in-fact, effective upon the occurrence of a Default, with full authority in the place of the Buyer and in the name of the Buyer or otherwise, in the Sellers' discretion, to take any action and to execute any instrument which the Sellers may deem necessary or advisable to accomplish the purposes of this Pledge Agreement, including:

- (a) to ask, demand, collect, sue for, recover, compromise, receive and give releases and receipts for moneys due and to become due under or in respect of any of the Collateral;
- (b) to receive, endorse, and collect any drafts or other instruments, documents and chattel paper, in connection with clause (a) above;
- (c) to file any claims or take any action or institute any proceedings which the Sellers may deem necessary or desirable for the collection of any of the Collateral or otherwise to enforce the rights of the Sellers with respect to any of the Collateral; and
- (d) to perform any act which the Buyer agrees to perform under this Agreement, but fails to perform after being requested to do so in writing (it being understood that no such request need be given after the occurrence of a Default) and take any other action which the Sellers deems necessary for the maintenance, preservation or protection of any of the Collateral or of its security interest in the Collateral.

The Buyer acknowledges, consents and agrees that the power of attorney granted under this Section is (until termination of the security interest pursuant to Section 2.3 of this Agreement) irrevocable and coupled with an interest.

5.2 Reasonable Care

The Sellers are required to exercise reasonable care in the custody and preservation of any of the Collateral in its possession. The Sellers will be deemed to have exercised reasonable care in the custody and preservation of any of the Collateral, if it takes such action for that purpose at the written request of the Buyer, which request cannot be made upon the occurrence of any Default, but failure of the Sellers to comply with such a request will not in itself constitute a failure to exercise reasonable care.

ARTICLE 6 REMEDIES

6.1 Certain Remedies

If any Default has occurred:

- (a) the Sellers may exercise in respect of the Collateral, in addition to other rights and remedies provided for in this Agreement or otherwise available to it, all the rights and remedies of a secured party on default under the PPSA (whether or not the PPSA applies to the affected Collateral) and also may, without notice except as specified below, sell the Collateral or any part of it in one or more parcels at public or private sale, at any of the Sellers' offices or elsewhere, upon any terms the Sellers deems commercially reasonable. The Buyer agrees that, to the extent notice of sale is required by law, at least 15 days' prior notice to the Buyer of the time and place of any public sale or the time after which any private sale is to be made will constitute reasonable notice. The Sellers will not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Sellers may adjourn and reschedule any public or private sale by announcement at the time and place originally scheduled; and
- (b) the Sellers may:
 - (i) transfer all or any part of the Collateral into the name of the Sellers or their nominee, without disclosing that such Collateral is subject to the lien and security interest under this Agreement;
 - (ii) notify any Person to make payment to the Sellers of any amount due or to become due with respect to any other obligations under the Collateral;
 - (iii) enforce collection of any of the Collateral by suit or otherwise, or surrender, release or exchange all or any part of it, or compromise or extend or renew for any period (whether or not longer than the original period) any obligations of any nature of any Party with respect to it;

- (iv) endorse any cheques, drafts, or other writings in the Buyer's name to allow collection of the Collateral;
- (v) take control of any proceeds of the Collateral; and
- (vi) execute (in the name, place and stead of the Buyer) endorsements, assignments, stock powers and other instruments of conveyance or transfer with respect to all or any of the Collateral.

6.2 Compliance with Restrictions

The Sellers are authorized, in connection with any offer or sale of Collateral, to comply with any limitation or restriction as it may be advised by counsel is necessary in order to avoid any violation of applicable law, including compliance with any procedures that may restrict the number of prospective bidders and buyers, require that prospective bidders and buyers have certain qualifications, or restrict prospective bidders and buyers to Persons who will represent and agree that they are purchasing for their own account for investment and not with a view to the distribution or resale of the Collateral. The Buyer further agrees that such compliance will not, on its own, amount to a failure to have made a sale in a commercially reasonable manner, and that the Sellers will neither be liable nor accountable to the Buyer for any discount allowed by reason of the fact that Collateral is sold in compliance with any such limitation or restriction.

6.3 Application of Proceeds

All cash proceeds received by the Sellers in respect of any sale of, collection from, or other realization upon, all or any part of the Collateral may, in the discretion of the Sellers, be held by the Sellers as additional collateral security for, or applied at any time by the Sellers against, all or any part of the Obligations in any order the Sellers select. Any surplus of those cash proceeds held by the Sellers and remaining after payment in full of all the Obligations will be paid over to the Buyer or to any entity that is lawfully entitled to receive it.

QUALIFICATIONS AND LIMITATIONS

The opinions in this letter are subject to the following qualifications and limitations:

1. The legality, validity, binding effect and enforceability of the Transaction Documents are subject to, and may be limited by, applicable bankruptcy, insolvency, reorganization, arrangement, winding-up, liquidation, moratorium, preference and other similar laws of general application affecting the enforcement of creditors' rights generally.
2. The enforceability of the obligations of the Sellers or 2140328 Alberta Ltd. under the Transaction Documents is subject to, and may be limited by, general equitable and legal principles, including those relating to the conduct of parties such as reasonableness and good faith in the performance of contracts, and to the powers of courts to stay proceedings before them, to stay the execution of judgments, to relieve from penalties or the consequences of default (particularly if the default is minor or non-substantive) and to grant relief against forfeiture, and to the principle that equitable remedies such as injunctive relief and specific performance are only available in the discretion of the court.
3. We express no opinion on provisions of the Transaction Documents which:
 - (a) purport to restrict the access to, or waive the benefit of, statutory, legal or equitable rights, remedies or defences;
 - (b) limit rights of set-off otherwise than in accordance with applicable law;
 - (c) purport to bind or affect, or confer a benefit upon, persons who are not parties to the Transaction Documents.
4. The enforceability of provisions of the Transaction Documents which stipulate or limit the level of damages to which a party is entitled is subject to the discretion of the court.
5. The enforceability of provisions of the Transaction Documents which require the Seller to pay or indemnify the Buyer for its costs and expenses in connection with judicial proceedings is subject to the discretion of a court to determine by whom and to what extent those costs and expenses should be paid.

6. We express no opinion on the enforceability of provisions of the Transaction Documents which:
 - (a) prohibit any party from competing with any other party in any business or undertaking;
 - (b) may be interpreted by a court as an unenforceable penalty and not as a genuine pre-estimate of damages; or
 - (c) are inconsistent with or contrary to any provision of the Share Purchase Agreement.
7. Each party to the Transaction Documents may be required to give each other party a reasonable time to satisfy any demand for payment or performance of its obligations under any of the Transaction Documents before exercising any rights or remedies under the Transaction Documents.
8. The failure to exercise a right of action under any of the Transaction Documents within generally applicable limitation periods may act as a bar to the enforcement of those rights after that time, and the enforceability of any provision of the Transaction Documents which purports to impose a specific redemption period is subject to the discretion of the court.
9. Under the *Judgment Interest Act* (Alberta), interest after judgment may be limited to less than the rate provided for under the Transaction Documents.
10. We express no opinion with respect to compliance with the *Personal Information Protection and Electronic Documents Act* (Canada).
11. We express no opinion on the enforceability of any arbitration provisions contained in the Transaction Documents in all circumstances since, under the *Arbitration Act* (Alberta), a court of competent jurisdiction in Alberta may refuse to stay judicial proceedings, in which event an arbitration proceeding may not be commenced or continued, may put a stop to an ongoing arbitration proceeding, may hear an appeal of an arbitration award on a question of law, or set aside an arbitration award or declare it invalid, in each case in its discretion and on certain prescribed grounds.

RELIANCE

This opinion is solely for the benefit of its addressees in connection with the Transaction Documents. This opinion may not be relied upon in any manner by any other person except any of the respective successors or assigns of the addressees as permitted under the Transaction Documents, and may not be disclosed, quoted, filed with a governmental agency or otherwise referred to without our prior written consent.

- 7.6.6 If the Seller or any Representative of the Seller is required by any applicable law or by any Governmental Authority to disclose any Confidential Information, the Seller or that Representative will, before making the disclosure, provide the Buyer and the Corporation with prompt written notice of that requirement, so that the Buyer or the Corporation may contest the disclosure of the Confidential Information and seek an appropriate protective order or other appropriate remedy.
- 7.6.7 If, in the absence of a protective order or other appropriate remedy, the Seller or any Representative of the Seller is, in the reasonable opinion of its lawyer, required by any applicable law or by any Governmental Authority to disclose any Confidential Information or stands liable for contempt or to suffer other censure or penalty, then the Seller or that Representative may, without liability under this Agreement, disclose that portion of the Confidential Information, but only that portion, that the Seller or the Representative is legally required to disclose.

7.8 Covenants Reasonable

The Seller acknowledges and agrees that:

- 7.8.2 the covenants included in this Article 7 are reasonable in the circumstances and are necessary to protect the economic position of the Buyer and the Corporation;
- 7.8.3 the breach of any of the Sections of this Article 7 would cause serious and irreparable harm to the Buyer and the Corporation which could not be compensated adequately by monetary damages, and that the Buyer or the Corporation may enforce the Sections of this Article 7 by injunction or specific performance upon application to a court of competent jurisdiction without proof of actual damage, and despite that damages may be readily quantifiable, and the Seller will not plead, and will not permit any of its Representatives to plead, sufficiency of damages as a defence in the proceeding for injunctive relief; and

7.9 Covenants Independent

The existence of any claim or cause of action of the Seller against the Buyer, whether under this Agreement, the Purchase Agreement or otherwise, will not constitute a defence to the enforcement by the Buyer of the Sections of this Article 7 against the Seller.

7.10 Costs of Litigation

If any litigation relating to this Agreement ensues and a court of competent jurisdiction determines in a final, non-appealable order that this Agreement has been breached by the Seller or any of its Representatives, then the Seller will reimburse the Buyer and the Corporation for all their respective costs and expenses (including legal fees and disbursements) incurred in connection with the litigation.

For the purposes of the opinions expressed below, we have considered the questions of law, made the investigations, and examined originals or copies, certified or otherwise identified to our satisfaction, of the certificates of public officials and other certificates, documents and records, that we considered necessary or relevant, and we have relied, without independent verification or investigation, on all statements as to matters of fact contained in the certificates, documents and records we examined, including:

ASSUMPTIONS AND RELIANCES

For the purposes of the opinions expressed below, we have assumed, without independent investigation or inquiry, that:

- (a) with respect to all documents examined by us, the signatures are genuine, the individuals signing those documents had legal capacity at the time of signing, all documents submitted to us as originals are authentic, and certified, conformed or photocopied copies, or copies transmitted electronically or by facsimile, conform to the authentic original documents;
- (b) the indices and records in all filing systems maintained in all public offices where we have searched or inquired or have caused searches or inquiries to be conducted are accurate and current, and all certificates and information issued or provided under those searches or inquiries are and remain accurate and complete;
- (c) the Buyer has rights in the Collateral, value has been given to the Buyer by the Seller and there is no agreement between the Buyer and the Seller to postpone the time for attachment of the security interests created by the Pledge Agreement and the General Security Agreement;
- (d) the description of the Collateral is complete and accurate;
- (e) the Collateral does not include "consumer goods", as defined in the PPSA;
- (f) the facts certified in the Officer's Certificate are accurate;
- (g) each Seller that is a corporation or a trust is validly constituted and existing in accordance with the laws under which it is constituted and has all necessary power and capacity to execute and deliver the Transaction Documents to which it is a party and perform its obligations under those Transaction Documents;
- (h) the execution and delivery by each Seller of the Transaction Documents to which it is a party and the performance of its obligations under those Transaction Documents have been duly authorized by all necessary corporate action, and do not breach any laws to which the Seller is subject, and each of those Transaction Documents has been duly executed and delivered by the Seller;
- (i) each of the Transaction Documents to which a Seller is a party constitutes a legal, valid and binding obligation of that Seller, enforceable against that Seller under the laws of the applicable jurisdiction governing those Transaction Documents in accordance with its terms; and

In expressing the opinion in paragraph 1, we have relied exclusively upon the Certificate of Status.

LAWS ADDRESSED

The opinions expressed in this letter are limited to the laws of Alberta and the federal laws of Canada applicable in Alberta. Without limiting the generality of the immediately preceding sentence, we express no opinion with respect to the laws of any other jurisdiction, to the extent that those laws may govern any aspect of the Transaction Documents or the transactions contemplated by them, including without limitation the validity, perfection, effect of perfection or non-perfection, or enforcement of the security interests created by the Pledge Agreement or General Security Agreement as a result of the application of the conflict of laws rules of Alberta.

OPINIONS

Based upon the foregoing, and subject to the qualifications and limitations stated in this letter, we are of the opinion that:

Corporate Opinions

1. The Buyer is a valid and subsisting corporation incorporated under the *Business Corporations Act* (Alberta).
2. The Buyer has the corporate power and capacity to own property and assets, to carry on business, and to execute and deliver, and perform its obligations to the Seller under, the Transaction Documents.
3. The Buyer has taken all necessary corporate action to authorize the execution and delivery by it of each of the Transaction Documents and the performance of its obligations under the Transaction Documents.
4. The Buyer has duly executed and delivered each of the Transaction Documents.

Regulatory Opinion

5. No authorization, consent, permit, exemption or approval of, or filing with or notice to, any governmental agency or authority, or any regulatory body, court, or tribunal having legal jurisdiction in Alberta, is required in connection with the execution and delivery by the Buyer of the Transaction Documents or the performance of its obligations under the Transaction Documents.

Validity and Enforceability Opinion

6. Each of the Transaction Documents constitutes a legal, valid and binding obligation of the Buyer, enforceable against it in accordance with its terms.

Security Interest Creation and Registration Opinions

7. The Pledge Agreement and General Security Agreement create in favour of the Seller valid security interests in any Collateral in which the Buyer now has rights to secure payment and performance of the indebtedness, liabilities and obligations under the Notes.

No Conflict Opinion

8. The execution and delivery by the Buyer of, and the consummation by it of the transactions contemplated by, the Transaction Documents do not breach or result in a default under:
 - (a) the Constatting Documents;
 - (b) any laws, statutes or regulations to which the Buyer is subject; or
 - (c) to the best of our knowledge, any contract to which the Buyer is a party.

QUALIFICATIONS AND LIMITATIONS

The opinions in this letter are subject to the following qualifications and limitations:

1. The legality, validity, binding effect and enforceability of the Transaction Documents are subject to, and may be limited by, applicable bankruptcy, insolvency, reorganization, arrangement, winding-up, liquidation, moratorium, preference and other similar laws of general application affecting the enforcement of creditors' rights generally.
2. The enforceability of the obligations of the Buyer under the Transaction Documents is subject to, and may be limited by, general equitable and legal principles, including those relating to the conduct of parties such as reasonableness and good faith in the performance of contracts, and to the powers of courts to stay proceedings before them, to stay the execution of judgments, to relieve from penalties or the consequences of default (particularly if the default is minor or non-substantive) and to grant relief against forfeiture, and to the principle that equitable remedies such as injunctive relief and specific performance are only available in the discretion of the court.
3. We express no opinion on provisions of the Transaction Documents which:
 - (a) purport to restrict the access to, or waive the benefit of, statutory, legal or equitable rights, remedies or defences;
 - (b) limit rights of set-off otherwise than in accordance with applicable law;
 - (c) purport to bind or affect, or confer a benefit upon, persons who are not parties to the Transaction Documents.

4. The enforceability of provisions of the Transaction Documents which stipulate or limit the level of damages to which a party is entitled is subject to the discretion of the court.
5. The enforceability of provisions of the Transaction Documents which require the Buyer to pay or indemnify the Seller for its costs and expenses in connection with judicial proceedings is subject to the discretion of a court to determine by whom and to what extent those costs and expenses should be paid.
6. We express no opinion on the enforceability of provisions of the Transaction Documents which:
 - (a) create an obligation to pay interest, as defined in the *Criminal Code* (Canada), in an amount or at a rate prohibited by the *Criminal Code* (Canada);
 - (b) have the effect of increasing the charge on any arrears of principal and or interest beyond the rate of interest payable on principal money not in arrears, contrary to section 8 of the *Interest Act* (Canada); which may be interpreted by a court as an unenforceable penalty and not as a genuine pre-estimate of damages;
 - (c) grant an irrevocable power of attorney in favour of any party;
 - (d) prohibit any party from competing with any other party in any business or undertaking;
 - (e) may be interpreted by a court as an unenforceable penalty and not as a genuine pre-estimate of damages; or
 - (f) are inconsistent with or contrary to any provision of the Share Purchase Agreement.
7. We express no opinion regarding the existence of, or the right, title or interest of any person to, any Collateral, or the ranking or priority of any security interest created by the Pledge Agreement or General Security Agreement.
8. Each party to the Transaction Documents may be required to give each other party a reasonable time to satisfy any demand for payment or performance of its obligations under any of the Transaction Documents before exercising any rights or remedies under the Transaction Documents.
9. The failure to exercise a right of action under any of the Transaction Documents within generally applicable limitation periods may act as a bar to the enforcement of those rights after that time, and the enforceability of any provision of the Transaction Documents which purports to impose a specific redemption period is subject to the discretion of the court.
10. Under the *Judgment Interest Act* (Alberta), interest after judgment may be limited to less than the rate provided for under the Transaction Documents.

11. The PPSA imposes certain obligations on secured creditors which cannot be varied by contract and may also affect the enforcement of certain rights and remedies contained in the Pledge Agreement to the extent that those rights and remedies are inconsistent with or contrary to the PPSA.
12. We express no opinion as to any security interest purported to be created by the Pledge Agreement or General Security Agreement in any of the circumstances described in section 4 of the PPSA, in respect of which the PPSA is stated to have no application, or against any Collateral to which the PPSA does not apply.
13. We express no opinion regarding any security interest created by the Pledge Agreement or General Security Agreement with respect to any Collateral that is transformed in such a way that it is not identifiable or traceable, or any proceeds of Collateral that are not identifiable or traceable.
14. The enforceability of the security interests created by the Pledge Agreement in accounts or chattel paper as against each account debtor ("**Account Debtor**") of the Buyer is subject to notice of the security interests and a direction to pay to the Seller being given to each Account Debtor, the terms of the contract between the Buyer and the Account Debtor and any defence or claim arising out of the contract or a closely connected contract, and any other defence or claim of the Account Debtor against the Buyer accruing before the Account Debtor has knowledge of the security interests. Further, those security interests will not be binding upon an Account Debtor to the extent that the debt or account is paid or otherwise discharged before notice of the security interests is given to the Account Debtor, together with a direction to pay the debt or account to the Seller.
15. Notwithstanding that the security interests created by the Pledge Agreement have been perfected by registration under the PPSA, the security interests:
 - (a) will be defeated by certain claimants obtaining control of investment property, or delivery but not control of a certificated security (as each term is described in the PPSA), in the circumstances described in the PPSA or in the STA;
 - (b) in instruments, chattel paper, documents of title or money will be defeated by certain claimants obtaining possession of that property in the circumstances described in the PPSA or the *Bills of Exchange Act* (Canada); and
 - (c) in goods will be defeated by certain claimants to whom the Buyer sells or leases those goods in the ordinary course of business in the circumstances described in the PPSA.
16. Under section 33(2) of the PPSA, the rights of the Buyer in any Collateral may be transferred (as defined in section 33(1) of the PPSA) consensually or by operation of law, notwithstanding a provision in the Pledge Agreement prohibiting transfer or declaring a transfer to be a default.

17. We express no opinion with respect to compliance with the *Personal Information Protection and Electronic Documents Act* (Canada).
18. We express no opinion on the enforceability of any arbitration provisions contained in the Transaction Documents in all circumstances since, under the *Arbitration Act* (Alberta), a court of competent jurisdiction in Alberta may refuse to stay judicial proceedings, in which event an arbitration proceeding may not be commenced or continued, may put a stop to an ongoing arbitration proceeding, may hear an appeal of an arbitration award on a question of law, or set aside an arbitration award or declare it invalid, in each case in its discretion and on certain prescribed grounds.

RELIANCE

This opinion is solely for the benefit of its addressees in connection with the Transaction Documents. This opinion may not be relied upon in any manner by any other person except any of the respective successors or assigns of the addressees as permitted under the Transaction Documents, and may not be disclosed, quoted, filed with a governmental agency or otherwise referred to without our prior written consent.

Yours truly,

- 4.16 any other act or omission to act or delay of any kind by the Debtor, the Creditors or any other Person, or any other circumstance, whether similar or dissimilar to the foregoing, which might, but for the provisions of this Section 4, constitute a legal or equitable discharge, limitation or reduction of the obligations of any of the Guarantors under this Guarantee, other than the payment or extinguishment in full of all of the Guaranteed Indebtedness and the termination of all credit facilities and any lending commitment; or
- 4.17 any major or minor amendments or modifications to, or any restatement, renewal, replacement or extension of the Share Purchase Agreement or the Notes.

To the extent permitted by applicable law, the foregoing provisions apply, and the foregoing waivers will be effective, even if the effect of any action, or failure to take action, by the Creditors is to destroy or diminish the subrogation rights of any of the Guarantors, the right of any of the Guarantors to proceed against the Debtor for reimbursement, the right of any of the Guarantors to recover contribution from any other guarantor or any other right or remedy.

5. Dealings with the Debtor

The Creditors may grant extensions of time or other indulgences, take and give up securities, accept compositions, grant releases and discharges and otherwise deal with the Debtor and with other Persons and securities as the Creditors see fit, and the Creditors may apply all monies received by it from the Debtor or others or from any security upon that part of the Guaranteed

Indebtedness as it may think best, without the consent of, or notice to, any of the Guarantors or any other Person and without prejudice to, or in any way limiting or lessening, the liability of any of the Guarantors under this Guarantee.

6. Recourse against the Debtor

The Creditors are not bound to exhaust its recourse against the Debtor, any other guarantor or other Person or under any other security before being entitled to payment from any of the Guarantors under this Guarantee.

8. Change in Composition of the Debtor

No change in the name, objects, capital stock, constitution, ownership or control of the Debtor, and no other circumstance, including the Debtor being amalgamated with another corporation, or any amendments, supplement to or replacement of the Share Purchase Agreement or the Notes, or any circumstance affecting the Debtor or any of the Guarantors which might otherwise provide a legal or equitable defence to any of the Guarantors or a discharge of this Guarantee, will affect or in any way limit or lessen the liability of any of the Guarantors under this Guarantee.

9. Principal Debtor

Any amount of Guaranteed Indebtedness which may not be recoverable from a Guarantor by the Creditor under this Guarantee on the basis of a guarantee will be recoverable by the Creditor from that Guarantor as principal debtor of that amount, and that amount will be paid to the Creditor immediately after demand for that amount as provided in this Guarantee.

10. Continuing Guarantee

This Guarantee is a continuing, absolute, unconditional and irrevocable guarantee of all of the Guaranteed Indebtedness, will apply to all of the Guaranteed Indebtedness, and will remain in full force and effect until all of the Guaranteed Indebtedness has been paid in full. This Guarantee will not be considered as wholly or partially satisfied by the payment or liquidation at any time of any sum of money for the time being due or remaining unpaid to the Creditor.

11. No Subrogation

Until all of the Guaranteed Indebtedness, interest and expenses have been paid in full, each of the Guarantors will have no right of subrogation to, and waives to the fullest extent permitted by law:

- 11.1 the right to enforce any remedy which the Creditor now has or may have after this Guarantee takes effect against the Debtor in respect of the Guaranteed Indebtedness; and
- 11.2 the benefit of any right to participate in any security held by the Creditor for the Guaranteed Indebtedness.

12. No Contribution or Indemnity

The Guarantors will not be entitled to claim contribution or indemnity from the Debtor until the claims of the Creditor against the Debtor have been paid in full or the Creditor has waived its rights in respect of those claims.

13. Assignment and Postponement

All present and future indebtedness and liability of the Debtor to the Guarantors and each of them and all security for that present and future indebtedness and liability is assigned to the Creditor as security for the Guaranteed Indebtedness, and is postponed to the Guaranteed Indebtedness.

14. Liquidation/Insolvency

In case of liquidation, winding up or bankruptcy of the Debtor, whether voluntary or involuntary, or if the Debtor makes a bulk sale of any of its assets within the bulk transfer provisions of any applicable legislation or any arrangement with creditors, whether voluntary or involuntary, the Creditors have the right to rank for its full claims and receive all dividends or other payments in respect of its claims in priority to each of the Guarantors until its claims have been paid in full, and each of the Guarantors will continue to be liable under this Guarantee up to the amount guaranteed, less any payments made by each of the Guarantors, for any balance of the Guaranteed Indebtedness which may be owing to the Creditors. In the event of the valuation by the Creditors of their security, that valuation will not, as between the Creditors and any of the Guarantors, be considered as a purchase of its security, or as payment or satisfaction or reduction of the Guaranteed Indebtedness or any part of it.

15. Expenses

Each of the Guarantors will from time to time, upon demand by the Creditors, immediately pay to the Creditors all reasonable expenses, including legal fees on a solicitor and his own client basis, incurred by the Creditors in the enforcement of any of its rights under this Guarantee, and those amounts which are outstanding will be added to the Guaranteed Indebtedness.

16. Additional Security

This Guarantee is in addition and without prejudice to any security of any kind, including any other guarantees, held by the Creditors at any time in respect of the Guaranteed Indebtedness and any other rights or remedies that the Creditors might have.

17. Taxes

All payments to be made by each of the Guarantors under this Guarantee will be made without set-off or counterclaim and without deduction for any taxes, levies, duties, fees, deductions, withholdings, restrictions or conditions of any kind. If applicable laws require a deduction or withholding to be made, each of the Guarantors will pay to the Creditors an additional amount as is necessary to ensure the Creditors receives the full amount the Creditors would have received if no deduction or withholding had been made.

18. Set-Off/Right to Combine Accounts

- 9.2 Owner will contact Supplier to schedule production and delivery of material to the site or schedule the Work to be performed as outlined on Purchase Order on file.
- 9.3 Purchase Orders become invalid one hundred and eighty (180) calendar days after the date listed on Purchase Order, or sixty-one (61) calendar days after Work is completed, whichever comes first. Any Purchase Order invalidated in this way, will be subject to a One Thousand Dollar (\$1,000.00) administration fee.
- 9.4 All Purchase Orders issued to Supplier become invalid if the Agreement is terminated by either party.
- 9.5 Owner retains the right to cancel or modify any Purchase Order once issued to Supplier.

10. Payment Terms.

Where Supplier has provided Work pursuant to a Purchase Order and Owner or its authorized representative has accepted Work, Owner shall pay Supplier as follows:

- 10.1 Where Supplier submits an invoice via CMS before the payment processing date stated in the Agreement, Owner will pay the invoice by the applicable payment processing date;
- 10.2 Owner will hold back a reasonable amount from any payment owing under the Agreement for incomplete Work invoiced as completed Work, seasonal deficiencies, warranty holdbacks as described in the Agreement, and a builders' lien holdback. Should Owner elect not to withhold and amount for a builder's lien, it will not invalidate the Owner's ability to apply the relief pursuant to the provincial builder's lien legislation applicable for Site. A holdback with respect to one Purchase Order may be deducted from the payment for services and materials supplied for another Purchase Order;
- 10.3 Owner may deduct from the payment any amounts owing by Supplier to Owner, including any indebtedness arising out of the following:
 - 10.3.1 Costs of rectifying defective workmanship or materials pursuant to the Agreement or any other agreement between Owner or its affiliates and Supplier;
 - 10.3.2 If Supplier is insolvent, bankrupt, subject to a proposal under the *Bankruptcy & Insolvency Act* or subject to receivership court proceedings or otherwise, then there shall be deducted any amounts paid to discharge a builders' lien or other encumbrance registered against Site, including Owner's costs incurred in making a payment into Court and the legal costs of Owner, on a solicitor-own client cost basis;
 - 10.3.3 Additional insurance premiums incurred by Owner pursuant to the Agreement;
 - 10.3.4 Any costs in excess of the contract amount incurred pursuant to the Agreement;
 - 10.3.5 The amount of any WCB assessment pursuant to the Agreement; and,
 - 10.3.6 The cost of any materials sold by Owner to Supplier.
- 10.4 The costs described in paragraphs 10.3.1 to 10.3.6 above may include a fifteen percent (15%) markup on the disbursements incurred by Owner to cover the cost of supervision and overhead, at the sole discretion of Owner.
- 10.5 If Supplier does not give written notice to Owner, within thirty (30) calendar days after receipt of payment, of any invoice where it disputes the amount tendered by Owner in payment of the invoice, then Supplier shall be deemed to have accepted such payment (together with the amount of any holdback made from such payment) as full compensation for the items described in the invoice and shall be stopped from denying that it received full payment for the items described in the invoice.
- 10.6 Supplier agrees to have all invoices to Owner within sixty (60) calendar days of completing Work.

11. Warranty

- 11.1 Supplier shall provide Warranty for products provided and work performed as outlined in *Schedule 3 - Scope of Work*, pursuant to Correct Building Practices. The term of the warranty will commence one (1) year after the later of substantial completion of the work and turnover to Home Buyer. If any defects or deficiencies in workmanship or materials arise within Warranty period, Supplier shall, on receipt of notice from Owner, rectify or replace defective workmanship or materials. If Supplier fails to rectify or replace the defective workmanship or materials within the timeline stated by Owner's warranty team, Owner may do so. Supplier shall be liable to Owner for the costs of rectifying the defect or deficiency and shall pay Owner such costs forthwith. In the case of seasonal delays, the aforesaid notification may be given after weather conditions allow for completion of Warranty Work.
- 11.2 All Manufacturer's warranties and guarantees of materials provided to Supplier shall be delivered by Supplier to Owner.

12. Protection of Information.

- 12.1 Non-Disclosure. Supplier will not disclose any of Owner's Information to other persons or parties, nor use any of Owner's Information for any purpose other than to quote and/or supply Work to Owner, unless Supplier receives prior written authorization from Owner to make such disclosure. Such authorization must be signed by an authorized officer of Owner and received by Supplier prior to any such disclosure or use by Supplier. Supplier is accountable and liable to Owner for any unauthorized disclosure or misuse.
- 12.2 Limited Access. Supplier will always protect and secure Owner's Information, keep it in strict confidence and under strict control. Supplier may give access to Owner's Information to only those of its employees, officers, directors, subcontractors and agents who are apprised of, and subject to, the obligations of Supplier under the Agreement, and who have a legitimate need for Owner's Information in order to carry out their respective duties and obligations for Supplier in connection with the subject matter and the purposes of the Agreement. Supplier is accountable and liable to Owner for any unauthorized disclosure or misuse by Supplier's employees, officer, directors, subcontractors and agents.
- 12.3 Similar Information. This section does not restrict Supplier from disclosing or using similar information (i.e., information other than Owner's Information) which Supplier can prove by written evidence:
- 12.3.1 was in Supplier's legal possession prior to its receipt of Owner's information under the Agreement, but only to the extent that Supplier did not obtain the information from Owner, or from persons acting on Owner's behalf, prior to the date of the Agreement;
 - 12.3.2 was public knowledge prior to Supplier's receipt of Owner's information, or becomes public knowledge after the date on which Owner's information is provided to Supplier for the first time, but only to the extent that such public knowledge did not result from the unauthorized disclosure of Owner's information, or any other breach of the Agreement, by Supplier, its affiliates, or its employees, officers, directors, subcontractors, or agents;
 - 12.3.3 was obtained by Supplier from a third party not connected with Owner, who had the legal right to disclose the information to Supplier; or
 - 12.3.4 was independently developed by Supplier without access to Information. Supplier shall be entitled to disclose Owner's information to the extent required by law, government regulation, or legal process, provided that prior written notice of such required disclosure is furnished to Owner as soon as practicable in order to afford Owner the opportunity to seek a protective order.
- 12.4 Return of Information. Supplier acknowledges that Owner's Information is the sole and exclusive property of Owner. At any time that Owner requests, or upon the termination of the Agreement, whichever is sooner, Supplier will immediately return and deliver all of Owner's Information to Owner, including any and all copies, extracts, reproductions, blueprints, and derivatives thereof.
- 12.5 Privacy. Supplier acknowledges that it is subject to provincial legislation for the protection of personal information of the location of Work, and the federal *Personal Information Protection and Electronic Documents Act* ("PIPEDA") and warrants and represents that it will abide by all provisions of, as applicable, in all its dealings

with respect to the Information. Owner may collect, use, disclose, or store data outside of Canada pursuant to Owner's privacy policy located on Owner's public website.

12.5.1 Use of photos and videos. Owner may record photographs and videos at or near any Site at any time. Owner may publish these both internally and externally. Supplier's consent and the consent of Supplier's employees, subcontractors and agents to the use of these recorded materials is implied unless, while the recordings are being made or immediately thereafter, Supplier communicates to Owner that Supplier or Supplier's employees, subcontractors or agents do not consent to the disclosure of stated recordings.

13. Publicity and Marks. No public statements or announcements relating to the Agreement shall be issued by either party without the prior written consent of the other party. Each party agrees not to display or use, in advertising or otherwise, any of the other party's trade names, logos, trademarks, service marks or other indicia of origin without the other party's prior written consent, provided that such consent may be revoked at any time.
14. Status as Independent Supplier. Supplier is retained by Owner only as described in the Agreement and Supplier's relationship with Owner is that of an independent contractor. Neither party is a partner, joint venture, agent, employee, or representative of the other. Supplier retains full power and authority to select the means, manner, and method of performing or providing Work under the Agreement as an independent contractor. Supplier is not entitled to participate in the plans, arrangements or distributions by Owner pertaining to or in connection with any pension, stock bonus, profit sharing or similar plans or benefits available to Owner's employees. Supplier confirms Supplier's responsibility for the payment of applicable federal and provincial taxes on the compensation received under the Agreement.
15. Notices. Notices are effective when received by the party to which they are sent at the addresses provided in the Agreement. Either party may change its address or contact person by giving written notice of the change to the other party.
16. Invalidity. In case any one or more of the provisions the Agreement is declared invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein shall not in any way be affected or impaired thereby.
17. Force Majeure. Non-performance of either party shall be excused to the extent that performance is rendered impossible by fire, flood, earthquakes, governmental acts, pandemics, or orders or restrictions or any other reason where failure to perform is beyond the control and not caused by the negligence of the non-performing party. Supplier's inability to procure personnel or materials to complete Work shall not be deemed a force majeure event. Supplier will hold Owner harmless and will make no claim for losses due to any project being delayed or cancelled for any reason.
18. Assignment; Successors and Assigns Bound. Supplier shall not assign the Agreement or any of the duties and responsibilities required of Supplier under the Agreement without the prior written consent of Owner, whose consent shall not be unreasonably withheld, as those services are personal to Supplier. Notwithstanding the foregoing, the Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, representatives, successors, and assigns.
19. Insurance.
 - 19.1 Supplier shall, without limiting its obligations or liabilities herein, provide, maintain, and pay for:

19.1.1 Commercial general liability and commercial automobile liability coverage in an amount not less than Two Million Dollars (\$2,000,000.00) per occurrence, respectively. The commercial general liability coverage must include broad form completed operations, as well as non-owned automobile liability. Proof of insurance must be provided by way of an authorized Certificate of Insurance, and Owner reserves the right to request copies of formal policy documents at any time.

19.1.2 In addition to the coverage specified above, the certificate of insurance must reflect Owner as added to the commercial general liability policy as an additional insured and require not less than thirty (30) calendar days written notice of cancellation. The certificate holder information will be as provided in the Agreement.

19.2 If, Supplier's insurance coverage is not in compliance with section 19.1, Owner may take out additional insurance in the name of Supplier and deduct the cost of such additional insurance from money otherwise payable to Supplier under the Agreement.

20. Workers' Compensation.

20.1 Supplier shall provide, maintain, and pay for WCB coverage for all of its employees, subcontractors, and agents including those employees, subcontractors, and agents engaged in Work, in accordance with the statutory requirements.

20.2 The amount of any assessment made by WCB in respect of the Work performed by Supplier under the Agreement which Owner is required to pay shall be payable immediately by Supplier to Owner.

20.3 No payment for Work will be made by Owner to Supplier unless Supplier is current and in good standing with the WCB on the payment processing date.

21. Indemnity.

21.1 Supplier shall indemnify and hold harmless Owner, Home Buyer and their respective agents, employees and successors from and against all claims, demands, losses, costs, damages, actions, suits or proceedings by third parties that arise out of or are attributable to Supplier's performance or non-performance of Work.

21.2 Supplier shall keep the title to Site where Work has been performed free and clear of all *Builders' Liens* and encumbrances, which may be registered by persons claiming an interest therein through Supplier. If Supplier fails to have any such liens or encumbrances discharged within seven (7) calendar days after being requested to do so, Owner may make such payments and do such other things as may be required to discharge the lien or encumbrance and the amount so paid by Owner, together with its legal costs in obtaining the discharge, on a solicitor-own client costs basis, shall be immediately due and payable by Supplier to Owner. Should the amount not be paid by Supplier, the Owner shall have the right to deduct such amount, plus an administration fee of fifteen percent (15%) from money otherwise payable to the Supplier under the Agreement.

21.3 Supplier shall indemnify Owner and Home Buyer against all actions, claims or proceedings for infringement of any patent rights and for royalties or other payments which may be payable in connection with any such patent rights in carrying out Work.

22. Owner's Right to Terminate.

22.1 Owner may terminate the Agreement immediately on written notice to Supplier if:

22.1.1 Supplier makes a general assignment for the benefit of its creditors pursuant to the *Bankruptcy & Insolvency Act* or the *Companies Creditors Arrangement Act* or other similar insolvency legislation, or if a receiver or a receiver and manager is appointed, or Supplier otherwise acknowledges its insolvency; or,

22.1.2 Supplier goes into liquidation;

22.1.3 Supplier fails to supply Work as required pursuant to the Agreement;

22.1.4 Supplier violates any safety policy and/or directly or indirectly allows an unsafe condition to exist;

22.1.5 Supplier is otherwise in breach of the terms of the Agreement and fails to rectify the breach within

seven (7) calendar days after receiving notice of the breach; or,
22.1.6 Work has not commenced prior to the expiration of the Agreement, even if Purchase Orders have been issued to Supplier.

22.2 Owner may terminate the Agreement with sixty (60) calendar days' notice to Supplier, with no justification required.

23. Supplier's Right to Terminate.

23.1 Supplier may terminate the Agreement immediately on written notice to Owner if:

23.1.1 If Owner makes a general assignment for the benefit of its creditors, is adjudged bankrupt or if a receiver or receiver-manager is appointed or otherwise acknowledges its insolvency, Supplier may, without prejudice to any other right or remedy it may have, terminate the Agreement by giving Owner or trustee or receiver or liquidator written notice.

23.1.2 If the Work is stopped or otherwise delayed for a period of thirty (30) calendar days or more under an order of any court of competent jurisdiction, or other public authority, and providing that such order was not issued as a result of any act or fault of Supplier or of anyone directly or indirectly employed by it, Supplier may, without prejudice to any other right or remedy it may have, terminate the Work by giving Owner written notice.

23.1.3 If Owner is in default of its obligations under the Agreement including failure to pay Supplier. Such written notice shall advise Owner that if such default is not rectified within seven (7) days from the receipt of the written notice, Supplier may, without prejudice to any other right or remedy it may have, stop Work and terminate the Agreement.

23.2 If Supplier terminates Work under the conditions described above, Supplier shall, without prejudice to any other right or remedy it may have, be entitled to be paid for all Work performed to date.

23.3 Supplier may terminate the Agreement with ninety (90) calendar days' notice to Owner, with no justification required.

24. Alternate Sources.

24.1 If Supplier fails to provide the services required to complete Work as required under the Agreement, Owner shall provide Supplier written notice of such deficiency, and, should such deficiency not be cured within seven (7) calendar days of receipt of notice, Owner may, without terminating the Agreement and without prejudicing any other right which it may have under the Agreement, obtain from alternate sources such services and materials as may be required to complete Work.

24.1.1 For the purpose of completing Work, Owner may utilize any materials delivered to any sites by Supplier.

24.1.2 If the cost of obtaining alternate supplies and installation pursuant to this paragraph exceeds the amount, which Owner would have paid Supplier had it fulfilled its obligation, then the excess cost, including an administration fee of fifteen percent (15%) shall be immediately due and payable by Supplier to Owner.

25. Dispute Resolution.

25.1 If there is any dispute between Owner and Supplier as to their respective rights and obligations under the Agreement, Owner and Supplier shall first try to resolve the dispute through negotiations between themselves and if necessary, use mediation services to help them resolve the dispute. If the dispute remains unresolved after negotiation or mediation, then Owner and Supplier agree to submit the dispute to binding arbitration.

25.2 If Owner and Supplier submit to arbitration, then such arbitration shall be conducted in accordance with the *Arbitration Act c.A-43 RSA 2000* by a single arbitrator appointed through consultation between Owner and Supplier, or their respective legal counsel, failing which, a single arbitrator shall be appointed by the Court.

25.3 Should any dispute arise between Owner and Supplier and such dispute is related to a dispute between Home Buyer and Owner, such dispute shall be disposed of in the same manner, by the same arbitrator, at the same time and in the same hearing as the dispute between Home Buyer and Owner is to be

disposed. In these circumstances, Supplier irrevocably attorns to the *Arbitration Rules and Procedures* specified in the agreement between Owner and Home Buyer.

26. Enurement. The Agreement shall enure to the benefit of and shall be binding upon Owner and Supplier and their respective heirs, executors, administrators, successors and permitted assigns.
27. Choice of Law. The Agreement and all its provisions are to be interpreted and construed according to the laws of the location of Work.
28. Complete Contract; Modification.
28.1 The Agreement contains the entire agreement of the parties relating to this subject matter and cancels, terminates and supersedes any and all prior agreements and understandings between the parties relating to this subject matter. The Agreement and any of its schedules thereto, shall not be amended, changed or otherwise affected by the issuance of requests for quotation, quotations, acknowledgment or acceptance of Purchase Orders, Supplier terms and conditions of sale, shipping instructions, or other documents containing terms or conditions which differ from the provision of the Agreement.
28.2 Any attempt to amend, modify, alter, or otherwise change the provisions of the Agreement shall be null and void unless made in writing with specific reference to the Agreement and signed by authorized representatives of Owner and Supplier. It is understood and agreed that irrespective of any such other agreements, the subject matter of the Agreement may not be changed or altered except in the manner described above.
29. Other Agreements and Transactions. The terms and conditions of the Agreement apply to all transactions involving Owner and Supplier, unless otherwise agreed to in an unambiguous writing signed by both parties, making specific reference to the Agreement by title and date.
30. Counterparts. The Agreement may be executed in two (2) or more counterparts, each of which will be deemed an original, but all of which together will constitute one and the same instrument.
31. Waiver. The failure to exercise, or delay in exercising, any right or remedy arising from this Agreement shall not operate or be construed as a waiver thereof, nor shall any single or partial exercise of any right or remedy preclude any other or further exercise thereof or the exercise of any other right, remedy, power or privilege.
32. Drafting. This Agreement shall not be construed more strictly against one party than the other because it may have been drafted by one of the parties or its counsel, each having contributed substantially and materially to the negotiation and drafting hereof.
33. Currency. All currencies and mention of monetary amounts unless otherwise specified will be in Canadian dollars.
34. Access to Site.
34.1 Supplier, its employees, subcontractors and agents will have physical access to Site provided all terms and requirements of the Agreement are met including but not limited to having in good standing insurance as required by Section 19 and *Worker's Compensation* as required by Section 20 of this Schedule.
34.2 In the event Supplier has not met the requirements of Section 19 and Section 20, Supplier, its employees, subcontractors, and agents will not be restricted from physical access to Site until such time these requirements are met.
34.2.1 If Supplier's physical access to the Site has been restricted per Section 34.2 and its employees, subcontractors or agents have physically accessed Site, Supplier shall be assessed a penalty of Ten Thousand Dollars (\$10,000.00), which Owner will deduct from any amount owing to Supplier.

WARRANTY INFORMATION

A limited one year warranty from date of installation or new home possession is offered with all installations of wire closet shelving, melamine closet shelving, shower doors, glass products, mirrored closet doors and medicine cabinets. Specific details by product are as follows:

	Material Defect and Workmanship	Installation	Special Considerations	Care and Maintenance
Wire Closet Shelving	All wire shelving is guaranteed for its lifetime against manufacturing defect.	Home Solutions will replace or repair damaged, bent or loose wire shelving if not installed as per manufacturers specifications.	<ul style="list-style-type: none"> • Correctly installed wire shelving can be expected to support an evenly distributed weight of 50 pounds per linear foot. • The finish on ventilated wire shelving will not crack or peel under normal use. • The use of wire hangers is not recommended, as they will cause black marks on the hanging rod. 	<ul style="list-style-type: none"> • Wipe with a soft damp cloth. • Do not overload shelves as they may pull away from the wall.
WOOD SOLUTIONS Melamine Closet Shelving	All shelving is guaranteed for its lifetime against manufacturing defect. Warranty limitations are reviewed and signed off at that time and the customer is provided with detailed warranty and product information paperwork.	Home Solutions will correct the results of any improper installation by our crews.	<ul style="list-style-type: none"> • WOOD SOLUTIONS shelving is a closet organizer system designed for normal household use and is guaranteed to perform to that expectation. 	<ul style="list-style-type: none"> • Wipe with a soft damp cloth. • Do not overload shelves as they may pull away from the wall. • Shelving can be wiped with a damp cloth. • Shelving is a core wrapped in a melamine skin and is not intended to withstand extended exposure to liquids. • Protect Surfaces from sharp objects.
Framed 5mm and 6mm glass shower doors	All workable parts are guaranteed against breakdown for one year after installation. Many factors determine how water proof your shower door will be -- for example, the type and location of the shower head. Door position and swing is determined on site to provide the best seal possible but due to the nature of the product it is impossible to guarantee against water escaping.	Home Solutions will repair or replace any shower door malfunction caused by improper installation within one year of installation. Shower doors are installed as per manufacturers recommended specifications.	<ul style="list-style-type: none"> • Any flaws in tempered or laminated glass (scratches or chips) and any flaws or scratches on metal frame parts must be noted and reported during the initial inspection or new home walk through. • Door position and door swing is determined following a site evaluation and is based on providing the best possible seal. • Should a design change be made to change the swing of the shower door opposite our recommendation, the warranty will be null and void against water escaping . 	<ul style="list-style-type: none"> • Wipe down the aluminum metal after each shower. • Squeegee all glass after each shower use warm water and a few drops of mild soap for regular cleanings. This helps minimize the build up of calcium. • Do not use abrasive cleaner on the glass or aluminum. • Avoid cleaning products that claim to stop water spots. • The best way to keep the calcium buildup to a minimum, is to squeegee after each use.

This minimizes the build up of calcium. Some soaps, shower products and cleaning agents contain abrasives. Avoid using abrasive cleaner on the glass or aluminum. Avoid cleaning products that claim to stop water spots. Use a mild soap with a clean lint-free cloth to remove soap, dirt and other shower residue. Once soil residue is removed, thoroughly rinse all cleaning solutions and other debris from the glass. Rinse and dry all cleaning solutions from shower heads, faucets, door handles, framework and any rubber or plastic sealants. There may be a "rust-like" residue that appears on the shower framework and hardware. This is not rust, as all parts are stainless steel or aluminum. Simple cleaning will resolve this issue.
Tempered Glass - 5mm, 6mm and 10mm	<p>Tempered Glass (Safety Glass) is NOT warranted against breakage. In the event of breakage tempered glass will not shatter but will break into small, less jagged pieces. This is to help reduce the risk of personal injury and/or damage to surrounding area.</p> <p>Tempered glass may break without cause. This could be due to temperature changes and/or misuse.</p>		<ul style="list-style-type: none"> Any flaws in tempered (scratches or chips) must be noted and reported during the initial inspection after installation or new home walk through.

Do not use an oily cleaner or place greasy hands on the sandblasting. Sandblasting - DO NOT USE soap as this will be absorbed. Vinyl film may be cleaned with a mild cleaner with a lint free soft cloth. Acid Etch glass may be cleaned with a mild non-abrasive cleaner using a soft cloth. Home Solutions will repair or replace any mirrored closet door or medicine cabinet malfunction caused by improper installation within one year of installation.	<ul style="list-style-type: none"> Any flaws in the mirror glass (scratches or chips) and any flaws or scratches on metal frame parts must be noted and reported during the initial inspection after installation or new home walk through. 	<ul style="list-style-type: none"> Remove any stones or debris from the closet door bottom tracks. Mirror glass is not guaranteed against damage caused by exposure of the backing to moisture and steam or cleaning chemicals. Please note that vanity mirrors installed without a backsplash cannot be warranted.	Home Solutions will correct the results of any improper installation by our crews. Mirror tolerances are 1/8 inch on all sides. Our installers will adjust whenever possible for out of level conditions, but each site must be evaluated independently. Full Height Mirrors are measured as close as possible to the underside of the ceiling however it is not always possible to match the ceiling line.	<ul style="list-style-type: none"> Any flaws in the mirror glass (scratches or chips) must be noted and reported during the initial inspection after installation or new home walk through. Over Height Mirrors – if the electrical fixture or outlet is over tightened causing the mirror to crack – this is not covered under the warranty. 	<ul style="list-style-type: none"> If the mirror has a surface mark, try cleaning with a standard glass cleaner. <p>To Avoid Mirror Spoilage (black marks)</p> <ul style="list-style-type: none"> Spray the cleaner onto a cloth and not directly onto the mirror. Do not allow the backing of the mirror to become wet as the silver backing may peel away. Do not use acid, alkali, abrasive or ammonia based cleaners; they will likely damage the mirror and will void the warranty.

INDEPENDENT PRACTITIONER'S REVIEW ENGAGEMENT REPORT

To the Shareholders of Home Solutions Corporation

I have reviewed the accompanying financial statements of Home Solutions Corporation which comprise the balance sheet as at April 30, 2021 and the statements of income and deficit and cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian accounting standards for private enterprises, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

Practitioner's Responsibility for the Financial Statements

My responsibility is to express a conclusion on the accompanying financial statements based on my review. I conducted my review in accordance with Canadian generally accepted standards for review engagements, which require me to comply with relevant ethical requirements.

A review of financial statements in accordance with Canadian generally accepted standards for review engagements is a limited assurance engagement. The practitioner performs procedures, primarily consisting of making inquiries of management and others within the entity, as appropriate, and applying analytical procedures, and evaluates the evidence obtained.

The procedures performed in a review are substantially less in extent than, and vary in nature from, those performed in an audit conducted in accordance with Canadian generally accepted auditing standards. Accordingly, I do not express an audit opinion on these financial statements.

Conclusion

Based on my review, nothing has come to my attention that causes me to believe that these financial statements do not present fairly, in all material respects, the financial position of Home Solutions Corporation as at April 30, 2021, and the results of its operations and its cash flows for the year then ended in accordance with Canadian accounting standards for private enterprises.

Notes to Financial Statements
Year Ended April 30, 2021

1. DESCRIPTION OF BUSINESS

On July 27, 2018, 2133892 Alberta Ltd. was incorporated pursuant to the Business Corporations Act (Alberta). On January 1, 2019, 2133892 Alberta Ltd. acquired all of the issued and outstanding share capital of Home Solutions Corporation and on January 7, 2019, these two companies amalgamated to form Home Solutions Corporation. On May 1, 2020, Home Solutions Corporation amalgamated with Simple Spaces (Edmonton) Ltd., a wholly owned subsidiary. Home Solutions Corporation (the "Company") is incorporated under the Business Corporations Act of Alberta. The Company's principal business activity is manufacturing and supplying materials for closets and glassware to commercial and residential clients in the construction industry.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of presentation

The financial statements were prepared in accordance with Canadian accounting standards for private enterprises (ASPE).

(b) Cash and cash equivalents

Cash and cash equivalents are comprised of funds on deposit with financial institutions, less any advances on the operating loan.

(c) Inventory

Inventory is valued at the lower of cost and net realizable value with the cost being determined on a weighted average basis.

(d) Property and equipment

Property and equipment is stated at cost and is amortized over its estimated useful life on a declining balance basis at the following rates and methods:

Equipment	20%
Motor vehicles	30%
Computer equipment	20%
Computer software	100%
Manufacturing equipment	20%
Furniture and fixtures	20%

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (*continued*)

(e) Revenue recognition

The Company recognizes revenues when they are earned, specifically when all the following conditions are met:

- services are provided or products are delivered to customers
- there is clear evidence that an arrangement exists
- amounts are fixed or can be determined
- the ability to collect is reasonably assured.

(f) Intangible assets

Intangible assets represents the purchase price allocated to the acquisition of customer lists. These costs are amortized at a 5% rate.

(g) Goodwill

Goodwill, arising on the acquisition of a business, represents the excess of the cost of acquisition over the Company's interest in the net fair value of the identifiable assets and liabilities of the business recognized at the date of acquisition. Goodwill is initially recognized at cost and is subsequently measured at cost less any impairment losses. Goodwill is not amortized and is tested for impairment when an event or circumstances indicate that there may be impairment.

(h) Foreign currency translation

Accounts in foreign currencies have been translated into Canadian dollars using the temporal method. Under this method, monetary assets and liabilities have been translated at the year end exchange rate. Non-monetary assets have been translated at the rate of exchange prevailing at the date of transaction. Revenues and expenses have been translated at the average rates of exchange during the year, except for amortization, which has been translated at the same rate as the related assets.

Foreign exchange gains and losses on monetary assets and liabilities are included in the determination of earnings.

(i) Income taxes

The Company uses the income taxes payable method of accounting for income taxes. Under this method, the Company reports as an expense (income) of the period only the cost (benefit) of current income taxes determined in accordance with the rules established by taxation authorities.

(j) Measurement uncertainty

The preparation of financial statements in conformity with Canadian accounting standards for private enterprises requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Such estimates are periodically reviewed and any adjustments necessary are reported in earnings in the period in which they become known. Actual results could differ from these estimates.

11. FINANCIAL INSTRUMENTS

The Company is exposed to various risks through its financial instruments and has a comprehensive risk management framework to monitor, evaluate and manage these risks. The following analysis provides information about the Company's risk exposure and concentration as of April 30, 2021.

(a) Credit risk

Credit risk arises from the potential that a counter party will fail to perform its obligations. The Company is exposed to credit risk from accounts receivable. In order to reduce its credit risk, the Company reviews a new customer's credit history before extending credit and conducts regular reviews of its existing customers' credit performance, as well as limiting the amount of credit extended when deemed necessary. An allowance for doubtful accounts is established based upon factors surrounding the credit risk of specific accounts, historical trends and other information. The Company has a significant number of customers which minimizes concentration of credit risk. At April 30, 2020, 16% (2020 - 10%) of accounts receivable are from one (2020 - one) customer. There were no other customers which owed more than 10% of accounts receivable.

(b) Liquidity risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities. The Company is exposed to this risk mainly in respect of its receipt of funds from its customers and other related sources, long-term debt, obligations under capital leases, and accounts payable. The Company's approach to managing liquidity risk is to ensure, to the extent reasonably possible, that it will have sufficient liquidity to meet its liabilities when due, under both normal and stressed condition, without incurring unacceptable costs, losses, or risking harm to the Company's reputation. At April 30, 2021, the Company had established an operating loan (Note 6) available to a maximum of \$1,250,000 (2020 - \$1,500,000), and surplus working capital to assist with financing its operations and funding capital expenditures. At April 30, 2021, \$593,486 (2020 - \$224,160) of the operating loan remains unutilized.

(c) Currency risk

Currency risk is the risk to the company's earnings that arise from fluctuations of foreign exchange rates and the degree of volatility of these rates. The Company is exposed to foreign currency exchange risk on certain expenditures transacted in U.S. dollars and Euros. Consequently, some liabilities and expenses are exposed to foreign exchange fluctuations. The company does not use derivative instruments to reduce its exposure to foreign currency risk, however, it believes that it is not exposed to a significant amount of currency risk but monitors this risk periodically.

(d) Interest rate risk

Interest rate risk is the risk that the value of a financial instrument might be adversely affected by a change in the interest rates. In seeking to minimize the risks from interest rate fluctuations, the Company manages exposure through its normal operating and financing activities. The Company is exposed to interest rate risk primarily through its floating interest rate bank indebtedness and credit facilities. The increase or decrease in net earnings for each 1% change in interest rates on floating rate debt amounts to \$90,800 (2020 - \$98,687).

(e) Market risk

The Company is exposed to market risk as it relates to the construction industry. A significant decrease in the strength of the local construction industry could have a significant impact on the Company's operations.

HOME SOLUTIONS CORPORATION
Notes to Financial Statements
Year Ended April 30, 2021

12. CAPITAL DISCLOSURES

The Company's primary objective in managing its capital is to focus on and monitor liquidity and cash flow in order to maintain financial flexibility. This is to ensure sufficient operating funds exist to settle obligations as they arise and to finance future expansion. The Company's capital consists of long term debt, vendor take back mortgages, due to shareholder, and shareholder's equity. The Company is subject to certain financial covenants relating to its credit facilities disclosed in Notes 8 and 9. The Company was not compliant with such covenants, however the lender waived the covenant requirements up to April 30, 2021 and any related recourse.

13. INCOME TAXES

The income tax provision recorded differs from the income tax obtained by applying the statutory income tax rate of 27.00% (2020 - 27.00%) to the income for the year and is reconciled as follows:

	2021	2020
Income before income taxes	\$ 836,610	\$ (852,089)
Income tax expense at the combined basic federal and provincial tax rate:	\$ 225,885	\$ (230,064)
Increase (decrease) resulting from:

Non-deductible expenses	25,260	45,636
Non-capital loss carried forward	(212,331)	-
Effective tax expense	\$ 47,805	\$ 44,958

At April 30, 2021, the net book value of the Company's equipment, intangible assets and goodwill exceeds its underpreciated capital cost and undeducted financing costs by \$2,047,265 (2020 - \$2,373,750). Aaron,

Thanks to Grant and you for organizing yesterday! At this point your help with the following would be appreciated :

- we need to get a handle on this supply issue? How do we get comfortable that this will not kill the business in the short term? Clearly the supply chain is overwhelmed so how do we demonstrate this is under control for HS? What are the right conditions precedent?
- Can you provide that map of the furnaces in the region within that 8 hour driving range? Would be also interesting to see a map of where the raw materials are being manufactured?
- We are going to work with Andrew D and Andrew S to see what a 13 week cash flow projection looks like. Any support you can offer is great.
- What are the most recent internal statements we can get?
- How do we get a handle on how broader scale supply chain issues will impact the home builders timelines? How will industry wide supply issues slow down impact the HS top line? Margins?
- They are currently 3-4 weeks into this supply chain “blip” ... how do we know we are through the worst of it? What will allow us to demonstrate the supply challenges won't impact cash flow?

These are my key take aways after the last two days. I discussed all of this with Andrew today so any and all information available to help us address these issues would be appreciated.

I'm just boarding my flight home but feel free to call anytime tomorrow.

Thanks, Jeff

Subject: AR Rebuild Spreadsheet
Attachments: Accounts Receivable Rebuild v2.xlsx

Hey Andrew,

I've attached the AR rebuild spreadsheet which shows where we are right now. If you go to the Summary tab, we've gone through about \$1M of receivables. The customers in red, I was either able to get into their portals and couldn't match PO's or wasn't able to get into their portals. They are just harder to use and instead of spinning my wheels I've put them in red. The items in yellow so far look like they are minimal invoices but have high value. If there is any easy backup for these that we can get, they can quickly be green. Let me know if you have any questions.

Thanks,

Ryan

Purpose: To prove the existence of AR on TD bank reporting at February 28.

Procedure:

Step 1 Search for unapplied credits and apply to account invoices using cash out statements (ensure cash receipts in credit amounts relate to the correct account and invoices outstanding)

- 1) Start with high dollar value high volume accounts
- 2) Search for unapplied credits in these accounts
- 3) Trace credit to cash out statements and customer detail of invoices to be applied to.
- 4) Manually tie cash out statements to invoices, highlight in green and move out of total

Step 2 Use Builder Portals (if available) to trace outstanding invoices to customer PO's (ensures that invoice relates to agreed upon work)

- 1) Search for Builder name on the Builder Website links and login information page provided by Andrew Sheer
- 2) Search addresses on invoice in Builder Portal and match \$ value to PO
- 3) Note agreed to PO for all invoices greater than \$1,000
- 4) For invoices that PO cannot be found, mark for follow up with AR accountant

Step 3 For customers that do not have Builder Portal

- 1) Review cash out statements and acctg system to see if there have been any recent payments
- 2) For customers with recent payments trace cash out statement invoices to system to see if applied correctly
- 3) For customers where cash out statement wasn't available, view system to see if payment applied to invoices
- 4) Follow up with AR accountant on Monday for any subsequent receipts to validate outstanding AR
- 5) Get explanation from Andrew Davidson on nature of account, customer, any disputes, expected payment - note on Aged AR schedule comments

Step 4 For remaining invoices/customer accounts outstanding

- 1) Daily follow up with AR accountant starting on Monday regarding subsequent receipts of invoices in 30-60 day range.
- 2) Follow up with AR accountant on reconciling differences

Step 5 Go through each customer account and review notes/comments

Step 6 Follow up with AR accountant on collectibility of all accounts over 90 days

Where we are at:

- 1) We have reconciled the big high volume accounts for steps 1 and 2.
- 2) I have completed conversations with Andrew for all accounts with outstanding balances at March 25 > \$10,000
- 3) We agreed all cash receipts that we could to cash out statements
- 4) I am now agreeing all other invoices that I can to the builder portal (only 2 licenses so laura is working on this as well)
- 5) Due to the current nature of a lot of the accounts, I will sit with the AR accountant on Monday and verify communication between SS and the customers regarding payment.
- 6) Also on Monday, I will be monitoring daily the bank account for subsequent receipts to prove existence of AR
- 7) With the cleaned up accounts, simple solutions can follow up on Monday with customers and get expectation of collections

Subject: DRAFT 90 Day Plan
Attachments: 90 Day Plan .docx

Simple Spaces – 90 Day Plan

Current Situation

- Recent cash flow issues and operating practices have negatively impacted the Company's current liquidity resulting in no remaining borrowing capacity under the TD line of credit.
 - The Company is working on bringing invoicing up-to-date, currently the A/R balance is at approximately \$1.8 million.
 - \$411k is due on April 29, 2022 (cash flow forecast). This will be required to fund month end payroll.
 - A/R greater than 90 days total \$667 (workbook) and are comprised of:
 - Discrepancies related to pre-December production total \$394k. These invoices require follow up to determine collectability and timing of cash receipts.
 - A/R related to pre-December production total \$272. These invoices require follow up to determine collectability and timing of cash receipts.
 - Management must now focus on maximizing collections in the immediate term.
 - Outstanding sales orders currently in production total only \$458k (workbook) but must be invoiced on a timely basis to maximize revenue and cash receipts. In addition, the Company requires an estimate of labour and material costs to complete. This cost estimate will need to be financed.
 - Approximately \$1.7 million of outstanding sales order that are not yet in production must be analyzed to determine which orders can actually be converted to revenue.
 - \$548k (33%) of outstanding sales orders were generated prior to December 2021 (workbook).
 - \$310k of outstanding sales orders relate to 19 orders (workbook) and \$241 of outstanding orders relate to 34 orders (workbook)
 - The Company is not currently operating at a break even level and will require significant changes to become profitable (via increasing revenue and reducing costs)
 - A detailed analysis of the existing cost structure is required to eliminate redundant or excessive expenses.
 - An additional injection of cash is under consideration to continue to meet current on-going obligations.

Proposed 90 Day Plan

- Prepare a 90 day cash flow forecast to determine financing requirements.
 - Identify priority and timing of accounts receivable collections and quantify expected cash receipts.
 - Identify priority and timing of invoicing of existing sales orders, both currently in production and outstanding, and quantify expected invoicing subsequent cash collections.
 - Determine timing of and quantify cash outflows related to completing all in-production and outstanding sales orders including material and labour costs.
- Identify immediate payroll savings and tie compensation to “closed” or “delivered” orders to better align with revenue recognition.
- Identify opportunities for further cost reductions available on a stand-alone basis and in connection with any payroll cost reductions.
 - Facility costs (e.g., rent reductions, sublease, etc.).
 - Vehicles expenses (e.g., truck leases).
 - Other G&A expenses.
- Calculate and support opening balance sheet amounts for key accounts as of May 1, 2022 (e.g., cash, inventory, A/R, A/P and debt).
- Establish accounting and financial reporting processes to support management of the business.
 - Design an account structure that will support the reporting of gross margins by the glass and shelving business lines (see historical cash flow previously provided).
 - Implement accounting processes and related accounts in order to match in-production sales orders with direct and indirect costs incurred on those orders (i.e., WIP).
 - Identify deficiencies in the existing employee skill set and hire resources to optimize the accounting and finance function.
- Establish a production schedule and reporting system that tracks sales orders through production completion and facilitates material procurement on a timely basis.

- Identify deficiencies in the existing employee skill set and hire resources to optimize the production process.
