NOTICE OF MOTION

2751602 Ontario Inc. ("275Co."), a creditor in these proceedings, will make a motion (the "Motion"), without notice, to a judge of the Commercial List on Tuesday, August 4, 2020 at 12:00 noon, or as soon after that time as the Motion can be heard, which motion shall be heard virtually by "Zoom" and may be attended online by accessing the direct videoconference link at https://us02web.zoom.us/j/6261459407, which link shall be emailed to the members of the Service List.

PROPOSED METHOD OF HEARING: The motion is to be heard orally.

THE MOTION IS FOR:

- 1. an Order, if necessary, abridging the time for giving notice of this motion and validating the manner of service thereof;
- 2. an Order directing the within proceeding be listed on, and to be heard by a Judge presiding over, the Commercial List;
- 3. an Order pursuant to section 38 of the *Bankruptcy and Insolvency Act*, R.S.C., 1985, c. B-3 (the "**BIA**"), substantially in the form attached hereto as <u>Appendix "A"</u> (the "**MT Draft Order**"), including:
 - (a) authorizing 275Co. to commence and continue a claim of the bankrupt estate of KMW Energy Inc. (the "Bankrupt") against Miller Thomson LLP for, inter alia, negligence, breach of fiduciary obligations and breach of contract in respect of legal

services provided regarding the negotiation and execution of an agreement for Standard General Conditions for Procurement Contracts between the Bankrupt, as seller, and Robbins Lumber Inc., as the buyer, for the Georges River Project in Seasmont, Maine, United States (collectively, the "MT Claim");

- (b) authorizing 275Co. and MNP Ltd., in its capacity as trustee in bankruptcy of the Bankrupt's estate (in such capacity, the "Trustee"), to execute an assignment substantially in the form attached as <u>Schedule "A"</u> to the MT Draft Order; and
- (c) granting other relief ancillary to the foregoing;
- 4. an Order pursuant to section 38 of the *BIA*, substantially in the form attached hereto as Appendix "B" (the "Chola Draft Order"), including:
 - (a) authorizing 275Co. to continue prosecuting the claims advanced by the Bankrupt against Chola Turbo Machinery International Private Limited also known as Chola Turbo Machinery International Pvt. Ltd. and Buffalo Turbines Inc. in the court proceeding identified by file number CV-20-00643727-0000, including but not limited to claims for: (i) breach of contract, (ii) breach of guarantee, (iii) breach of warranty, (iv) negligence, (v) negligent misrepresentation, (vi) unjust enrichment, (vii) a claim under the *Sales of Goods Act*, R.S.O. 1990, c. S. 1 and (viii) a claim for contribution and indemnity for all amounts that KMW Energy Inc. is required to pay Georges River Energy, LLC (collectively, the "Chola Claims");
 - (b) authorizing 275Co. and the Trustee to execute an assignment substantially in the form attached hereto as Schedule "A" of the Chola Draft Order; and
 - (c) granting other relief ancillary to the foregoing;

THE GROUNDS FOR THE MOTION ARE:

1. On June 26, 2020, the Bankrupt was deemed bankrupt and MNP Ltd. was appointed as trustee of the Bankrupt's estate;

- 2. 275Co. is a creditor of the Bankrupt in the amount of \$2,324,479.24 in respect of a debt initially owed by the Bankrupt to 462673 Ontario Inc. o/a Nor-Arc ("Nor-Arc") which was assigned by Nor-Arc to 275Co. on April 20, 2020;
- 3. the Trustee has confirmed that it does not have funding to, and therefore does not intend to, pursue the MT Claim or the Chola Claims;
- 4. 275Co. wishes to pursue the MT Claim and Chola Claims in its own name, at its own risk and for its own benefit to the extent of its debt and any related costs, subject to any other creditors of the Bankrupt also seeking to participate in prosecuting the claims;

5. The matter is urgent as:

- (a) the Bankrupt issued a notice of action in respect of the Chola Claims on July 9, 2020 and therefore the time to issue a statement of claim in respect of the Chola Claims is about to expire; and
- (b) there may be a limitation period expiring in respect of the MT Claims;
- 6. section 38 of the BIA;
- 7. the Bankruptcy and Insolvency General Rules, C.R.C., c. 368;
- 8. Rules 1.04, 2.02 and 16.08 of the Rules of Civil Procedure, R.R.O. 1990, Reg. 194; and
- 9. such other grounds as counsel may advise and this Court may accept.

THE FOLLOWING DOCUMENTARY EVIDENCE will be used at the hearing of the Motion:

- 1. the Affidavit of Mario Leveille, sworn July 23, 2020;
- 2. such further and other evidence as counsel may advise and this Honourable Court deems appropriate.

Dear Sirs and Madams,

RE:

In the Matter of the Bankruptcy of KMW Energy Inc. (the "Bankrupt"), of the City of London in the Province of Ontario (Estate No.: 35-2638322)

We are the solicitors for 2751602 Ontario Inc. ("275Co."), a creditor of the above noted bankrupt estate. We have been instructed by our client to commence and continue a court proceeding against Miller Thomson LLP in respect of legal advice provided to the Bankrupt in relation to an agreement for Standard General Conditions For Procurement Contracts between the Bankrupt, as seller, and Robbins Lumber Inc., as buyer, for use by Georges River Energy, LLC (the "MT Claim").

On **[DATE]**, the Ontario Superior Court of Justice issued an order pursuant to section 38 of the *Bankruptcy and Insolvency Act*, R.S.C. 1985, c. B-3, as amended, authorizing 275Co. and any other creditor who chooses to join with it to commence and continue the MT Claim at its own expense and risk (the **"Order"**). Pursuant to the Order, MNP Ltd. in its capacity as trustee in bankruptcy of the Bankrupt (in such capacity, the **"Trustee"**) has executed an assignment in favour of 275Co. assigning all of its right, title and interest in the subject matter of the MT Claim. A copy of the Order is enclosed.

If you wish to join in the MT Claim, you must complete and return this form to us within 10 days from the date of this letter, together with your retainer cheque made out to this firm in trust. The cheque should be in the amount of 25% of your claim against the Bankrupt or \$5,000.00, whichever is less. Such amount shall be held in trust, as security for payment of your final invoice. Nothing herein or in the Order restricts us form requesting and increase to such retainer amount, should the circumstances require the same.

If you fail to join the MT Claim within 10 days then you will be excluded from participating in the benefits, if any, of the MT Claim.

If we are successful in recovering money from the MT Claim, the money recovered will be applied in the following order:

- 10. **THIS COURT ORDERS** that if any creditor or creditors fail to participate in the Chola Claims as provided for in paragraph 8 within ten (10) days of the Date of Service, they shall thereafter be excluded from participating in the Benefits.

BENEFITS OF THE CHOLA CLAIMS

11. **THIS COURT ORDERS** that, subject to the terms of this Order, in addition to any dividends to which they may be entitled to out of the Bankrupt's other assets, all benefits derived from the Chola Claims (including any costs payable by the Defendants, the "Benefits") shall vest exclusively in Participating Creditors (including 275Co.) up to the amount of such Participating Creditor's proven claim free and clear of any and all of the estates, titles, rights, benefits, interests, claims, liens, hypothecs, security interests, trusts or deemed trusts (whether statutory or otherwise), assignments, executions, judgments, options, agreements, rights of distress, legal, equitable or contractual set-offs, options, adverse claims, levies, agreements, taxes, disputes, debts, charges, mortgages, encumbrances, claims provable or any other rights or claims howsoever arising, whether contractual, statutory, by operation of law or otherwise, whether or not they have attached or been perfected, registered or filed, whether secured or unsecured or otherwise, by or of any and all other persons or entities of any kind whatsoever, including, without limitation, all individuals, firms, corporations, partnerships, joint ventures, trusts, unincorporated organizations, governmental and administrative bodies, agencies, authorities and tribunals and all other natural persons or corporations, whether acting in their

- (c) nothing in this order or any action taken pursuant to this order shall be determinative of the standing of any party other than 275Co. as a creditor of the Bankrupt and, in the event that the claim of a Participating Creditor is subsequently determined to be invalid, then that party shall only be entitled to have their costs of continuing the Chola Claims reimbursed out of the Benefits and, for greater certainty, they shall not be entitled to any other share of the Benefits or any recourse against 275Co. or any other Participating Creditor.

FUNDING OF COSTS

13. **THIS COURT ORDERS** that Litigation Counsel shall invoice the Participating Creditors their *pro rata* share of the Costs on a regular basis (each an "**Invoice**"), and a Participating

Creditor shall fund its *pro rata* share (based on the aggregate amount of the proven claims of 275Co. and Participating Creditors (the "**Pro Rata Share**") of Costs by paying the Invoice delivered to such Participating Creditor within thirty (30) days of the date of such Invoice.

14. **THIS COURT ORDERS** that if a Participating Creditor at any time fails to pay its *pro rata* share of the costs and expenses in accordance with paragraph 13 of this Order, Litigation Counsel shall send a notice of default to such Participating Creditor (a "Notice of Default"). IN THE MATTER OF THE BRANKRUPTCY OF KMW ENERGY INC. OF THE CITY OF LONDON IN THE PROVINCE OF ONTARIO

AFFIDAVIT OF MARIO LEVEILLE (sworn July 23, 2020)

I, MARIO LEVEILLE, of the City of Earlton, in the Province of Ontario, MAKE OATH AND SAY:

- I am the president of 2751602 Ontario Inc., a creditor of the Estate of KMW Energy Inc.
 (the "Bankrupt"). As such, I have personal knowledge of the matters to which I hereinafter
 depose, except where my knowledge is based upon information provided to me by others. In
 such circumstances, I have stated the source of my information and verily believe it to be
 true.
- 2. I swear this affidavit in support of a motion (the "Motion") brought by 275Co. for orders pursuant to section 38 of the *Bankruptcy and Insolvency Act*, R.S.C., 1985, c. B-3, as amended (the "BIA"), authorizing 275Co. to:

1

(i) commence and continue a claim against Miller Thomson LLP for, *inter alia*, negligence, breach of fiduciary obligations and breach of contract in respect of legal services provided during the negotiation and execution of an agreement for Standard General Conditions for Procurement Contracts between KMW Energy Inc. (the "Bankrupt"), as seller, and Robbins Lumber Inc., as the buyer, for the

(11826902.1)

Georges River Project in Seasmont, Maine, United States (collectively, the "MT Claim"); and

(a) continue prosecuting the claims made by the Bankrupt against Chola Turbo Machinery International Private Limited also known as Chola Turbo Machinery International Pvt. Ltd. ("Chola") and Buffalo Turbines Inc. in the court proceeding identified by file number CV-20-00643727-0000, including but not limited to claims for: (i) breach of contract, (ii) breach of guarantee, (iii) breach of warranty, (iv) negligence, (v) negligent misrepresentation, (vi) unjust enrichment, (vii) a claim under the Sales of Goods Act, R.S.O. 1990, c. S. 1 and (viii) a claim for contribution and indemnity for all amounts that KMW Energy Inc. is required to pay Georges River Energy LLC (collectively, the "Chola Claims");

Background

- 3. The Bankrupt is a company which carried on business as a designer, developer and supplier of components of biomass combustion system boilers and heaters.
- 4. On April 11, 2020, the Bankrupt filed a Notice of Intention to Make a Proposal (an "NOI") pursuant to s. 50.4 of the BIA (the "NOI Proceedings") and MNP Ltd. was named proposal trustee in the NOI Proceedings. A copy of the certificate of filing of the NOI is attached hereto and marked as Exhibit "A".
- 5. On June 26, 2020, the Bankrupt was deemed to have filed an assignment in bankruptcy, having failed to file a proposal within the timelines following the filing of a notice of intention to make a proposal under the BIA, and MNP Ltd. was appointed trustee of the Bankrupt's estate (in such capacity, the "Trustee"). Attached hereto and marked as Exhibit "B" is a copy of the Notice of Bankruptcy I received from the Trustee advising me of the Bankrupt's bankruptcy.
- 6. 275Co. is a corporation incorporated pursuant to the laws of the Province of Ontario and is the purchaser of a debt (the "Debt") initially owed by the Bankrupt to 462673 Ontario Inc. o/a Nor-Arc Steel Fabricators ("Nor-Arc"). Attached hereto and marked as Exhibit "C" is a

(L1826902.1) 2

- copy of the Assignment of Indebtedness between Nor-Arc, as assignor, and 275Co, as assignee.
- 7. By reason of its acquisition of the Debt, 275Co. has a provable claim in the Bankrupt's estate in the amount of \$2,324,479.24. Attached hereto and marked as Exhibit "D" is a copy of 275Co.'s proof of claim dated July 15, 2020, as filed with the Trustee.
- 8. Based on my review of the affidavit of Eric Rosen ("Mr. Rosen"), sworn April 24, 2020 (the "Rosen Affidavit") and filed in the NOI Proceedings, I understand the Bankrupt's financial troubles at the time of the NOI were largely attributable to a problematic contract (the "GRE Contract") the Bankrupt had with one of its customers, Georges River Energy, LLC ("GRE"). Both claims which 275Co. seeks to have assigned to it through the section 38 orders relate to this problematic contract. Attached hereto and marked as Exhibit "E" is a copy of Rosen Affidavit, without exhibits (the "Rosen Affidavit").

The Chola Claims

- 9. In the Rosen Affidavit, Mr. Rosen provides the following information regarding the GRE Contract which, as hereinafter explained, is the basis for the Chola Claims:
 - 29. At GRE's request, KMW sought out new suppliers of turbines to reduce the cost of the GRE Project. As a result, KMW contracted with a company Buffalo Turbine based in Brampton, Ontario for the supply of a turbine manufactured in India to be used for the GRE Project. KMW had no existing relationship with this manufacturer.
 - 30. The turbine was delivered in April 2018 and the biomass energy system was assembled through the spring, summer and fall of 2018. The turbine did not function as required by GRE. From July 2018 to March 2020, KMW spent approximately US\$1.688 million of its working capital in attempting to repair the turbine.
 - 31. Notwithstanding the significant time and money expended by KMW, the turbine still does not function properly.
- 10. The turbine, which as Mr. Rosen attests did not function as required, was supplied by Chola and, as a result, the Bankrupt's estate may have claims against Chola for: (i) breach of contract, (ii) breach of guarantee, (iii) breach of warranty, (iv) negligence, (v) negligent misrepresentation, (vi) unjust enrichment, (vii) a claim under the Sales of Goods Act,

(L1826902.1)

- R.S.O. 1990, c. S. 1 and (viii) a claim for contribution and indemnity for all amounts that KMW Energy Inc. is required to pay Georges River Energy LLC (as hereinbefore defined, collectively, the "Chola Claims").
- 11. On July 7, 2020, the Trustee and 275Co. entered into an agreement regarding the preservation of potential estate claims against Chola as the Chola Claims had to be commenced by or before July 10, 2020 in order to come within certain warranty deadlines and limitation periods. Pursuant to the Agreement, 275Co. was authorized to issue and serve a notice of action in respect of the Chola Claims and to seek a section 38 Order with respect to the same. Attached hereto and marked as Exhibit "F" is a copy of the Agreement.
- 12. On July 9, 2020, 275Co. issued a notice of action (the "Notice of Action") in the name of the Bankrupt against, among others, Chola in respect of the Chola Claims. Attached hereto and marked as Exhibit "G" is a copy of the Notice of Action.
- 13. The Notice of Action sets out the materials facts in support of the Bankrupt's claims against Chola and so I will not repeat or restate the same.
- 14. I'm advised by Thomas Lambert ("Mr. Lambert"), a lawyer at Loopstra Nixon LLP, lawyers for 275Co., that a statement of claim must be issued within thirty (30) days of the issuance of the Notice of Action pursuant to the *Rules of Civil Procedure* (Ontario) and, as a result, the statement of claim must be issued on or before August 7, 2020.
- 15. I'm advised by the Trustee and verily believe that the Trustee does not intend to prosecute the Chola claims and, as such, 275Co. wishes to pursue the Chola Claims in its own name and at its own risk and for its own benefit to the extent of the Debt and any related costs.

The MT Claim

16. I was previously advised by Mr. Rosen that the Bankrupt retained a lawyer at Miller Thomson LLP to negotiate and give advice on an agreement for Standard General

(L1826902.1) **4**

- Conditions For Procurement Contracts (the "Procurement Contract") between KMW, as seller, and Robbins Lumber Inc., as buyer, for use by GRE.
- 17. I'm advised by Mr. Rosen that the Bankrupt entered into the Procurement Contract with Robbins Lumber Inc. based on the advice and recommendations given by the lawyer the Bankrupt retained at Miller Thomson.
- 18. Pursuant to the Procurement Contract, KMW is liable for all claims, costs, losses and damages including professional fees arising out of or relating to non-conforming goods or special services (the "Liability Clause").
- 19. I'm advised by Mr. Rosen that the Bankrupt supplied by a turbine from India manufactured by Chola for the GRE project, all in accordance with the Procurement Contract and that the turbine did not function properly and needs to be removed and replaced thereby creating a significant liability for the Bankrupt.
- 20. I'm further advised by Mr. Rosen that the Bankrupt's lawyer at Miller Thomson LLP failed to, among other things:
 - (i) draw the Bankrupt's attention to the Liability Clause during the negotiation of the Procurement Contract;
 - (ii) advise of the risk of agreeing to the Procurement Contract; and
 - (iii) obtain the Bankrupt's instruction with respect to the terms contained in the Procurement Contract.
- 21. By reason of the foregoing, the Bankrupt's estate may have a claim against Miller Thomson LLP.
- 22. I'm advised by Mr. Lambert that there may be an upcoming limitation period for the Bankrupt to pursue the MT Claim depending on when the claim was discovered.

- 3. This affidavit is made in support of KMW's motion for an order, among other things:

- authorizing the Company to enter into an interim financing term sheet dated April 24, 2020 (the "DIP Term Sheet") with 2751602 Ontario Inc. ("2751"), approving the DIP Term Sheet, and granting 2751 in its capacity as lender under the DIP Term Sheet (the "DIP Lender") a second ranking charge on the Company's property, assets and undertakings (collectively, the "Property") as security for the Company's obligations to the DIP Lender under the DIP Term Sheet;
- (b) authorizing the Company to execute a stalking horse asset purchase agreement dated April 24, 2020 (the "Stalking Horse Agreement") between the Company and 2751, in its capacity as stalking horse bidder (the "Stalking Horse Bidder"), and approving the Stalking Horse Agreement;
- (c) authorizing the Proposal Trustee to conduct a sale process as described below (the "Sale Process");
- (d) approving a first ranking charge over the Property in an amount not to exceed \$150,000 in favour of the Company's legal counsel, the Proposal Trustee, and the Proposal Trustee's legal counsel (collectively, the "Administrative Professionals") to secure payment of their reasonable fees and disbursements;
- (e) approving a third ranking charge over the Property in an amount not to exceed \$50,000 in favour of the Company's directors and officers to indemnify them against obligations and liabilities that they may incur after the Filing Date; and
- (f) approving an extension of the time for the Company to make a proposal to its creditors.

BUSINESS AND OPERATIONS

- 4. KMW is an Ontario corporation that carries on business in London, Ontario. I am the sole member of the board of directors. Gerry Higgins and I are the only officers of KMW. A copy of the Corporation Profile Report for KMW is attached hereto and marked as Exhibit "B".
- 5. For approximately 33 years, KMW has been a leading designer, developer and supplier of the components of biomass combustion system boilers and heaters. Biomass is an environmentally friendly, sustainable energy source that comes from a number of resources, including plant materials, residues from forest industries, by-products from wood remanufacturing, and agricultural residues and waste products. Biomass can produce electricity, heat, liquid fuels, gaseous fuels, and a variety of useful chemicals, including those currently manufactured from fossil fuels.
- 6. KMW custom designs and supplies the components of complete biomass boiler systems including fuel handling, combustion systems, heat recovery boilers, and emission control systems.

 KMW also supplies complete Combined Heat and Power (CHP) plants including steam turbines, Organic Rankine Cycle (ORC) turbines, condensers and cooling systems.
- 7. KMW has supplied boiler systems to sawmills, hospitals, schools, pulp and paper mills, power utility plants, cogeneration facilities, district heating systems and greenhouses to customers in North, Central, and South America, as well as Europe and Australia. KMW works closely with its customer's project management teams, engineering staff and professional advisors to evaluate and implement biomass energy projects.
- 8. KMW purchases all components from third party suppliers across the globe. KMW manages the assembly and installation of the components on site for its customers. Once assembly

is complete, KMW provides training and support to its customers in the operation of the turbines and boilers.

- 9. KMW carries on business from a leased facility located at 275 Colborne Street, London, Ontario (the "Premises"). KMW is current in all payments to its landlord under its lease for the Premises, other than for April 2020.
- 10. As of April 11, 2020, the Company employed 12 non-unionized employees and one independent contractor project manager. KMW does not have an employer-sponsored pension plan for its employees.
- 11. KMW currently has six (6) ongoing projects at various stages of completion. KMW's assets are primarily comprised of contracts, accounts receivable, work-in-progress, proprietary engineering designs and software code, and goodwill.

SECURED CREDITORS

12. KMW has no operating lender. KMW has two secured creditors, 2751, which is a party related to 462673 Ontario Inc. c.o.b. as Nor-Arc Steel Fabricators ("Nor-Arc") that took an assignment of the debt and security owed by KMW to Nor-Arc, and Liberty Mutual Insurance Company ("Liberty Mutual"). Attached hereto and marked as Exhibit "C" is a copy of a search result obtained by the Company's legal counsel, Chaitons LLP ("Chaitons"), from the Ontario Personal Property Security Registration System in respect of registrations under the Personal Property Security Act (Ontario) current as of April 24, 2020.

Nor-Arc and 2751

- 13. Nor-Arc carries on business in Earlton, Ontario as a fabricator of mining and industrial equipment. KMW and its predecessors have been a customer of Nor-Arc for over 30 years. Nor-Arc primarily supplies combustion chambers and fabrication services to KMW.
- 14. As at March 24, 2020, KMW was indebted to Nor-Arc in the amount of \$2,778,084.92 (the "Secured Indebtedness"). This amounts represents the sum of outstanding invoices and interest owed by KMW to Nor-Arc from the period of April 2010 to March 2020. KMW has acknowledged that the Secured Indebtedness was owing to Nor-Arc in an Acknowledgement of Debt and Security dated April 9, 2020 that I executed on behalf of KMW, a copy of which is attached hereto and marked as Exhibit "D".
- 15. KMW historically paid its invoices to Nor-Arc in a timely manner. However, KMW's business was negatively impacted by the Great Recession of 2008-2010 and, as a result, by April 2011, KMW owed approximately \$538,075 to Nor-Arc in unpaid invoices. At that time, Nor-Arc requested that KMW provide security for payment of the outstanding amount.
- 16. Pursuant to a general security agreement dated April 12, 2011 (the "GSA"), KMW granted to Nor-Arc a security interest in all of its property, assets and undertaking as security for payment of all present and future debts, liabilities and obligations of KMW to Nor-Arc. A copy of the GSA is attached hereto and marked as Exhibit "E".
- 17. By early 2019, KMW owed Nor-Arc approximately \$1.0 million. However, as is described in greater detail below, KMW's indebtedness to Nor-Arc has increased during the past two years in connection with the GRE Project (as defined below) and other projects.

18. As noted above, the Secured Indebtedness and the GSA have been assigned by Nor-Arc to 2751 pursuant to an assignment agreement dated April 20, 2020, a copy of which is attached hereto and marked as Exhibit "F".

Liberty Mutual

- 19. Liberty Mutual is a secured creditor of the Company as it issued a performance bond in connection with a contract dated December 6, 2016 between KMW and Georges River Energy, LLC ("GRE") (the "GRE Contract") for the design and supply of a complete biomass energy system to generate 8.5MW of electric power, including turbine, generation and cooling tower (the "GRE Project"). A copy of the GRE Contract is attached hereto and marked as Exhibit "G".
- 20. GRE carries on business in Searsmont, Maine and is a subsidiary of Robbins Lumber, Inc. ('Robbins Lumber'). Robbins Lumber owns and manages 30,000 acres of forest and operates mills on a 40-acre site in Searsmont.
- 21. KMW was required to obtain a performance bond with respect to its obligations under the GRE Contract. On December 13, 2016, Liberty Mutual, as surety, issued a Performance Bond for Procurement Contracts in the amount of \$6,412,500 in favour of GRE (the "Performance Bond"). A copy of the Performance Bond is attached hereto and marked as Exhibit "H".
- 22. In connection with the Performance Bond, KMW, myself, Gerry and Nor-Arc (collectively, the "Indemnitors") executed two agreements in favour of Liberty Mutual: an Indemnity and Security Agreement dated December 16, 2016 (the "Indemnity and Security Agreement"); and a General Indemnity Agreement dated December 16, 2016 (collectively, the "Indemnity Agreements"). Copies of the Indemnity Agreements are collectively attached hereto and marked as Exhibit "I".

- 23. Pursuant to the Indemnity Agreements, each of the Indemnitors agreed to indemnify Liberty Mutual with respect to any liabilities it may incur in connection with the Performance Bond.
- 24. Pursuant to the Indemnity and Security Agreement, the Company granted to Liberty Mutual a security interest in all of its property, assets and undertaking as security for its obligations to Liberty Mutual.
- 25. Nor-Arc executed the Indemnity Agreements as it was to supply components to KMW with respect to the GRE Contract and was to receive a share of KMW's net profits from the GRE Contract.

OTHER CREDITORS

Government Remittances and Amounts Owed to Employees

26. As at April 6, 2020, KMW was current with respect to all amounts owed for government remittances and all amounts owed to its employees, excluding certain employee expense reports.

Unsecured Creditors

27. As at April 6, 2020, KMW owed its trade creditors approximately \$4.3 million. This amount does not include any claims that parties may have in relation to the Performance Bond and the Indemnity Agreements (as defined below).

FINANCIAL DIFFICULTIES

- 28. KMW's financial difficulties are primarily attributable to the GRE Contract.
- 29. At GRE's request, KMW sought out new suppliers of turbines to reduce the cost of the GRE Project. As a result, KMW contracted with a company Buffalo Turbine based in Brampton,

Ontario for the supply of a turbine manufactured in India to be used for the GRE Project. KMW had no existing relationship with this manufacturer.

- 30. The turbine was delivered in April 2018 and the biomass energy system was assembled through the spring, summer and fall of 2018. The turbine did not function as required by GRE. From July 2018 to March 2020, KMW spent approximately US\$1.688 million of its working capital in attempting to repair the turbine.
- 31. Notwithstanding the significant time and money expended by KMW, the turbine still does not function properly. As a result, GRE has threatened litigation against KMW and has not paid to KMW the remaining US\$2,463,907 million owed to it under the GRE Contract. GRE has also notified Liberty Mutual that it may declare KMW to be in default under the GRE Contract and make a demand under the Performance Bond. GRE has not done so to date.
- 32. GRE and KMW have engaged in settlement discussions in an effort to resolve the issues related to the GRE Project. Notwithstanding their efforts, the parties have been unable to come to terms on an agreeable settlement.
- 33. As a result of the issues related to the GRE Project, the Company has faced a liquidity crisis and it was anticipated that, without receiving interim financing and protection from its creditors, it would be unable to meet its post-filing obligations by April 30, 2020.
- 34. On April 9, 2020, Nor-Arc demanded payment from KMW and served a Notice of Intention to Enforce Security ("NITES") pursuant to section 244(1) of the BIA. KMW agreed to waive the 10-day period under section 244 of the BIA. A copy of Nor-Arc's demand letter, NITES,

and the waiver I executed on behalf of the Company are attached hereto and marked as Exhibit "J".

35. On April 11, 2020, KMW commenced the NOI proceeding under the BIA for the purpose of conducting a process for the sale of KMW's business as a going concern. Prior to the filing, Nor-Arc had agreed to act as DIP Lender during the NOI proceeding and agreed to have a party related to it act as a stalking horse bidder in the sale process to be conducted by the Proposal Trustee.

DIP LOAN

- 36. KMW, with the assistance of the Proposal Trustee, prepared a cash flow forecast for the time period commencing April 6, 2020 through to July 3, 2020 (the "Cash Flow"). The Cash Flow demonstrates that KMW will require additional funds to enable it to carry on business during the NOI proceeding and fund the Sale Process, working capital and the costs of the proceeding. A copy of the Cash Flow is attached hereto and marked as Exhibit "K".
- 37. Nor-Arc, in its capacity as the proposed DIP Lender, has offered to make available to KMW a debtor-in possession loan in the maximum amount of \$500,000 (the "DIP Loan") pursuant to the terms of the DIP Term Sheet, substantially in the form attached hereto and marked as Exhibit "L", to fund the cash shortfall anticipated in the Cash Flow.
- 38. It is a fundamental term of the DIP Term Sheet that the Court grant an order on terms acceptable to the DIP Lender which, among other things, grants the DIP Lender a second ranking charge over the Property in priority to all other claims and encumbrances (the "DIP Charge").

39. KMW believes that the terms of the DIP Term Sheet are reasonable in the circumstances and should be approved. In the absence of the DIP Loan, KMW will not be able to conduct the Sale Process and will be forced to immediately shut down its business and file for bankruptcy. I believe that the DIP Loan enhances the Company's prospects of making a viable proposal to its creditors, and no creditor will be materially prejudiced as a result of the granting of the DIP Charge.

SALE PROCESS AND STALKING HORSE AGREEMENT

- 40. KMW, in consultation with the Proposal Trustee, and subject to the approval of the Court, developed the Sale Process. The Sale Process will be administered by the Proposal Trustee. As part of the Sale Process, KMW will enter into the Stalking Horse Agreement, substantially in the form attached hereto and marked as Exhibit "M" which establishes the floor price for KMW's business and assets.
- 41. The Stalking Horse Bidder is prepared to purchase the business and assets of KMW on a going-concern basis pursuant to the terms of the Stalking Horse Agreement for a purchase price equal to: (i) \$500,000; (ii) any amounts ranking in priority to the Stalking Horse Bidder's security; (iii) any amounts secured by the DIP Charge, the Administration Charge and the D&O Charge (each as defined below); and (iv) an amount of the Secured Indebtedness to be cancelled by the Stalking Horse Bidder as it deems appropriate.
- 42. It is anticipated that, if a sale of KMW's business and assess is completed pursuant to the Stalking Horse Agreement, the Stalking Horse Bidder will offer employment to most, if not all, of KMW's employees.

- 43. The following is a summary of the Sale Process and material milestones. All terms not otherwise defined herein, shall have the meaning assigned to such terms in the Stalking Horse Agreement:
 - (a) The Sale Process will be commenced immediately following the date of the order approving same (the "Sale Process Approval Date").
 - (b) within five (5) business days after the Sale Process Approval Date, the Proposal Trustee will contact parties identified by the Company who may be interested in purchasing the business and/or assets of the Company and any other parties identified by the Company and the Proposal Trustee as potentially interested in purchasing the assets of the Company. The Proposal Trustee will provide a teaser summary of KMW's assets in order to solicit interest. The Proposal Trustee will obtain a Non-disclosure Agreement ("NDA") from interested parties who wish to receive a Confidential Information Memorandum ("CIM") and undertake due diligence. Following the execution of an NDA, the Proposal Trustee will provide access to an electronic data room ("Data Room") and a template asset and purchase agreement to prospective purchasers.
 - (c) Within seven (7) business days of the Sale Process Approval Date, or as soon thereafter as is practical, the Proposal Trustee shall (a) publish a notice advertising the opportunity in the National Post and/or such other trade publications or other publications as the Proposal Trustee may deem appropriate or advisable, and (b) post the opportunity on its website.

- (d) The Bid deadline for prospective purchasers will be May 29, 2020, subject to the Proposal Trustee, in its discretion, extending the date for no more than 10 days not to surpass June 8, 2020 (the "Bid Deadline").
- (e) A Qualified Bid must be accompanied by a cash deposit of 10% of the purchase price and must be equal to or greater than the sum of the indebtedness owed to the Stalking Horse Bidder, the DIP Loan, the amounts secured by the Administration Charge and the D&O Charge, and any other priority payable amounts.
- (f) If no Qualified Bid is received by the Bid Deadline (other than the Stalking Horse Bid), the Auction will not be held.
- If more than one Qualified Bid is received by the Bid Deadline, the Proposal Trustee shall extend invitations to all bidders who submitted Qualified Bids and to the Stalking Horse Bidder to attend an Auction. The Auction shall be held at 10:00 a.m. on the second (2nd) Business Day after the Bid Deadline by teleconference, video conference or other form of electronic telecommunications, as the Proposal Trustee may deem fit.
- (h) The Proposal Trustee shall conduct the Auction. At the Auction, the bidding shall begin initially with the highest Qualified Bid and subsequently continue in multiples of \$50,000, or such other amount as the Proposal Trustee determines to facilitate the Auction. Additional consideration in excess of the amount set forth in the highest Qualified Bid must be comprised only of cash consideration (which, for clarity, may be satisfied by way of credit bid by the Stalking Horse Bidder).

The format and other procedures for the Auction shall be determined by the Proposal Trustee in its sole discretion.

- (i) The Winning Bid shall be either:
 - in the event that no other Qualified Bid is received by the Bid Deadline, the Stalking Horse Bid;
 - (ii) in the event that multiple Qualified Bids are received, following the conclusion of the Auction (if applicable), the party submitting the highest and best offer through the Auction, which the Proposal Trustee is satisfied, acting reasonably, is capable of being completed as required by the Sales Process Order.
- (j) As soon as practicable after determination of the Winning Bid, the Company will make a motion to the Court for an approval and vesting order in respect of the Winning Bid and the underlying purchase agreement.

ADMINISTRATION CHARGE

- 44. In order to protect the fees and expenses of each of the Administrative Professionals, KMW seeks a first ranking charge on the Property in an amount of \$150,000 (the "Administration Charge"), ranking in priority to all claims and encumbrances.
- 45. I believe that no creditor will be materially prejudiced as a result of the granting of the Administration Charge

D&O CHARGE

- 46. As part of the NOI proceeding, KMW is seeking a third ranking charge on the Property in favour of their directors and officers in the amount not to exceed \$50,000 (the "D&O Charge") ranking in priority to all other claims and encumbrances, with the exception of the Administration Charge and the DIP Charge, as security for the possible liabilities that may be incurred by the directors and officers of the Company after the Filing Date, including wages, vacation pay, and source deductions.
- 47. The Company does not have an existing insurance policy with respect to directors and officers liabilities.
- 48. There is a risk that without the D&O Charge, KMW's directors and officers might resign from their positions, which would jeopardize the NOI proceeding. The Company, in consultation with the Proposal Trustee, believes that the quantum of the proposed D&O Charge is reasonable given the circumstances.
- 49. I believe that no creditor will be materially prejudiced as a result of the granting of the D&O Charge

STAY EXTENSION

50. I have been advised by Sam Rappos, a partner at Chaitons, that under the BIA, the period for KMW to file a proposal will expire on May 11, 2020. The Company is acting in good faith and with due diligence in seeking to preserve its business on a going concern basis for the benefit of all of its stakeholders.

In order to commence and advance the Sale Process, KMW is seeking an extension of time to file a proposal for 45 days or until June 25, 2020.

Without the extension, KMW will not be in a position to make a viable proposal to its creditors and will become bankrupt to the detriment of its stakeholders. In contrast, no creditor will be materially prejudiced if the extension applied for is granted. The extension is supported by the Proposal Trustee. If the extension applied for is granted, KMW would likely be able to make a viable proposal to its creditors following the completion of the Sale Process.

This affidavit is sworn in support of KMW's motion and for no other or improper reason.

- 5. In 2016, KMW was awarded a contract by GRE to supply an 8.5-megawatt multistage controlled extraction condensing turbine and accessories ("Turbine").
- 6. KMW approached Buffalo Turbines to supply the Turbine.
- 7. Buffalo Turbines advised KMW that Chola would be the manufacturer of the Turbine.
- 8. It was agreed between KMW, Buffalo Turbines and Chola that, as a condition of KMW ordering the Turbine from Buffalo Turbines, Chola would be required to provide KMW directly with a corporate guarantee in the amount of \$392,370.00 USD ("Corporate Guarantee"), a performance guarantee in the amount of \$196,185.00 USD ("Performance Guarantee") as well as a global commercial warranty ("Warranty") with respect to the Turbine.
- KMW purchased the Turbine from Buffalo Turbines and Chola delivered the Corporate Guarantee, the Performance Guarantee and the Warranty to KMW.

- 11. GRE has alleged that the Turbine cannot perform as required.

- 16. KMW denies any liability to GRE whatsoever.
- 17. KMW made demand to Chola pursuant to the Performance Guarantee, the Corporation Guarantee and the Warranty.
- 18. KMW issued a legal notice to Chola with respect to the Performance Guarantee on or about June 19, 2020.
