Appendix "E" — The Monitor's Prescribed Report

INTRODUCTION

1. On November 23, 2022 (the “**Filing Date**”), the Ontario Superior Court of Justice (Commercial List) (the “**Court**”) made an initial order (the “**Initial Order**”) granting 1138969 Ontario Inc. (“**OpCo**”) and Springer Aerospace Holdings Limited (“**Holdco**”) (collectively, “**Springer**” or the “**Applicants**”) certain relief pursuant to the *Companies’ Creditors Arrangement Act*, R.S.C. 1985, c. C-36, as amended (the “**CCAA**”). Springer’s CCAA Proceedings are referred to herein as the “**CCAA Proceedings**”. A copy of the Initial Order is attached as **Exhibit “A”** of the Grant Second Affidavit (as defined herein).
2. The Initial Order provides for, *inter alia*:
 - (a) a stay of proceedings (the “**Stay of Proceedings**”) in favour of Springer until December 2, 2022 (the “**Stay Period**”);
 - (b) the appointment of MNP Ltd. (“**MNP**”) as monitor (in such capacity, the “**Monitor**”) in the CCAA Proceedings;
 - (c) the approval of borrowings up to \$600,000 (the “**Initial Advance**”) under a \$1,500,000 debtor-in-possession (“**DIP**”) interim financing facility (the “**DIP Facility**”) made available to the Applicants by Hillmount Capital Inc. (the “**DIP Lender**”) pursuant to a commitment letter between the Applicants and the DIP Lender dated November 22, 2022 (the “**DIP Term Sheet**”);
 - (d) the approval of charges (the “**Charges**”) ranking in the following order:
 - i. First — a charge (the “**Administration Charge**”) to protect the fees and expenses of the Monitor, counsel to the Monitor and the Applicants’ counsel (collectively, the “**Administrative Professionals**”) to the maximum amount of \$80,000; and

- ii. Second — a charge in favour of the DIP Lender (the “**DIP Lender’s Charge**”) to the extent of the Initial Advance,
with each such charge constituting a charge against all of the Applicants’ current and future assets, undertakings and properties of every nature and kind whatsoever, and wherever situate, including all proceeds thereof (the “**Property**”), and ranking in priority to all other security interests, trusts, liens, charges and encumbrances of secured creditors, statutory or otherwise (collectively, “**Encumbrances**”) in favour of any Person (as defined in the Initial Order); and
 - iii. Third — a directors' and officers' charge (the “**Directors’ Charge**”) to secure the indemnity provided to Springer’s officers and directors in respect of liabilities they may incur after the Filing Date in an amount not to exceed \$165,000 in the aggregate, with such charge to rank in priority to all other Encumbrances in favour of any Person, save and except any Encumbrance in favour of Caisse Desjardins Ontario Credit Union Inc. (“**Desjardins**”) and any Encumbrance ranking in priority to any such Desjardins Encumbrance, including the Administration Charge and the DIP Lender’s Charge.
3. The Monitor filed a pre-filing report (the “**Pre-filing Report**”) with the Court prior to the commencement of the CCAA Proceedings. The Pre-filing Report and all other materials filed in the CCAA Proceedings are available on the Monitor’s website at <https://mnpdebt.ca/en/corporate/corporate-engagements/springeraerospace> (the “**Monitor’s Website**”). A copy of the Pre-filing Report, without appendices, is attached as **Appendix “A”**.

PURPOSE

4. The purpose of this first report of the Monitor (the “**First Report**”) is to provide information to the Court in respect of:

- (a) The activities of the Applicants and the Monitor since the Filing Date;
- (b) Springer’s cash flow projections for the proposed extension of the Stay Period (the “**Revised Cash Flow Forecast**”, attached as **Appendix "C"**), including a comparative analysis to the Initial Cash Flow Forecast (as defined herein);
- (c) The Applicants’ motion for the following relief, including:
 - i. an Amended and Restated Initial Order that provides for, *inter alia*:
 - a. an increase in the maximum borrowings under the DIP Facility by an additional \$500,000 (\$1.1 million in the aggregate) (the “**Requested DIP Increase**”);
 - b. the Stay Period being extended to and including March 31, 2023 (the “**Requested Stay Extension**”);
 - c. an increase in the maximum amount of the Administration Charge to \$250,000;
 - d. the appointment of Cedar Croft Consulting Inc. (“**Cedar Croft**”) to act as Chief Restructuring Officer (“**CRO**”) and for the Cedar Croft Monthly Fee (defined below) to be included under the Administration Charge, as detailed herein; and
 - e. the granting of a charge to secure the success fees contemplated in the CRO Engagement Letter (the “**Administration Charge II**”) up to a maximum of \$75,000, which charge shall rank behind any Desjardins Encumbrance but ahead of the Directors’ Charge;

TERMS OF REFERENCE

- 5. In preparing this First Report, MNP has necessarily relied upon the Grant Affidavits (defined below), the unaudited financial statements and other information supplied and representations made by certain management of the Applicants (“**Management**”) and third-

party sources (collectively, the “**Information**”). Except as specifically noted in this First Report, MNP has not conducted an audit or otherwise attempted to verify the accuracy or completeness of the Information in a manner that would comply with Generally Accepted Assurance Standards pursuant to the Chartered Professional Accountants of Canada Handbook. Accordingly, MNP expresses no opinion, and does not provide any other form of assurance, on or relating to the accuracy of the Information contained in this First Report, or otherwise used to prepare this First Report.

6. MNP also bases its First Report on Springer’s cash flow projections and underlying assumptions and notes that its review and commentary thereon were performed in accordance with the requirements set out in the Canadian Association of Insolvency and Restructuring Professionals’ Standards of Professional Practice No. 9 (Cash Flow Statement) (the “**Professional Standards**”). Certain of the information referred to in this First Report consists of financial forecasts and/or projections. An examination or review of financial forecasts and projections and procedures, in accordance with standards set by the Chartered Professional Accountants of Canada, has not been performed. Future-oriented financial information referred to in this First Report was prepared based on estimates and assumptions provided by Management. Readers are cautioned that since financial forecasts and/or projections are based upon assumptions about future events and conditions that are not ascertainable, actual results may vary from the projections, and such variations could be material.
7. Capitalized terms not defined in this First Report are used as defined in the Affidavits of Christopher Grant sworn November 22, 2022 (the “**First Grant Affidavit**”) and November 30, 2022 (the “**Second Grant Affidavit**”) and collectively, the “**Grant Affidavits**”), filed in support of the Applicants’ application for relief under the CCAA.
8. This First Report should be read in conjunction with the Grant Affidavits.

9. Unless otherwise stated, all monetary amounts contained in this First Report are expressed in Canadian dollars.

GENERAL BACKGROUND

10. As set out in the Grant Affidavits, each of the Applicants is a private corporation incorporated under the laws of the Province of Ontario. OpCo operates one of the few full-service aircraft maintenance, repair and overhaul (“**MRO**”) businesses in Canada, and the only one located in Northern Ontario, with its roots dating back to 1972.

11. OpCo’s business is operated from, and its head office is maintained at, facilities located in Echo Bay, Ontario (the “**Facilities**”).

12. The real estate underlying the Facilities, located at 377 Lakeview Road, Echo Bay, Ontario, is owned by Holdco. It is about 210 acres and is improved by, among other things:

(a) three hangars, namely: (i) a 16,160 square feet and 17 feet high hangar that houses an industrial bay, the paint shop, offices, and storage; (ii) a 24,373 square feet and 30 feet high hangar that houses an industrial bay for aircraft work as well as offices and amenities on a second floor; and (iii) a 33,000 square feet hangar that is 59 feet high at its peak, was recently built in 2020, and houses Springer’s largest industrial bay; and

(b) an airport (the Bar River Airport, IATA code YEB, Transport Canada Local Identifier CPF2) (the “**Airport**”), which includes a main runway that is large enough to accommodate Boeing 737s for landing and takeoff.

Causes of the Financial Difficulties and Insolvency:

13. As described in the Grant Affidavits, Springer is insolvent. Management has advised that the

Applicants' financial difficulties and insolvency are attributable to:

- (a) the significant impact of the COVID-19 pandemic on Springer's business, and more specifically, (i) the reduced demand for MRO services resulting therefrom; (ii) the decision not to undertake massive employee layoffs during the pandemic in the hope that the travel industry would normalize in the short- to mid-term; and (iii) supply chain issues, including delays and shortages of parts and supplies, which caused inefficiencies;
- (b) operational inefficiencies arising from: (i) the rapid expansion of the business undertaken prior to the COVID-19 shutdown; and (ii) a lack of key performance indicators to measure performance on an operational and financial basis;
- (c) rapid expansion of the business without adequate strategic planning; and
- (d) high levels of turnover within the organization, including in the senior management team.

14. As noted in the Grant Affidavits, the primary purpose of the CCAA Proceedings is to provide Springer with an opportunity to: (i) continue to operate its MRO business in a stabilized environment while it carries out an orderly restructuring of its business; and (ii) implement a sale and investment solicitation process (the "SISP"). The Stay of Proceedings is necessary to maintain the stability and value of Springer's business while such actions are undertaken.

15. Additional information in respect of the Applicants, including their assets and liabilities, is set out in the First Grant Affidavit. MNP has not repeated such details in this First Report.

ACTIVITIES OF THE MONITOR SINCE FILING DATE

16. Since the Filing Date, the Monitor has undertaken the following activities:

- a. activated the Monitor's Website;
- b. completed or is in the process of completing its notice requirements pursuant to subsection 23(1)(a) of the CCAA and as provided in paragraph 46 of the Initial Order. In particular:
 - i. the Initial Order was posted on the Monitor's Website;
 - ii. on November 29, 2022, a notice containing the prescribed information on the CCAA Proceedings was sent to all known creditors who have claims greater than \$1,000 against Springer; and
 - iii. notice of the CCAA Proceedings containing the prescribed information was published in the National Post (National Edition) on November 29, 2022 and will be published again on December 6, 2022;
- c. prepared and filed Form 1 and Form 2 regarding the CCAA Proceedings with the Office of the Superintendent of Bankruptcy on November 23, 2022 and November 30, 2022, respectively;
- d. reviewed and assisted in the preparation of various cash flow statements and financial projections prepared by Management;
- e. reviewed a communications plan with the Applicants;
- f. assisted with respect to the selection and engagement of the proposed CRO;
- g. prepared this First Report of the Monitor; and
- h. responded to enquiries from, and participated in discussions with, customers, creditors and other stakeholders, including participating in numerous discussions with the DIP Lender.

THE COMPANIES' INITIAL RESTRUCTURING ACTIVITIES

17. Since the Filing Date, the Applicants have, with assistance of their legal counsel, *inter alia*:
- a. communicated and cooperated with the Monitor;
 - b. engaged with stakeholders, including secured creditors, community stakeholders, employees, customers and suppliers;
 - c. received and used Initial Advance funds to pay municipal tax arrears, fund working capital requirements, and make payroll in time;
 - d. developed and implemented a communications plan, which included issuing a press release;
 - e. as detailed below, and in consultation with the Monitor, negotiated terms for the appointment of the CRO;
 - f. as described in greater detail below, developed the Revised Cash Flow Projections in consultation with the Monitor and the DIP Lender;
 - g. continued efforts towards identifying and implementing appropriate operational restructuring measures;
 - h. assisted their counsel in the development of materials for this Comeback Motion; and
 - i. generally, continued operating their business as a going concern.

ENGAGEMENT OF CHIEF RESTRUCTURING OFFICER

18. As discussed in the Grant Affidavits and the Pre-Filing Report, Springer is, subject to Court approval, desirous of appointing the CRO to enable the incumbent Management to deal with the management of Springer's business, while the CRO focuses on the restructuring.
19. Springer, with the assistance of the Monitor, has entered into discussions with Cedar Croft to provide the following services (the "**Services**"):

- a. supervise the day-to-day operations and carriage of the business of the Applicants, as the CRO deems necessary or advisable;
- b. assist the Applicants in the preservation of their assets;
- c. work with Management and the Board of the Applicants to establish a plan or plans for the restructuring of the Applicants in coordination with the Monitor, and report to the Applicants, the Monitor and key stakeholders on its progress, timeframe, and key issues;
- d. oversee the implementation of the restructuring plan or plans and coordinate and participate in communications to the Applicants, creditors, and other key stakeholders;
- e. supervise and monitor the receipts and disbursements consistent with the cash flows filed in the CCAA Proceedings and arising out of the operations of the Applicants, and bring all related issues to the attention of the Applicants and the Monitor;
- f. assist the Applicants and the Monitor in the development and implementation of the SISP; and
- g. report to the Applicants, the Monitor and key stakeholders regarding the business and affairs of the Applicants as the CRO, in its reasonable discretion, deems appropriate.

20. Given the current financial challenges facing Springer's business, the Applicants concluded that it was in their and the stakeholders' best interest to appoint Cedar Croft as CRO.

21. The CRO Engagement Letter contemplates payment of a monthly work fee of \$25,000 (the "**Cedar Croft Monthly Fee**"), reimbursement of reasonable expenses, and a \$75,000 success fee, which shall be earned upon the confirmation and effectiveness of a plan of arrangement, sale of assets, or refinancing pursuant to the SISP to be conducted in these CCAA Proceedings.

22. The proposed Amended and Restated Initial Order provides certain protections that are typically afforded to CROs in CCAA proceedings with respect to liabilities or obligations incurred as a result of the CRO's engagement, save and except for any gross negligence or willful misconduct on their part.
23. The proposed Amended and Restated Initial Order also provides for the extension of the Administration Charge to cover the payment of the fees and expenses contemplated in the CRO Engagement Letter.
24. Based on the forgoing, the Proposed Monitor considers the relief sought in the Amended and Restated Initial Order relating to the CRO's remuneration and limitation of liability reasonable and appropriate in the circumstances, and consistent with other CCAA proceedings. There is no unwarranted duplication of roles. The Services contemplated by the CRO Engagement Letter are appropriate to Springer's specific needs in relation to the restructuring.

CASH FLOW VARIANCE ANALYSIS

25. The Monitor has undertaken a weekly review of Springer's actual cash flows in comparison to those contained in the Initial Cash Flow Forecast. A summary of Springer's actual cash receipts and disbursements, as compared to the Initial Cash Flow Forecast for the week ending November 26, 2022 (the "**Monitored Period**"), is summarized below.

Currency: S000' CAD	One-Week Period Ended Nov 26, 2022		
	<u>Actual</u>	<u>Budget</u>	<u>Variance</u>
Receipts			
Routine work	51	175	(124)
Non-routine work	35	31	4
Injection of funds by shareholders	222	-	222
Total receipts	308	206	102
Disbursements			
Suppliers (fuel, paint, municipal taxes)	1	44	(43)
Routine work - Parts and materials	-	92	(92)
Non-routine work - Parts and materials	-	5	(5)
Other parts & materials	-	25	(25)
Payroll	186	165	21
Garnishments - Wages	1	1	1
Tools & office supplies	-	14	(14)
Brokerage	-	17	(17)
Property taxes	187	186	1
Licenses, fees and dues	-	1	(1)
Automotive Lease	1	1	(0)
Utilities	-	17	(17)
Other expenses	-	15	(15)
Insurance	41	41	0
Bank charges and interest	1	-	1
Professional fees (Monitor and its counsel)	-	40	(40)
DIP commitment fees and legal expenses	69	65	4
Interest on DIP Loan	-	-	-
Total Disbursements	487	728	(241)
Operating Net Cash Flow	(179)	(522)	343
DIP Loan advances	600	600	-
Opening bank balance	14	-	14
Ending Cash	435	78	357

26. Overall, Springer realized a favourable net cash flow variance of approximately \$343,000. The key components of the variance are as follows:

- a. Receipts – Routine and Non-Routine Work: Actual receipts from routine and non-routine work were \$124,000 lower than projected as a result of payment delays by certain customers who sought comfort and confirmation from the Applicants that work on their projects remained ongoing;

- b. Receipts – Shareholder Advances: One of the shareholders injected \$222,000 between the Filing Date and the date of the Initial Advance with a view of funding payroll. Desjardins placed a 5 day-hold (the “**Hold**”) on the injected funds to ensure that there were sufficient funds to cover the deposit. Accordingly, these funds were not available to the Applicants during the Monitored Period. The Applicants intend to repay this loan advance in the week ending December 3, 2022.
- c. Disbursements: Overall, there was a favourable variance of \$241,000 in total disbursements due to the Hold and the lower-than-anticipated receipts from the collection of accounts receivable.
- d. Disbursements – Supplies, Parts and Materials: The \$165,000 aggregate favourable variance in the purchase of supplies, parts and materials represents a timing difference resulting from: (i) the Applicants spending the first week stabilizing the business and negotiating mutually-agreeable payment terms and the logistics for the ongoing supply of goods and services; and (ii) inadequate funds being available to purchase supplies, parts and materials.
- e. Payroll: The unfavourable variance of \$21,000 relates to banked vacation and overtime paid to certain employees who were terminated prior to the Filing Date;
- f. Disbursements – Professional Fees: The \$40,000 favourable variance represents a timing difference attributable to the lower-than-anticipated-receipts.

REVISED CASH FLOW FORECAST FOR THE PERIOD ENDING MARCH 31, 2022

27. The Applicants, with the assistance of the Monitor, prepared the cash flow forecast for Springer (the “**Initial Cash Flow Forecast**”) for the 13-week period ending February 18, 2023 (the “**Cash Flow Period**”). The Initial Cash Flow Forecast was prepared by Management using the probable and hypothetical assumptions as set out in the notes. A copy of the Initial Cash Flow Forecast is attached hereto as **Appendix “B”**.

28. The Initial Cash Flow Forecast was prepared on the assumption that Springer’s business will continue to operate during the CCAA Proceedings. The projected disbursements were calculated without consideration of any performance improvement and/or cost-cutting measures that the Applicants may initiate and, accordingly, remained subject to change.
29. To reflect the Requested Stay Extension, the Revised Cash Flow Forecast has been prepared, extending through to the week ended April 1, 2023 (the “**Revised Cash Flow Period**”) and having been built on the assumption that the Applicants have availability of funds from the Requested DIP Increase. A copy of the Revised Cash Flow Forecast is attached as **Appendix “C”**.
30. The Monitor highlights the following other revisions to the Initial Cash Flow Forecast:
- (a) the Revised Cash Flow Forecast anticipates the utilization of \$1,095,000 under the DIP Facility;
 - (b) Receipts – the timing of receipts from routine and non-routine work has been revised to reflect the anticipated delays in billings and collections attributable to the anticipated delays in procuring certain supplies, parts and materials necessary to hit certain billing milestones;
 - (c) Supplies, Parts, Materials – the Applicants increased the projected purchase of supplies, parts and materials after carrying out further analysis;
 - (d) the Applicants expect to pay the Administrative Professionals estimated fees of \$552,000 during the Revised Cash Flow Period.
31. Management’s Representation Letter regarding the Revised Cash Flow Forecast and the Proposed Monitor’s Prescribed Report to the Court regarding the adequacy of the Cash Flow Forecast are attached hereto as **Appendix “D”** and **Appendix “E”**, respectively.

32. The Monitor has reviewed the Revised Cash Flow Forecast to the standard required of a Court-Appointed Monitor by section 23(1)(b) of the CCAA and in accordance with the Professional Standards. Based on the Professional Standards, the Monitor's review of the Revised Cash Flow Forecast consisted of enquiries, analytical procedures and discussions related to information supplied to us by Management. Since hypothetical assumptions need not be supported, the procedures with respect to those assumptions were limited to evaluating whether they were consistent with the purpose of the forecast. The Monitor has also reviewed the support provided by Management for the probable assumptions and the preparation and presentation of the Revised Cash Flow Forecast.
33. Based on the Monitor's review, nothing has come to its attention that causes the Monitor to believe that, in all material respects:
- (a) the hypothetical assumptions are not consistent with the purpose of the Revised Cash Flow Forecast;
 - (b) as at the date of the First Report, the probable assumptions developed by Management are not suitably supported or consistent with the plans of the Applicants, or do not provide a reasonable basis for the Revised Cash Flow Forecast, given the hypothetical assumptions; and
 - (c) the Revised Cash Flow Forecast does not reflect the probable and hypothetical assumptions.
34. The Revised Cash Flow Forecast constitutes the basis for funding under the DIP Facility.

Debtor-in-Possession Financing

35. The initial quantum of the DIP Lender's charge granted in the Initial Order was limited to that which was reasonably necessary for the Applicants' continued operations in the ordinary

course of business during the initial 10-day stay period, in accordance with s. 11.001 and 11.2(5) of the CCAA. The Initial Order, therefore, authorized the Applicants to borrow up to the Initial Advance.

36. During the Monitored Period, the Applicants have drawn the Initial Advance to fund their working capital requirements, including payroll, and to satisfy payment of approximately \$186,000 in arrears of municipal tax on the Facilities and the other real property owned by the Applicants.
37. The proposed Amended and Restated Initial Order provides for an increase of the Applicants' permitted borrowings under the DIP Facility and of the quantum of the DIP Lender's Charge from \$600,000 to \$1,100,000, being the Requested DIP Increase. While the DIP Facility provides for a maximum principal loan amount of \$1,500,000, the Applicants are seeking an increase in the permitted borrowings limited to the amount of the Requested DIP Increase subject to further order of the Court.
38. As appears from the Revised Cashflow Forecast, the Applicants require the Requested DIP Increase during the Revised Forecast Period to ensure that they have sufficient working capital available to fund their operations and satisfy payments to the Administrative Professionals.
39. The Monitor has considered the factors set out in section 11.2 of the CCAA with respect to the Applicants' request that the Court authorize the Requested DIP Increase, and is of the view that the Applicants' request is reasonable and appropriate. The Requested DIP Increase provides the Applicants with the funding they require to allow the business to continue to operate in the ordinary course under the supervision of Management, while Management works with the Monitor and the CRO to develop the SISP. Absent the funding under the Requested DIP Increase, the Applicants would not have the funds required to maintain their business as a going concern and would likely cease to operate.

AMENDED AND RESTATED CCAA ORDER SOUGHT

Charges

40. As noted previously, the Initial Order provided for the establishment of the Charges.
41. The initial quantum of the Administration Charge granted in the Initial Order was limited to that which was reasonably necessary during the initial 10-day stay period, in accordance with s. 11.001 of the CCAA.
42. The proposed Amended and Restated Initial Order provides for an increase of the quantum of the Administration Charge from \$80,000 to \$250,000. This relates to the Applicants' increased professional fees to be incurred during the Revised Forecast Period, including those of the CRO, in accordance with the Updated Cashflow Forecast. The proposed quantum of \$250,000 is in accordance with the maximum amount of the Administration Charge provided under the DIP Facility.
43. The proposed Amended and Restated Initial Order provides as well for an extension of the Administration Charge to include the Cedar Croft Monthly Fee.
44. The Amended and Restated Initial Order also contemplates the granting of the Administration Charge II up to a maximum of \$75,000, which charge shall rank behind Desjardins' security interests but ahead of the Directors' Charge.
45. The Monitor is of the view that this relief being sought by the Applicants is reasonable and appropriate having regard to: (i) the stability that the appointment of the CRO will bring to the CCAA Proceedings; (ii) the assistance that the CRO appointment will provide to the Applicants in maximizing value; and (ii) the critical role that the Administrative Professionals continue to play in Springer's restructuring. The Monitor believes that the increased quantum of the Administration Charge is commensurate with the complexity of the Applicants' business and anticipated restructuring.

Extension of Stay of Proceedings

46. The Applicants have asked the Court to approve the Requested Stay Extension, which is up to and including March 31, 2023. The basis for this request is primarily to permit the Applicants to further consider the implementation of certain measures contemplated by the restructuring plan, develop the SISP, and return to Court for approval of the SISP.
47. Provided the Court approves the Requested DIP Increase, and Springer utilizes the funds available pursuant to the DIP Facility, the Revised Cash Flow Forecast indicates that the Applicants will have sufficient liquidity during the Requested Stay Extension. The Monitor is of the view that no creditor will be materially prejudiced by the Requested Stay Extension.
48. The Monitor is of the view that the Applicants have acted and are continuing to act in good faith and with due diligence, and the Monitor supports the Requested Stay Extension.

MONITOR'S RECOMMENDATIONS

49. Based on the foregoing, the Monitor respectfully recommends that the Court make an order granting the relief detailed in paragraph 4(c).

All of which is respectfully submitted this 1st day of December 2022.

INTRODUCTION

1. MNP Ltd. (“**MNP**” or the “**Proposed Monitor**”) understands that 1138969 Ontario Inc. (“**OpCo**”) and Springer Aerospace Holdings Limited (“**Holdco**”) (collectively, with Opco, “**Springer Aerospace**” or the “**Applicants**”) intend to bring an application before the Ontario Superior Court of Justice (Commercial List) (the “**Court**”) seeking certain relief (the “**Initial Order**”) under the *Companies’ Creditors Arrangement Act*, R.S.C. 1985, c. C-36, as amended (the “**CCAA**”) granting, among other things, a stay of proceedings for not more than ten (10) days from the Initial Order (the “**Stay Period**”) and appointing MNP as Monitor. The proceedings to be commenced by the Applicants under the CCAA will be referred to hereinafter as the “**CCAA Proceedings**”.
2. This report (the “**Pre-Filing Report**”) has been prepared by the Proposed Monitor prior to and in contemplation of its appointment as Monitor in the CCAA Proceedings to provide information to the Court for its consideration on the Applicants’ initial hearing seeking protection pursuant to the CCAA.

PURPOSE

3. The purpose of the Pre-Filing Report is to provide information to the Court regarding the following:
 - (a) MNP's qualifications to act as Monitor (if appointed);
 - (b) General background to the proposed CCAA Proceedings and Springer Aerospace;
 - (c) The Applicants’ 13-week cash flow forecast;
 - (d) The proposed funding of the CCAA Proceedings pursuant to a debtor-in-possession (“**DIP**”) financing facility (the “**DIP Facility**”) in the maximum principal amount of

- \$1,500,000 to be made available to the Applicants by Hillmount Capital Inc. (the “**DIP Lender**”) pursuant to a DIP term sheet executed on November 22, 2022 (the “**DIP Term Sheet**”);
- (e) Interim financing to be provided of up to \$600,000 (the “**Initial Advance**”) pursuant to the DIP Term Sheet and the DIP Lender’s Charge (as defined herein);
 - (f) The proposed Initial Order, including the proposed Court-ordered charges; and
 - (g) The Proposed Monitor’s observations and recommendations concerning the foregoing.

TERMS OF REFERENCE

4. In preparing this Pre-Filing Report, MNP has necessarily relied upon the Grant Affidavit (defined below), the unaudited financial statements and other information supplied and representations made by certain management of the Applicants (“**Management**”) and third-party sources (collectively, the “**Information**”). Except as specifically noted in this Pre-Filing Report, MNP has not conducted an audit or otherwise attempted to verify the accuracy or completeness of the Information in a manner that would comply with Generally Accepted Assurance Standards pursuant to the Chartered Professional Accountants of Canada Handbook. Accordingly, MNP expresses no opinion, and does not provide any other form of assurance, on or relating to the accuracy of the Information contained in this Pre-Filing Report, or otherwise used to prepare this Pre-Filing Report.
5. MNP also bases its Pre-Filing Report on Springer Aerospace’s cash flow projections and underlying assumptions and notes that its review and commentary thereon were performed in accordance with the requirements set out in the Canadian Association of Insolvency and Restructuring Professionals’ Standards of Professional Practice No. 9 (Cash Flow Statement)

(the “**Professional Standards**”). Certain of the information referred to in this Pre-Filing Report consists of financial forecasts and/or projections. An examination or review of financial forecasts and projections and procedures, in accordance with standards set by the Chartered Professional Accountants of Canada, has not been performed. Future oriented financial information referred to in this Pre-Filing Report was prepared based on estimates and assumptions provided by Management. Readers are cautioned that since financial forecasts and/or projections are based upon assumptions about future events and conditions that are not ascertainable, actual results may vary from the projections, and such variations could be material.

6. Capitalized terms not defined in this Pre-Filing Report are used as defined in the Affidavit of Christopher Grant sworn November 22, 2022 (the “**Grant Affidavit**”) filed in support of the Applicants’ application for relief under the CCAA.
7. This Pre-Filing Report should be read in conjunction with the Grant Affidavit.
8. Unless otherwise stated, all monetary amounts contained in this Pre-Filing Report are expressed in Canadian dollars.

GENERAL BACKGROUND TO THE PROPOSED CCAA PROCEEDINGS

9. As set out in the Grant Affidavit, each of the Applicants is a private corporation incorporated under the laws of the Province of Ontario. OpCo operates one of the few full-service aircraft maintenance, repair and overhaul (“**MRO**”) businesses in Canada, and the only one located in Northern Ontario, with its roots dating back to 1972.
10. OpCo’s business is operated from, and its head office is maintained, at facilities located in Echo Bay, Ontario (the “**Facilities**”).

11. The real estate underlying the Facilities, located at 377 Lakeview Road, Echo Bay, Ontario, is owned by Holdco. It is about 210 acres and is improved by, among other things:

- (a) three hangars, namely (i) a 16,160 square feet and 17 feet high hangar that houses an industrial bay, the paint shop, offices, and storage; (ii) a 24,373 square feet and 30 feet high hangar that houses an industrial bay for aircraft work as well as offices and amenities on a second floor; and (iii) a 33,000 square feet hangar that is 59 feet high at its peak, was recently built in 2020, and houses Springer Aerospace's largest industrial bay; and
- (b) an airport (the Bar River Airport, IATA code YEB, Transport Canada Local Identifier CPF2) (the "**Airport**"), which includes a main runway that is large enough to accommodate Boeing 737s for landing and takeoff.

Causes of the Financial Difficulties and Insolvency:

12. As described in the Grant Affidavit, Springer Aerospace is insolvent. Management has advised that the Applicants' financial difficulties and insolvency are attributable to:

- (a) the significant impact of the COVID-19 pandemic on Springer Aerospace's business, and more specifically, (i) the reduced demand for MRO services resulting therefrom; and (ii) the decision not to undertake massive employee layoffs during the pandemic in the hope that the travel industry would normalize in the short- to mid-term;
- (b) operational inefficiencies arising from: (i) the rapid expansion of the business undertaken prior to the COVID-19 shutdown; and (ii) a lack of key performance indicators to measure performance on an operational and financial basis;
- (c) rapid expansion of the business without adequate strategic planning; and

(d) high levels of turnover within the organization, including in the senior management team.

13. As noted in the Grant Affidavit, the primary purpose of the CCAA Proceedings is to provide Springer Aerospace with an opportunity to: (i) continue to operate its MRO business in a stabilized environment while it carries out an orderly restructuring of its business; and (ii) implement a sale and investment solicitation process (the “**SISP**”). The stay of proceedings is necessary to maintain the stability and value of Springer Aerospace’s business while such actions are undertaken.

14. The Proposed Monitor understands that the following relief will be sought via a future motion (the “**Comeback Motion**”), which is anticipated to take place no later than December 5, 2022:

(a) an extension of the Stay Period; and

(b) further borrowings and an expansion of the charge under the DIP Facility.

15. Additional information in respect of the Applicants, including its assets and liabilities, is set out in the Grant Affidavit. MNP has not repeated such details in this Pre-Filing Report.

CASH FLOW FORECAST FOR THE PERIOD ENDING FEBRUARY 18, 2023

16. The Applicants, with the assistance of the Proposed Monitor, have prepared the cash flow forecast for Springer Aerospace (the “**Cash Flow Forecast**”) for the 13-week period ending February 18, 2023 (the “**Cash Flow Period**”). The Cash Flow Forecast has been prepared by Management using the probable and hypothetical assumptions set out in the notes.

17. A copy of the Cash Flow Forecast is attached hereto as **Schedule “A”**.

18. The Cash Flow Forecast was prepared on the assumption that Springer Aerospace’s business will continue to operate during the CCAA Proceedings. The projected disbursements are

calculated without consideration of any performance improvement and/or cost-cutting measures the Applicants may initiate and, accordingly, remain subject to change.

19. The Proposed Monitor notes the following with respect to the Cash Flow Forecast:

- (a) The Applicants' currently finance their business utilizing three loan facilities provided by Caisse Desjardins Ontario Credit Union Inc. ("**Desjardins**"), including a revolving credit agreement with Desjardins dated May 16, 2019, pursuant to which Desjardins agreed to advance a variable line of credit up to a maximum of \$1,000,000 (the "**Desjardins Line of Credit**");
- (b) Provided the Court issues the Interim Order, the Applicants will finance their business and the CCAA Proceedings by utilizing the DIP Facility instead of the Desjardins Line of Credit;
- (c) The Cash Flow Forecast projects the Applicants drawing an amount of approximately \$820,000 under the DIP Facility during the Cash Flow Period, including the Initial Advance of \$600,000 during the first 10-day Stay Period. At the Comeback Motion, the Applicants intend to seek Court approval for the authority to draw on the balance of the DIP Facility;
- (d) In addition, the Applicants expect to pay the Administrative Professionals (as defined below) estimated fees of \$365,000 during the Cash Flow Period, of which \$80,000 is estimated to be paid during the Stay Period. The Proposed Monitor holds a retainer of \$17,000; and
- (e) The Applicants have accrued property taxes in the amount of approximately \$182,000, which they intend to pay in full via an advance of funds under the Initial Advance and in satisfaction of a condition under the DIP Term Sheet.

20. Management's Representation Letter regarding the Cash Flow Forecast and the Proposed Monitor's Prescribed Report to the Court regarding the adequacy of the Cash Flow Forecast is attached hereto as **Schedule "B"** and **Schedule "C"**, respectively.
21. The Proposed Monitor has reviewed the Cash Flow Forecast to the standard required of a Court-Appointed Monitor by section 23(1)(b) of the CCAA and in accordance with the Professional Standards. Based on the Professional Standards, the Proposed Monitor's review of the Cash Flow Forecast consisted of enquiries, analytical procedures and discussions related to information supplied to us by Management. Since hypothetical assumptions need not be supported, the procedures with respect to those assumptions were limited to evaluating whether they were consistent with the purpose of the forecast. The Proposed Monitor has also reviewed the support provided by Management for the probable assumptions and the preparation and presentation of the Cash Flow Forecast.
22. Based on the Proposed Monitor's review, nothing has come to its attention that causes the Proposed Monitor to believe that, in all material respects:
- (a) the hypothetical assumptions are not consistent with the purpose of the Cash Flow Forecast;
 - (b) as at the date of the Pre-Filing Report, the probable assumptions developed by Management are not suitably supported and consistent with the plans of the Applicants, or do not provide a reasonable basis for the Cash Flow Forecast, given the hypothetical assumptions; and
 - (c) the Cash Flow Forecast does not reflect the probable and hypothetical assumptions.
23. The Cash Flow Forecast constitutes the basis for funding under the DIP Facility.

Debtor-in-Possession Financing

24. The terms of the DIP Facility are detailed in the DIP Term Sheet, a copy of which is attached as Exhibit “V” to the Grant Affidavit. A summary of the salient terms is also included as part of the Grant Affidavit.
25. MNP has considered the factors set out in Section 11.2 of the CCAA with respect to the granting of a Court order approving the Initial Advance and recommends the Court approve the Initial Advance for the following reasons:
- a) Springer Aerospace is of the view that the CCAA Proceedings provide the best option for implementing and successfully completing a SISP (which is being developed by the Applicants in consultation with the Proposed Monitor) and addressing the other operational and financial issues impacting Springer Aerospace. The Proposed Monitor believes that approval of the Initial Advance is in the best interests of the Applicants’ stakeholders and will preserve and enhance the prospects of maximizing value in the circumstances;
 - b) Without the DIP Facility, the Applicants have limited liquidity available under the Desjardins Line of Credit and will be unable to fund their business and carry out their restructuring, which would adversely impact the stakeholders, including the Applicants’ employees. Accordingly, absent funding under the DIP Facility, the Applicants will not be able to fund and will have to discontinue their operations;
 - c) MNP compared the terms of the DIP Facility to other DIP facilities approved by Canadian courts in CCAA proceedings between December 1, 2017 and November 1, 2022.¹ The comparison is attached as **Schedule “D”**. Based on MNP’s analysis, the cost of the proposed DIP Facility is consistent with other recent DIP financings

¹ *Insolvency Insider*, Document Library, Approved Debtor-in-Possession Financing Facilities for Canadian Debtors Current as at November 1, 2022.

- approved by this and other Canadian courts, and provides financing on reasonable economic terms in the circumstances;
- d) Substantially all of the other DIP facilities approved by Canadian courts provide a corresponding super-priority DIP charge over all other creditors; and
 - e) MNP does not believe that creditors will be prejudiced by the approval of the DIP Facility. To the contrary, they will benefit from it as the DIP Facility will allow the business to:
 - a. implement certain initiatives aimed at improving short-term performance and further develop a longer-term restructuring plan that may promote greater recoveries as part of the SISP; and
 - b. continue to operate under the supervision of current management in the time required to develop, implement and undertake the SISP, which will enhance value as compared to the alternative (i.e., the discontinuation of operations and the potential liquidation of the Applicants' assets). As discussed in the Grant Affidavit, Springer Aerospace: (i) holds certain licenses and certifications; (ii) is one of two companies in the world able to convert certain types of aircraft from passenger to cargo planes; and (iii) owns the Airport. The preservation of the business as a going concern, including the licenses, is critical to maximizing recoveries from a SISP.

26. Based on the foregoing, MNP believes that the terms of the DIP Facility are reasonable in the circumstances and that the Initial Advance provides the Applicants with the interim working capital it requires to continue its limited operations.

PROPOSED INITIAL CCAA ORDER SOUGHT

27. The relief requested by the Applicants includes, *inter alia*:

- (a) the granting of the Stay Period;
- (b) the appointment of MNP as Monitor;
- (c) the authorization of the DIP Facility for Springer Aerospace and approval of the Initial Advance;
- (d) the granting of various charges over the assets of Springer Aerospace, including to secure the indemnity in favour of the directors and officers and the professional fees and disbursements necessary to undertake the CCAA Proceedings.

Such relief will provide the Applicants with the time and protection they require to undertake a restructuring of their business for the benefit of their stakeholders, including the development of the SISP.

28. The Proposed Monitor has reviewed the Initial Order and provides comments and observations on certain provisions below. It is noted that matters relating to the DIP Facility are addressed in the previous section of this Pre-Filing Report.

MNP'S QUALIFICATION TO ACT AS MONITOR

29. The proposed Initial Order contemplates that MNP will be appointed as Monitor of the Applicants in the CCAA Proceedings.

30. MNP is a trustee within the meaning of subsection 2(1) of the *Bankruptcy and Insolvency Act* (Canada) (the “**BIA**”).

31. MNP is not subject to any of the restrictions on who may be appointed as Monitor, which are set out in subsection 11.7(2) of the CCAA. Those restrictions stipulate that, without the permission of the Court and on any conditions that the Court may impose, no trustee may be

appointed as monitor in relation to a company if, among other things, the trustee is or, at any time during the two (2) preceding years, was the auditor or accountant of the company. In addressing this two-year period, the Canadian Association of Insolvency and Restructuring Professional's Rules of Professional Conduct specify that "the two-year period commences at the date of the last audit report or the last review engagement report".

32. MNP became involved with the Applicants in September 2022 and facilitated discussions and the exchange of certain information between Springer Aerospace and its primary secured lender, Desjardins, and has since been working with representatives of Springer Aerospace to prepare for a potential CCAA filing. In preparation for its potential appointment as Monitor, MNP has spent time on site with Management, reviewing and familiarizing itself with the Applicants' issues, their financial affairs and the concerns and interests of the Applicants' various stakeholders. MNP has reviewed certain of the Applicants' books and records, all of which appear to have been made fully available to MNP, as necessary, in order to obtain a sufficient level of understanding of the Applicants' business, including its operations, assets and obligations. This mandate also included consultation with the Springer Aerospace's legal advisors and MNP's independent legal advisors. MNP is, therefore, in a position to immediately assist the Applicants in their CCAA Proceedings.

33. MNP is related to MNP LLP. Representatives of MNP LLP's performance improvement team recently assisted MNP by attending at the Facilities to review Springer Aerospace's operations with the view of identifying opportunities to improve performance and liquidity and develop an operational restructuring plan for consideration by the Applicants. MNP LLP is in the process of formulating the plan. As noted in the Grant Affidavit, Springer Aerospace is considering: (i) the finalization and implementation of an operational restructuring during the CCAA Proceedings; and (ii) the appointment of a Chief Restructuring Officer ("**CRO**").

The CRO is being contemplated to enable the incumbent Management to deal with the management of Springer Aerospace's business, while the CRO focuses on the restructuring. In developing the scope of the CRO's involvement, Springer Aerospace is considering what role, if any, MNP LLP may continue to serve in connection with the operational restructuring.

34. MNP is an independent national professional services firm providing, among other things, bankruptcy, insolvency and restructuring services. The senior MNP professional personnel with carriage of this matter include experienced insolvency and restructuring practitioners who are Chartered Professional Accountants, Chartered Insolvency and Restructuring Professionals and Licensed Insolvency Trustees in Canada, all of whom have acted in CCAA or BIA matters of a similar nature, business type and scale.

35. MNP has consented to act as Monitor of the Applicants should the Court grant Springer Aerospace's request to commence the CCAA Proceedings.

36. The Proposed Monitor has retained Aird & Berlis LLP to act as its independent legal counsel.

Proposed Court Ordered Charges Over Springer Aerospace's Assets

Administration Charge

37. In order to protect the fees and expenses of the Administrative Professionals (as defined herein), Springer Aerospace is proposing that the Monitor, counsel to the Monitor and the Applicants' counsel (the "**Administrative Professionals**") be entitled to the benefit of a charge (the "**Administration Charge**") on all of the Applicants' current and future assets, undertakings and properties of every nature and kind whatsoever and wherever situated, including all proceeds thereof (the "**Property**"), in the amount of \$250,000, which shall serve as security for the Administrative Professionals' professional fees and disbursements

incurred at their agreed-upon hourly rates and charges, both before and after the making of this Order, in respect of these proceedings.

38. The Administration Charge is reasonable and appropriate in the circumstances, having regard to, among other things:

- (a) Each of the professionals whose fees are to be secured by the Administration Charge has played and will continue to play a critical role in Springer Aerospace's restructuring;
- (b) The Applicants intend to satisfy the fees and disbursements of the Administrative Professionals from their cash flows, which, as noted previously and subject to Court approval, will include availability of the financing pursuant to the DIP Facility during the CCAA Proceedings. The Administration Charge is sought to protect the Administrative Professionals in the event that the restructuring is not successful or a sale as a going concern is not completed; and
- (c) The complexity of the Applicants' business and these CCAA proceedings.

Directors' Charge

39. The Cash Flow Forecast contemplates that post-CCAA obligations, including all statutorily-required remittances will be paid in the ordinary course of business, subject to the Applicants obtaining interim financing. The directors and officers have requested protection from statutory claims and liabilities that may arise during the restructuring. Accordingly, Springer Aerospace is proposing that the Applicants shall indemnify Springer Aerospace's directors and officers against all obligations and liabilities that they may incur in their capacity as directors and officers of the Applicants after the commencement of the within proceedings, except to the extent that the obligation or liability was incurred as a result of such director's

or officer's gross negligence or willful misconduct. As security for this indemnity, it is proposed that Springer Aerospace's directors and officers be entitled to the benefit of a charge on the Property not exceeding an aggregate amount of \$165,000 (the "**Directors' Charge**").

40. The Directors' Charge is proposed to rank behind the Administration Charge and the DIP Lender's Charge (defined below), and subordinate to the security held by Desjardins. Based on information provided to the Proposed Monitor by the Applicants, the Directors' Charge has been calculated with reference to exposure to potential unpaid wages, vacation pay, employee benefits and certain tax liabilities accruing during the CCAA Proceedings. The Proposed Monitor understands that the Applicants do not appear to have existing insurance coverage to protect the directors and officers from liability.

41. The Proposed Monitor is of the view that the Directors' Charge is reasonable and appropriate in the circumstances and supports the grant and quantum of the Directors' Charge.

DIP Lender's Charge

42. It is proposed that the Applicants initially be authorized to borrow the Initial Advance from the DIP Lender in accordance with the terms of the DIP Facility. As security for the DIP Facility, it is proposed that the DIP Lender be entitled to the benefit of a charge (the "**DIP Lender's Charge**") on the Property, which shall not secure an obligation that exists before this Order is made. The DIP Lender's Charge is proposed to rank behind the Administration Charge but before the Directors' Charge.

43. As noted in paragraph 27, the Proposed Monitor is supportive of the approval of both the DIP Term Sheet and related DIP Lender's Charge, which is currently limited to the Initial Advance.

Priority of Charges Created by the Initial Order

44. The relative priorities of the Administration Charge, the Directors' Charge and the DIP

Lender's Charge (the "**Charges**") are proposed to be as follows:

- (a) First – Administration Charge (to the maximum amount of \$250,000);
- (b) Second – DIP Lender's Charge to the extent of the Initial Advance; and
- (c) Third – the Directors' Charge (to the maximum amount of \$165,000).

45. In summary, MNP in its capacity as Proposed Monitor has reviewed the calculations that support the Administration Charge, the Directors' Charge and the DIP Lender's Charge and believes that the amounts are reasonable in the circumstances. The Charges will have priority over all other debts and obligations of the Applicants, other than those parties who have not been notified of the Applicants' application, with the exception of the Director's Charge, which will rank subordinate to the security held by Desjardins.

PROPOSED MONITOR'S RECOMMENDATIONS

46. For the reasons set out above, the Proposed Monitor's recommendations are summarized below:

- (a) Springer Aerospace is insolvent, and the Proposed Monitor considers the relief sought in the Initial Order to be reasonable, appropriate and necessary, having regard to the current circumstances of the Applicants;
- (b) The Proposed Monitor has concluded that the DIP Facility is required in order for the Applicants to continue to operate through the projected restructuring period, pay the Administrative Expenses, and carry out the SISF; and
- (c) The Proposed Monitor supports the amounts and rankings of the Court-ordered charges and the financial thresholds proposed in the draft Initial Order, namely:

- i. First — Administration Charge (to the maximum amount of \$250,000);
- ii. Second — the DIP Lenders' Charge to the extent of the Initial Advance; and
- iii. Third — Directors' Charge (to the maximum amount of \$165,000).

47. In light of the above, the Proposed Monitor supports the Applicants' application for CCAA protection and respectfully recommends that the Court grant the Initial Order containing the relief requested by the Applicants.

All of which is respectfully submitted this 22nd day of November 2022.

Appendix B

Purpose and General Assumptions

1. The purpose of the Statement of Weekly Cash Flow Projections (the “**Cash Flow Projections**”) covering the period November 20, 2022 to February 18, 2023 (the “**Cash Flow Period**”) is to present a cash forecast of 1138969 Ontario Inc. o/a Springer Aerospace and Springer Aerospace Holdings Limited (the “**Companies**”) for the Cash Flow Period in respect of their proceedings under the *Companies' Creditors Arrangement Act*.

Disclaimer

2. In preparing the Cash Flow Projections, the Companies have relied upon unaudited financial information and have not attempted to further verify the accuracy or completeness of such information. Since the Cash Flow Projections are based on assumptions about future events and conditions that are not ascertainable, actual results achieved during the period of the Cash Flow Projections will vary from the Cash Flow Projections, even if the assumptions materialize, and such variations may be material. There is no representation, warranty, or other assurance that any of the estimates, forecasts or projections will be realized.

Overview

1. The Cash Flow Projections includes the receipts and disbursements of the Companies during the Cash Flow Period.
2. The Cash Flow Projections are presented in thousands of Canadian dollars.

The Cash Flow Forecast of the Companies includes the following assumptions:

3. The receipts from routine and non-routine work include projected collections from accounts receivable existing at the start of the Cash Flow Period, together with projected receipts arising from work in progress and new orders. Collections are assumed to be made in accordance with existing customer payment terms and practices and/or based on Management's best estimate.
4. Payments to Suppliers, Routine work- Parts and Materials and Non-Routine Work-Parts and Materials relate to the Companies' projected payments for ongoing supply of goods and services required to sustain operations and to complete customer contracts. Payment terms are assumed to be cash on delivery.
5. The Labour and Subcontract Labour costs are based on current staffing levels and remain subject to change.
6. The Companies anticipate reduced level of production activity for the period December 24, 2022 to January 2, 2023 due to the holiday season.
7. Professional fees include charges for the Companies' counsel, the Proposed Monitor's fees, and expenses including the fees and disbursements of the Monitor's independent legal counsel.
8. Interest on DIP Financing is payable at the end of every month at 12% per annum.
9. Other disbursements are based on Management's best estimates.
10. No provision for income taxes has been made.
11. The projected disbursements are calculated without consideration of any performance improvement and/or cash cutting measures the Companies may initiate, and accordingly, remain subject to change.

To be read in conjunction with the Notes to the Weekly Cash-flow projections

Appendix C

Purpose and General Assumptions

1. The purpose of the Statement of Weekly Cash Flow Projections (the “**Cash Flow Projections**”) covering the period November 27, 2022 to December 3, 2023 (the “**Cash Flow Period**”) is to present a cash forecast of 1138969 Ontario Inc. o/a Springer Aerospace and Springer Aerospace Holdings Limited (the “**Companies**”) for the Cash Flow Period in respect of their proceedings under the *Companies' Creditors Arrangement Act*.

Disclaimer

2. In preparing the Cash Flow Projections, the Companies have relied upon unaudited financial information and have not attempted to further verify the accuracy or completeness of such information. Since the Cash Flow Projections are based on assumptions about future events and conditions that are not ascertainable, actual results achieved during the period of the Cash Flow Projections will vary from the Cash Flow Projections, even if the assumptions materialize, and such variations may be material. There is no representation, warranty, or other assurance that any of the estimates, forecasts or projections will be realized.

Overview

1. The Cash Flow Projections includes the receipts and disbursements of the Companies during the Cash Flow Period.
2. The Cash Flow Projections are presented in thousands of Canadian dollars.

The Cash Flow Forecast of the Companies includes the following assumptions:

3. The receipts from routine and non-routine work include projected collections from accounts receivable existing at the start of the Cash Flow Period, together with projected receipts arising from work in progress and new orders. Collections are assumed to be made in accordance with existing customer payment terms and practices and/or based on Management's best estimate.
4. Payments to Suppliers, Routine work- Parts and Materials and Non-Routine Work-Parts and Materials relate to the Companies' projected payments for ongoing supply of goods and services required to sustain operations and to complete customer contracts. Payment terms are assumed to be cash on delivery.
5. The Labour and Subcontract Labour costs are based on current staffing levels and remain subject to change.
6. The Companies anticipate reduced level of production activity for the period December 24, 2022 to January 2, 2023 due to the holiday season.
7. Professional fees include charges for the Companies' counsel, the Proposed Monitor's fees, and expenses including the fees and disbursements of the Monitor's independent legal counsel.
8. Interest on DIP Financing is payable at the end of every month at 12.95% per annum.
9. Other disbursements are based on Management's best estimates.
10. No provision for income taxes has been made.
11. The projected disbursements are calculated without consideration of any performance improvement and/or cash cutting measures the Companies may initiate, and accordingly, remain subject to change.

AEROSPACE HOLDINGS LIMITED AND 1138969 ONTARIO INC. (the "Applicants")**

**MANAGEMENT'S REPORT ON CASH FLOW STATEMENT
(PARAGRAPH 10(2)(B) OF THE CCAA)**

1138969 Ontario Inc. o/a Springer Aerospace and Springer Aerospace Holdings Limited (collectively, the "Applicants") have developed the assumptions and prepared the attached Statement of Cash Flow Projections as of the 1st day of December, 2022 for the period November 27, 2022 to April 1, 2023 ("Cash Flow"). All such assumptions are disclosed in the Notes to Statement of Cash Flow.

The hypothetical assumptions are reasonable and consistent with the purpose of the Cash Flow as described in Note 1 to the Cash Flow, and the probable assumptions are suitably supported and consistent with the plans of the Applicants and provide a reasonable basis for the Cash Flow.

Since the Cash Flow is based on assumptions regarding future events, actual results will vary from the information presented and the variations may be material.

The Cash Flow has been prepared solely for the purpose outlined in Note 1 using a set of hypothetical and probable assumptions set out therein. Consequently, readers are cautioned that the Cash Flow may not be appropriate for other purposes.

Dated at Echo Bay, Ontario this 1st day of December, 2022.

MONITOR'S REPORT ON CASH FLOW STATEMENT

(paragraph 23(1)(b) of the CCAA)

DECEMBER 1, 2022

The attached Cash Flow Forecast of 1138969 Ontario Inc. o/a Springer Aerospace and Springer Aerospace Holdings Limited (collectively, the “**Applicants**”) as at the 1st day of December 2022, consisting of a weekly projected cash flow statement for the period November 27, 2022 to April 1, 2023 (“**Cash Flow**”) has been prepared by the management of the Applicants for the purpose described in the Disclaimer, using the probable and hypothetical assumptions set out in the Assumptions to the Cash Flow Forecast.

Our review consisted of inquiries, analytical procedures and discussion related to information supplied by the management, employees and the representatives of the Applicants. Since hypothetical assumptions need not be supported, our procedures with respect to them were limited to evaluating whether they were consistent with the purpose of the Cash Flow. We have also reviewed the support provided by management of the Applicants for the probable assumptions, and the preparation and presentation of the Cash Flow.

Based on our review, nothing has come to our attention that causes us to believe that, in all material respects:

- a) the hypothetical assumptions are not consistent with the purpose of the Cash Flow.
- b) as at the date of this report, the probable assumptions developed by management are not suitably supported and consistent with the plans of the Applicants or do not provide a reasonable basis for the Cash Flow, given the hypothetical assumptions; or
- c) the Cash Flow does not reflect the probable and hypothetical assumptions.

Since the Cash Flow is based on Assumptions regarding future events, actual results will vary from the information presented even if the hypothetical assumptions occur, and the variations may be material. Accordingly, we express no assurance as to whether the Cash Flow will be achieved. We express no opinion or other forms of assurance with respect to the accuracy of any financial information presented in this report or relied upon in preparing this report.

The Cash Flow has been prepared solely for the purpose described in the Assumptions to the Cash Flow Forecast and readers are cautioned that it may not be appropriate for other purposes.
