#### COURT FILE NUMBER QBG-SA-00399-2020

COURT OF KING'S BENCH FOR SASKATCHEWAN IN BANKRUPTCY AND INSOLVENCY

JUDICIAL CENTRE SASKATOON

#### APPLICANT CANADIAN MORTGAGE SERVICING CORPORATION

**RESPONDENTS** 101118672 SASKATCHEWAN LTD (Formerly Korf Properties Ltd.).

#### IN THE MATTER OF THE RECEIVERSHIP OF

#### 101118672 SASKATCHEWAN LTD (Formerly Korf Properties Ltd.)

#### SIXTH REPORT OF THE RECEIVER, MNP LTD.

#### Appointment

 MNP Ltd. was appointed as Receiver of 101118672 SASKATCHEWAN LTD (Formerly Korf Properties Ltd.) (the "Debtor") pursuant to an order of Justice B.J. Scherman of the Court of Queen's Bench for Saskatchewan in Bankruptcy and Insolvency, as it was called at the time, issued on March 17, 2020 (the "Receivership Order"). The assets of the Debtor included 12 parcels of real property as discussed in our previous reports.

#### Limitation

2. The information provided in this report is believed to be correct but the Receiver has not audited, reviewed or otherwise attempted to verify the accuracy or completeness of the information in a manner that would wholly or partially comply with generally accepted assurance standards or other standards established by the Chartered Professional Accountants of Canada.

#### Activities of the Receiver since the Fifth Report

- 3. Since the Fifth Report of the Receiver dated February 10, 2023 (the "**Receiver's Fifth Report**") the Receiver has:
  - a. Attended at the Court Hearing to approve the sales of 260/270 Kensington Avenue properties in Estevan and has closed these sales;
  - b. Consulted with stakeholders including the secured creditor;
  - c. Worked with Legal Counsel to close the sales of 260/270 Kensington Avenue in Estevan and address the property tax lien;
  - d. Maintained the Receiver's website;

- e. Prepared and filed Goods and Services Tax ("**GST**") returns and other statutory returns on behalf of the Company and corresponded and exchanged information with the Canada Revenue Agency ("**CRA**") and other regulatory agencies in relation to amounts owed by Debtor; and
- f. Prepared and filed statutory reports as required pursuant to subsection 246(2) of the Bankruptcy and Insolvency Act.

#### Real Property

- 4. The Debtor owned twelve parcels of Real Property as follows:
  - A larger Industrial Property, with a tenant, located just outside Regina ("Industrial Drive")

     This sale has closed;
  - b. An Industrial Property, with a tenant, located in Vermillion Alberta ("Vermillion") This sale has closed;
  - c. Five Industrial Properties located in Estevan Saskatchewan, all vacant, one of which was undeveloped ("**Estevan Industrial**") These sales have closed.
  - d. Three larger apartment buildings in Estevan ("Large Estevan Apartments") These sales have closed;
  - e. Two small apartment buildings in Estevan, one with six and one with eight units ("**Small Estevan Apartments**") These sales have closed.

#### Orphan Mineral Title

- 5. In July 2021, the Receiver obtained Court approval for the sale of surface parcel 107400912, municipally described as 1321 2<sup>nd</sup> Street, Estevan. At the time of the sale, the existence of a mineral title associated with this parcel was inadvertently overlooked on the auction sheet and the mineral title was not included as part of the sale. The Receiver is of the view that the mineral title has little to no value on its own. The Receiver's legal counsel reached out to the purchaser of this parcel to determine if the purchaser would like to acquire the mineral title for \$1.00, subject to obtaining court approval of the transfer. The purchaser declined.
- 6. The Receiver's legal counsel then contacted the City of Estevan to inquire if the city would take this mineral title, but the City of Estevan declined because of the potential for future tax liabilities.
- 7. The Receiver's legal counsel also contacted the Ministry of Justice to inquire if there was a mechanism to quickly "gift" title to the province, however, no process to do so was identified.
- 8. It appears because of its size, location (inside the city limits of Estevan), and potential liabilities associated with ownership that the mineral title has no intrinsic value.
- 9. The Receiver is therefore recommending that it be discharged without disposing of the mineral title and leaving the mineral title in the name of the Debtor.

#### <u>Tax Appeal</u>

10. The Receiver understands that the Debtor had initiated an appeal of property taxes assessed on various of its properties relating to 2017 and 2018 taxes that was in progress prior to the Receiver's appointment in March 2020. Altus Group Ltd. ("Altus") was engaged by CIR Commercial Realty Inc. o/a Colliers International Regina who was the property manager for certain of the Debtor's properties. The Receiver has monitored the appeal but never adopted the contract relating to the appeal. The prospect of positive recovery appears questionable and Canadian Mortgage Servicing Corporation ("CMSC"), the primary secured creditor, has declined the option of assuming the contract upon discharge of the Receiver. The Receiver recommends no action be taken in respect of the tax appeal arrangements prior to its discharge.

#### Priority Claims

- 11. CRA filed a claim with the Receiver in the amount of \$9,102.08 claiming a deemed trust for prereceivership GST owing.
- 12. CRA filed a claim with the Receiver in the amount of \$23,303.21 claiming a deemed trust for prereceivership payroll deductions.

#### CMSC's Claim and Security

- 13. As of June 27, 2023 CMSC was owed \$21,283,163.15.
- 14. Counsel for the Receiver, Kanuka Thuringer LLP ("Kanuka"), has previously reviewed the security of CMSC (the "CMSC Security") and provided an opinion that the security is valid under Saskatchewan law and, in respect of the Vermillion property, has obtained an opinion of Alberta agent counsel that the security is valid.

#### Statement of Receipts and Disbursements

15. A Final Statement of Receipts and Disbursements to June 30, 2023 (the "Final SRD") is attached as Appendix 1. In accordance with the Final SRD, there is a balance of \$85,266 remaining in the receivership estate.

#### Fees and Disbursements of the Receiver and the Receiver's Counsel

- 16. The Receiver has prepared a final bill for professional fees in the amount of \$11,621.70 plus GST to complete the administration of the estate and this amount is included in the total. A summary of the Receiver's professional fees is attached as Schedule A to the Final SRD.
- 17. Kanuka has prepared a final bill for legal fees and disbursements totalling \$43,200.80 plus GST to complete the administration of the estate and this amount is included in the total. The Receiver is of the opinion that the legal fees are fair and reasonable based upon the nature of the work completed. A summary of Kanuka legal fees is attached as Schedule A to the Final SRD.

#### Distribution of Proceeds

- 18. Based upon the claims known to the Receiver to date, the Receiver proposes to pay the following payments from funds held by the Receiver:
  - a. To Canada Revenue Agency \$9,102.08 on account of unremitted GST and \$23,303.21 on account of unremitted source deductions, owed by the Debtor, and which CRA has the benefit of a priority lien;
  - b. To the Receiver payment of the Receiver's final fees and the estimated costs to completion of the Receivership;
  - c. To Kanuka payment of Kanuka's Fees and the estimated costs to completion of the Receivership; and
  - d. To CMSC the remainder to be distributed on account of the CMSC Security.
- 19. The Receiver does not anticipate collecting any further proceeds in the Receivership estate, however, in the event that funds are received such as CRA refunds, etc. the Receiver proposes to pay any additionally collected proceeds to CMSC.

#### Receiver's Discharge

20. All matters pertaining to the administration of the Receivership have been substantially finalized, with the exception of the following administrative matters:

- a. making final distribution of remaining funds, preparing the final bank reconciliations and closing the Receiver's bank account;
- b. preparing the final GST return and closing the Receiver's GST account;
- c. receiving GST refunds owing to the Receiver;
- d. preparing and issuing the Receiver's final report pursuant to subsection 246(3) of the Bankruptcy and Insolvency Act; and
- e. any other matters incidental to the wind up of the administration of the Receivership.
- 21. Upon the resolution of the above noted administrative matters, which are not material and in the Receiver's view, should not prevent the Court from granting an unconditional discharge, the Receiver is seeking its discharge.

#### Observations and Recommendations

- 22. The Receiver seeks the approval of the court in respect to the following:
  - a. To pay the deemed trust amount owing to CRA of \$9,102.08 for GST and \$23,303.21 for source deductions;
  - b. Approval of the Receiver's actions to date, including its fees and disbursements and that of its legal counsel;
  - c. Payment of all funds remaining in the Receiver's trust account after payment of the above amounts and professional fees to CMSC; and
  - d. Discharge of the Receiver.
