**Re: Alberta Energy Regulator (A) and others v. Alberta Treasury Branches (R)**  
**Appeal No. 1701-0254AC**

**Type of Appeal and Procedural Issues**

Your recently filed Notice of Appeal has been reviewed and the appeal has been categorized as a Standard appeal.

From the materials filed, there are no procedural issues currently noted.

Should you wish to provide a response, or if you require assistance with managing this appeal, please contact the Case Management Officer.

**Deadlines / Timetables**

A summarized version of appeal deadlines is available on the Court of Appeal's website under "Publications and Forms" – Filing Deadlines. There is an option to submit timetables for the appeal instead of following the deadlines set by the Rules of Court. A timetable sets out mutually-agreed upon deadlines for the filing of all materials, including the hearing date. The proposed timetable is sent to the Case Management Officer for approval. A sample timetable is available on the Court of Appeal's website under "Publications and Forms" – Filing Deadlines.

**Judicial Dispute Resolution (JDR)**

JDR is readily available at the Court of Appeal. Resolving a matter through JDR may result in the appeal being settled more expeditiously and at less expense than if it proceeded to hearing. A JDR may be initiated at any stage of the appeal proceedings. Further details on JDRs can be found in Division 5, Subdivision 4 of the Alberta Rules of Court, and in Part D of the Consolidated Practice Directions. Please contact the Case Management Officer if interested in JDR.

## Resources

The Alberta Rules of Court and the Consolidated Practice Directions (CPD) of the Court of Appeal are available on the Court of Appeal website at <https://albertacourts.ca>. Please review the resources that are available on the website, which includes sample forms, precedents, FAQs, and sitting dates.

Thank you,
