AFFIDAVIT OF M.D. OF BONNYVILLE NO. 87

Sworn on the 10th day of January, 2019.

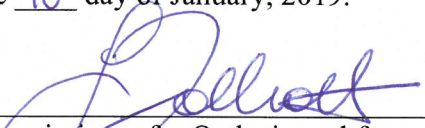

I, Calvin Bespalko of St. Paul, Alberta, SWEAR AND SAY THAT:

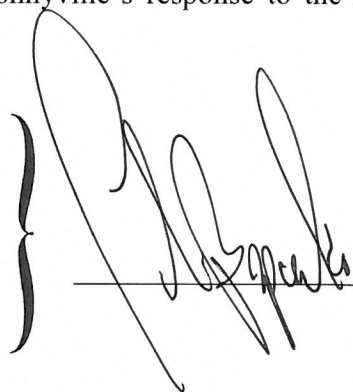

1. I am the Manager of Administrative Services for the M.D. of Bonnyville No. 87 ("Bonnyville"), and as such have personal knowledge of the matters hereinto deposed to except where stated to be based on information and belief, in which case I believe the same to be true.
2. I have reviewed the Affidavit of Charles Chapman sworn December 12, 2018 (the "Chapman Affidavit") and confirmed that DEL Canada GP Ltd. (the "Purchaser") disputes certain penalties levied by Bonnyville against property owned by Canadian Oil & Gas International Inc. ("COGI") for tax arrears, totalling \$213,438.83, including:

- a. \$170,102.31 attributed to Rolls: 7000000203, 7000000211, 9600334402, 9660314101, 9610318403, 9600228202, 960227102, 9650734401, 9660430401, 9660402201, 9660413101, 9580327301, 9590430102, 9590319103, 9600733101, 9650232201, 9650722101, and 9660405402; and
 - b. \$43,336.52 attributed to Rolls: 9660411401, 9630802102, 9640425203, 9650333101, 9650602301, 9650611201, 9650731301, 9650733301, 9660222201, 9660429301, 9580326301, 9590232101, 9590421401, 9590704401, 9600215101, 9600328402, 9600330301, 9600333401, 9600415301, 9600529101, 9600625101, 9610515402, 9620607301, 9640631201, 9660221301, 9660308201, 9660316201, and 9660412301 (the “Disclaimed Rolls”).
3. I have reviewed Bonnyville’s tax records concerning COGI. Based on my review, I believe that as of January 4th, 2019 COGI owes Bonnyville a total of \$351,959.71 in outstanding taxes, arrears, and penalties.
4. Attached and marked **Exhibit “A”** to this my Affidavit are copies of Bonnyville’s internal Tax Roll Trial Balance report for COGI, dated January 4th, 2019, and the tax notices Bonnyville issued to COGI in 2018.
5. I have reviewed Bonnyville’s tax records concerning Conserve Oil 8th Corp (“Conserve Oil”). Based on my review, I believe that as of January 4, 2019 Conserve Oil owes Bonnyville a total of \$1,817.83 in outstanding taxes, arrears, and penalties.
6. Attached and marked **Exhibit “B”** to this my Affidavit are copies of Bonnyville’s internal Tax Roll Trial Balance report for Conserve Oil, dated January 4th, 2019, and the tax notices Bonnyville issued to Conserve Oil in 2018.
7. Bonnyville received a letter from Charles Chapman, dated November 21, 2018 requesting a waiver of all tax arrears penalties owed by COGI to Bonnyville, and stating that if Bonnyville did not respond to the letter by December 7th, 2018, the Purchaser would conclude there was “no claim against the documented arrears.”
8. Attached and marked **Exhibit “C”** to this my Affidavit is a copy of the letter from Charles Chapman dated November 21, 2018.
9. On December 6th, 2018 Bonnyville received an email from Charles Chapman inquiring about the allocation of approximately \$134,000.00 in payments made by the Receiver in October of 2018.

10. Attached and marked **Exhibit "D"** to this my Affidavit is a copy of the email dated December 6th, 2018.
11. On December 21th, 2018, Bonnyville received an email (the "Proposal Email") from Charles Chapman on behalf of the Purchaser that contained a proposal for Council to settle COGI's outstanding tax accounts with Bonnyville.
12. Attached and marked **Exhibit "E"** to this my Affidavit is a copy of the Proposal Email.
13. Based on my review of the tax notices referred to in paragraphs 4 and 6 above, I believe the Chapman Affidavit contains the following errors:
 - a. On page 23: the amount indicated in column 8 "Arrears (Penalties) in dispute" in relation to Roll number 9600415301 appears to be understated by \$10.00. Bonnyville's records indicate an amount of 2,011.96 owing, not \$2001.96.
14. I make this Affidavit in support of Bonnyville's response to the Application of DEL Canada GP Ltd.

SWORN before me at
in the Province of Alberta,

This letter is to inform you that DEL Canada Limited Partnership, managed by its general partner DEL Canada GP Ltd. (DEL) has purchased certain assets from Canadian Oil and Gas International Inc. (COGI) in receivership. MNP Ltd has been appointed as the receiver and manager. These assets have not been transferred to DEL yet, but a conditional Approving and Vesting Order approving the transaction has been given by the Court of Queen's Bench of Alberta.

Chapman Petroleum Engineering Ltd. has been engaged to represent DEL in an effort to resolve all the outstanding property tax issues with the Municipal District of Greenview so that the transaction can close.

A portion of the purchased wells, facilities and pipelines are located within your county boundaries. DEL is aware that there are property taxes due annually to the County and, upon the transfer of the purchased assets, DEL will become responsible for the payments going forward relating to the purchased assets.

DEL has been made aware of the COGI (MNP) payment history to your county and have assessed the current status based on the available data. There was a large payment made in late 2017 or early 2018, which we understand covered all the outstanding base property taxes owed up to the end of the 2017 year. DEL has also reviewed the 2018 invoices issued by your county, and either has paid these invoices or is preparing to pay them.

DEL notes, however, that there are arrears indicated on many of the invoices. We do not completely understand the origin of the arrears but suspect that the receiver may not have included the past penalty charges when the large back payment was made as noted above. There also have been a number of invoices for 2018 for COGI wells in your county which have been disclaimed by MNP, and which DEL considers to be invalid.

A summary of DEL's analysis is attached. Please review the summary and advise DEL if you differ in your assessment, in which case we request that you provide us with the origin and proof of

the outstanding amounts prior to December 7, 2018. Otherwise it will be concluded that you have no claim against the documented arrears.

DEL will be a good operator in the province and will fulfill its municipal obligations going forward, but would like to resolve the arrears issue through some form of settlement, if any amounts are owing.

Considering that DEL is not responsible for the past unpaid balance, it would appreciate some favourable consideration in settling this account, the most favourable, of course, would be a waiver of any past penalties and cancellation of any invoices related to the disclaimed property.

Our goal is to have all the property tax issues settled or an arrangement agreed upon by December 7, 2018, or soon thereafter. We would be pleased to meet with you to discuss the issues and hopefully reach a mutually acceptable arrangement, which would also need the Receiver's approval.

If we come to a mutually acceptable arrangement and provided that your 2018 base property taxes are fully paid, we would request a letter of confirmation that there are no outstanding property tax issues with your county.

Yours very truly,
Chapman Petroleum Engineering Ltd.

Tina : Thank you for the account statement fro Canadian Oil & Gas International Inc. We have all your 2018 invoices including arrears indicated on each and we understood there was about \$120,000 outstanding, of which \$60,000 is for wells that have been disclaimed.

Your statement indicates roughly \$352,000 outstanding. This makes us wonder how you allocated the payment of approximately \$134,100 issued to your county by MNP in October 2017. Do you mind checking that for us.

Also, on the 2018 invoices we did not include the linear (7000000211) and that is our error. However we do not know for sure how much of the linear is for disclaimed pipelines.

Thank you anyway, your statement is a big help towards arriving at a better understanding.

Subject: COGI Property Tax Settlement

Tina: Further to our earlier discussions I am forwarding a proposal on behalf of DEL Canada GP Ltd. (DEL) regarding the Canadian Oil and Gas International Inc. (COGI) property Tax account with the M.D. of Bonnyville. As you know COGI is in receivership managed by MNP Ltd.

DEL is a completely different corporate entity than COGI with a new management team representing about 10,000 investors through a limited partnership structure. Many of the DEL investors were COGI investors who in total lost over \$300 million dollars of their personal money due to the bad management and eventual receivership of COGI. The DEL initiative was contrived in an attempt to recover at least some of the loss, by taking over the viable assets of COGI out of the receivership.

Initially, DEL purchased COGI's debt from the ATB effective October 1, 2017, thus became the secured creditor. The COGI assets were advertised for disposition and a selected package of wells were bid on by DEL and successfully purchased, some of which are in the M.D. of Bonnyville. Subsequently, DEL was granted a conditional Vesting Order by the courts, but the receiver cannot be discharged until certain conditions are met. These conditions involve a number of Alberta municipalities and counties, yours included. A second condition with the CRA, relating to exemption from tax withholding has been satisfied.

DEL is in a position now that it is willing to front certain payments to your county for COGI for assets that they have purchased, even though they still have no direct control over them. Had DEL not purchased these assets they would likely have been disclaimed along with the wells that were not purchased by anyone.

DEL feels that they have made a contribution to the M.D. of Bonnyville, through continued operation of a significant number of wells and facilities, which will be subject to Property Tax into the future. DEL plans to be a good partner with the M.D. of Bonnyville regarding payment of future property taxes.

DEL's proposal which we request be presented to the County Council is as follows:

1. DEL will pay the 2018 Property Tax for all wells purchased from COGI (\$102,187.01), plus any penalties accrued on those specific rolls by January 15, 2018.
2. DEL respectfully requests that the 2018 Property Tax invoices for wells and facilities that have been disclaimed by the receiver be withdrawn.
3. DEL respectfully requests that the past penalties and arrears shown on the 2018 invoices to COGI, including the disclaimed wells, (\$213,438.83) be waived, as they pertain to delinquencies of COGI and were not caused by DEL.

The above numbers have been quoted from the spread sheet that I had sent to you earlier (adjusted for the missing linear invoices), developed from the 2018 invoices from the M.D. of Bonnyville. We understand there may be accrued penalties on the DEL current assets, which makes the actual amount subject to change, depending on your council resolution. We also understand that the County's allocation of the large payment made by MNP around October 2017, (\$437,141.75) would have been allocated differently than we may have assumed.

Thank you for your attention to this matter and we look forward to your favourable response.
