AFFIDAVIT OF RED DEER COUNTY

Sworn on the 10th day of January, 2019.

I, Curtis Herzberg of Red Deer, Alberta, SWEAR AND SAY THAT:

1. I am the Chief Administrative Officer for Red Deer County, and as such have personal knowledge of the matters deposed to herein except where stated to be based on information and belief, in which case I believe the same to be true.
2. I have reviewed the Affidavit of Charles Chapman sworn December 12, 2018 (the "Chapman Affidavit") and confirmed that DEL Canada GP Ltd. (the "Purchaser") disputes certain penalties levied by Bonnyville against property owned by Canadian Oil & Gas International Inc. ("COGI") for tax arrears totalling \$291,313.44, including:

- a. \$251,032.10 attributed to Rolls: 202005132, 202111035, 202111044, 202060142, 202333360, 202060151, 202111206, 202111133, 202111188, 202111197, 202005141, 202332551, 202337040, 202022195, 202111026, 201002135, 211047009, 202002159, and 202160133; and
 - b. \$40,281.34 attributed to Rolls: 202005114, 202022122, 202111151, 202111160, 202111215, 202111224, 202142001, 202142010, 202142136, 202142163, 202146205, 202332835, 202332871, 202322880, 202337006, 202337077, 202337118, and 202337114 (the "Disclaimed Rolls").
3. I have reviewed Red Deer County's tax records concerning COGI. Based on my review, I believe that as of January 7th, 2019 COGI, and related company Conserve Oil 8th Corporation, owe Red Deer County a total of \$379,880.92 in outstanding taxes, arrears, and penalties (the "Outstanding Amount").
 4. Attached and marked **Exhibit "A"** to this my Affidavit are copies of the tax notices, dated May 14, 2018, 2019, which Red Deer County issued to COGI c/o the Receiver, MNP Ltd., in relation to the Outstanding Amount.
 5. Attached and marked **Exhibit "B"** to this my Affidavit are copies of the updated tax Statements, dated January 2, 2019, issued to COGI c/o the Receiver in relation to the Outstanding Amount.
 6. Attached and marked **Exhibit "C"** to this my Affidavit are copies of Red Deer's internal Tax Roll Trial Balances, dated January 2, 2019, in relation to the Outstanding Amount.
 7. On November 23rd, 2018, Red Deer County received a letter from Charles Chapman, dated November 21, 2018 requesting a waiver of all tax arrears penalties owed by COGI to Red Deer County, and stating that if Red Deer County did not respond to the letter by December 7th, 2018, the Purchaser would conclude there was "no claim against the documented arrears."
 8. Attached and marked **Exhibit "D"** to this my Affidavit is a copy of the letter from Charles Chapman dated November 21, 2018.
 9. On December 20th, 2018, Red Deer County received an email (the "Proposal Email") from Chapman on behalf of the Purchaser that contained an offer to settle COGI's outstanding tax accounts with Red Deer County for less than the Outstanding Amount.
 10. Attached and marked **Exhibit "E"** to this my Affidavit is a copy of the Proposal Email.

11. Based on my review of Red Deer County's tax records and the Chapman Affidavit, I believe the Chapman Affidavit contains the following errors:
 - a. On page 20: Roll# 202111224 is listed twice in Mr. Chapman's of list of Disclaimed Wells located in Red Deer County;
 - b. On pages 19 – 20: \$4,401.48 of the Outstanding Amount is for Rolls 202022113, 202332899, 202335800, 202337038, and 202337417; however, these five Rolls are missing from Mr. Chapman's list of Purchased Assets located in Red Deer County.
12. I am advised by my legal counsel, Michael McCabe, Q.C., that he informed Mr. Chapman of the error indicated in paragraph 10(a) above on December 11th, 2018.
13. Attached and marked **Exhibit "F"** to this my Affidavit is a copy of the letter dated December 11th, 2018 which Mr. McCabe sent by email to Mr. Chapman concerning errors in the Chapman Affidavit.
14. Information concerning the outstanding property taxes, arrears and penalties owed by a party or on property to Red Deer is available to the owner of that property on request.
15. Information concerning the outstanding property taxes, arrears and penalties owed to Red Deer by a party or on property is available to prospective purchasers, banks or other lenders on request in the form of a tax certificate. To obtain a tax certificate, the inquiring party must submit a completed standard form request and pay a processing fee.
16. Attached and marked **Exhibit "G"** to this my Affidavit is a copy of the standard form Request for Tax Certificate.
17. I make this Affidavit in support of Red Deer County's response to the Application of DEL Canada GP Ltd.

SWORN before me at
in the Province of Alberta,
on the 10th day of January, 2019.

A Commissioner for Oaths in and for

RE: COGI Property Tax Settlement

This letter is to inform you that DEL Canada Limited Partnership, managed by its general partner DEL Canada GP Ltd. (DEL) has purchased certain assets from Canadian Oil and Gas International Inc. (COGI) in receivership. MNP Ltd has been appointed as the receiver and manager. These assets have not been transferred to DEL yet, but a conditional Approving and Vesting Order approving the transaction has been given by the Court of Queen's Bench of Alberta.

Chapman Petroleum Engineering Ltd. has been engaged to represent DEL in an effort to resolve all the outstanding property tax issues with Red Deer County so that the transaction can close.

A portion of the purchased wells, facilities and pipelines are located within your county boundaries. DEL is aware that there are property taxes due annually to the County and, upon the transfer of the purchased assets, DEL will become responsible for the payments going forward relating to the purchased assets.

DEL has been made aware of the COGI (MNP) payment history to your county and have assessed the current status based on the available data. There was a large payment made in late 2017 or early 2018, which we understand covered all the outstanding base property taxes owed up to the end of the 2017 year. DEL has also reviewed the 2018 invoices issued by your county, and either has paid these invoices or is preparing to pay them.

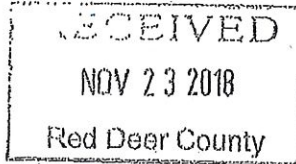

DEL notes, however, that there are arrears indicated on many of the invoices. We do not completely understand the origin of the arrears but suspect that the receiver may not have included the past penalty charges when the large back payment was made as noted above. There also have been a number of invoices for 2018 for COGI wells in your county which have been disclaimed by MNP, and which DEL considers to be invalid.

A summary of DEL's analysis is attached. Please review the summary and advise DEL if you differ in your assessment, in which case we request that you provide us with the origin and proof of

the outstanding amounts prior to December 7, 2018. Otherwise it will be concluded that you have no claim against the documented arrears.

DEL will be a good operator in the province and will fulfill its municipal obligations going forward, but would like to resolve the arrears issue through some form of settlement, if any amounts are owing.

Considering that DEL is not responsible for the past unpaid balance, it would appreciate some favourable consideration in settling this account, the most favourable, of course, would be a waiver of any past penalties and cancellation of any invoices related to the disclaimed property.

Our goal is to have all the property tax issues settled or an arrangement agreed upon by December 7, 2018, or soon thereafter. We would be pleased to meet with you to discuss the issues and hopefully reach a mutually acceptable arrangement, which would also need the Receiver's approval.

If we come to a mutually acceptable arrangement and provided that your 2018 base property taxes are fully paid, we would request a letter of confirmation that there are no outstanding property tax issues with your county.

Yours very truly,
Chapman Petroleum Engineering Ltd.

Subject: COGI Sroperty Tax Settlement

Sylvie Guay: Further to our earlier discussions our correspondence, I am forwarding a proposal on behalf of DEL Canada GP Ltd. (DEL) regarding the Canadian Oil and Gas International Inc. (COGI) property Tax account with the County of Red Deer. As you know COGI is in receivership managed by MNP Ltd

DEL is a completely different corporate entity than COGI with a new management team representing about 10,000 investors through a limited partnership structure. Many of the DEL investors were COGI investors who in total lost over \$300 million dollars of their personal money due to the bad management and eventual receivership of COGI. The DEL initiative was contrived in an attempt to recover at least some of the loss, by taking over the viable assets of COGI out of the receivership.

Initially, DEL purchased COGI's debt from the ATB effective October 1, 2017, thus became the secured creditor. The COGI assets were advertised for disposition and a selected package of wells were bid on by DEL and successfully purchased, some of which are in County of Red Deer. Subsequently, DEL was granted a conditional Vesting Order by the courts, but the receiver cannot be discharged until certain conditions are met. These conditions involve a number of Alberta municipalities and counties, yours included. A second condition with the CRA, relating to exemption from tax withholding has been satisfied.

DEL is in a position now that it is willing to front certain payments to your county for COGI for assets that they have purchased, even though they still have no direct control over them. Had DEL not purchased these assets many of the wells might have been disclaimed along with the wells that were not purchased by anyone.

DEL feels that they have made a contribution to the County of Red Deer, through continued operation of a significant number of wells and facilities, which will be subject to Property Tax into the future. DEL plans to be a good partner with the municipality regarding payment of future property taxes.

DEL's proposal which we request be presented to the Municipal Council is as follows:

1. DEL will pay any outstanding amounts on the 2018 Property Tax for all wells purchased from COGI (\$27,314.02), plus any penalties accrued on those specific rolls by January 15, 2018. The majority of the 2018 property tax has already been paid by MNP.
2. DEL respectfully requests that the 2018 Property Tax invoices for wells and facilities that have been disclaimed by the receiver be withdrawn.
3. DEL respectfully requests that the past penalties and arrears shown on the 2018 invoices to COGI, including the disclaimed wells, (\$291,313.44) be waived, as they pertain to delinquencies of COGI and were not caused by DEL. Most of the current arrears and/or penalties relate to linear taxes.

We have had discussions with your counsel, Mr. McCabe, not regarding your county in particular, but we know his position currently. We understand that this is a matter for your Council and Counsel to decide.

The above numbers have been quoted from the spread sheet that I had sent to you earlier, developed from the 2018 invoices from the County of Red Deer. We understand there may be accrued penalties on the DEL current assets, which makes the actual amount subject to change, depending on your council resolution. We also understand that the County's allocation of the payment made by MNP around October, 2017, and for the 2018 taxes (\$604,764.02) may not have been allocated as we presented it.

Thank you for your attention to this matter and we look forward to your favourable response.

Dear Sir:

Re: COGI Property Settlement – Red Deer

As per my earlier letters, we are taking the position that the taxes owed to the municipalities are special liens on lands and improvements, having priority. They are not a special lien on just the taxed land. It is broader than that. But whether we are right in this will be seen, perhaps with the outcome of *Virginia Hills*.

In the meantime we are aware that various vesting orders are directing that the purchaser acquire certain properties clear of pre-existing encumbrances and that the purchase price will stand in the place of the encumbrances. That appears to be the case with DEL.

Your letter is not clear to me. The second complete paragraph on page 2 says, firstly, that you are not responsible for past unpaid balances but would appreciate a favourable consideration with respect to past penalties. I am not sure what you are saying.

Sylvie Guay, at Red Deer, has produced a spreadsheet dealing with the COGI properties. If possible, I suggest you print it, in colour than tape the 2 pages together so that you then have a spreadsheet that is about 3 feet wide.

Sylvie has taken the list of properties you provided, in the order you provided them and numbered them 1-19. This, of course, applies only to the ones where you say there is an amount in dispute in the final column in your chart. A few explanations are in order:

- 1) Item 4a is added in because it is abnormal. That is because the particular piece of property was annexed with the result that the levy had to be cancelled so there is a credit.

- 2) In the disclaimed wells she has described them alphabetically, in the same order as you described them. Note that your 6th one (item f) is duplicated as your last one. She points that out in her chart.
- 3) I look at the first item as an example. It is roll 202005132.

If you look to the middle of the chart you will see \$115.59 for the July 1st penalty, \$122.53 for November 1st and \$27.51 for March 1st 2018. This adds up to \$265.63 which equates to the amount in your disputed column.

To take another example I look to number 8, roll 202111133. You say the disputed number is \$3,100.49. That equates to all of the numbers in the columns starting at the 2016 levy and ending with the March 1, 2018 penalty.

While initially difficult following this, Sylvie explains it quite well. Once you have had an opportunity to digest this, I would appreciate and opportunity to discuss it with you.

Yours truly,

REYNOLDS MIRTH RICHARDS & FARMER LLP
