 - iii. declaring the Purchaser to be the Successful Bidder under the SISP; and

- d. such further and other relief as this Honourable Court deems appropriate.

Grounds for making this application:

Background

- 2. On August 19, 2022, this Honourable Court granted a receivership order (the "**Receivership Order**"), pronouncing MNP as Receiver of the current and future assets, property and undertakings of the Debtor.
- 3. Among other things, the Receivership Order granted a stay of all proceedings against the Debtor and Receiver, authorized the Receiver to take immediate possession and control of the Property

(as defined in the Receivership Order) and to market and sell the Property out of the ordinary course of business, subject to Court approval.

4. The Debtor was incorporated in Alberta in 2019 and prior to the date the Receivership Order was pronounced, was in the business of providing proprietary wastewater management solutions utilizing nano-polymerization technology to enable geographically isolated areas to reuse water, thereby decreasing freshwater usage (the "**Business**"). As of the date of the Receiver's appointment, the Debtor had very limited operations.
5. To the best of the Receiver's knowledge, as at the date of its appointment, the Debtor's main assets were as follows:
 - a. cash in the approximate amount of \$200;
 - b. equipment and chemicals, primarily consisting of wastewater management units in various stages of completion (the "**Equipment**");
 - c. potential litigation claims that SolvAQUA may have arising out of various payments made by SolvAQUA to third-parties;
 - d. potential claims against third parties for alleged breaches of contracts and corresponding insurance claims related to coverage provided by Export Development Canada; and
 - e. potential eligibility for scientific research and development tax credits.
6. The Purchaser is the nominee of Arnaki, the Debtor's primary secured creditor. As at the date of the Receiver's appointment, the Debtor was indebted to Arnaki in the approximate amount of \$7,900,000 (the "**Indebtedness**").
7. On October 20, 2022, this Honourable Court granted an order (the "**Sale Process Order**") that, among other things:
 - a. approved a sale and investment solicitation process, which included the use of the Stalking Horse Agreement (the "**Sale Process**"); and
 - b. authorized the Receiver to commence and conduct the Sale Process.
8. An overview of the Sale Process is set out in the First Report of the Receiver dated October 11, 2022 (the "**First Report**") at paragraphs 21 to 28.

Outcome of the SISP

9. As is more fully set out in the Second Report, the Receiver conducted the Sale Process in accordance with the Sale Process Order. Only three parties executed confidentiality agreements and viewed the information contained in the electronic data room. The Receiver did not receive any offers by the bid deadline on November 23, 2023.
10. As no bids were received, the Receiver determined that the Stalking Horse Agreement (as amended) was the Successful Bid in the Sale Process.
11. The Stalking Horse Agreement has been amended by the Amending Agreement to (among other things) remove equipment from the purchased assets (as a result of, among other things, the Settlement Agreement), reduce the purchase price as a result of the removal of such equipment, and extend the closing date.

Approval of the Amended APA

12. The key terms of the Amended APA are summarized in the Third Report. Among others, it includes the following key terms:
 - a. the Purchased Assets primarily consist of the SolvAQUA claims and the Vivakor Equipment (each as defined in the Amended APA) has been removed as a purchased asset under the Amended APA;
 - b. the sale of the Purchased Assets is on an “as is, where is” basis;
 - c. the purchase price is comprised of:
 - i. a cash payment in an amount sufficient to satisfy the Priority Payables and the Holdback Amount (each as defined in the Amended APA);
 - ii. a deposit in the amount of \$100,000; and
 - iii. a non-cash payment in the amount of \$500,000, to be applied as a credit reduction of the Indebtedness;
 - d. the effectiveness of the Amending Agreement is condition on this Honourable Court granting an order approving the Settlement Agreement;
 - e. the closing of the transaction contemplated by the Amended APA is conditional on, among other things:

- i. the Purchaser being the Successful Bidder under the Sale Process; and
- ii. approval of the sale of by this Honourable Court and the granting of the Vesting Order (as defined in the Amended APA).

13. The Receiver recommends the approval of the Amended APA because (among other things):

- a. the Sales Process was transparent;
- b. the Property was sufficiently exposed to the market;
- c. the outcome of the Sales Process would not have been different notwithstanding the Amending Agreement, as no other offers for the Property have been received;
- d. Arnaki, the primary secured creditor is support of the Amended APA; and
- a. the only substantive conditions of the Amended APA remaining are the approval of the Settlement Agreement by this Honourable Court, the approval of the Amended APA by this Honourable Court and the granting of a vesting order.

Activities of the Receiver

14. The Receiver's conduct and activities as described in the Second Report and the Third Report are lawful and proper and consistent with the Receiver's powers and duties under the Receivership Order.

15. The receipts and disbursements of the Receiver as described in the Second Report and Third Report, are commensurate with the work performed, commercially fair and reasonable and should be approved.

Approval of Professional Fees

16. The accounts of the Receiver for the period to July 31, 2023 total approximately \$114,100, inclusive of GST.

17. The accounts of the Receiver's legal counsel for the period to July 31, 2023 total approximately \$141,400, inclusive of GST.

18. The Receiver estimates that further professional fees of approximately \$12,500 plus GST and approximately \$30,000 plus GST for the Receiver and its counsel respectively, will be required to complete the administration of the receivership.

19. The invoices rendered by the Receiver and its counsel are commensurate with the work performed, commercially fair and reasonable and were valid incurred in accordance with the provisions of the Receivership Order.

Discharge of Receiver

20. Since its appointment, the Receiver has performed its mandate as Receiver under the Receivership Order.
21. Subject to the completion of the transaction contemplated by the Amended APA and the distribution to the Purchaser as outlined in the Third Report, the administration of the receivership proceedings is substantially complete and it is appropriate to terminate the receivership proceedings and discharge the Receiver in the circumstances.
22. The Receiver has acted diligently since its appointment and has undertaken those activities described further in the First Report, Second Report and Third Report, which actions are lawful, proper and consistent with the Receiver's powers and duties under the Receivership Order.

1. Receivership Order pronounced by the Honourable Justice R.A. Neufeld on August 19, 2022 and filed August 24, 2022;
